MAYNARD HIGH SCHOOL  
SCREECH OWL  
1979

Love when you can  
Cry when you have to  
Be who you must  
That's a part of the plan  
Await your arrival  
And one day we'll all understand.

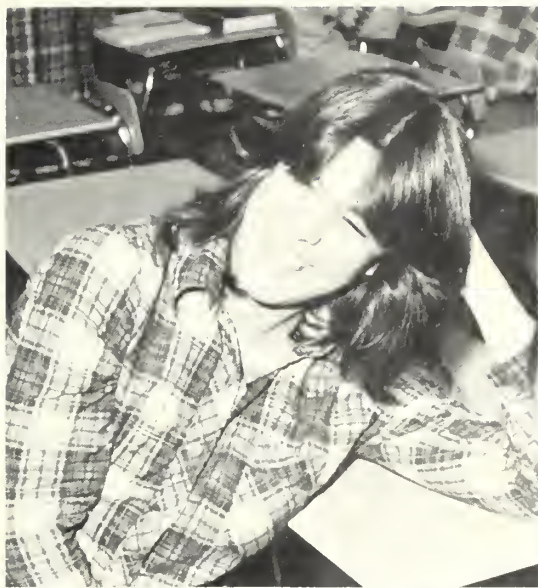

Do you want to be an angel,  
Do you want to be a star,  
Do you want to play some magic  
on my guitar?  
Do you want to be a poet?  
You could be anything.

Look around you, look up here,  
Take time to make time, make  
time to be there,  
Look around, be a part  
Feel for the winter, but don't  
have a cold heart.

Look around and choose your  
own ground  
For long you live and high you fly  
And smiles you'll give and tears  
you'll cry  
And all you touch and all you see  
Is all your life you'll ever be.

Lessons learned are like  
Bridges burned  
You only need to cross them but  
once  
Is the knowledge gained  
Worth the price of the pain?  
Are the spoils worth the cost of  
the hunt?

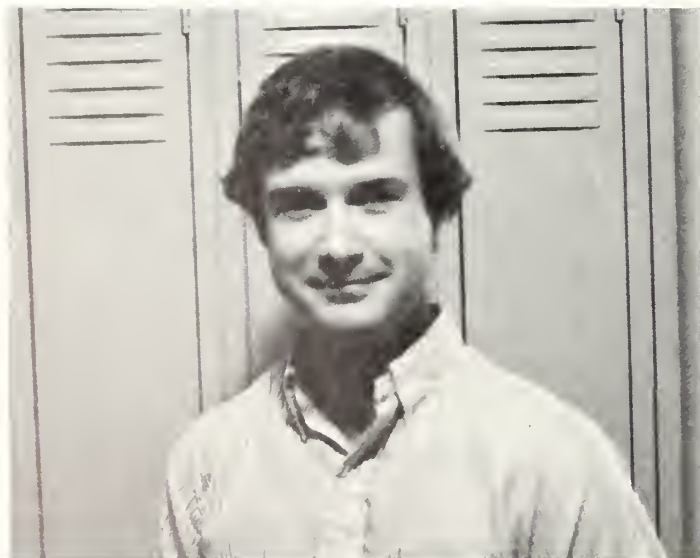

We measure our days out  
in steps of uncertainty  
Not turning to see how we've  
come  
And peer down the highway  
From here to eternity  
And reach out for love on the run  
While the man for all seasons  
Is lost behind the sun.

## THANK YOU!!

It is hard to thank someone who has done so much for our class as a whole and each of us individually. As an advisor, teacher, softball coach, volleyball coach, photographer and friend, Mr. Lincoln, you have always given one-hundred and fifty percent. You supported every activity that we were involved in with enthusiasm, and we thank you for always being there. You definitely have influenced each and every one of us and we will miss your guidance and friendliness next year. To try to show our appreciation, we dedicate our Screech Owl '79 to you.

## Mr. DeRosa

We, the class of 1979, pay special tribute to our retiring Assistant Principal, Mr. Wilfred DeRosa, who has devoted 28 years to Maynard High School. Appointed in February 1951 as a football coach and a teacher of social studies and ancient history, Will DeRosa soon established himself as one of the more popular teachers at Maynard High. For a number of years, he also served as the driver education teacher. In 1966, he was named to the position of Assistant Principal and continued to serve as a football coach through the 1977 season.

For your guidance, your fair and impartial discipline, Mr. DeRosa, we salute you!

Missing: Lisa Mariani.

Under coaches Kathy Bassett and Gail Ingraham, the field hockey teams had an excellent season. In the heat of August, the team candidates began the gruelling process of getting into condition. A combination of agility, speed and fine stickwork brought both the varsity and junior varsity teams to a satisfying 8-2-4 record. Varsity finished in second place in the Midland League, losing only to Hudson. For the first time in Maynard field hockey history, the Tigresses qualified for the District III Championship. The team was defeated in the first round 1-0 by Auburn, but the experience was very valuable. The team wishes to thank Barbara Moynihan and Mrs. Kulevich for their needed support.

Under the fine coaching of Joe Cusson and Steve Desy, the girl's cross country placed first in the Midland League for the third consecutive year. Senior members Brenda Walsh and Sharon Santamaria will be missed, but the nucleus of the team will return next year for what should be another successful season.

The 1978 season proved very successful for the boy's Cross Country team, which was made up of sophomores and juniors. This year's tri-captains were Phil Savoy, Mike Murphy and Brian Kelly. The varsity squad placed sixth in the Midland League with a record of four wins and six losses. These talented runners won the District III title and qualified as a team for the semi-finals at Gardner. The J.V.'s finished third in league competition. Next year looks very hopeful due to the many members who will be returning to the team.

Seniors on the squad were Janice Hamilton, Paula Davis, Karen Homes, and Sandy Bedard. The J.V. team, under coach Brenda Mason, worked hard throughout the season and hopefully will be returning to become the nucleus of next year's squad.

# WINTER CARNIVAL

# CONCERT BAND

On December 14, 1978, the annual Christmas Concert was held in the MHS Auditorium. As an added touch this year, to enhance the spirit of the holidays, candles were lit throughout the room. The A-Capella Choir, Chorus and Stage Band all performed with enthusiasm and talent. The concert band played lively holiday tunes under the superior direction of Mr. G. The majorettes were in full Christmas attire as they performed their routines. To culminate a very enjoyable evening, the band was presented with the Grand Trophy Award for their participation in the Christmas Parade.

# MARCHING BAND AND FLAG GIRLS

The band is a group of devoted students who bring sound to many high school and community activities. From the opening kickoff in the fall to the Commencement Exercises, this group is busy performing in several parades, football rallies and concerts. A highlight each year is the exchange concert, which was held with Brattleboro, Vermont on the weekends of March 24 and April 7. Both weekends proved successful, both as learning and fun experiences for all involved. Under the direction of Mr. Garabedian and Mr. Jost, the band is definitely an integral part of Maynard High.

## HELLO DOLLY

On the evenings of March 2, 3, 9 and 10 in the MHS auditorium, the curtain rose unveiling this year's musical "Hello Dolly." The stage was ablaze with colorful costumes from the eighteen nineties and songs such as "Call on Dolly" and "Elegance" were performed with enthusiasm and talent by the sixty-member cast. The many frustrating hours of rehearsal and set building were rewarded as audiences applauded the cast and crew of "Hello Dolly." The show's success can be credited to the cast, their supporters, and the superior direction of Mr. David Jost and Miss Celia Bartolotti.

# brighten your family future

When **she's** ready for college, **you** can be ready, too.

Whether you're facing college costs - or simply day-to-day living expenses - if you want to earn a little extra on your money, Assabet Savings is the place to start. Our depositors pocket more interest earnings because they own the bank - no profits are syphoned off to shareholders.

You could start saving up for college or other

expenses coming up, say in '80, with a Term Deposit Account earning 6½% a year (regardless of what happens to the economy or the stock market).

Come see us for the savings program that will give you the *most* for your money.

**You always do better at a Mutual Savings Bank!**

COMPLIMENTS  
FROM THE  
YEARBOOK STAFF

This year the Yearbook Staff fought an uphill battle. Our advisor, Paul Henning, was forced to take a medical leave of absence. Although his spirit was with us, his physical guidance was greatly needed. Each day our problems seemed to increase with the disappearance of pictures, layouts, and even staff members. The deadline was drawing closer and the work to be completed seemed endless. We are very thankful Mr. Henning returned. He organized the remaining staff members and put us to work. With his guidance we are able to say we're finished.

At this point we would like to extend a special thank-you to Celia Bartolotti for her endless moral support and guidance. Thanks is also extended to Diane Melanson, Cathy Hartnett, Linda Nilsson, and Monique Karpechik for their typing assistance.
