*Maynard High School
Maynard, Massachusetts*

Our four years at Maynard High School have slipped past us. Those we have met, what we have learned, and what we have experienced create a picture in our minds as we now think back. The 1972 *Screech Owl* will help us recall more vividly our high school days.

"Stick save", Fern

Pass the phenolphthalein, please!

"It's a nice place to visit, but I wouldn't want to live here."

I period down 6 more to go

Yes, Rick, we see you!

"Who... me?"

Good, Mike, now open your eyes!

The band gets "psyched" for a rally ...

Love is ... holding hands.

"But I've made other plans for tonight ..."

And we listened ...

"Neatest Lunch Table" award!

Clowning around!

The corridors come alive.

Another day has passed

Toohey descends.

"Now look, Ed, there's a right way and there's my way."

It works!

Our cheerleaders "do their thing".

"I'll race you to the stop sign."

Crutches are in style . . .

Homeward, at last!

"You mean to say you can't folk dance?"

Dance to the music!

But you only get four chips to a bag ...

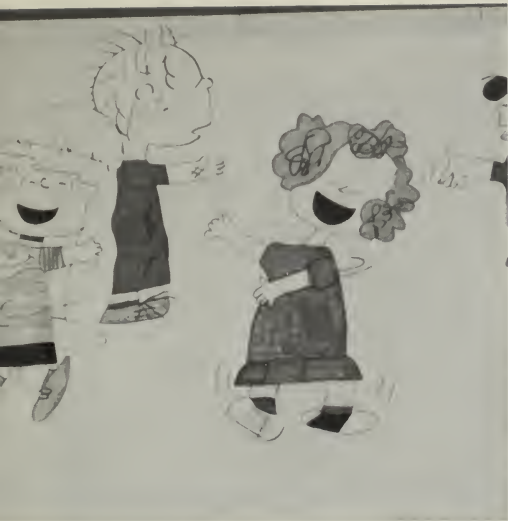

Our guys watch ... but what?

"O.K., have it your way."

"There's something stuck in my tooth ..."

"Hmmm, what's going on over there?"

Cheryl, Buck wheat, Brenda and Paul

"What did he say?"

a;ldkfjgh hgfdksla;

Mr. DeRosa, you're not listening!

Dedication

Dear Mrs. Clair,

As we reminisce about our years at Maynard High School, Room 102 and you come to mind. Room 102 was like any other room, but the teacher made the difference. We could see right from the start by the way you walked, an unusual kind of gait, and by the way you stuck your glasses on top of your head like a pilot's goggles, that you were out of the ordinary. With your hand on your hip, you'd stand in front of the history class cracking jokes. But we learned. We learned far more than just history during that period. We learned how to express ourselves, unafraid in the informal atmosphere of your classroom. We learned responsibility in the new Independent Study you instituted. And we learned respect for you, Mrs. Clair, as a teacher and as a friend. Thank you for all you have given us.

Sincerely,

The Class of 1972

In Fond Memory

MARK DIONNE

I often wonder why such a young life
must go so suddenly —
One that was so close to me,
and had so much to get out of this world.
There was so much enjoyment left unenjoyed,
so much laughter left in silence,
and so many tears left dry.
But then I ask myself "why?"
Do you know why?

SCOREBOARD!! SENIORS!! WE'RE PROUD OF THEM BOTH.

Marty — We're ready to go, we're ready to play!

Karen — There ain't nuthin' to it, the way we do it!

Carole — Stop, look, and listen!

Cheerleaders

In August, the MHS cheerleaders journeyed to Brandeis University in Waltham to attend a week of camp sponsored by the National Cheerleading Association. From then on, it was all uphill! (From the dorm to the caf!) Red, white, and blue represented three ribbons and a lot of spirit awarded to the squad: excellent, outstanding, and superior. Then they moved to football and basketball seasons remembering such things as cheering in the snow, breakfast at Marty's, competition at Prouty, painted fingernails, smile, the back of the bus, the trio, Miss K., pulled muscles, four o'clock, and most of all being together and enjoying working together as a group.

Patti — Raise that score, we want more!

Terri — Victory, victory, that's our cry!

Carole — Dynamo, dynamite!

Annette — Yah, Ojje — I mean Maynard!

Vicki — Hey, let's flip! 79

Margie — Put on a grin, while we begin!

Linda — Go get 'um, Tigers, fight all the way!
