"Do all the other things, the ambitious things -- travel, get rich, get famous, innovate, lead, fall in love, make and lose fortunes... but as you do, to the extent that you can, err in the direction of kindness" -- George Saunders

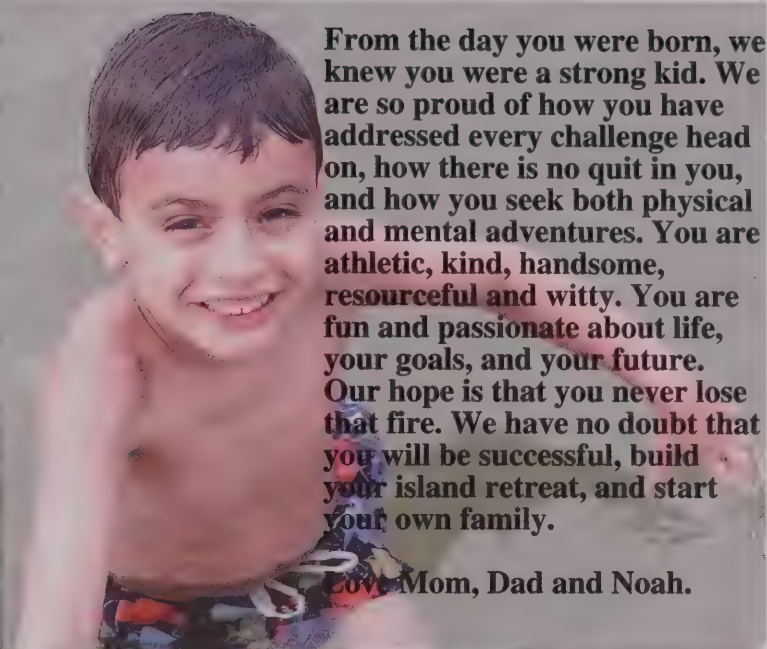

Congratulations! We are so very proud of you.

Love, Gina, Trish, Ellen, Lisa and Jeanne

Dear Lucy,

We are so proud of you and all your accomplishments. We sure are going to miss you next year, that living room couch will be lonely. Your biggest strength is your ability to engage and build relationships with all walks of life. You have a great gift to make others feel comfortable and at ease. Those are special qualities that will get you far in life and specifically as you enter the nursing field. Stay true to yourself and keep being you.

We Love You,
Mom & Dad

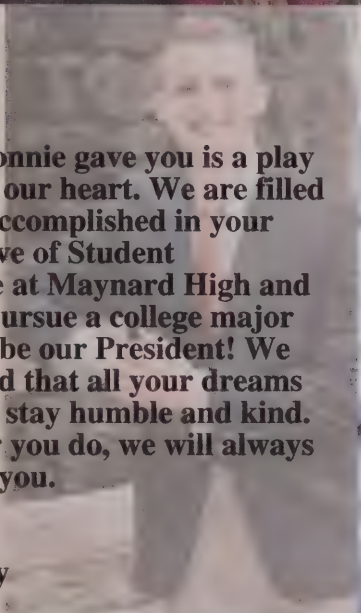

From the day you were born, we knew you were a strong kid. We are so proud of how you have addressed every challenge head on, how there is no quit in you, and how you seek both physical and mental adventures. You are athletic, kind, handsome, resourceful and witty. You are fun and passionate about life, your goals, and your future. Our hope is that you never lose that fire. We have no doubt that you will be successful, build your island retreat, and start your own family.

Love, Mom, Dad and Noah.

Herzele,

Your German nickname Nonnie gave you is a play on the word heart. You are our heart. We are filled with pride in all you have accomplished in your high school career. Your love of Student Government matured while at Maynard High and inspired your ambition to pursue a college major in Politics. You will always be our President! We wish you a bright future and that all your dreams come true. May you always stay humble and kind. Wherever you go, whatever you do, we will always be proud of you. God bless you.

We love you dearly,
Mom, Dad, Ally and Maddy

Many have said you have an old soul, like you have been here before
You have done things your own way and ensured us everything is fine
Your crew and you Roll Deep and have gained our respect
Stay Righteous
Stay Motivated
Don't leave an opportunity on the table
You may feel uncertain and have butterflies....
However--
This is your time, your game, your show!
Knock 'em dead kid!

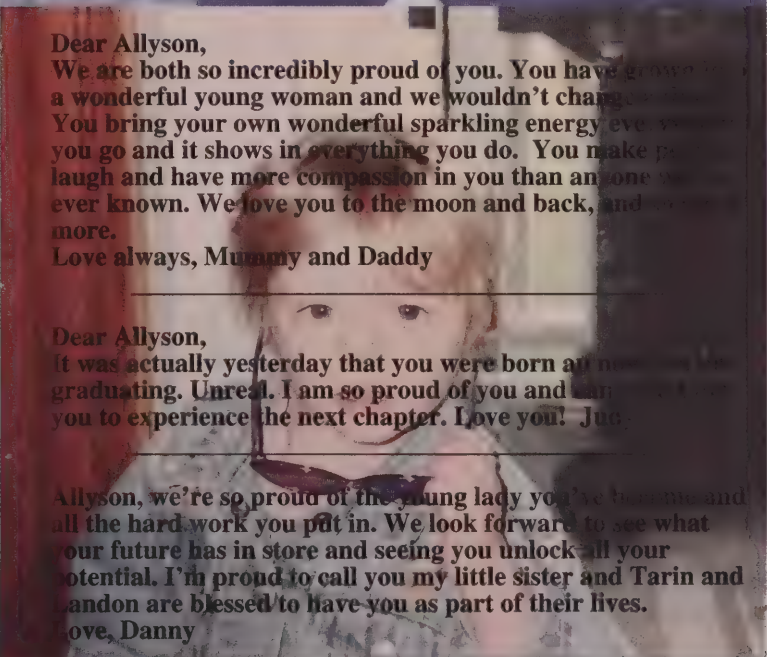

We Love you-- Mom, Dad, Sam and Maitey

Justin,

The journey started 12 years ago, yet it seems as if it was just yesterday. Every step of the way has helped shape you into the young man you are today. We are so proud of all you have done, and look forward to seeing what you will achieve in the future. We love you!

Mom, Dad, Riley and Molly

Dear Allyson,
We are both so incredibly proud of you. You have grown into a wonderful young woman and we wouldn't change a thing. We love you to the moon and back, and so much more.
Love always, Mummy and Daddy

Dear Allyson,
It was actually yesterday that you were born and today you are graduating. Unreal. I am so proud of you and can't wait for you to experience the next chapter. Love you! Just Mom

Allyson, we're so proud of the young lady you've become and all the hard work you put in. We look forward to seeing what your future has in store and seeing you unlock all your potential. I'm proud to call you my little sister and Tarin and Brandon are blessed to have you as part of their lives.

Love, Mom Dad and Jess

Joel Stenhouse,

You are seriously one of the best people we have ever met in our entire lives, and we're not just saying that because we're your incredibly proud parents. It's been a privilege getting to watch you grow into the person you are today. We look forward to hearing the music of your life.

"There's no better feeling in the world than when you realize your kids are turning out to be good people." (It was either that or "May the Schwartz be with you.")

*Love,
Mom and Dad*

Joel Stenhouse -

As your grandparents we've watched you evolve from the skeptical little child who would not enter the exhibit in Disney World because you told us, "There's a lion in there, HELLO!" to a well-rounded young man. Nothing makes us more proud of you than listening to your skills as a musician on the guitar, singing a solo in a musical production, or bringing home a report card that denotes your academic achievements. We wish you the best as you continue to pursue a degree in whatever field of academia you choose.

Love, Mama and Papa

Sophie, Watching you grow from a little girl to the wonderful, amazing person you are today has been a great joy. We are so proud of you! Your future is bright.

Love, Mom and Dad

Robert-You've been surprising us since the day you were born 2 months early, we can't wait to see how you surprise us in the coming years! You've brought so much joy to our lives, it's truly our greatest pleasure to be your parents. Remember to dream big and have even bigger adventures-we will always be here to offer you our unconditional love and support, hear your stories, and celebrate your achievements.

We are so proud of you! All our love-Mom and Dad

Owen we are so proud of the man you are and can't wait to see what the future holds for you! Our wish for you is for your dreams to stay big and your worries to stay small

Love-Dad, Mom, Georgia, Liam and Tommy

Ariana

We couldn't be more proud of you and all you have accomplished so far in your first chapter of life. We know that you will be successful in all that you do and we can't wait to watch you do it! Just remember, "Difficult roads sometimes lead to a beautiful destination. The more difficult to reach the destination, the more you will remember the journey."

Love,

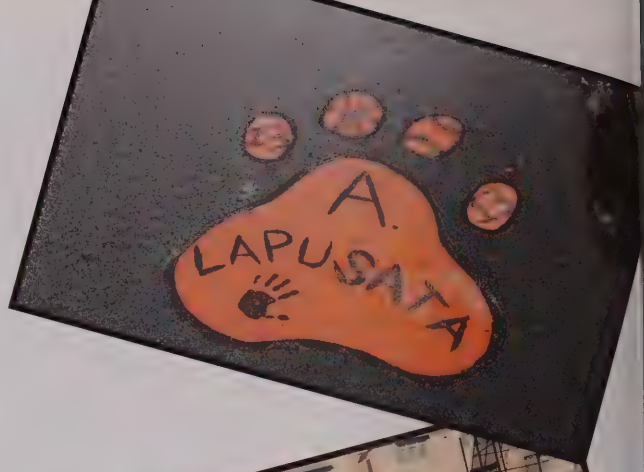

Mom, Dad, Anthony, Dominic and Gretta

Congratulations Julia Synan!

We are incredibly proud of you. You have certainly made the most of your high school experience. Whether it's on the stage, the softball field, the WAVM studio or the classroom, you always gave your best. You have built memories that will last a lifetime. You have grown and matured into a determined, intelligent and beautiful young woman. You light up the room with your smile and laugh. Your future is very bright and the sky is the limit! We can't wait to see what lies ahead for you.

All our love, Mom, Dad and Sarah.

Congratulations Emma!

We are so proud of you in every way. All that you are, all that you've accomplished, and all that you've become are a testament to your strength, intelligence, and heart.

"Go confidently in the direction of your dreams! Live the life you've imagined." - Thoreau

Love,
Mom, Dad, Elizabeth, and
Winni
