We'll Always Remember

A year ago in May, I sat deep in thought, pencil in hand, writing '42's farewell to '41. I was then a Junior so the real significance of graduation did not dawn upon me. It seemed to me the culmination of a few weeks' glorious round of banquets, outings, and dances. Now, as a Senior, I see the picture in a clearer light. For some of us, Graduation Day is the end of all our school years. We sever our ties of friendship and each goes his way. The hilarious study periods, the moments of anguish spent in conjugating French verbs, the terrifying exploits in the Lab., Socials, Junior Proms, and Football Rallies will all become rolled into one joyous memory to be looked back upon in the years to come.

We are not the first class to set out on a journey with destination unknown, but we are the first class to graduate in the period of World War II. Our travels will be more difficult than those of previous classes as we are being thrown into a world of strife and chaos. Therefore, Class of '42, it is our duty to make the best of circumstances, practice the teachings, and follow the advice received in Maynard High and keep the glorious memory of our Alma Mater shining in our hearts forever.

How to Win the War

Although "Let's Remember Pearl Harbor" is the slogan for World War II, how many people really do remember it? I do not mean that they have forgotten what occurred there, but they do fail to realize what we must undergo to prevent any such attack from occurring again.

When people complain about the shortage of sugar, gas, and other things, we should ask them to pause long enough to compare their sacrifices with those of our boys in the Army, Navy, and Marines, and we can be assured that they then will be too embarrassed to mention their complaints. We all can work and

win this war, but this younger generation must not have the impression that only our boys in uniform are fighting, because this time, overalls and aprons must play as important a part as other uniforms. This great war requires the skill, knowledge, and labor of every man, woman, and child in the United States, and I am certain all we need is inspiration to get us started, and then we'll continue onward ourselves.

There is one way in which every one of us can do his part. That method is by the investment of money. It is the patriotic duty of every American — man, woman, and child, to buy defense stamps and bonds and to buy them regularly. Do this and from now on I am certain that we will all "Remember Pearl Harbor."

MARY MOYNIHAN, '45

Uncle Sam Needs Your Money

I wonder if any of us fully realizes the amount of money and the number of human lives that this war is costing America daily. Figures from our nation's capital show that during the past few months in which America has been at war, the cost has been more than the total expenditure of the first World War.

Naturally these debts must be paid. And, we, the people of America, must help to honor these debts, either by the burden of taxes later, or by a small weekly investment in the form of Defense Stamps and Bonds. If every man, woman, and child in the United States were to buy one ten-cent defense stamp each week, the total would exceed thirteen million dollars. At that rate, we would be paying money into the treasury almost as fast as it is being spent.

America needs planes, tanks, ships, and guns, and America needs them NOW. Don't let her down, because it is a small sacrifice on your part for the country that is giving its life so that you may enjoy the liberties to which you are accustomed. "Victory won't wait for the country that is late."

ALICE R. THANE, '44

As We Go

Dear Classmates, now the time has come
When we must go our separate ways,
When we must leave this school of ours
Where we have spent such happy days.

Soon we shall step across the way
Into a world which is all new,
Although it may be hard at first
Let's show that world what we can do.

Let's not be among the lazy laggards
Traveling on the way of life.
Real leaders are what this world needs
To guide it from its care and strife.

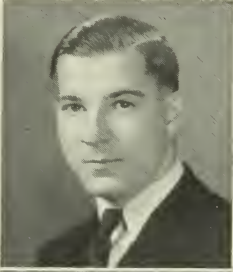

Though roads may be quite hard and rocky,
Though we may stumble on the trail,
If every day we do our best
We'll not be of the ones who fail.

We want to thank our teachers all
For everything which they have done
To aid us when we needed help
Good cheer to each and every one.

We're going to miss you, Maynard High
For a long time after we are gone;
But we are sure that memories
Of you, will always linger on.

PRISCILLA MARCHANT, '42

SENIOR CLASS ROLL

Joseph Ayotte

Joe is really what we call a "live wire." He's always ready with an answer to any remark. So far as we know, Joe's interests lie outside of Maynard, but he keeps things lively wherever he is, especially in the First National Super Market.

Alphonse Baker

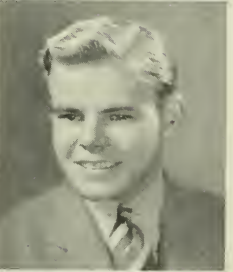

Basketball (2, 3, 4), Football (4), Baseball (4).

Baker is always full of fun, and his ready laugh can be heard from here to the e. His chief interests are baseball and Hudson girls. "Jumbo" is now working in the American Woolen Company.

Mary Baldi

Dark-haired, petite, and demure are descriptive of Mary. We don't know much about her, because she is so quiet, but we do know that we are proud and glad that she is a member of the class of 1942. If we had more people like Mary, the world wouldn't be such a bad place in which to live.

George Bowse

Junior Prom Committee (3), Student Council (3), *Screech Owl* (4), Banquet Committee (4), Outing Committee (4) Reception Committee (4), Class Will (4).

Blond and blue-eyed, "Bowsey" is an ardent sportsman. He is often seen with his gun or fishing rod, heading for the woods or stream. George likes to hunt pheasants. Some day he may go hunting for big game in far off places or daintier game in nearby places.

Philip Buscemi

Football (1, 2, 3, 4), Basketball (1, 2, 3, 4), Junior Social (3), *Screech Owl* (3, 4), Junior Prom Committee (3), Baseball (4), Reception Committee (4), Banquet and Class Night Committee (4), Outing Committee (4), *Screech Owl* Dance Committee (4), Cap and Gown Committee (4), Picture Committee (4), Class Prophecy (4), All Senior Social Committees (4).

Phil is one of the most popular boys of the class of 1942. He has contributed much of his time to sports and has done a swell job of it. Keep plunging through, Bill, and we are sure you will score.

Rose Buscemi

When a rippling laugh breaks the silence, you know that Rosie is nearby. And if she is nearby, the chances are that her bosom pal Crucifina is in the immediate vicinity. We know that if she keeps smiling in future years as she has in the past four years the world will be a brighter place in which to live.

Helen Bygot

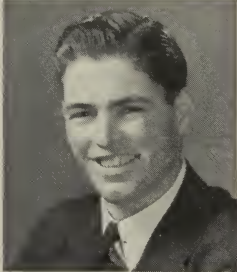

Basketball (1, 2, 3, 4), Picture Committee (4), Cap and Gown Committee (4).

Helen is a quiet, shy girl in school, although we've heard that she changes her calmness outside. Everyone admires her platinum blonde hair (the real thing), and once you see it, you don't forget it.

Crucifina Cannella

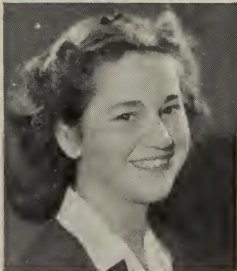

Cruci doesn't make much noise, but her friends know how cheerful she is. Her ambition is to be a secretary. With her cheerfulness, she is bound to brighten someone's office.

Thomas Cary

Craft Club (1, 2), Dramatic Club (3, 4), Football (4).

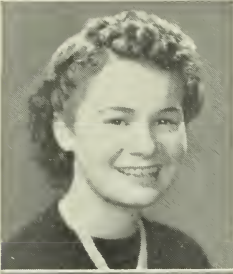

Debonair, dashing "Cary" may be seen strolling through the halls at any recess. His hearty laughter, congeniality, and interest in blondes make him one of our best-liked students. We have no idea as to what Tommy's ambition is, but we bet it's a good one, and will eventually take him to Belmont.

Annie Columbo

Junior Prom Committee (3), Poster Committee (3), Student Council (4), Senior Activities Committee (4), Senior Social Committee (4), Thanksgiving Social (4).

Brown-haired, brown-eyed Annie with her cheerful voice and friendly smile has the ability to put new acquaintances at ease. She is interested in cooking and sewing. Her letters to the soldiers in service certainly give her a rating of first class morale builder.

Ruth Croft

Field Hockey (1, 2, 3, 4), Basketball (1, 2), Student Council (3), Graduation Program (4), Class Night (4).

Just ask any one who the sweetest member of the Senior Class is, and the answer will invariably be Ruthie Croft. Her singing voice, her willingness to help others, and her cheerfulness have endeared her in the hearts of her classmates forever. Keep singing and smiling, Ruthie.

Kathleen Crotty

Field Hockey (1, 2, 3, 4), Poster Committee (3).

Inquisitive, loquacious "Coleena" has been the shining light of the senior physics class. We will never forget her spirited arguments and brilliant replies. With her cheery disposition, and willing helpfulness, she will go far in the nursing profession.

Frances Demery

Field Hockey (1), Valentine Social Committee (4), Banquet Committee (4), Outing Committee (4), Reception Committee (4), Class Prophecy (4).

A cute little blonde, full of "pep" is Franny. But hands off, boys, her heart belongs to a gentleman of the class of '41. Her care-free manner is no index of her scholastic ability. She is an excellent student and a great pal.

Beverly Denniston

Field Hockey (1, 2), Sophomore Social Committee (2), Junior Woman's Club (3, 4), Poster Committee (3), Thanksgiving Social (4), Senior Social (4), Senior Activities Committee (4), Class Gifts (4).

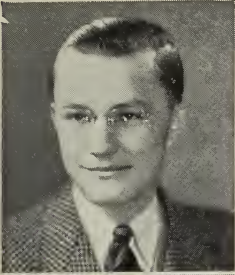

Jolly, good-hearted "Bev", with a smile for everyone is one of the nicest girls in the Senior class. Pretty soon "Bev" will enter the business world, and if she progresses as fast in her work as she does in her typing we know she will make good.

Fiorentino DiGrappo

4-H Handicraft Club (1, 2, 3), Student Council (3), Stage Manager in Dramatic Club (3, 4), Radio Club (3), Picture Committee (4), Senior Activities Committee (4).

Did you ever see Tino without a grin? Can you imagine his looking cross? Why, of course not. With such cheerfulness he cannot help but succeed. His vast general knowledge and his willingness to learn will also play a great part in his future.

Gordon Doel

Doel is a quiet boy in school. His outside interests lie in hunting, fishing, and trapping. But I hear of late he spends most of his time in Stow pursuing an interest which has nothing to do with hunting, fishing, and trapping — perhaps.

Daniel Dudzinski

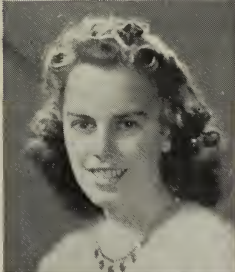

Basketball (1, 2, 3, 4), Football (2, 3, 4), Student Council (1, 2), Freshman-Sophomore Social (1), Prom Committee (3), Thanksgiving Social (3), Valentine Social (3), Picture Committee (4), Senior Social (4), Thanksgiving Social (4), Valentine Social (4), Cap and Gown Committee (4).

At every social, when the evening is at its climax, a group of laughing, chattering dancers gather in between numbers at the door of the auditorium. In their midst, stands tall, dark, and silent Danny — and when the music starts Danny dances with the fairest of M. H. S.'s beauties. Danny is certainly proof that the silent, mysterious type of man arouses the curiosity and admiration of the "blondes and brunettes."

Virginia Edwards

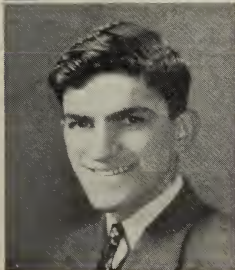

One of the quiet members of the Commercial Department is "Ginny". She is unusually proficient in her commercial work, and she is said to be bashful but has found a way to overcome her bashfulness at the Acton dances. Her candy counter at Newberry's has always been popular. Do you think it's the candy, or is it a case of sweets from the sweet?

Ruth Garside

Class Secretary (3, 4), All Dance Committee (1, 2, 3, 4), Basketball (1, 2), Field Hockey (1, 2, 3, 4), Student Council (1, 2), Junior Prom (3), *Screech Owl* (3, 4), *Screech Owl* Dance Committee (4), Junior Ring Committee (3), Reception Committee (4), Banquet Committee (4), Cap and Gown Committee (4), Class Will (4), Outing Committee (4).

The class of '42 will always remember Ruth as one of the best-looking, best-dressed, and most popular girls. She is always willing to help, and both girls and boys will agree that she has been a sincere friend. Keep smiling, Ruth!

Albert Greeno

Basketball (2, 3, 4), Football (2, 3, 4), Baseball (3), A. A. Social Committee (4).

On the coldest day in February, when the snow was two feet high, and the "no school" whistle had rung out in time to allow the rest of M. H. S. to turn over in bed for "two more winks," Al delivered newspapers with a cheery smile and a happy greeting. Keep this spirit going, Al, and no adversity will seem any deeper than the snow through which you ploughed last winter.

Bernice Hatch

Bernice is one of the ambitious girls of the class. She is never without some sort of outside job. With a pleasant smile for everyone, a happy-go-lucky manner, Bernice goes merrily on her way.

Esther Hekkala

Basketball (1, 2, 3), Field Hockey (3, 4).

Such a fine sense of humor cannot be equaled. Esther is a wonderful addition to any gathering, and we consider ourselves lucky that she is a member of the class of 1942. Her main interest, however, is in the J. K. Club in more ways than one.

Walter Higgins

Football (1, 2, 3, 4), Co-Captain (4), Interclass Basketball (1, 2, 3), Inter-Mural Basketball (2, 3, 4), Baseball (1, 2, 3, 4), Class Treasurer (1, 2, 3, 4), All Dance Committee (1, 2, 3, 4), Class Night Speaker (4), *Screech Owl* (4).

"Hig" is one of the school's outstanding athletes. Besides being Co-Captain of the football team, he has been active in basketball and baseball. Walt is also well-known for his big smile which enabled him to rate as one of the most popular boys in the class.

Toivi Karhumaa

Baseball (1, 2, 4), Band (1, 2), Orchestra (1, 2, 3, 4), Basketball (1, 4).

Toivi is one reason why all girls don't prefer men tall, dark, and handsome. He is definitely tall, blonde, and handsome. Although blondes are supposed to go for brunettes, Fedo prefers fair-haired Siirkka. She's his main interest, but baseball, dancing, and the J. K.'s, play an important part in his life.

Albert Kenfield

Kenfield is another one of the boys who is now attending Waltham Trade School. He is a quiet boy, with a pleasant smile. His hobby is raising goats—work that Albert has found to be both interesting and profitable.

Elizabeth King

Field Hockey (1, 2, 3, 4), Field Hockey 2nd Team Captain (3), H. S. Band, Chorus Accompanist (1, 2), Basketball (3), Honor member of Maynard Woman's Club, Picture Committee (4), Graduation Program.

"Libby", as we all know, is very considerate and studious. Whatever task she performs she does well. Her red hair attracts attention wherever she goes. Part of "Libby's" time is taken up by "Erickson's Dairy" and "Shorty", but in her spare time she managed to be one of our high scorers on the Field Hockey Team. Her ambition is to be a nurse, and we all know that many sick people will get well if "Lib" is around.

Helen Kisley

Helen appears to be quiet and bashful, but to her closest friends she is known as the life of the party. Her attractive clothes and pleasing personality are just what a good secretary should have. She has captured the hearts of many lads, but she has a real weakness for men from far off places.

Irma Koivu

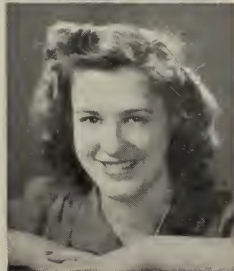

All Dance Committees (1, 2, 3, 4), Class Secretary (2), Student Council (1, 2, 3, 4), Vice President (4), Junior Prom (3), Cap and Gown Committee (4), Graduation Speaker (4).

Tall, attractive, witty, genial, ambitious, and orderly! What more could one ask! Irma is a fine student, popular with both classmates and teachers. She has already taken her first step to success by getting a job before school closed. We are sure she would be an eye-ful in any company, but especially so in an optical company.

John Korpi

John is one of the boys who are taking a special defense course at the Waltham Trade School. He is learning to be a machinist. Soon John will be working in a defense industry, doing his part to win the war.

Olga Kuchun

Field Hockey (1, 2, 3, 4), Poster Committee (3), Picture Committee (4).

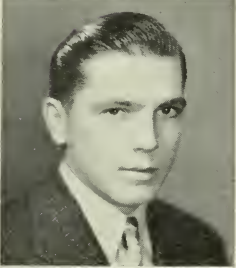

As a Freshman Olga made her debut on the hockey field and since that time has been one of the main props of the team. Along with her pal "Coleena" she will enter nursing and will, in the near future, bring a ray of sunshine to her patients.

Albert Kugima

Basketball (1, 3, 4), Baseball (3, 4), Football (4).

"Butch", after remaining quiet for three years, has blossomed into one of our foremost athletes. Although sports and work take up most of his time, he has many friends among the fair sex. Because he blushed so frequently, it was supposed that he was bashful, but his visits to Hudson must have cured him for he blushes no more.

Waslaw Lankiewicz

Basketball (1, 2, 3, 4), Baseball (1, 2, 3, 4), Baseball Captain (4), Freshmen Social, Sophomore Social.

One of the quiet members of the Maynard wolves, "Vert" is well known for his speed on the basketball court. Basketball, in interest, is second only to a sweet little Miss from Lynn who captured his heart two summers ago. This mysterious fellow will go places aided by "Jennie with the dark brown hair."

Doris Lent

Field Hockey (1, 2), Oratorical Contest (1), Basketball (1, 2), Junior Woman's Club Treasurer (3), Junior Woman's Club (3, 4), Sexette, Graduation Program (4), Senior Girls' Chorus (4).

This dark haired lass is known chiefly for her beautiful speaking voice and her scholastic ability. Her qualities are too numerous to mention. The brighter moments of Doris's life are usually spent at those Thursday night dances in Acton, which are also patronized by a tall pro-football player from Woburn and a dark-haired boy from Lincoln, both of whom bring out that interested look in her eyes.

Edmund Lowney

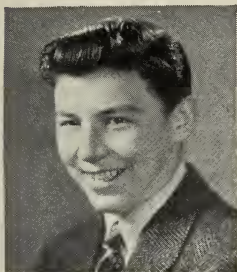

He is very shy and he avoids girls. He is now going to Waltham Trade School. He spends most of his time, hunting and fishing in the great outdoors far, far from women. But there may come a day, Edmund!!

Jean Lynch

Field Hockey (1, 2, 3, 4), Prize Winner Oratorical Contest (1), *Screech Owl* (3, 4), Editor (4), *The Haunted Hotel* (3), Cheer Leader (3, 4), Junior Woman's Club (Chairman of Program Committee) (3), President of Junior Woman's Club (4), Student Council (4), Dramatic Club (3), Vice-President of Dramatic Club (4), Picture Committee (4), Honorary Member of Maynard Woman's Club (4), Daughters of American Revolution Good Citizenship Pilgrim (4), *Meet the Family* (4).

She is one of the most brilliant and outstanding students in the Class of '42, and her charming personality has spoken for itself in the past four years. Her ambition, at present, is to enter Pharmacist School in the fall. Jean's job at Manning's appears to be "very" interesting and we know it is convenient for a certain curly-haired lad to drop in for a "coke" or a college ice.

Walter Makush

Track (1), Student Council (1), Cap and Gown Committee (4), Class Activities Committee (4), Dance Committee (4).

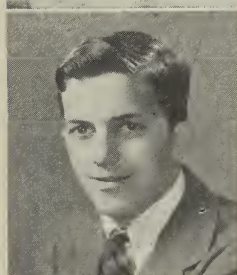

Handsome, healthy, and happy, Walter is the Romeo of the class, for in his own quiet way he manages to keep on good terms with all the girls. His chief interest (outside of girls) is aviation. Soon "Wally" will be in the Air Corps flying and fighting for Uncle Sam. Watch out, Hirohito, Benito, and Adolph!

Priscilla Marchant

Oral Speaking Contest (1), Class Secretary (1), All Committees (1), *Screech Owl* (2, 3, 4), Dramatic Club (3, 4), Junior Woman's Club (4), Picture Committee (4).

What a combination of attractive qualities has Priscilla! She is an honor student; she has an even-mannered disposition; she dances with the best; she is efficiency personified. Who wouldn't want to hire her as a private secretary?

Jerry Mariani

Jerry, who is tall and dark haired, is interested in mechanics. He does not appear to be interested in any girl yet but we think that there will be some changes made in the attitude. Sociable, likeable, but very independent, he will rely on his ingenuity to help him make his way in life.

Theresa Mariano

Field Hockey (1, 2, 3, 4), Basketball (1, 2, 3, 4), Field Hockey Captain (4).

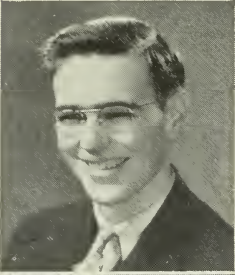

Everyone will always remember Theresa as a reliable soul. We know of her intense interest in field hockey and basketball. She is also well known for her outbursts of laughter in the commercial room. Lots of luck to a loyal friend.

Ester Mark

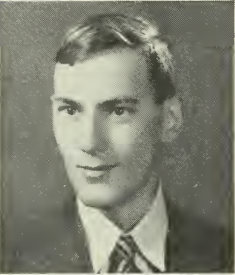

Field Hockey (1), Basketball (1), *Screech Owl* (4).

Ester, who signs her drawings "Esta", is one of our most accomplished students. Her artistic ability, originality, and polished technique will lead her to success. Ester can always have a good time any and every place she goes. Among her intimate friends, she is called "Butch." She intends to be a nurse, and we are sure she will make her "Mark" as a pulse taker.

Leonard McKenna

McKenna, better known as "Mac", is a speedy young man. He is busy working at the *A and P Super* and usually on the seventh day is busy with a spry young Miss called "Bev". Mac's ambition has not been talked about, but, whatever it is, it will be original and interesting, we hope.

Kenneth Meister

Dramatic Club (4), Picture Committee (4).

Tall, brown haired Ken is one of the intellectuals of the class. His interests lie chiefly in school work and dramatics. He was voted many honors by his classmates, but the one that fits him best is "Talks least says most."

Phyllis Merrick

Dramatic Club (3), *Meet the Family* (4), Junior Woman's Club (4), Graduation Program (4).

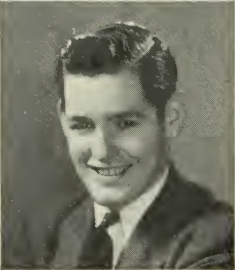

It is rare, indeed, to find a beautiful girl who knows all the answers, but Phyllis is the young lady at M. H. S. who possesses both comeliness and intelligence. No wonder her classmates like and admire her. Her trim figure and golden blonde hair are really something for any girl to envy.

Nellie Mikolajczyk

Field Hockey (1, 2, 3, 4), Inter-Mural Basketball (1), Inter-Class (1, 2, 3, 4), Picture Committee (4), Art Committee (4), Field Hockey Social (4).

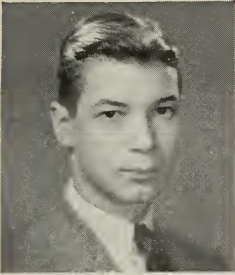

Nellie is the comforting girl of the class. Whenever someone feels ill, Nellie is always there to soothe away the patient's troubles. Nellie has taken up all the sports, and has excelled in them. She also likes to draw. Her carefree, congenial personality has brought her many friends.

Morgan Molloy

Track (1), Manager (2), Football (2, 3, 4), Sophomore Social Committee (2), Thanksgiving Social (3), Valentine Social (3), Junior Prom Committee (3), Valentine Social (4), Thanksgiving Social (4), Cap and Gown Committee (4), Student Council Treasurer (4).

Morgan, besides being one of the best looking boys in the class, is also one of our foremost athletes. His consistent good playing helped the Orange and Black to pull victory out of the jaws of defeat on many occasions. As a dancer, his classmates call him the best and have voted him as such.

William Morrill

Golf Team (2), Basketball (3, 4), Baseball (3, 4), Picture Committee (4).

Dark-haired, brown-eyed Bill is a pitcher on the baseball team. Encouraged by his father, Bill has become a reputable hurler. Besides playing baseball and basketball, he does some first class golfing. Bill is well liked for his friendliness, sincerity, courtesy, and good manners.

Lillian Nivala

Field Hockey (1, 2, 3), Basketball (1, 2, 3).

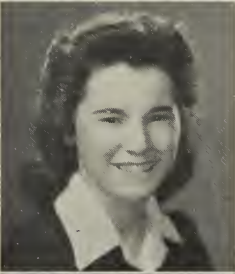

Lillian is the other half of Swartz, Nivala, Inc. "Lily's" sense of humor, pleasant ways, and willingness to lend a hand will endear her to her classmates for many years to come. Although Lillian doesn't say much about how she spends her spare time, we know that she'd like to spend it in Hartford, Connecticut, which she plans to make her future home. Too bad for us, "Lily," that that city is so far away.

Helen Nowick

Screech Owl (3, 4), Assistant Editor (4), Sophomore Social Committee (2), Valentine Social (3), Junior Prom Committee (3), Poster Committee (3), Senior Social Committee (4), Picture Committee (4), Basketball (1, 2, 3, 4), Cheer Leader (2, 3).

Helen possesses all the qualities of a perfect secretary. She has good looks, good clothes, a nice personality, and is one who knows her business. She has proved to be a success, for she was one of the first to leave school to take a steady job. Good luck to one of the commercial's best.

Anne Perillo

Basketball (1, 2), Junior Prom (3), *Screech Owl* (1, 2), Valentine Dance (4), Thanksgiving Social (4), Picture Committee (4), Outing Committee (4), Banquet Committee (4), Reception Committee (4), Cap and Gown Committee (4), *Screech Owl* Dance (4).

Anne is one of the most popular girls in our class. She is petite and pretty and has many friends. She is a true and faithful pal who is always willing to do anything to help a friend. She is a good student, and her smile brightens up the Commercial Department. Although she's had the boys guessing about her for four years, there is no guessing about her future success. Her outstanding personality and her attractive smile will surely take her places.

Eileen Perry

Field Hockey (1, 2, 3, 4), Inter-Mural Basketball (1, 2, 3, 4), Inter-Class Basketball (1, 2, 3, 4), *Screech Owl* (3, 4), Field Hockey Social (4).

Eileen is the girl with the double-life. Outside of school she devotes most of her time to a member of the class of '40. In school her friends know her as a good sport, a good student with a cheery disposition and without a man on her mind.

Jennie Piecewicz

Basketball (1, 2).

Jennie is a very attractive young lady with blue eyes and brown hair. She has taken the Household Arts Course and is known for her ability to sew and cook. She must be domestic minded—how about it, Jennie?

Sophie Piecewicz

Field Hockey (2, 3, 4), Basketball (1, 2, 3, 4), Freshman Social Committee (1), Sophomore Social Committee (2), Junior Prom Committee (3), Cap and Gown Committee (4).

Sophie is a true friend and is always full of fun. She is a wonderful dancer and can certainly "cut a rug." Her successful career has already been launched, because she is now working at the American Optical Company.

Pauline Poulson

Orchestra (1, 2), Senior Girls' Chorus Sextet (4).

"Betty" is a tall girl with brown hair and lovely brown eyes. She likes dancing and music. She intends to take up beauty culture — at least "for the duration."

Mary Ellen Punch

Class Vice-President (1, 2, 3, 4), All Dance Committees (1, 2, 3, 4), *Screech Owl* (3, 4), Assistant Editor (4), Cap and Gown Committee (4), Junior Prom (3), Junior Ring Committee (3), Reception Committee (4), Banquet Committee (4), Outing Committee (4), Basketball (1, 2, 4), Field Hockey (1); Cheer Leader (3).

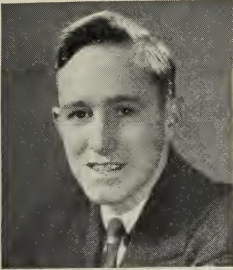

This redhead is one of the most popular girls in the Senior Class. Just look at that friendly smile! It certainly brightens up the dulllest room when Mary walks in. Her list of activities prove that she is a capable and dependable girl. Lady Fortune must have smiled at Mary, for brains, beauty, and personality are hard to find in the same person. Evidently that boy in Concord thinks so, too.

Agda Reini

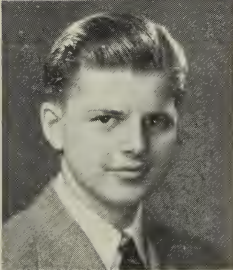

Screech Owl (3), Junior Woman's Club (4).

Agda is a dependable, capable, and fun-loving girl. Although she may be a business woman at school, you should be in her company when she goes out of town. Fitchburg held great interest for her until "he" got drafted. Now she's singing "Deep in the Heart of Texas."

Ralph Richardson

Ralph is a quiet young man who is well-liked by all who know him. His chief interest outside of school lies in photography. If you haven't seen his collection, you've missed something. You'd probably be surprised to find a few pictures of yourself in it. He recently took a job in the American Woolen Company.

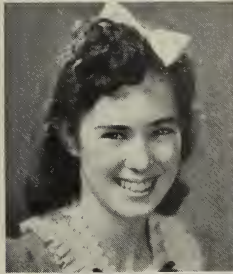

John Rubasko

John is one of the mysterious boys of the class. He discusses his outside activities with few people, but we do know that he is interested in hunting and fishing and is a good sportsman. John is now a student at the Waltham Watch Factory's School. He will become a skilled craftsman in a year or so—with time on his hands.

Sophie Salamone

Sophie has always been a good friend. Her witty sayings and liveliness make her popular with her classmates. Her ambition is to become a secretary to a big executive.

Mary Schnair

Valentine Social Committee (3), Cap and Gown Committee (4).

Mary is one of the breeziest members of our class. Her witty remarks have won her many friends. We understand that she has an interest in the Army. Come on, Mary, don't keep us in the dark about the boy in uniform! Mary's ambition is to be a good secretary. If she follows in her Dad's footsteps, perhaps some day we shall see her soaring among the clouds in her spare time.

Colbert Sewall

Student Council (1), Valentine Social Committee (3), Student Council (4), *Screech Owl*, Business Manager (4), Cap and Gown Committee (4), Picture Committee (4), Thanksgiving Social Committee (4).

Sewall is undoubtedly one of the intelligentsia of M. H. S. On the side, he is working for Uncle Sam at the post office, and he wants, some day, to become postmaster. Keep plugging, "Sewall," we are sure you will deliver the mail.

Eugene Sjoblom

Screech Owl (1, 2, 3).

Elki's favorite sport is swimming. When good old summertime comes rolling around, Elki can always be found thrashing about in the nearest pool. In the swim of life, Elki, always keep your head above water. Glub! Glub!

Grace Smith

"Gracie" is a very small girl, but she is just full of personality. You can always count on her when you need someone to help you out of a tough place. She enjoys outdoor sports, but is often seen at the movies. She would like to become an air stewardess.

John Stewart

Dance Committee (1, 2, 3, 4), Cooking Club (1), Student Council (2), Junior Prom Committee (3).

"Stewie" is a good-looking boy with brown eyes and brown curly hair. He is known for his ability to dance, and he likes to roller skate. He left us recently to go to Waltham Trade School.

Edith Swartz

Basketball (1, 2, 3, 4), Field Hockey (2, 3, 4), Dramatic Club (3), *Screech Owl* (4).

A cheery smile is characteristic of Edith. Need we mention her scholastic ability for which she is well known? She tells little about her private life, but we'd like to know what interests her in Chelsea to such an extent that she spends all her extra time there?

Donald Thompson

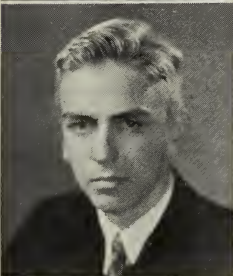

Craft Club (3, 4).

Donald is one of the air wardens who watches the sky from the Maynard Observation Tower. We compliment Don on his patriotism, but we fear that should a fleet of enemy bombers approach from any direction other than Linden Street, the town of Maynard would be in shambles before Don could give a signal. You know, Donald, you're supposed to watch over the whole town—not just Ann's house!

Allen Wainio

Tall, blonde, light complexioned, Allen is one of the quiet boys, but he is still very popular. He is interested in machinery and woodworking. His girl friends are numerous, yet he finds time to see them all. If gasoline rationing becomes more severe he will have to become less popular. Poor Allen!

Leo Wirkkanen

Orchestra (1, 2, 4).

Leo is quiet, thoughtful, and intelligent. He likes tennis, too, but mountain-climbing seems to be his main ambition or dream. Perhaps some day he will climb the Matterhorn. Who knows?

Helen Worensky

This pretty redhead will always call forth pleasant thoughts in the days to come. She is known for her ability in household arts, and since her admirers come from near and far, we know that the old adage, "the way to a man's heart is through his stomach" still holds true.

Mary Zaniewski

Screech Owl (3), Junior Woman's Club (4).

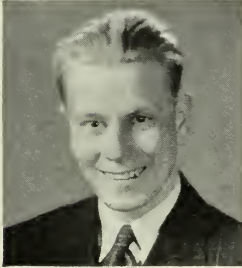

Mary is well-liked, dignified, studious, and very shy. If one day we see Maynard towering with sky-scrapers, we will know that Mary has fulfilled her ambition to become an architect.

Francis Crowley

Class President (1, 2, 3, 4), Student Council (1, 2, 3, 4), President (4), Football (1, 2, 3, 4) Track (1, 2, 3), Basketball (1, 2, 3), All Dance Committees (1, 2, 3, 4), *Screech Owl* (1, 2), Haunted Hotel (3), Junior Ring Committee (3), Junior Prom Committee (3), Senior Banquet (4), Senior Outing (4), Reception Committee (4), Dramatic Club (4), Cap and Gown Committee (4), Class Night Speaker (4).

To Franny—we doff our hats. He has been the President of our class for four years. His genial personality, great popularity, squareness and friendliness, plus his exploits on the gridiron and in the basketball court have made him outstanding. Franny will surely go down "Never To Be Forgotten" in the annals of Maynard High.

Amos Kujula

Amos, who came from Maine last fall, stayed with us just long enough to get acquainted. He left our school several months ago to take a special defense course at the Waltham Trade School, where he is learning to be a machinist. He likes to drive old but fast cars, but the tire and gas shortages will slow him down to a walk.

Miss Vena Field, Class Adviser

The Class of '42 is sincerely grateful to its adviser for all she has done to make it a success. Her time, energy, and work have been given freely to the class during the past four years. She has been a real adviser and sincere friend.

Class of '37

The Screech Owl is very proud to reprint the following citation from the Navy about a young man, who graduated in the Class of '37.

Citation

To: BOLTRUKIEWICZ, Edward J., 201 72 75, sea2c., USN

For distinguished devotion to duty and extraordinary courage and disregard of personal safety during the attack on the United States Pacific Fleet, in Pearl Harbor, Territory of Hawaii, by Japanese Forces on December 7, 1941, when, as a member of one of the boats' crews of the U. S. Naval Air Station, Pearl Harbor, you assisted, in a most efficient manner, in rescuing many men from the inflamed oil-covered waters around the disabled battleships, despite the severe enemy bombing and strafing to which you were subjected.

Placed in service record on March 16, 1942.

J. F. WEGFORTH,
Commander, U. S. Navy.

From: Commanding Officer

To: BOLTRUKIEWICZ, Edward J., 201 72 75, sea2c., USN

Subject: Commendation for Service During the Japanese Attack on Pearl Harbor, Territory of Hawaii, December 7, 1941.

Enclosure: (A) Citation (2 copies herewith).

1. The Commanding Officer commends you for your gallant services to the Navy and your country on the occasion of the dastardly Japanese attack on Pearl Harbor, Territory of Hawaii, on December 7, 1941. The citation herewith will be a permanent part of your service record.

J. M. SHOEMAKER

The following letter was received by the Alumni Editor several months ago from John Saluski, who graduated from M.H.S. in 1935. At the time the letter was written the writer was in far-off Iceland. We think that the disclosure of his whereabouts will not give comfort and aid to the enemy now.

Life in the Navy

I went into training at Newport, R. I., on March 23, 1941. (That's where I got the basic training for seamanship.) Discipline is the main point. Yes sir, no sir, aye aye sir, and all with a snap.

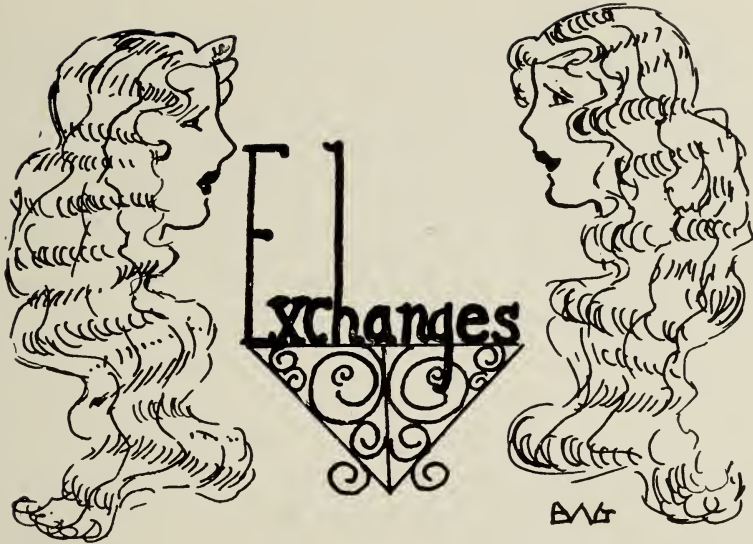

We were given an aptitude test to see what we were qualified to do. I was chosen for the hospital corps and was sent across country to the Naval Hospital, San Diego, California, for further training. I spent six months there, then I was sent across country to the Naval Hospital, Chelsea, Mass. I worked in the Surgical Dressing Room there and also in the operating room for four months. Then I got transferred to the Torpedo Station, Newport, Rhode Island. I worked in the record office there and also on a diving boat. I spent one year and nine months at Newport. Then I was sent to Parris Island, S.C., for duty with the Marines. The Marine Corps has no Medical Dept., so the Navy supplies the medical aid. After about six months at Parris Island, S. C., I was shipped to Iceland where I am at present stationed with the Marines. I can wear either a Navy or a Marine Corps uniform, but I prefer the gob's uniform as I enlisted in the Navy.

Believe it or not the only sea duty I have done is the trip from Charleston, S. C. to Reykjavik, Iceland; yet I joined the Navy. I'm a dry land sailor, I guess, but I've seen my share of the world and have had all the excitement I wanted.

In conclusion, all I can say is I'm just counting the days 'til I can set my feet on good old U. S. A. again.

The Record — English High, Boston

As usual your magazine came through with flying colors. Your Christmas edition was an eye-catcher. Congratulations to a very clever cartoonist, Joseph DiStasio.

The Red and Black — Roger High, Newport, R. I.

I liked this following joke from your "Class Notes" column. I am substituting a Maynard student's name.

The class was asked if it liked a certain animal. Bernice Greenaway didn't raise her hand.

Teacher: "Well, Miss Greenaway, what do you like?"

Bernice: "Wolves."

Basketball for Season of '42

The basketball season finally opened in January. The boys, who had been picked for captains, were called together by Mr. Sawyer to choose teams. The season rolled along with its usual thrills, as it does every year. Nobody seemed to be able to stop Dudzinski's team, with Dan and Bill Morrill making most of the points for their team. The two teams that came closest to upsetting Danny's boys were Johnston's and Lyon's. Johnston's team went along well with such boys as Baker, Kugima, and Greeno sinking them from all angles. Lyon's team tied these boys for second place in the final standing of the teams. His team gave much trouble to Dudzinski's with Flaherty, the tall boy, scoring most of the points. The other two teams, led by Crowley and LeSage, took their beatings, and tied for last place.

Maynard, Mass.

"When charity is needed, Sewall is always the first to put his hand in his pocket," said Molloy.

"Yes, and keep it there," replied Dudzinski.

* * *

V. Edwards: "I know a girl who plays the piano by ear."

J. Ayotte: "That's nothing, I know a man who fiddles with his whiskers."

* * *

A. LeSage: "My little sister ate some chicken yesterday."

H. Lyons: "Croquette?"

LeSage: "No, but she is very sick."

* * *

"Who was that peach I saw you with last night?"

"That was no peach! That was a fruit salad."

"What?"

"Yeh; she was sour as a lemon; she was slippery as a banana; and when I squeezed her she hit me in the eye like a grapefruit."

Class of '38

John Pozerycki, Jr., has been commissioned a Second Lieutenant in the Air Corps. He received his basic training at the Parks Air College, St. Louis, Missouri.

Robert Hartin graduated from the Maynard High School in 1931 and graduated from Tufts College in 1935. He was drafted into the Army in 1941 and was transferred to the Navy in April, 1942. He is now an Ensign.

Samuel Bachrach graduated from Maynard High in 1928. He graduated from the University of Maine in 1933 and from Tufts Medical School in 1938. He is now a surgeon with the rank of Captain in the Army Medical Corps and is stationed at Camp Dix, N. J.

NORTHEASTERN UNIVERSITY

College of Liberal Arts

Offers for young men a broad program of college subjects serving as a foundation for the understanding of modern culture, social relations, and technical achievement. Students may concentrate in any of the following fields: Biology, Chemistry, Economics, Sociology, Psychology, Mathematics, Physics, and English (including an option in Journalism). Pre-Medical, Pre-Dental and Pre-Legal courses are offered. Varied opportunities available for vocational specialization. Degree: Bachelor of Science or Bachelor of Arts.

College of Engineering

Offers for young men curricula in Civil, Mechanical (with Air-Conditioning, and Aeronautical options), Electrical, Chemical, and Industrial Engineering. Classroom study is supplemented by experiment and research in well-equipped laboratories. Degree: Bachelor of Science in the professional field of specialization.

College of Business Administration

Offers for young men the following curricula: Accounting, Marketing and Advertising, and Industrial Administration. Each curriculum provides a sound training in the fundamentals of business practice and culminates in special courses devoted to the various professional fields. Degree: Bachelor of Science in Business Administration.

School of Law

Offers three-year day and four-year evening undergraduate programs leading to the degree of Bachelor of Laws. A minimum of one-half of the work accepted for a bachelor's degree in an approved college or its full equivalent required for admission to undergraduate programs. Case method of instruction. The School also offers a two-year evening program open to graduates of approved law schools and leading to the degree of Master of Laws. Undergraduate and graduate programs admit men and women.

School of Business

Offers curricula through evening classes in Accounting, Industrial Management, Distributive Management, and Engineering and Business, leading to the degree of Bachelor of Business Administration in specified fields. Preparation for C. P. A. Examinations. A special four-year curriculum in Law and Business Management leading to the Bachelor of Commercial Science degree with appropriate specification is also offered. Shorter programs may be arranged. Co-educational.

Evening Courses of the College of Liberal Arts

Certain courses of the College of Liberal Arts are offered during evening hours affording concentration in Economics, English, History and Government or Social Science. A special program preparing for admission to the School of Law is also available. The program is equivalent in hours to one-half the requirement for the A.B. or S.B. degree. Associate in Arts title conferred. Co-educational.

Co-operative Plan

The Colleges of Liberal Arts, Engineering and Business Administration offer day programs for men only, and are conducted on the co-operative plan. After the freshman year, students may alternate their periods of study with periods of work in the employ of business or industrial concerns at ten-week intervals. Under this plan they gain valuable experience and earn a large part of their college expenses.
