REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Maynard:

The Board of Selectmen respectfully submits for your consideration and approval reports of the Town Departments for the year ending December 31, 1938.

The Town Accountant's report gives a complete statement of receipts and expenditures of all departments.

In submitting our report for the year 1938, we do so with a certain amount of regret and apprehension; regret that so many of our citizens could find little or no work during the greater part of the year, and apprehension of the consequences which may accrue from a re-occurrence of this condition.

The number employed on W. P. A. reached a new high during the year. At one time we had 340 on Federal payrolls. (These figures include sewing projects and N. Y. A.). Nevertheless, we still had several hundred people for whom we had no work of any kind. Colonel John J. McDonough, State Supervisor, conscious of the drastic economic condition which prevailed here, was ever willing to assist us by placing as many as possible on W. P. A. rolls and thereby lifting to some extent the burden from the local taxpayer. The general upturn in business late in 1938 gave some promise of a brighter condition for 1939.

As a consequence of the large number employed on W. P. A. projects, a considerable amount of work was accomplished. Ten miles of cement sidewalks were laid since last spring. These sidewalks are not only a practical asset but add a lot to the beautification of our town. A small amount of sidewalks yet remains to be laid. This work will be finished early this spring.

The sidewalks adjacent to the mill built by taxpayers were a much needed improvement and are much appreciated by that great majority of our citizens who use them. Plans are under consideration for the widening of Hillside Street and constructing a sidewalk there.

Several thousands dollars worth of gravel, loam, sod, stone and wood were secured from the Town owned property adjacent to Great Road. This was used by the W. P. A., the Street Department, and the Welfare resulting in a considerable saving to the Town.

During the afternoon and early evening of September 21, Maynard suffered from the effects of a hurricane that devastated New England. That Wednesday night our town was in a chaotic condition unparalleled in its history. To the heads and personnel of the several town departments, to the veterans who volunteered their services, to all who helped our town back to normalcy, we offer our thanks. The Tree Warden with the aid of his W.P.A. Tree Projects has saved many shade trees which were damaged and will replace those which were lost. The W.P.A. has aided us greatly in contending with the hazards and damages caused by the terrific storm.

To all who assisted us during a most trying year, including those citizens whose criticisms were of a constructive nature, even though adverse, we extend our sincere thanks.

Respectfully submitted,

PATRICK A. McGRATH,
DONALD A. LENT,
ARTHUR R. CHAMPAGNE.

REPORT OF W. P. A. COMMITTEE

To the Citizens of Maynard:-

The report of the W. P. A. Committee for the year ending December 31, 1938, is herewith submitted.

As in previous years the W. P. A. Committee is composed of the Chairmen of the following Boards: Selectmen, Water, Sewer, Health, Cemetery, Welfare Board, Finance Committee and Mr. James A. Coughlan of the Citizens' Committee. The duties of this committee is to supervise the spending of the W. P. A. appropriation. The W. P. A. Committee has endeavored during the past year to operate projects which were most beneficial to the Town.

During the past year it cost the Town of Maynard, \$23,303.02 to operate the W. P. A. and received in wages from the government \$140,404.70. The cost of W. P. A. program has aroused some adverse criticism despite the fact that approximately 300 men and 15 women were employed on various projects throughout the year. Town would have to provide either Soldiers' Relief, Welfare, Old Age Assistance or Aid to Dependent Children for the greater percentage of this number if there was no W. P. A. program. Our share for material, trucking and supplies in connection with this outlay totaled \$23,303.02 or only 16.5 percent of the grand total.

In addition to the actual money received from the government there is tangible evidence of many civic improvements made by the W. P. A.

The Tree Warden has sponsored a project for trimming the trees also a project for planting trees throughout the town. With the aid of these projects we have accomplished a great deal of work which was necessary for the perservation of our shade trees.

One-half mile of storm drains have been completed. Ten miles of cement sidewalks were built on various streets.

With the aid of W. P. A. projects the Water Department has replaced over 1800 linear feet of small water mains with larger pipe. This department at the present time is sponsoring a project for the mapping of the water system. A project for the clearing of the water shed of the town reservoir is now in process.

The Sewer Department with the aid of W. P. A. has extended their sewerage system over 3300 linear feet on various streets in the town.

Long-needed repairs, including the painting of the fire station and replacing part of the present fire alarm system has been accomplished.

A W. P. A. project has reduced the number of gypsy moth egg clusters and tent caterpillar nests in the town.

Sewing project is still operated at the Roosevelt School giving steady employment to fifteen women with excellent results.

The hurricane caused considerable damage to our town but with the aid of W. P. A. labor we were able to clean the town of all debris.

Alumni Field project which has been a target for criticism during the past years now seems to be on its way towards completion. During the year we hired a competent engineer to lay out the field and write a W. P. A. project for completion of the work. The tennis courts are now ready to have the top surface of bituminous applied in the spring. In the spring we are planning to complete the grading of the field and construct a pole around the track. With this work completed Alumni Field will be a place for wholesome outdoor activities for all.

The following report will show the distribution and amount of Federal funds allocated this town by projects and the Town Accountant's report will show the expenditures of the Town money on various projects.

MONEY RECEIVED IN MAYNARD FROM THE W. P. A.
FOR THE FISCAL YEAR—ENDING DECEMBER 31, 1938.

PATRICK A. McGRATH.

REPORT OF THE SUPERINTENDENT OF STREETS

To the Board of Selectmen:-

I herewith submit my annual report of the Street Department for the year ending December 31, 1938.

The following streets have been scarified, reshaped and treated with tar and stone the full width of streets:

Lincoln Street from Concord Street to Charles Street.

Charles Street from Lincoln Street to Brooks Street.

Brooks Street the entire length.

Concord Street from Summer Street to Acton Street.

These streets are now in excellent condition.

This improvement is greatly appreciated by the citizens.

Elmwood Street from Thompson Street to Dartmouth Street has been scarified, graveled and tar applied.

Puffer Road from house of Mr. Sarvella to Russell Bridge Road has been scarified, reshaped and tar applied.

Several gravel streets were regraveled where necessary and tar applied in order to make them safe for travel.

The Square at Main Street railroad crossing has been scarified, graveled and resurfaced with a mixture of stone and tar. This was a much needed improvement.

Summer Street near High School has been scarified, reshaped and tar applied.

Due to the rainy season the frequent cleaning of catch basins caused considerable expense. The heavy rain storms washed the material along the various projects into the catch basins.

Cold patch has been used extensively on all the streets. The coming season several streets should be honed and necessary stone and tar applied.

A new 12 inch drain has been installed from Riverbank Road to the Assabet River, also one basin and one manhole.

A new 12 inch drain has been installed from house of Mr. Holt to Florida Road, also two catch basins.

Three new catch basins were built on Percival Street near mill pond also two on Sudbury Street near bridge.

Several catch basins were repaired, and new frames and grates installed.

All streets and gutters received the regular spring cleaning, also frequent cleaning along the various projects.

The streets in the business section were cleaned each week.

SNOW

All streets and sidewalks were kept open and sanded for travel. In the business section the snow was removed. The modern snow equipment has proven very efficient and economical.

SIDEWALKS AND CURBING

A new asphalt walk was laid at Naylor Court from Memorial Park to Main Street.

The curbing has been reset on various streets throughout the town, preparatory for the laying of cement walks by the W. P. A. projects. \$2,437.71 of the Sidewalk appropriation was used by the W. P. A.

SIDEWALK SPECIAL—RADIATING FROM THE MILL

The following asphalt walks were laid over a crushed stone foundation:

Walnut Street from Main Street to Bancroft Street.

Walnut Street from Main Street to Parker Street.

Thompson Street from corner of Walnut Street to Elmwood Street.

MAINTENANCE CHAPTER—90

Parker Street from Great Road to house of Mr. Allen has been resealed with tar and pea stone.

A cable guard rail fence has been installed on Great Road from Taft Ave. to bus barn to replace the wooden fence.

A new catch basin also one leaching basin have been installed on Great Road near house of Mr. Thompson.

The surface of the drain along Acton Street from Nason Street to Concord Street has been resurfaced with type I bituminous. The traveled way has been widened with crushed stone and resealed with tar and pea stone.

The surface of the drain along Brown Street from Acton Street to Warren Avenue has been resurfaced with type I bituminous, and resealed with tar and pea stone. Brown Street from Acton line to near Parmenter railroad crossing has been resealed with tar and peat stone. The coming season the center of these streets will have to be resealed as the snow plows removed the fresh seal coat.

CHAPTER 90—CONSTRUCTION—GREAT ROAD

Due to the lateness of season when project was started it was impossible to complete the work this season. As soon as weather permits the work on this road will be resumed.

Superintendent of Streets.

REPORT OF MOTH SUPERINTENDENT

To the Board of Selectmen:

I herewith submit the report of the Moth Department for the year ending December 31, 1938.

The gypsy moth situation showed a great improvement this year over 1937. As usual all town shade trees were carefully sprayed and also some woodlands. This was made possible by the purchase of new spraying equipment this year which was needed and will be a valuable asset to the Town for some years to come.

The hurricane in September did much damage to the woodlands in Maynard. The fallen timber will be a disadvantage to the creosoting and it has been agreed upon by State and Federal authorities that this will cause a spread of these insect pests.

Scouting for brown tail moths showed that the past number of years this town is free of this insect pest, however, close watch must be kept as brown tail moths have been found in surrounding Towns where they have not been for many years.

Tent caterpillars were less abundant this year. This is due to the work done on this pest along the roadsides last spring.

Increase spraying will help control all these insects and keep the shade trees in a more healthy condition.

The underbrush was cut and burned on Parker Street and Marlboro Road with the aid of help furnished by the Welfare Department.

With the aid of the Division Superintendent of the State Department of Conservation and local W. P. A. office again this year a project for creosoting of woodlands was secured and this work helped to reduce the number of egg clusters in town.

In conclusion may I express my appreciation for the loyal cooperation I have received from the Board of Selectmen, Mr. Fred Marshall, Division Superintendent of Moth Control for the State Department of Conservation and Mr. James King of the W. P. A. Office during the past year.

Respectfully submitted,

JOHN F. CLEARY,
Moth Superintendent.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Maynard, Massachusetts,
January 14th, 1939.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Sealer of Weights and Measures for the year 1938:

In submitting this report, wish to advise that at the close of the year all weighing devices and measures in the town are in good condition, as required by law.

	\$ 10.66
Balance.	\$ 10.66

Respectfully submitted,

WILLIAM H. O'BRIEN,
Sealer of Weights and Measures

REPORT OF THE LIGHTING COMMITTEE

The following is a brief summary of the activities of the Light Committee. The many angles which have to be covered prohibits hasty action. The committee have gathered many facts in relation to public ownership. The need for an extensive study of the problem is obvious. The pending legislation in the State Legislature may, (if such bills are passed), make it a much simpler problem to acquire ownership. The committee welcomes any help or suggestions from interested citizens.

Respectfully submitted,

DONALD LENT,
AUGUSTUS MORSE
JOHN DONOHUE
ALTON SIMS
ARVO N. RIVERS
DENNIS WHITE
FRANK C. SHERIDAN

Lighting Committee

REPORT OF INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen:
Gentlemen:

I, herewith submit my report for the year 1938. I inspected 28 barns, 150 cattle, 373 swine, 4 goats, and 2 sheep.

I quarantined 4 dogs on suspicion of rabies, and released same after 14 days.

Cared for and quarantined 14 stray dogs until claimed by owners.

I inspected and reported on 1 cow and 2 bulls from out of State.

Respectfully submitted,

JOSIAH M. HERRICK,
Inspector.

REPORT OF INSPECTOR OF SLAUGHTERING

To the Honorable Board of Health,
Gentlemen:

I inspected and reported on 469 pigs, 81 calves, 10 head of cattle and 2 sheep for market use.

Respectfully submitted,

JOSIAH M. HERRICK,
Inspector.

REPORT OF FIRE ENGINEERS

The Honorable Board of Selectmen:

Gentlemen:

The report of the Fire Department for the year ending December 31, 1938 is herewith submitted:

BUILDING

Headquarters Nason Street, housing Engine 1, Combination 1, Ladder 1, also the Fire Alarm System.

APPARATUS

In service: One Pumping Engine equipped with a 150 Gallon Booster Tank, 250 feet of Booster Hose, 1000 feet of two and one half inch Hose, 200 feet of one and one half inch Hose, one 34 foot extension ladder, one 16 foot roof ladder, one vapor nozzle, searchlights, and minor tools for extinguishing fires.

One Combination Wagon equipped with a 50 gallon Chemical tank, one 28 foot ladder, one 14 foot roof ladder, First Aid Kit, Stretcher, Blankets, Salvage covers, and a Thomas Leg Splint.

One 60 foot Aerial Ladder truck equipped with 240 feet of Ground Ladders, and Eastman Ladder Gun, a Porter Life Net, a 50 foot length of three inch Hose, two Pitch Forks, two Shovels, Four Axes, four Pike Poles, a 20 ton Hydraulic Jack, Six Salvage Covers, a Foamite extinguisher, a Soda and Acid extinguisher, four Searchlights, a Fog Nozzle, a 100 Gallon Booster Tank, and 150 feet of Booster Hose, 900 feet of two and one half inch Hose, 50 feet of inch and one half Hose, Door Openers, Hose Clamps, an Inhalator, and one CO2 Fire Extinguisher.

FIRE ALARM SYSTEM

Boxes 22, Phantom Boxes 8, Miles of Wire 17, Whistling Machine with Steam Whistle 1, House Tapper 1, Indicator 1, Battery Cells 32, and 2 Rectifiers.

DUTY PERFORMED

Our Financial Statement may be found in the Town Accountant's report.

We are pleased to report that the Fire Loss for the year ending December 31, 1938 was considerably lower than for a good many years. The loss for 1938 was \$3621.50, compared to \$4991.48 for the year 1937.

A new Fire Alarm Box (Number 55) was placed on Great Road, corner of Espie Avenue. As there are a great many streets without boxes, we plan to install one new box each year until the proper number are installed thereby securing the proper protection.

During the recent hurricane our outside Fire Alarm System was badly damaged. Our own men by their tireless efforts worked continuously through the night, and by making temporary repairs were able to place the system in working order the next day. Thus the proper protection was restored as well as a large saving for the town.

After the storm we were able to secure a W. P. A. project for a new outside system. This system includes 17 miles of wire and 22 boxes. So far we are pleased to report that six miles have been completed, and the work is still being continued. When completed this will mean a large saving to the town.

Another W. P. A. project was secured, which was to paint the outside of the Fire Station. This project has been completed and adds greatly to the appearance of the building.

There are a great many Fire Hazards, in cellars, back yards particularly in the business section. We wish at this time to call this to the attention of the owners, and storekeepers in order that these conditions may be remedied.

We have had a number of Fires caused by defective chimneys. A great many of these chimneys have been ruptured by the hurricane, and have not been properly repaired. We call this to your attention at this time in order that you will have your chimney repaired if it is the least bit defective.

Regular drills were held during the summer months.

We wish to thank you once more for the splendid co-operation shown at our annual whist party. The money raised each year from this event enables us to insure every man in the department against injury.

We wish to thank the Police, and all other departments for the co-operation extended us during the year.

Respectfully submitted,

GEORGE T. PRIEST,
WALTER PRIEST,
MICHAEL F. LOUKA,
Board of Engineers.

FOREST WARDEN

The Honorable Board of Selectmen:
Gentlemen:

I submit herewith the annual report of the Forest Warden for the year ending December 31, 1938.

One hundred Permits for Fires in the open were issued. It is a State Law that any person lighting a Fire in the open must first obtain a Permit from the Forest Warden. These Permits may be obtained at the Fire Station.

With the consent of the Selectmen, and the Superintendent of the Moth Department, I was given the old pump from the moth department spray wagon. The members of the Fire Department have rebuilt this, and mounted it on a chassis. We have placed a reel on it to carry 1500 feet of Forest Fire Hose. We will be able to tow it into the woods and add greatly to the efficiency of extinguishing forest fires.

By doing this we were able to effect a great saving to the town, as one would otherwise have to be purchased this spring to combat the dangerous hazards due to the recent hurricane. It will be greatly appreciated if persons sighting a grass, or Forest fire report this immediately to the warden, or to the Fire Station.

Respectfully yours,

GEORGE T. PRIEST,
Forest Warden.

POLICE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my second annual report as Chief of Police of the Town of Maynard, for the year ending Dec. 31, 1938. In the performance of the duties of the office I have had the loyal co-operation of the officers of the department also the helpful assistance of your Honorable Board. All complaints received during the year were investigated and disposed of promptly.

EQUIPMENT

In accord with the vote at the annual town meeting in March a police automobile was purchased. This first police car has been of great assistance in the performance of the duties of the department. Every section of the town is visited at intervals, day and night, by police officers, it affords quick transportation to places when speed is a necessary factor and it serves to transport prisoners to court and other places. Police officials of various towns have advised that it is economical to trade in for a new car annually. In accord with this advice I have included in the police budget for 1939 the sum of \$200 for replacement.

TRAFFIC

The regulation of modern transportation increases the burden of police work each year with new problems continually arising. It can not be too often stressed that parents, home, school and police should continually co-operate in a safety program, especially for the protection of children.

The Junior School Patrol, instructed by and working under the direction of the police department has been of great assistance and the boys are deserving of much credit for their faithful performance of duty in aiding school children going to and from school. The Kiwanis Club equipped the Junior Patrol with white traffic belts and badges.

PARKING

The one parking space in town while it serves a purpose is not large enough to meet the demands especially on busy nights. The parking problem is not peculiar to our town alone as the same conditions prevail in most towns and cities. The co-operation of civic and commercial interests with town officials following a study of the parking situation might develop some plan that would aid in solving this problem to the satisfaction of most townspeople.

SAFETY

The police department is interested in aiding and encouraging out door recreation with safety. During the winter months there is always danger during the skating season especially to the young. Ten life preservers at the Mill Pond and along the Assabet River are carefully checked each week. Maynard like many other towns has no place for children to swim under supervision. This department suggests that consideration be given to the establishment of a place for small children to swim with safety.

REPORT OF ARRESTS FOR 1938

Crime Vs. Person

Assault.....	4
Attempt to Rape.....	1
Manslaughter.....	2

Crime Vs. Property

Breaking and Entering to Commit Larceny.....	1
Larceny.....	2

Crime Vs. Public Order

Drunkenness.....	65
Driving so as to Endanger.....	5
Driving while Intoxicated.....	4
Violating Liquor Laws.....	1
Non-Support.....	5

The Town Treasurer has also received from the American Woolen Company \$777.78. This reimburses the Town for the money paid by the Town to local police officers guarding their pay rolls.

In conclusion, I wish to express the appreciation and the thanks of the Police Department to the Board of Selectmen, to all other Town Departments, and to social and civic organizations who have been of assistance to the Police Department.

Respectfully submitted,

HENRY F. PIECEWICZ,
Chief of Police

REPORT OF DOG OFFICER

To the Board of Selectmen:-

I, as dog officer of the Town of Maynard, respectfully submit the following report.

During the past year I have notified eighty-eight delinquent dog tax owners. Of this number the Town Clerk has collected eighty-five and the remaining three have been disposed of.

HENRY F. PIECEWICZ,
Dog Officer.

REPORT OF JOHN A. CROWE PARK SUPERINTENDENT

To the Board of Selectmen:-

I herewith submit my report for John A. Crowe Park for the year ending December 31, 1938.

The N. Y. A. has contributed the following improvements:

- Removed trees from left field.
- Removed stones from the playing field.
- Partially erected a field stone band stand.
- Laid the foundation of a tennis court.

In addition it is urgent that the baseball diamond receive a quantity of loam early in the spring.

Appropriation.....	\$	200.00
Expenditures.....		192.02
Balance.....		7.98

Respectfully submitted,

JOHN C. BRAYDEN
Superintendent.

REPORT OF TREE WARDEN

The Honorable Board of Selectmen:-

I herewith submit my annual report for the year ending December 31, 1938. A larger amount of work and much better results have been obtained than any previous year.

A W. P. A. project started in November 1937, was completed in March 1938. Through this project, the Welfare Department received 142 cords of wood and the abutters 80. Under the W. P. A. tree planting project there were 780 trees planted. Trees were planted in Glenwood Cemetery, in all the school yards, in the Alumni Field and along various streets of the town. The trees planted were rock maples, norway maples, lindens, birches and walnuts.

Because of the hurricane, which caused considerable damage to the trees, I was obliged to operate another W. P. A. project. The work planned under this project is as follows; braces 340 trees, prune 3,348 trees, remove 97 trees and remove 485 stumps.

There will be another W. P. A. tree planting project this spring. It is planned to replace many trees lost due to the hurricane.

During the year the ash trees were sprayed, 4 diseased trees were removed, 15 trees strengthened by cable-braces, 200 cavities cemented, 20 trees artificially stimulated and the young trees were looked after during their five active months. Trees were trimmed throughout the town.

The September hurricane was such a catastrophe that the Board of Selectmen declared a State of emergency. During this emergency the Selectmen placed me in charge of all work pertaining to trees. There were 487 public trees blown down on the streets, 329 trees blown down in public places and 81 trees blown on private houses and garages. All these trees were removed along with 102 stumps. In addition 800 badly damaged trees were worked on. The Board of Welfare received approximately 200 cords of wood and the abutters 75 cords.

I wish to express my thanks for the co-operation given by the Board of Selectmen and all those who participated in the work. May I also express my appreciation to the towns people for their co-operation and patience shown during the hurricane.

During the coming year the ash and maple trees should be sprayed for oyster scales and cotton aphids respectively. A number of trees should be artificially stimulated. There will be approximately 1,400 young trees to be taken care of during their five active months. All mechanical scarred trees should be taken care of and there is always trimming to be done to the trees.

The Town Accountant's report will show the expenditures of my department.

Respectfully submitted,

WILLIAM H. HANSEN,
Tree Warden.

TOWN CLERK'S REPORT

For the year ending December 31, 1938

Information desired, not printed herein, will be
courteously supplied upon request to the Town
Clerk.

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF TOWN MEETING
held February 14, 1938

Pursuant to Town Warrant No. 368 the Annual Town Election was held in the High School Auditorium on the above date.

The Town Clerk prepared the polling place in conformity with the General Laws.

Moderator Matthew T. King presided.

The following Ballot Clerks appointed by the Selectmen were sworn by the Town Clerk.

BALLOT CLERKS

William P. Rourke, Hiram Parkin, Ethel Lowney, Florence Maley and Albert E. Foster.

The Town Clerk delivered ballots and duplicate check lists to the Ballot Clerks and took a receipt therefor.

The Ballot box was examined by the Town Clerk and the Moderator and the register set at 0000.

Constable Henry F. Piecewicz then took charge of the ballot box and held the keys to the same throughout the day.

At eight o'clock A. M. Moderator King called the meeting to order.

On motion of James C. Mahoney it was voted to waive the reading of the warrant. The polls were then declared open.

On motion of the Town Clerk. Voted that the election of minor town officers and action under Article 2 be postponed until two o'clock P. M.

The following tellers appointed by the Selectmen were sworn by the Town Clerk.

Tellers

Arthur F. Croft
Irma M. Aldrich
Robert G. Jackson
Bertha L. Davis
Ralph D. Jones
Lessie G. McGarry
Grace E. Tucker
Ranghild M. Nelson

Dorothea M. Hannon
Alice L. Joyce
Catherine Hoffman
R. Frank Punch
Margaret T. Moore
Maxine Delory
Mary McNamara

The Moderator and Town Clerk being of the opinion that it was advisable, ballots were taken from the box at One o'clock P. M. and at various other times later in the day and counting proceeded while voting was in progress.

At two o'clock P. M. Moderator King called for the election of minor officers and the following were nominated and elected.

Article 2. On motion of the Town Clerk—Voted that the Town Treasurer, with the approval of a majority of the Selectmen, be and hereby is authorized to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1938, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

The polls were closed at eight o'clock P. M.

The number of ballots cast was twenty-four hundred and fifty.

The check lists showed twenty-four hundred and fifty names checked on each.

The result of the balloting was announced at 8:45 o'clock P. M. as follows:

SELECTMEN—ONE YEAR

Arthur R. Champagne.....	1100

FRANK E. SANDERSON,
Town Clerk.

February 15, 1938.

In accordance with the provisions of Section 19 of Chapter 41, of the General Laws of Massachusetts, I hereby appoint Eleanor Jones of said Maynard, to be Assistant Town Clerk during the current municipal year, or until this appointment is revoked.

FRANK E. SANDERSON,
Town Clerk of Maynard.

I, Eleanor Jones, above named, do solemnly swear that I will faithfully perform the duties devolving upon me as Assistant Town Clerk of the Town of Maynard, Massachusetts.

ELEANOR JONES

Subscribed and sworn to this fifteenth day of February, 1938, before me,

FRANK E. SANDERSON,
Town Clerk of Maynard.

A true copy,

Attest:

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF TOWN MEETING

held March 21, 1938

In accordance with Town Warrant No. 369 a town meeting was held in Parker Street Hall on the above date.

Moderator Matthew T. King presided.

The meeting was called to order at 7:30 o'clock P. M.

On motion of George H. Gutteridge—Voted to waive the reading of the warrant.

Article 1. On motion of Harold J. Morgan—Voted that the Reports of the Town officers and Boards as printed in "Annual Report of Town Officers including the report of the Town Accountant, of the Town of Maynard, Massachusetts, for the year ending December 31, 1937" be accepted and that reports of committees printed in said volumn be accepted as reports of progress.

Mr. Harold J. Morgan, Secy. of the Finance Committee presented the report of said committee and presented the same with the following.

Before presenting the report of the Finance Committee I would like to take a moment to pay our respects to a late member

of our committee, Mr. John Murray, who died during the past week. While he retained his health Mr. Murray was a faithful and conscientious member of the Finance Committee and had been so for a number of years. We feel that the Town has lost a good citizen and the Finance Committee a good member in his passing.

It was voted to receive the report and the same was filed with the Town Clerk.

Town Accountant Charles A. Stockbridge gave a verbal report on the condition of the Town's finances as suggested by the Finance Committee.

Article 2. The Moderator announced two of his three appointments to be made to the Finance Committee as follows:

Howard F. King.....Sworn March 21, 1938
George Stuart.....Sworn April 1, 1938

Article 3. On motion of Harold J. Morgan—Voted to appropriate the sums recommended by the Finance Committee where the same coincide with department requests, viz. Sections 1 to 29 inclusive and Sections 31 to 36 inclusive as follows:

1.	Selectmen Salaries and Expenses.....	\$ 6,270.00
2.	Finance Committee Expense.....	75.00
3.	Town Accountant Salary and Expense.....	1,000.00
4.	Treasurer Salary and Expense.....	1,200.00
5.	Tax Collector Salary and Expense.....	2,454.00
6.	Tax Title Expense.....	150.00
7.	Assessors Salaries and Expense.....	2,270.00
8.	Town Clerk Salary and Expense.....	690.00
9.	Election and Registration.....	745.00
10.	Town Offices and Hall.....	4,011.00
11.	Police Department.....	12,600.00
12.	Fire Department.....	7,493.50
13.	Weights and Measures Department.....	240.00
14.	Moth Suppression.....	1,200.00

19.	Highways and Bridges Maintenance.....	19,690.00
20.	Sidewalks and Curbing.....	3,000.00
21.	Snow Removal.....	8,000.00
22.	Street and Bridge Lighting.....	11,500.00
23.	Public Welfare Department.....	35,000.00
24.	Old Age Assistance.....	20,000.00
25.	Aid to Dependent Children.....	5,000.00
26.	Soldiers' Relief.....	7,000.00
27.	School Department.....	97,729.00
28.	Public Library (Dog Tax and).....	3,250.00
29.	Memorial Park.....	650.00
31.	John A. Crowe Park.....	200.00

32. Cemetery Department Maintenance (Interest on Funds and).....	4,471.00
33. Interest.....	8,101.25
34. Removal of Garbage.....	950.00
35. State Aid.....	150.00
36. Military Aid.....	300.00

Section 30. On motion of William Naylor—Voted to appropriate \$10,000. for Water Department maintenance.

Article 4. On motion of Harold J. Morgan—Voted to appropriate \$100. for the salary of Inspector of Animals.

Article 5. On motion of Harold J. Morgan—Voted to appropriate \$150.00 for the Salary of Inspector of Slaughtering.

Article 6. On motion of Lester F. Cowles—Voted that the sum of \$250 be appropriated for plumbing inspections and expenditures.

Article 7. On motion of Harold J. Morgan—Voted to appropriate the sum of \$50.00 for the Salary of the Fish and Game Warden.

Article 8. On motion of Lester F. Cowles—Voted that the sum of \$1400. be appropriated for the salary and expenditures of the Public Health Nurse.

Article 9. On motion of Donald A. Lent—Voted to act on Article 10 before Article 9.

Article 10. A motion by Mrs. Isador Reed to appropriate \$300. for the rental of the Reed portion of the so-called Naylor Court Parking space was defeated and it was then voted to lay Article 10 on the table.

Article 9. The Moderator appointed the following as Tellers.

Alfred E. McCleary	Joseph P. Dineen
Howard F. King	Arthur J. King

They were sworn by the Town Clerk.

A motion by Ernest Mariano to pass over the Article was not carried.

A motion by Harold J. Morgan to appropriate \$285. for the care and lighting of the Naylor Court Parking space was defeated.

On motion of Frank C. Sheridan—Voted 211 in favor and 1 opposed to reconsider Article 9.

On motion of Harold J. Morgan—Voted to lay Article 9 on the table.

Article 11. On motion of Harold J. Morgan—Voted to appropriate \$150.00 for Vocational Education.

Article 12. On motion of Harold J. Morgan—Voted to appropriate \$100.00 for Christmas lighting.

Article 13. On motion of Harold J. Morgan—Voted to appropriate \$300.00 for Memorial Day.

Article 14. On motion of Harold J. Morgan—Voted sum of \$8,500.00 in event the State and County make an appropriation to rebuild Great Road from Parker Street to Main Street.

Article 15. On motion of Harold J. Morgan—Voted to appropriate the sum of \$1,000.00 in event the State and County make an appropriation for maintenance of Chapter 90 roads.

Article 16. On motion of Harold J. Morgan—Voted to appropriate the sum of \$50.00 to combat the Dutch Elm Disease.

Article 17. On motion of Harold J. Morgan—Voted to authorize the School Committee to establish and maintain State-aided Adult Alien Education Classes in accordance With the provisions of Chapter 69, Sections 9 and 10, General Laws Relating to Education, and to raise and appropriate the sum of \$300.00 for this purpose during 1938.

Article 18. On motion of Harold J. Morgan—Voted that the sum of \$850.00 be appropriated to purchase an automobile for the Police Department, said automobile to be purchased by a committee composed of the following: Board of Selectmen and the Chief of Police.

Article 19. On motion of Harold J. Morgan—Voted to appropriate \$300.00 for maintenance of the Police Department Automobile.

Article 20. On motion of Harold J. Morgan—Voted that \$4500.00 be appropriated to purchase a new gas roller.

Article 21. On motion of Harold J. Morgan—Voted that \$1800.00 be appropriated to purchase a sidewalk plough tractor.

Article 22. On motion of Harold J. Morgan—Voted to appropriate \$250.00 to purchase a new tar kettle.

Article 23. On motion of Harold J. Morgan—Voted that the salaries of the various elected Town officials in accordance with Chapter 41, Section 108, of the General Laws, said salaries to be effective from Jan. 15, 1938, and remain in force until the next annual Town election unless sooner changed by vote of the Town, be as follows:

Moderator	\$	50.00	per year
Selectmen, Chairman		200.00	" "
Selectmen, Secretary		175.00	" "
Selectmen, Other Member		150.00	" "
Town Treasurer		700.00	" "
Tax Collector		1,500.00	" "
Assessors, Three Members		4.50	per day
Town Clerk		300.00	per year

Tree Warden	4.00 per day
Board of Health—Three Members	50.00 per year
Sewer Commissioners—Three Members	50.00 " "
Board of Public Welfare—Three Members	50.00 " "
School Committee—Three Members	No Salary
Library Trustees—Three Members	25.00 per year
Water Commissioners—Three Members	50.00 " "
Cemetery Commissioners—Three Members	25.00 " "

Article 24. On motion of Harold J. Morgan—Voted to appropriate the sum of \$1050.00 to purchase a new sprayer for the moth department.

Article 25. On motion of Harold J. Morgan—Voted that the sum of \$5000.00 be taken from overlay reserve to provide for extraordinary or unforeseen expenditures, transfers to be made to departments only by vote of the Finance Committee as provided by Chapter 40 Section 6 of the General Laws.

Article 26. Harold J. Morgan moved that the town appropriate the sum of \$12,500.00 as a general fund to finance W. P. A. projects as approved by a committee composed of the Chairmen of the following boards, Selectmen, Water, Sewer, Finance, Health, Cemetery, Welfare Board and Mr. James A. Conghlan of the Citizens' Committee.

Donald A. Lent moved to amend the motion as follows:- That the committee to have charge of W. P. A. funds be the Board of Public Welfare.

Ernest Mariano moved a second amendment—that the W. P. A. funds be handled by the Board of Public Welfare and the Selectmen.

The motion and amendments were discussed at considerable length.

Both amendments were defeated and on the Morgan motion it was voted to appropriate \$12,500.00 as a general fund to finance W. P. A. projects as approved by a committee composed of the chairmen of the following boards, Selectmen, Water, Sewer, Finance, Health, Cemetery, Welfare Board and Mr. James A. Conghlan of the Citizens Committee.

Article 27. On motion of George Stockwell—Voted to authorize the Board of Assessors to apply the sum of \$5,000. to be taken from the Sewer Department surplus to meet one of the Sewer notes of \$5,000. due in 1938 thus reduce the amount to be raised by Taxes in the year 1938.

Article 28. On motion of George Stockwell—Voted to authorize the Board of Assessors to apply the sum of \$5,000. to be taken from the Water Department surplus to meet one of the Sewer Notes of \$5,000. due in 1938, thus reduce the amount to be raised by Taxes in the year 1938.

Article 29. On motion of George Stockwell—Voted to authorize the Board of Assessors to apply the sum of \$5,000. to be taken from the Water Department surplus thus reduce the amount to be raised by Taxes in the year 1938.

Article 30. On motion of George Stockwell—Voted to authorize the Board of Assessors to apply the sum of \$25,000. to be taken from the Excess and Deficiency Account to reduce the net amount to be raised by Taxes in the year 1938.

Article 31. On motion of Fred C. Elson—Voted that the Sewer Commissioners be authorized to construct a Common Sewer on Summer Hill Road, that \$1,200.00 be taken from the Sewer Department Surplus for this purpose, this work to be done under a W. P. A. project if possible.

Article 32. On motion of Fred C. Elson—Voted that the Sewer Commissioners be authorized to dispose of the property at the corner of Hayes & Waltham Streets, known as the Sewer Pumping Station lot.

Article 33. On motion of William Naylor—Voted that \$600.00 be appropriated from the Water Department receipts, for 1938, to install a new circulating system for the engine.

Article 34. On motion of Ernest Mariano—Voted to act on Articles 34-35 and 36 at the same time.

Considerable discussion followed before a vote was taken.

It was voted on motion of Ernest Mariano and amended by Donald A. Lent, to accept as public ways, O'Moore Ave, Espie Ave. and Sheridan Ave, so called, as described by plans filed in the office of the Town Clerk.

Article 37. On motion of George H. Gutteridge—Voted that the Town accept the following Cemetery Funds, the same to be invested and the interest to perpetually care for their lots and surroundings in Glenwood Cemetery: Margaret J. Smith \$100.00, Helen Holt \$100.00, Sophie Niemi \$50.00, Mary Tofferi \$100.00, William Stuart \$100.00, Annie Koivu \$50.00, Smith and Marsden \$100.00, Elizabeth Bamford \$50.00, Archibald Lyons \$50.00, Greta Wanahatalo \$100.00; Loyal Assabet Lodge, No. 6595, \$100.00.

Article 38. On motion of Howard F. King—Voted to pass over this article.

Article 39. On motion of Fred C. Elson—Voted that the Sewer Commissioners be authorized to construct a Common Sewer on Crane Ave., that \$600.00 be taken from the Sewer Department Surplus for this purpose, this work to be done under a W. P. A. Project if possible.

Article 40. On motion of Patrick A. McGrath—Voted to pass over this Article.

The meeting adjourned at 9:40 o'clock P. M.

Attest:

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF TOWN MEETING
held April 25, 1938

Pursuant to Town Warrant No 370 a special Town Meeting was held on the above date at Parker Street Hall.

Moderator Matthew T. King called the meeting to order at 7:30 o'clock P. M.

On motion of Ernest Mariano—Voted to waive the reading of the warrant.

Article 1. Moderator King announced that he had appointed Walter Cheslak a member of the Finance Committee.

Mr. Cheslak was sworn by the Town Clerk.

Harold J. Morgan, Secy'. of the Finance Committee read a report which was received and filed with the Town Clerk.

Said report follows:

FINANCE COMMITTEE REPORT TO SPECIAL MEETING
April 25, 1938

In presenting the report of the Finance Committee on the articles contained in the warrant for tonight's meeting I would first like to read a section of the Town By-Laws pertaining to special town meetings. Chapter 2 Section 5 reads as follows: "Requests by town boards, officers of committees for the insertion of articles in warrants for special town meetings, which requests involve the expenditures or appropriation of money shall be presented in the first instance to the Finance Committee. The Finance Committee after due consideration, as provided in section 3 of this chapter, shall approve or disapprove, in whole or in part, the expenditure or appropriation involved, and shall so notify the board, officer or committee which submitted the request for the article, and also the board of selectmen with such recommendations or suggestions as the Finance Committee shall deem advisable. When an expenditure or appropriation is sought by the board of selectmen for a department or matter under the control of said board, any proposed article for such expenditure or appropriation must first be submitted to the Finance Committee for its approval or disapproval as herein provided."

The Finance Committee is reluctant to take any action that might embarrass any town board, officer or committee but in fairness to themselves and to the taxpayers of the town, who have a right to assume that articles before being placed on a warrant have had due consideration of the Finance Committee, the committee has voted to raise a point of order on most of the articles on tonight's warrant because they were not presented to the Finance Committee before the printing and posting of the warrant. These articles are as follows: Articles 2-3-7-8-9 and 10. In other words the committee feels that if their work is to be of any value to the town they must have sufficient time for consideration of articles, which time they would have had if the articles were presented as called for in the Town By-Laws. If this is not to be done in the future the town should consider the abolishing of the committee. On article 4 the Finance Committee advises a thorough investigation on the proposition contained in this article. The committee feels that action by the voters on this article at this meeting might be illegal and at least unwise. There perhaps is no doubt that any action concerning an allowance from the \$1.60 per front foot on sewer extensions constructed under W. P. A. projects would be retroactive. For these reasons and to guide the town on any future contemplated W. P. A. projects on sewer extensions it might be wise to have a committee appointed with power to get a legal opinion or court opinion which would once and for all settle this matter in a manner fair to both town and abutter. On articles 5 and 6 the committee has no recommendation feeling that the abutters are the persons mostly interested and that they should make their approval or disapproval known to the meeting. However, we feel that Brown Street is in very good condition and believe that damage to the street in the construction of a sewer should be given due consideration. If a vote is passed favorable to the construction of a sewer on Brown Street, we feel that it should be done as a W. P. A. project or employ the services of delinquent taxpayers. On article 11 concerning the acceptance of Crane Avenue the committee feels that in view of the recent acceptance of a number of streets that this avenue should be accepted.

HAROLD J. MORGAN, Sec.,
Finance Committee.

Article 2 and 3. Mr. Harold J. Morgan raised a point of order and stated that these Articles had not been presented to the Finance Committee in accordance with the By-laws.

The objection was sustained by the Moderator and the articles passed over.

Article 4. Leslie W. Sims presented the following motion. —Moved that on sewer extensions already constructed under W. P. A. Projects and also on those to be constructed under said W. P. A. Projects that only five-eighths ($\frac{5}{8}$) of the amount of

the amount of the actual cost of said Projects to the Town shall be paid by assessment thereof, as provided by law, by the owners of land within the territory in which said sewers are or may be constructed, and that said assessment be according to the frontage of such land in any Way in which a sewer is or may be constructed, and that sixty (60) feet of frontage be exempted on the short side of corner lots.

In the discussion which followed it was voted to go into a committee of the whole.

After fifteen minutes of explanation of the conditions involved and the various costs of recent sewer projects, etc. by the Supt. of the Sewer Department, Mr. John E. Hannon who had been elected chairman of the committee of the whole returned the gavel to Moderator King and the Town Meeting proceeded.

Article 4. Leslie W. Sims requested unanimous consent for the withdrawal of his motion. The same was granted.

On motion of Mr. L. W. Sims—Voted that a committee of three be appointed by the Moderator, to work in conjunction with the Finance Committee to investigate the rate of assessment to be charged abutters on Sewer projects under W. P. A., to see if they can find a solution of the problem presented under Article 4.

The following were appointed by the Moderator.

Patrick A. McGrath, Fred C. Elson and Leslie W. Sims.

Article 5. This Article was passed over after two motions had been made and laid on the table.

Article 6. This Article was laid on the table.

Articles 7-8-9-10. Harold J. Morgan raised a point of order stating these articles had not been presented to the Finance Committee as required by the By-laws. Objection being sustained by Moderator King Articles 7-8-9-10 were passed over.

Article 11. This Article was laid on the table.

The meeting adjourned at 8.35 o'clock P. M.

Attest:

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF TOWN MEETING
held May 24, 1938

In accordance with Town Warrant No. 371 a special Town Meeting was held on the above date in Parker Street Hall.

At 7.30 o'clock P. M. Moderator Matthew T. King called the meeting to order.

On motion of Donald A. Lent it was voted to waive the reading of the warrant.

Article 1. Harold J. Morgan, Secretary of the Finance Committee read a portion of the report of said committee and stated that he would read the recommendations as each article was taken up for action.

Said report was not filed with the Town Clerk.

Article 2. On motion of Donald A. Lent as amended by William Naylor—Voted to take from the excess and deficiency fund the sum of \$5,000.00 to rebuild sidewalks radiating from the mill, and that needy delinquent tax payers be allowed to work out their back taxes provided that 50% of the amount paid to delinquent tax payers be deducted by the Town Treasurer and paid to the Tax Collector.

Article 3. On motion of Ernest Mariano—Voted 116 to 30 to lay this article on the table.

Howard F. King, Arthur J. Sullivan, Alfred E. McCleary, Adam Mariani acted as tellers. They were appointed by the Moderator and sworn by the Town Clerk.

Article 4. On motion of Joseph Byrne—Voted to lay this article on the table.

Article 5.—Voted to lay this article on the table.

Article 6. On motion of Arthur J. Sullivan—Voted that the sum of eighty dollars be appropriated to the by-law committee, from excess and deficiency, for the printing of the revised by-laws.

Article 7. On motion of Arthur J. Sullivan—Voted to lay this article on the table.

Article 8. On motion of Arthur J. Sullivan—Voted to lay this article on the table.

Article 9. Donald A. Lent moved that the sum of \$6,000.00 be taken from the excess and deficiency fund and used by the Selectmen for the Town Building W. P. A. project, Alumni field W. P. A. project, and other W. P. A. projects sponsored by the Selectmen.

Alfred E. McCleary raised a point of order namely, that the motion was not "within the four corners" of the article.

The Moderator ruled the point of order well taken.

Mr. Lent appealed and requested a vote of the meeting on the ruling of the Moderator, but the Moderator stated there was no appeal from his ruling.

The Town Clerk was requested, by Mr. Lent to record his objection.

Several motions to lay on the table or pass over the article were defeated and during the discussion Alfred E. McCleary objected

to remarks made by Mr. Lent and raised the point of personal privilege. The objection was allowed by the Moderator who requested Mr. Lent to be seated.

Before taking his seat Mr. Lent requested that the Clerk's records include mention of this incident.

A motion by Ernest Mariano, amended by Donald A. Lent was ruled out by the Moderator on a point of order raised by Alfred E. McCleary.

Mr. Lent again appealed and being overruled by the Moderator, as previously, the Town Clerk was again requested to enter the incident in the records of the meeting.

On motion of Donald A. Lent—Voted to lay Article 9 on the table.

Article 10. On motion of Lester F. Cowles—Voted that the sum of \$1,000 be transferred from Excess and Deficiency fund to the Board of Health to finance the Town's Share of the N. Y. A. Projects in Maynard.

Article 11. On motion of Thomas H. Tierney—Voted to pass over this Article.

Article 12. On motion of William Naylor—Voted that the Sewer Commissioners be authorized to extend the Common Sewer on Brown St. to the property of B. J. Coughlin and that \$400.00 be transferred from the Waltham St. Sewer appropriation for this purpose. This work to be done under a W. P. A. Project if possible.

Article 13. On motion of Donald A. Lent—Voted to lay this Article on the table.

Article 14. On motion of Lester F. Cowles—Voted that the town accept Crane Avenue as a public way according to the plan on file at the Town Clerk's office.

Article 15. On motion of Joseph Byrne—Voted to accept 250 feet of Dewey Street, East of Great Road, as a public highway.

N. B.—A plan of Dewey Street showing the accepted part has been filed with the Town Clerk by the abutters.

Article 16. On motion of Harold J. Morgan—Voted that the Town vote to transfer from Excess and Deficiency \$100. for each of the following veterans' lots situated in St. Bridget's Cemetery: Dennis F. O'Connell 4-S5, John Murray 30-S9, Joseph Stadis 27-S9, Charles J. Ryan 30-S5, Stanley Blocho 28-S, James Cheney 49-S1 and Joseph Chidley 128-S4, this money to be turned over to the Perpetual Care Fund of St. Bridget's Cemetery to provide perpetual care for the veterans' lots in question.

The meeting adjourned at 10 o'clock P. M.

Attest:-

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF TOWN MEETING

held August 15, 1938

A special Town Meeting was held on the above date in accordance with Town Warrant No. 372.

The meeting was called to order at 7:30 o'clock P. M. by Moderator Matthew T. King.

On motion of Charles A. Stockbridge—Voted to waive the reading of the warrant.

Article 1. Harold J. Morgan, Secretary of the Finance Committee stated that the Finance Committee recommendations would be presented as each article was acted upon.

Donald A. Lent, for the Committee appointed to secure plans for the improvement and alteration of the Town House stated that a report would be given under Article 8.

Article 2. On motion of William Kane—Voted to transfer from the excess and deficiency fund the sum of \$20,000.00 to the Board of Public Welfare for temporary aid.

Article 3. On motion of Patrick A. McGrath—Voted that the sum of \$5,000.00 be transferred from the excess and deficiency fund to the Soldiers' Relief Department.

Article 4. On motion of Lester F. Cowles—Voted that the sum of \$500 be transferred from the Excess and Deficiency Fund to the Health Department to be used to build a band stand on Crowe Park as a N. Y. A. project.

Article 5. On motion of Roy E. Marsden—Voted that the sum of \$160.00 be appropriated from the Grave and Lot Fund to purchase an electric trimmer.

Article 6. On motion of William Naylor—Voted that the Water Commissioners be authorized to extend the Water Main on Acton St. 780 feet, under the Rules of the Water Department, this work to be done under a W. P. A. Project.

Article 7. A motion by Ernest Mariano to appropriate \$3200.00 under this article was defeated and it was voted to pass over the article.

Article 8. Donald A. Lent for the committee on improvement and alteration of the Town House gave a verbal report and requested that the architect engaged by the Committee, Mr. Frank Eskrigge of Boston, be allowed to speak.

Mr. Eskrigge was granted the privilege of the floor and, for the committee, spoke of the conditions at the present Town House and the reasons for not recommending alterations of said building. He exhibited plans of a proposed municipal group of three buildings, namely, an auditorium having a seating capacity of 700, an office building and a public library.

Mr. Eskrigge answered questions by several citizens, gave figures and information regarding the proposed building project by W. P. A. and considerable discussion took place.

On motion of Thomas H. Tierney—Voted to accept the report of the Committee.

On motion of R. Frank Punch—Voted to pass over the article.

Article 9. On motion of Joshua Naylor—Voted that the sum of \$6000.00 be transferred from excess and deficiency fund as a general fund to finance W. P. A. projects as approved by the W. P. A. committee.

Article 10. On motion of R. Frank Punch—Voted to lay this article on the table.

Article 11. On motion of William Naylor—Voted that the Sewer Commissioners be authorized to construct Common Sewers on Great Road to No. 120 and to No. 138 and that \$1,200.00 be transferred from the Concord St. Interceptor appropriation for this purpose. This work to be done under a W. P. A. Project if possible.

Article 12. On motion of Joshua Naylor—Voted to lay this article on the table.

The meeting adjourned at 9:15 o'clock P. M.

Attest:

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF STATE PRIMARY held September 20, 1938

In accordance with Town Warrant No. 373 a State Primary for the nomination of State, County and District Officers was held on the above date at the High School Auditorium.

The polling place was prepared by the Town Clerk in accordance with the General Laws.

Patrick A. McGrath, Chairman of the Board of Selectmen, acted as Presiding Officer, and called the meeting to order at two o'clock P. M. William J. Smith moved that the reading of the Warrant be waived and it was so voted. The polls were then declared open by the Presiding Officer.

The Presiding Officer and Town Clerk examined the Ballot Box and set the register at 0000. Constable Henry F. Piecewicz then took charge of the ballot box and held the keys to the same.

The following persons were appointed Ballot Clerks by the Selectmen and were sworn by the Town Clerk:

William P. Rourke, Hiram Parkin, Lillian I. Holmes, Ethel A. Lowney and Florence T. Maley.

The doors to the polling place were closed at 7 o'clock P. M. and all persons within the polling place were allowed to vote. Voting ceased at 7:40 P. M.

The total number of ballots cast was 1439 of which 603 were Democrat and 836 Republican.

The check lists at Gate and Ballot Box each showed 1439 names checked. 603 Democrat, 836 Republican.

The register on the Ballot Box showed 1439 ballots were cast.

The Presiding officer and Town Clerk deeming it advisable. Counting began at 6:10 o'clock P. M.

The count was made by the following Tellers appointed by the Selectmen and sworn by the Town Clerk:

Walter R. Denniston, R. Frank Punch, Martha H. Jantti, Dorothea M. Hannon, Grace E. Tucker, Alice L. Joyce, Arthur F. Croft, Albert J. Connors, Richard A. Thane, Agnes V. Driscoll, Bertha L. Davis, Ralph D. Jones, Robert G. Jackson, Harold A. Ledgard, Helen M. Leithead, Mary T. McNamara, Maxine DeLory and Ranghild M. Nelson.

The result was announced at 11:15 o'clock P. M. as follows.

Attest:

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF STATE ELECTION
held November 8, 1938

On the above date, in accordance with Town Warrant No. 374, the voters of Maynard cast their ballots for State, District and County Officers.

The polling place in the High School Auditorium was prepared by the Town Clerk according to the requirements of law. The Selectmen having voted to authorize the use of two ballot boxes a new system was put in operation. Two entrances and exits, one for voters whose names began with the letters A to L inclusive and one for voters whose names began with the letters M to Z inclusive.

A to L was designated voting area No. 1 and M to Z Area No. 2.

Ballots were delivered to the Clerks appointed by the Selectmen and a receipt taken by the Town Clerk therefor after the said Clerks had been sworn by the Town Clerk.

BALLOT CLERKS

Area No. 1—A to L.

James J. Duggan, Agnes V. Driscoll, Grace E. Tucker, Lilian J. Holmes, Margaret McCormack.

Constable Edward Johnston was in charge of the ballot box.

Area No. 2—M to Z.

Thomas Marsden, Ethel M. Lowney, Helen Morse, Florence Maley, Irma Aldrich.

Constable Henry F. Piecewicz was in charge of the ballot box.

The boxes were examined by the chairman of the Selectmen—Patrick A. McGrath, and the Town Clerk who set the registers at 0000 and declared the boxes empty. The keys were then given to the Constables who held the same during the day.

At 8 o'clock A. M. the Presiding Officer called for the reading of the warrant

On motion of William Smith—Voted to waive the reading of the warrant.

At 8:02 A. M. the polls were opened.

The Selectmen and Town Clerk deeming it advisable so to do, ballots were taken from the boxes at various times during the day and counting continued from 9:10 A. M. throughout the day.

The following Tellers appointed by the Selectmen were sworn by the Town Clerk.

TELLERS

Albert J. Connors	Albert E. Larkin
Alice L. Joyce	Helen M. Leithead
Harold Ledgard	Robert G. Jackson
Catherine Hoffman	Elsie Braydon
A. Frank Croft	Richard Thane
Dorothea Hannon	Elsie French
Ralph D. Jones	R. Frank Punch
Margaret Moore	Bertha L. Davis
Hiram Parkin	Mary McNamara

TABULATORS

Maxine De Lory	Ranghild M. Nelson
----------------	--------------------

William P. Rourke was sworn as a special clerk to direct voters to the proper entrance.

In area No. 1, A to L, 1412 votes were cast. Ballot box register indicated 1413.

Number of names checked 1412 of which 11 were absentee.

The register in this area was one above the actual number of votes cast, the same being due to a ballot being caught in the rollers and registering twice, which was reported at the time.

The number of voters casting ballots in area No. 2, M to Z was 1533 of which 13 were absentee.

The box register indicated 1533.

The check list showed 1533 names checked.

Total vote 2945.

The result was announced at 9:50 P. M. by the Town Clerk as follows:

GOVERNOR

Henning A. Blomen, of Cambridge.....	11
Roland S. Bruneau, of Cambridge.....	6

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Shall an amendment to the Constitution providing for biennial sessions of the General Court and for a biennial budget which is further described as follows:—

The amendment annuls all existing provisions of the Constitution and its prior amendments which require annual sessions of the General Court, commonly known as the Legislature, and

provides for biennial sessions in their place. It also provides that the budget of all proposed expenditures of the Commonwealth shall be so prepared as to cover two fiscal years instead of only one as at present required,—**which proposed amendment was approved by the General Court and in a joint session of the two branches held May 27, 1936, received 141 votes in the affirmative and 117 in the negative, and in a joint session of the two branches held May 19, 1937, received 158 votes in the affirmative and 112 in the negative,—be approved?**

Yes.....	1167
No.....	605
Blanks.....	1173

QUESTION NO. 2

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed measure which provides that in any city or town which accepts its terms, the licensing authorities shall establish free public taxicab stands for the use of all taxicabs and motor vehicles for hire whose owners are licensed within such city or town, and shall abolish all other forms of taxicab stands on any public highway within such city or town,—**which was disapproved in the House of Representatives by a vote of 96 in the affirmative and 109 in the negative and in the Senate by a vote of 4 in the affirmative and 35 in the negative,—be approved?**

Yes.....	1055
No.....	881
Blanks.....	1009

To obtain a full expression of opinion, voters should vote on all three of the following questions:—

(a) If a voter desires to permit the sale in this city (or town) of any and all alcoholic beverages to be drunk on and off the premises where sold, he will vote "YES" on all three questions.

(b) If he desires to permit the sale herein of wines and malt beverages only to be drunk on and off the premises where sold, he will vote "NO" on question one, "YES" on question two and "NO" on question three.

(c) If he desires to permit the sale herein of all alcoholic beverages but only in packages, so called, not to be drunk on the premises where sold, he will vote "NO" on questions one and two and "YES" on question three.

(d) If he desires to permit the sale herein of wines and malt beverages to be drunk on and off the premises where sold and in addition other alcoholic beverages but only in packages, so called,

not to be drunk on the premises where sold, he will vote "NO" on question one and "YES" on questions two and three.

(e) If he desires to prohibit the sale herein of any and all alcoholic beverages whether to be drunk on or off the premises where sold, he will vote "No" on all three questions.

1. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

Yes.....	1515
No.....	956
Blanks.....	474

2. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

Yes.....	1491
No.....	891
Blanks.....	563

3. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

Yes.....	1629
No.....	792
Blanks.....	524

1. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

Yes.....	1408
No.....	832
Blanks.....	705

2. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

Yes.....	1273
No.....	906
Blanks.....	766

Attest:

FRANK E. SANDERSON.
Town Clerk.

Hudson, Mass.
November 18, 1938.

We, the Town Clerks of Boxborough, Hudson, Maynard and Stow comprising the Tenth Middlesex District met this day according to law and canvassed the return of votes cast in said

district on the Eighth day of November, 1938 for Representative in the General Court from said District and find the votes so cast were as follows:

	John Driscoll	Avery W. Steele	William P. Walsh	Blanks
Boxborough		132	31	1
Hudson		1638	1662	69
Maynard	1	1640	1232	72
Stow		434	75	11
	<u>1</u>	<u>3844</u>	<u>3000</u>	<u>153</u>

MARY E. WETHERBEE,
Town Clerk of Boxborough.

G. WOODBURY PARKER,
Town Clerk of Hudson.

FRANK E. SANDERSON,
Town Clerk of Maynard.

FRANCIS W. WARREN,
Town Clerk of Stow.

A true copy,

Attest:—

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF TOWN MEETING

held November 28, 1938.

Pursuant to Town Warrant No. 375 a special Town Meeting was held on the above date at Parker Street Hall.

Moderator Matthew T. King presided and called the meeting to order at 7:30 o'clock P. M.

Article 1. Harold J. Morgan, Secretary of the Finance Committee read the report of said Committee.

The report was not filed with the Town Clerk.

Article 2. On motion of Patrick A. McGrath—Voted that the Town accept 850 feet of Douglas Avenue, from Powder Mill Road and running in a southeasterly direction, as a public way, if and when in a condition acceptable to the Selectmen and when an Engineers Plan is filed at the Town Clerk's Office.

Article 3. On motion of Donald A. Lent—Voted to lay this article on the table.

Article 4. On motion of Arthur R. Champagne—Voted to accept Driscoll Avenue as a public way, if and when acceptable to the Selectmen, the date of acceptance to take effect when an engineers plan is filed at the office of the Town Clerk.

Article 5. On motion of John F. Croft —Voted to accept Vernon street from Concord street to Lindberg Street so called, if and when acceptable to the Selectmen.

The date of acceptance to take effect when an engineers plan is filed at the office of the Town Clerk.

Article 6. On motion of Earl F. Ryan—Voted that Lindberg Street, so called, from Tremont Street, to Vernon Street, so called, be accepted as a public way, when said Lindberg Street, is satisfactory to the Selectmen and an engineers plan of same has been properly filed at the Town Clerk's office.

Article 7. On motion of Howard Herbert—Voted that Taft Avenue for a distance of 275 feet from Great Road, be accepted as a public way, as shown on a plan by John Franklin C. E. in 1928, said plan now on file in the office of the Town Clerk.

Article 8. On motion of William Naylor—Voted that High Street, as shown on a plan filed in the Town Clerk's office, be accepted as a public way.

Article 9. On motion of Donald A. Lent—Voted that the sum of \$7000.00 be taken from Water Department surplus to repair hurricane damage.

Article 10. On motion of Arthur R. Champagne—Voted that the sum of \$2,500.00 be taken from Water Department surplus to be used for Soldiers' Relief.

Article 11. On motion of Alton W. Sims—Voted to transfer \$7,500.00 from the excess and deficiency fund for the use of the Board of Public Welfare for temporary Aid relief.

Article 12. On motion of Fred C. Elson—Voted that the sum of \$10,000.00 be transferred from the excess and deficiency fund as a general fund to finance W. P. A. projects as approved by a committee composed of the chairmen of the following Boards: Selectmen, Water, Sewer, Finance, Health, Cemetery, Welfare Board and Mr. James A. Coughlan of the Citizens Committee.

Article 13. On motion of Walter R. Denniston—Voted that the Sewer Commissioners be authorized to construct a Common Sewer on High St. and to transfer \$600.00, from the Concord

St. Interceptor Appropriation, for this purpose. This work to be done under W. P. A.

Article 14. On motion of Walter R. Denniston—Voted that the Sewer Commissioners be authorized to extend the Common Sewer on Parker St. from Walnut St. to 39 Parker St. and to transfer \$300.00, from the Concord St. Interceptor Appropriation, for this purpose. This work to be done under W. P. A. Project.

At 9:10 o'clock P. M. the meeting adjourned.

Attest:—

FRANK E. SANDERSON,
Town Clerk.

Important Request!

Please notify the Town Clerk immediately of any error or omission in the following List of Births.

Errors not reported at once can be corrected only by sworn affidavit, as prescribed by the General Laws, and may cause you inconvenience which can be avoided by prompt attention.

NOTICE

All dog licenses here listed expire March 31, 1939.

Dogs must be licensed on or before April 1st or the owners or keepers thereof are liable to a fine.

The law applies to all dogs three months old or over, regardless of time of year ownership is acquired.

No tax bills are sent to owners of dogs.

FRANK E. SANDERSON,
Town Clerk.

REPORT OF THE BOARD OF REGISTRARS OF VOTERS

To the Board of Selectmen:

Gentlemen:—The Board of Registrars of Voters submit the following report.

The voting list on January 1, 1938 contained 3092 names, 1692 men, 1400 women.

Nine sessions of the Board were held for the purpose of registering voters, one for recounting ballots cast for Board of Health at the Town Election February 14, 1938, one for recounting ballots cast for Senator November 8, 1938, and nine for certifying signatures on nomination papers.

During the year, 441 names (235 men 206 women) have been added to the list, and 175 (87 men 88 women) removed as follows.

Men, Deceased 24. Left town 63.

Women Deceased 12. Left town 42, married 34.

December 31, 1938 the list contains 3358 names, 1840 men, 1518 women.

Nomination papers submitted for the certification of signatures prior to the State Primary contained 2150 names, of which the Board certified 1484.

Changes in Party enrollment were as follows. Republican to Democrat 2, Republican to no enrollment 2, Democrat to Republican 25, Democrat to no enrollment 82, No enrollment to Republican 4.

Respectfully submitted,

JOHN C. BRAYDEN,
MICHAEL J. NEE,
WILLIAM COULTER,
FRANK E. SANDERSON,
Registrars.

TOWN ACCOUNTANT'S REPORT

Maynard, Mass., January 25, 1939

To the Board of Selectmen:

Gentlemen:—I submit herewith the annual report of the Town Accountant for the year ending December 31, 1938.

During the year I have audited the books of the Tax Collector and Water Registrar and sent notices to delinquents to verify the outstanding accounts. I have checked the Treasurer's cash on hand and verified the Trust Funds in the Treasurer's care.

The amount of cash on hand December 31, 1937 was \$100,581.81. On December 31, 1938 the cash on hand amounted to \$16,062.83.

It was necessary for the Treasurer to borrow \$70,000.00 in anticipation of revenue this year.

On December 31, 1937 the total uncollected taxes were \$87,549.66 while the Excess and Deficiency account amounted to \$117,330.50 giving an excess over uncollected taxes of \$29,780.84. On December 31, 1938 the total uncollected taxes amounted to \$90,098.05 while the Excess and Deficiency account totaled \$43,741.25 showing a deficiency under uncollected taxes of \$46,356.80. No appropriations can be made from Excess and Deficiency account until this account exceeds the total uncollected taxes of previous years.

At the end of the year, two appropriation accounts showed small overdrafts which will have to be covered by appropriations in the year 1939. Overdrawn appropriations are illegal and I am quoting in another section of this report, extracts from the decision rendered by Justice Lummus of the Supreme Judicial Court in the case of McHenry vs. the City of Lawrence. This decision should be of interest to all citizens but particularly to town officials and heads of departments. The complete decision is on file in the Town Accountant's office and may be seen by anyone interested.

At a town meeting held in May 1938, the sum of \$700.00 was appropriated to be paid to the St. Bridget's Parish for the perpetual care of seven veterans lots in the St. Bridget's Cemetery. This appropriation was not approved by the Commissioner of Corporations and Taxation for, while you may appropriate money for the care of these lots, no authority exists which would authorize the town to establish perpetual care funds for such a purpose.

The surplus revenue accounts have been considerably decreased during the year 1938 due to the financing of appropriations

made at special town meetings called subsequent to the regular annual meeting.

This fact makes it advisable that all appropriation made at the annual meeting for the year 1939 should be adequate for an economical operation of each department for the entire year with ample provision made through the Reserve Fund to take care of unforeseen contingencies. It cannot be stressed too strongly that the present situation precludes any possibility of making appropriations from available funds at a special town meeting to cover overdrawn accounts.

Respectfully submitted,

C. A. STOCKBRIDGE,
Town Accountant.

EXTRACTS FROM THE DECISION OF THE SUPREME COURT IN THE CASE OF McHENRY VS. CITY OF LAWRENCE AS RENDERED BY JUSTICE LUMMUS FOR THE FULL COURT

There is no general principle of law that a city or town is not bound by a contract made in its behalf by officers duly authorized, merely because no appropriation exists out of which the contract can be performed.—But cases have arisen in which the authority of the officers purporting to contract on behalf of the municipality has been expressly made conditional upon the existence of a sufficient appropriation.—And by the municipal indebtedness act, which with amendments is now found in G. L. (Ter. Ed.) c.44, such a limitation upon the authority of officers and departments of a city or town was made part of our general law.

Provision was made by Sec. 32 of that chapter for the preparation and submission to a city council of budgets. Sec. 33A provides: "The budget shall include sums sufficient to pay the salaries of officials fixed by law or by ordinance, but no new position shall be created or increase in rate made during the financial year subsequent to the submission of the annual budget, unless provision therefor is made by means of a supplemental budget." Flood V. Hodges, 231 Mass. 252. The words "subsequent to the submission of the annual budget" do not imply that before such submission there is no restraint upon the creation of new positions or the increase of salaries. Such a construction would tend to destroy the statutory system. By Sec. 34 expenditures and liabilities "in the period after the expiration of any fiscal year and before the regular appropriations have been made by the city council," are strictly limited to "carrying on the work" of

the several departments. Such liabilities incurred must "not exceed in any month the sums spent for similar purposes during any one month of the preceding year." The further provision for that period, allowing officers who are authorized to expend money, to "expend in any one month for any new officer or board lawfully created an amount not exceeding one twelfth of the estimated cost for the current year," does not apply to an increase in the number of an existing force of officers. Such an increase comes rather within the provisions of Sec. 31 that "No department of any city or town, except Boston, shall incur liability in excess of the appropriation made for the use of such department," with an exception immaterial to this case. A contract made in violation of this provision is not binding upon the municipality.—One who contracts with a public officer must ascertain the limits of his authority.

In determining whether a liability incurred is in excess of the departmental appropriation, the amounts needed for the satisfaction of all pre-existing contracts, including the salaries for the whole fiscal year of persons already in office at the time of the incurring of the liability in question, must be deducted from the appropriation.

EXTENSION SERVICE

The following is a report of the work of the Middlesex County Extension Service in Maynard for the year 1938.

The Maynard Milk Market continues relatively stable. Farmers have been assisted with what problems have come up in milk marketing. Dairymen have been advised on improving pastures, growing quality roughage, and use of silos for winter feed.

The majority of farm visits made this year were in answer to requests from poultrymen who desired assistance with their individual problems. Twenty-four of these visits were made.

Following the hurricane, with so many farmers having down timber, a great deal of time was spent on getting the Government program under way for salvaging timber and reducing the fire hazard. Also, some farmers were helped in obtaining loans to take care of the hurricane losses.

Of interest to homemakers, a series of meetings was held in the fall on the question of money management.

The town chairman in boys' and girls' 4-H Club work was Miss Nellie C. May. Leaders were Miss Elizabeth Wetherbee, Walter Tierney, Alfred Davis, and Vincent Weir. There were forty-two boys enrolled. At the completion of the year's program, the boys in the club prepared and served a dinner for the mothers, which was cooked and served in a very excellent manner. Alfred Davis and Vincent Weir took part in the two-day trip to the State College because of their interest in club work.

ASSESSOR'S REPORT

To the Citizens of Maynard:

The annual report of the Board of Assessors for the year ending December 31, 1938 is hereby submitted.

IN MEMORIAM

Albert J. Moynihan.

Six years a member of the Board
of Assessors.

GEORGE STOCKWELL,
CHARLES B. KEENE,
EVA V. MOYNIHAN, Appointed

REPORT OF THE BOARD OF PUBLIC WELFARE
AND
BUREAU OF OLD AGE ASSISTANCE

To the Citizens of Maynard:

The annual report of the Board of Public Welfare is herewith submitted.

The year 1938 has shown a large increase in the number of welfare cases over the preceding year. While more than 300 persons were employed on the W. P. A. for the greater part of the year, general unemployment prevailed throughout the first nine months, increasing our welfare load from 165 cases as of January 1, 1938 to an all time high level of 268 cases representing 1062 persons in March of the present year, with 19 Maynard settled cases in other cities and towns and 3 cases cared for in institutions. Since October 1, 140 W. P. A. workers have found private employment and our case load has decreased to 78 cases as of January 1, 1939.

Of late years, continued unemployment, government spending and the liberalizing of the relief laws have gradually brought about a new order of relief. There has been a marked change in the attitude toward relief on the part of the general public as well as the aid recipients themselves. Near relatives who formally lent their aid to needy families, now in many cases turn them over to the relief agencies for support. Aid recipients also have come to recognize relief as their right under existing laws. Fully aware that the old stigma is gone, the matter of making application for relief, for many people, has become less and less the last resort. Knowing that the community will take care of them, many spend their money freely for cars, radios, electrical refrigerators, etc., when they have it. Being human, the more they have, the more they want and expect to get. The continuous demands that are being made by those on relief for more and better consideration, in the way of clothing and food, reflects this change in the relief spirit.

During the past year we have received the following reimbursements:

Telephone Tolls	\$ 23.10
Trade dividends	77.88
Individuals	290.97
Comm. of Mass. C. W. A.	89.29
Rent—Town Farm House	315.00
Other Cities and Towns	3,427.39
Comm. of Mass. T. A.	5,028.28
	\$ 9,251.91

These reimbursements are turned into the Town treasury and cannot be spent by the Board of Public Welfare.

OLD AGE ASSISTANCE

At present we have on our rolls 95 active Old Age Assistance cases residing in Maynard. Of this number, 5 are cared for in boarding homes for the aged. There are also 4 other cases residing in other cities and towns, making a total of 99 active cases.

The average monthly grant to each of these cases for the year has been \$28.66, which, in many cases includes medicine and medical attention. The Federal Government supplies in grants one half of the above amount up to \$30,00 a month, the state reimburses the town to the extent of two-thirds of the balance, leaving the town to supply the balance, which is slightly over one sixth of the total amount. These reimbursements do not come back to the Board, but are turned over to the general fund in the Town treasury. We must annually appropriate funds sufficient to finance this division, exclusive of Federal grants. The following reimbursements were received in 1938:

Comm. of Mass.....	\$ 10,308.59
Cities and Towns.....	195.91
	<hr/>
	\$ 10,504.50

Notice has been received from W. P. A. officials that all persons now employed on the W. P. A. who are eligible for Old Age Assistance will be dropped from W. P. A. on January 31, 1939 and have been ordered to apply for Old Age Assistance. This will probably add 15 new cases to our rolls.

AID TO DEPENDENT CHILDREN

The Board is at present caring for seven cases of Aid to Dependent Children, formerly called Mother's Aid. This work, as in the case of Old Age Assistance and Temporary Aid is carried on under the supervision of the Department of Public Welfare. In each case budgets are made up and approved by the Department. Federal grants are supplied for one third of \$18.00 per month for the first child, and one third of \$12.00 per month for all other children. The town is reimbursed by the state for one third of the whole bill, leaving the town to pay the balance, which is about one third. This amount is also turned into the Town treasury and may not be used by the Board. The state has been billed for \$1929.41 for the past year, but to date the bill has not been paid.

SEWING UNIT

The W. P. A. Sewing Unit, sponsored by this Board is still in operation. Fourteen women are employed on this unit and are doing excellent work under the supervision of Miss Mary Fearn. The finished articles are distributed to the needy, supervised by the Federal Surplus Commodities Division.

DISTRIBUTION OF COMMODITIES

The Board of Public Welfare also sponsors and supervises the distribution of Federal Surplus commodities, including both food and clothing. It also certifies the eligibility of persons receiving such commodities.

During the year 1938, the following amounts of food have been received and distributed:

Pears.....	2420 lbs.	Green Beans.....	600 lbs.
Rice.....	15800 lbs.	Dried apples.....	2540 lbs.
Potatoes.....	34610 lbs.	Wheat Flour.....	72030 lbs.
Oranges.....	45816 lbs.	Carrots.....	750 lbs.
Canned Peas.....	3120 lbs.	Raisins.....	9000 lbs.
Dried Beans.....	23200 lbs.	Tomatoes.....	4608 lbs.
Crisco.....	1320 lbs.	Potato Starch.....	3364 lbs.
Celery.....	2460 lbs.	Grapefruit Juice....	8040 lbs.
Sweet Potatoes.....	8696 lbs.	Prunes.....	1050 lbs.
Apples.....	24775 lbs.	Graham Flour.....	12250 lbs.
Butter.....	10020 lbs.	Corn Meal.....	12760 lbs.
Cabbage.....	30736 lbs.	Beets.....	6290 lbs.

"During the year 1938, the value of food received from the Division of Surplus Commodities was \$16,974.50 as against 1937, which was \$7,633.30. In addition to the allotment of food, there was distributed in our town, W. P. A. clothing, having a value of \$6,570.90. The combined value of both food and clothing for the year 1938 was \$23,545.40."

The number of persons employed in our town by this Department is 2 with a W. P. A. payroll of \$1,663.00 yearly.

The total cost to the Board for distribution of commodities was \$693.69, a return of more than \$33.00 for each dollar expended. The above cost includes our proportionate share of administrative expenses of the division, also trucking, wrapping paper, paper bags, etc.

"Both food and clothing are distributed on an over and above or supplementary basis, which means very definitely that they are not to be considered a part of what welfare clients would ordinarily receive; both are in addition to that amount."

Respectfully submitted,

ALTON W. SIMS, Chairman
 WILLIAM J. KANE, Secretary
 WILLIAM J. SMITH
 Board of Public Welfare

REPORT OF THE BOARD OF HEALTH

To the Board of Selectmen:

The Board of Health herewith submits the following report for the year ending December 31, 1938.

During the past year the Board has conducted an active, progressive and efficient program as a service for the health and welfare of the townspeople, which included tuberculosis, well baby, vaccination, diphtheria immunization, dental and dog clinic; regular monthly collection and analysis of milk samples sold in town. A National Youth Administration project which gave work for a large number of certified youths between 18 and 25 years of age was started in May.

TUBERCULOSIS

In spite of precautions, tuberculosis, continues to be the most serious disease with which the health department has to contend. There are at present 11 patients hospitalized, which represents 73 per cent of the cost of our budget. However, we believe with the excellent facilities of the Sanatoriums combined with the diagnostic clinics this rate will decrease greatly in the future. A forward step towards the better control of tuberculosis was taken last June, when Dr. Sumner H. Remick, Superintendent, and staff from the Middlesex County Sanatorium conducted a clinic for contacts. The School Diagnostic Clinics for the 7th, 9th and 11th grades, the object of which is to uncover early cases were held. It is hoped that a larger number of children will avail themselves of the opportunity to be examined at these clinics, this year.

DIPHTHERIA CLINIC

Since 1932 the Board has held annual clinics to immunize children against diphtheria and during this period not a single case of the disease has been reported. This splendid record of protecting our children against diphtheria must be shared with the parents, teachers and nurses who urged that the younger children be given these protective treatments. Although an occasional case of diphtheria here is not improbable there is little likelihood of an epidemic as long as the immunization of the younger children is maintained.

VACCINATION CLINICS

Because of the lull in the local industrial business, for the first time, the Board conducted clinics for vaccination against smallpox. Sixty-one children took advantage of this opportunity to receive this treatment.

WELL BABY CLINICS

The baby clinic service conducted twice a month continued to be well appreciated by the parents, with an average of 30 babies examined per clinic. We feel that this service has been of great assistance to the parents who can seek information from one of the clinic physicians or our public health nurse.

MILK INSPECTION

The quality of milk delivered in Maynard is of an extremely satisfactory nature as shown by the monthly reports on file at the office of the Board of Health. Copies of these reports have been mailed to each dealer.

Analysis of all milk have been made at the laboratory in Framingham under the supervision of the Framingham Board of Health. The total solids, butter fat, and bacteria count uniformly complied with the minimum standards, and the sediment tests showed a very large proportion of samples to score as "very satisfactory."

Licenses have been issued to nineteen dealers, of which number, ten are selling raw milk and the balance selling pasteurized. All farms have been examined and certificates were given by the State Milk Regulation Board.

Complete records of these examinations are on file at the office of the Board of Health.

SCHOOL DENTAL SERVICE

The value of these clinics can be readily seen in the large number of children treated as shown in the report of the school nurse. The dental clinics are now conducted in the Health Centre, Town Building, where modern facilities have greatly improved this work.

DOG CLINICS

In May and June the Board held two clinics under the supervision of Dr. Gerald O'Malley, veterinarian, when 213 dogs were given the protective inoculation against rabies. This was done at a cost of \$89.26, which represents the cost per dog of forty-two cents. The immunity given by this treatment lasts less than a year. All dog owners should remember to have their animals immunized once a year. Not a case of rabies has been reported since the advent of these clinics in 1935. The best insurance against rabies is the annual vaccination of all dogs.

NATIONAL YOUTH ADMINISTRATION

Realizing the difficulties and problems facing the youth between the ages of 18 and 24 years to secure employment and adequate training the Board was fortunate to secure federal funds for a large number of youths of Maynard. Since the start of the projects, last spring, the youths have done such satisfactory

work as to receive commendable praise from the townspeople. This training has also enabled nearly one-half of the first group to secure private employment. The boys have accomplished such work as the clearing and grading of Crowe Park; clearing underbrush and chopping wood from which the Welfare Board received many cords of wood; a bandstand is under construction, on Crowe Park; the boys were also called upon to do emergency work during the hurricane. There is no doubt that the tennis courts on Crowe Park started under the E. R. A. can be completed by the youths if the townspeople appropriate sufficient funds. Two youths were selected to attend the training school at Holyoke.

A sewing project combined with a period of related training has enabled the girls to learn various branches of needlecraft. The value and accomplishments of this program can be told in the following chart:

Girls' Pajamas.....	97
Boys' Pajamas.....	28
Children's Sun Suits	32
Boys' Suits.....	111
Girls' Play Suits.....	16
Girls' Dresses.....	210
Sleepers.....	80
Layettes.....	23
Consisting each of	
Gertrude.....	1
Infant Dress.....	1
Wrapper.....	1
Jacket.....	1
Booties (Pair).....	1
Bands.....	3
Nightgown.....	1
Infant Pads.....	2
Infants' Jackets.....	10
Infants' Wrappers.....	2
Infants' Slips.....	2
Infants' Gertrudes.....	2
Infants' Booties.....	3

Toys—	
For Local Baby Clinic of Dec. 22.....	25
For Local Kindergarten.....	30
For Local Welfare at Christmas.....	25
Bed Slippers for Kindergarten use.....	30
Total.....	728
Novelties—	
Pot Holders	
Needle Cases	
Pocket Books	

The following wages came into the town from the Federal Government:

Boys.....	\$ 5,960.86
Girls.....	5,590.76
Total.....	<u>\$ 11,551.62</u>

The town expended \$1228.61.

This enabled the town to receive a large sum of money at a small expense to the taxpayers and to help and encourage our youths to become better citizens.

The co-operation extended by the Board of Selectmen, the Tree Warden, the School Committee and Superintendent, Mr. Brayden, Superintendent of Crowe Park, the Finance Committee, James V. King, W. P. A. Co-ordinator was of most noteworthy in these projects.

The Board strongly recommends that sufficient funds be appropriated to continue these excellent projects.

COMMUNICABLE DISEASES

While there was a large number of scarlet fever cases than usual, the majority were of mild nature and at no time did an epidemic threaten the town. Syphilis and gonorrhea are reported direct to the State Health Department by physicians. The local Health Department has no means of learning the names or addresses of infected persons, unless there are cases of lapse treatment.

The following table shows the number and kind of communicable diseases reported during the year:

Scarlet Fever.....	27
Tuberculosis.....	8
Whooping Cough.....	8
Mumps.....	4
Measles.....	2
Dog Bite.....	2
Syphilis.....	15
Gonorrhea.....	6

The Board desires to extend its thanks to the several town officers, physicians, nurses and all others who have rendered assistance in this important work.

Respectfully submitted,

LESTER F. COWLES,
JOHN JOHNSTON,
JOHN W. SAARELA,
Board of Health.

ANNUAL REPORT OF THE MAYNARD PUBLIC HEALTH ASSOCIATION

The Maynard Public Health Association has just completed its eighteenth year of service to the town of Maynard under the following officers:

President.....	Mr. Herbert Young
Vice-President.....	Mr. Guyer Fowler
Secretary.....	Mrs. James P. King
Treasurer.....	Miss Marion Townsend
Auditor.....	Mr. Carl Stockbridge

In June a tuberculosis survey of the town was held by the State Department of Health. The Association Nurse was taken to do this work. While this clinic was being held, Miss Bertha Sneck made the association calls.

Mrs. Richard Allan, Jr., another local girl substituted for Miss Ward during her vacation.

The association appreciates the faithful efforts of Miss Ward in taking care of its patients.

Respectfully submitted,

RUTH BREED KING, Sec.

REPORT OF PUBLIC HEALTH NURSE

Annual report of the Public Health Nurse for the year ending Jan. 1, 1939.

Number of patients visited.....	488
Association calls.....	823
Metropolitan Insurance calls.....	558
John Hancock Insurance calls.....	192
Other Insurance calls.....	188
Free Nursing calls.....	442
 Total.....	 <u>2203</u>

There were 53 Surgical cases reported by Hospitals for Dressings and follow up work. There were 226 calls by patients, 23 home deliveries attended by nurse, and 21 cases reported by Insurance Agents.

Respectfully submitted,

MARY A. WARD, R. N.

REPORT OF WATER COMMISSIONERS

To the Board of Selectmen:

Gentlemen:

The report of the Water Commissioners for the year ending December 31, 1938 is herewith submitted, this report includes the report of the Superintendent and Registrar.

This is the fiftieth annual report of this department, the first report having been made in March 1890 for the year 1889.

There are three W. P. A. Projects being carried on by this department. At the pond a crew of W. P. A. men are trimming the brush away from the small pine trees which were planted a short time ago. As it was necessary to transport the men to and from the pond we purchased a second hand truck and fitted it with seats to carry the men.

The location project which is being carried on by this department, is for the purpose of making plans of all the streets with water mains, showing all gates and hydrants. Under the Water Main Replacement Project, mains have been laid on Waltham St., Elm St. Bent Ave., Summer Hill Road, Newton Drive and Deane St.

The circulating system has been installed on the engine at the Pumping Station and we have realized a considerable saving on the insurance.

There has been expended this year for; Maintenance \$9,965.26, Circulating System \$530.71 and Main Replacements \$4,506.72.

The estimates for the coming year are; Maintenance \$10,725.00, Location Project \$300.00, Trench Pump \$225.00 and New Mains and Replacements \$3,000.00.

Respectfully submitted,

GAVIN C. TAYLOR,
 JAMES C. MAHONEY,
 CHRISTOPHER WILSON,
 Water Commissioners.

REPORT OF SUPERINTENDENT

To the Board of Water Commissioners:

Gentlemen:

The report of the Superintendent and Registrar of the Water Department for the year ending December 31, 1938, is here submitted. Included in this report is the report of the Engineer at the Pumping Station.

The water in the pond has been very high all the year.

The big wind of last year blew down many of the pine trees around the pond. There has been a crew of W. P. A. men clearing the brush and trees all fall and they will continue this work during the Winter.

It has not been necessary to do any work on the line from the pond.

The receiving wells at the pumping station have been cleaned out several times during the summer.

The circulating system, which was recommended in our last report, has been installed on the engine.

During the Summer the reservoir was emptied and cleaned. The grass was cut on the banks. There are some bad places in the wall which will need repairing next year.

The 6 inch main on Summer Hill Road has been extended 155 feet and a hydrant has been set on this extension. On Waltham St. the 4 inch main was replaced with 8 and 6 inch pipe 309 feet, on Bent Ave. 300 feet of 4 inch was laid and on Elm St. 100 feet of 4 inch to replace 1½ inch. On Deane St. a 6 inch main was put in from Acton St. to Warren St. a distance of 500 feet. A 6 inch main has been laid on Espie Ave. and Newton Drive 444 feet and a hydrant has been placed on this line. When this line is completed it will connect the Great Road pipe with the pipe on Percival St. Four hydrants have been moved and one has been broken.

Six services have been put in this year, making the number in use 1517. Forty-one services have been relaid from the main to the cellar, 15 have been relaid in part, 16 have been connected to the new mains and 32 have been cleaned.

Six meters have been set, there are 1490 meters now in use. The number of meters that have been repaired is 157.

Under the W. P. A. Project for the relocation of valves and house services, plans of all the water mains are being made, showing the size of the pipe, the locations of the valves and hydrants, also the house services.

I thank you for the kind cooperation you have given me.

Respectfully submitted,

WILLIAM NAYLOR,
Superintendent.

REPORT OF ENGINEER

To the Superintendent:

Sir:—The engine has been taken down and overhauled and new piston rings have been put in. The circulating system which was installed this year is giving good results, as the water now enters the water jacket of the engine quite warm.

About 4000 gallons of fuel oil, 20 gallons lubricating oil and some packing is on hand.

PUMPING RECORD

<i>Month</i>	<i>Gallons Fuel Oil</i>	<i>Gallons Water</i>
January	811	9,547,005
February	697	8,117,745
March	767	8,957,117
April	733	8,409,472
May	751	8,776,512
June	960	11,177,997
July	745	9,371,442
August	890	10,403,578
September	859	9,618,367
October	924	10,121,128
November	902	10,050,980
December	814	10,141,217
Totals	9,853	114,693,560

Fuel oil used for heating—1465 gallons.

Average daily consumption—314,228 gallons.

Average daily per person, figured on 6,500 users 48.34 gallons.

Respectfully yours,

ORRIN R. BOSWORTH,
Engineer.

REPORT OF WATER REGISTRAR

Received:

Flat rates	\$ 89.00
Meter rates	19,723.92
Miscellaneous	532.24

Total collected for year \$ 20,345.16

Paid treasurer 20,345.16

Uncollected December 31, 1938:

Flat rates	\$ 10.40
Meter rates	6,481.97
Miscellaneous	293.96

Total uncollected December 31, 1938 \$ 6,786.33

WILLIAM NAYLOR,
Registrar.

REPORT OF THE SEWER COMMISSIONERS

To the Board of Selectmen:

Gentlemen:

The ninth annual report of the Sewer Commissioners for the year ending December 31, 1938, including the report of the Superintendent, is herewith submitted.

The Commissioners were authorized to sell the lot of land at the corner of Waltham St. and Hayes St. and we have sold this lot for \$400.00.

Sewers have been laid in, Concord St., King St., Summer Hill Road, Crane Ave., Brown St., Great Road and the Interceptor from Force Main to Concord St., making a total of 4, 896.5 feet this year. We now have 11.8 miles of Common Sewers including the New Village system.

All of the Sewer Extensions this year have been done with W. P. A. labor.

We have added 36 house connections this year making the total number now in use 727.

A motion to relay the Common Sewer on Concord St. from Tremont to Brown St. was defeated at a meeting held during the year and the same thing happened to a motion to extend the Sewer on Brown St. to the house No. 44.

We now have applications for house connections to No. 39 and 43 Brown St. As there is no sewer on this street at this location we cannot accept these applications. It will be necessary to insert an article in a warrant to see if the town will vote to extend the sewer to these properties.

The following expenditures have been approved this year:

Maintenance.....	\$ 2,955.58
House Connections.....	972.83
Waltham St. Extension.....	52.70
Douglas Ave, Extension.....	46.81
Concord St. Interceptor.....	1,383.82
Concord and King Sts.....	1,332.12
Summer Hill Road.....	320.07
Crane Ave.....	326.57
Brown St.....	97.53
Great Road.....	254.88

The following appropriations are recommended for 1939.

Sewer Maintenance.....	\$ 3,400.00
House Connections.....	2,000.00
New Pneumatic Hammer.....	225.00

Respectfully submitted,

FRED C. ELSON,
WALTER R. DENNISTON,
THOMAS H. TIERNEY,
Sewer Commissioners.

REPORT OF THE SUPERINTENDENT OF SEWERS

To the Board of Sewer Commissioners:

Gentlemen:—The report of the Superintendent of the Sewer Department for the year ending December 31, 1938, is herewith submitted.

We have laid 4,896.5 feet of Common Sewers this year, as follows: Concord St., Interceptor 2,150.4 feet; Concord St. 969.2 feet; King St. 289.1 feet; Summer Hill Road 604.5 feet; Crane Ave, 446.4 feet; Great Road 381.9; Brown St. 55 feet.

We have added 36 House Connections this year and now have 727 connections in the system.

It has been necessary to relay two House Connections which were stopped with roots, four others have been cleared.

Lineal feet of House Connections laid this year.....	1,830
Average length per connection in feet.....	50.8
Average cost per connection.....	\$ 32.74

LOCATION OF CONNECTIONS INSTALLED IN 1938

Street	Connections	Street	Connections
Action St.....	1	Great Road.....	2
Bancroft St.....	1	King St.....	1
Brown St.....	2	Lindberg St.....	2
Charles St.....	1	Main St.....	3
Concord St.....	2	Maple St.....	1
Crane Ave.....	3	Nason St.....	1
Douglas Ave.....	2	Sudbury St.....	2
Elm St.....	1	Summer Hill Road.....	2
Front St.....	1	Tremont St.....	2
Waltham St.....	6		

Record of pumping at the Powder Mill Road pumping station.
 Total flow for the year 65,804,300 gallons
 Average per day 180,286 ”

I wish to thank the Commissioners for the co-operation they have given me during the year.

Respectfully submitted,
 WILLIAM NAYLOR,
 Superintendent.

REPORT OF LIBRARY TRUSTEES

Citizens of Maynard:

To the Library Trustees I herewith submit my report for the Public Library for the year 1938.

We have borrowed books, through the Inter-library loan, from the following Libraries: The Department of Public Libraries, and the Public Libraries of Boston, Watertown, Concord, Newton and Cambridge. These loans are indeed appreciated, as our finances do not permit the purchase of the type of books that we borrow from these Libraries. The Librarians at Concord are most kind in assisting those of our readers who go there seeking help. We are very appreciative for this help.

We are indebted for gifts of books to Eileen and Marion Bell, Barbara Gibney, and The Finnish Delaware Tercentenary Committee of Maynard; and for book marks to Mr. W. A. Twombly and Mr. Henry Tolman. A complete list of the books purchased and the magazines subscribed to may be seen at the Library.

With sincere appreciation of the kind cooperation of the Trustees and Assistants.

MARY E. MOYNIHAN, Librarian.

Books in the Library Jan. 1, 1938	8,501

Respectfully submitted,
 JOHN E. HANNON, Chairman
 ROBERT LESTER, Secretary
 MISS NELLIE C. MAY
 Maynard Public Library Trustees

REPORT OF FINANCE COMMITTEE

Board of Selectmen,
 Maynard, Mass.
 Gentlemen:

We herewith submit to the citizens of the Town the report of the Finance Committee for 1938.

A number of meetings were held previous to the annual appropriation meeting for budget study. During the year other meetings were held for the consideration of warrants for town meetings or at the request of various departments who had matters for the consideration of the Finance Committee.

There seems to be a misunderstanding on the part of various departments concerning the purpose of establishing a Reserve for the use of the Finance Committee. This Reserve is established for the purpose of taking care of unforeseen or extraordinary expenditures and not for the purpose of taken care of overdrafts that could have been prevented by proper supervision of expenditures. Several requests for transfers were refused during the year because the Finance Committee did not consider that they could be construed to be proper transfers.

In previous reports the Finance Committee has tried to impress upon the taxpayers the importance of attending Town Meetings and continued interest in Town affairs. Most taxpayers limit their attendance at Town Meetings to the annual appropriation meeting. In recent years many important matters entailing the expenditure of much money have been considered at special Town Meetings which have been sparsely attended. For their own protection taxpayers should attend all meetings. They cannot expect others to do their voting for them and if they fail to be present and some measure is passed of which they do not approve they have no one to blame but themselves.

The following transfers from Finance Committee Reserve were voted during the year:

Selectmen.....	\$ 975.00
Treasurer.....	100.00
Assessors.....	50.00
Town Clerk.....	25.00
Election and Registration.....	160.00
Town Offices and Halls.....	80.00
Police Dept. Maintenance.....	160.00
Police Car Expense.....	100.00
Fire Department.....	120.00
Parking Space.....	101.67

Health Dept.....	235.00
Sidewalks.....	500.00
Soldiers' Relief.....	384.00
Vocational Education.....	135.70
	<hr/>
	\$ 3,126.37

In a recent issue of a local paper the Finance Committee was criticized by a citizen for providing money for various departments for the purchase of machinery and for other unnecessary expenditures. The Finance Committee would like to correct the impression that they provide funds for departments except to make transfers from their Reserve to take care of unforeseen or extraordinary expenditures. The purpose of this is to save the Town the expense of extra Town meetings. Budgets are submitted to the Finance Committee for their study and approval or disapproval but funds are voted to the departments at the annual appropriation meeting or at subsequent special meetings. The spending of the amounts voted is under the control of the various departments and it is their responsibility to see that expenditures are of a proper nature.

Very truly yours,

JOSHUA NAYLOR, *Chairman*,
 HAROLD J. MORGAN, *Secretary*,
 HOWARD F. KING,
 WALTER CHESLAK,
 WILLIAM J. MALEY,
 JAMES J. COUGHLAN,
 JOSEPH BYRNES,
 GEORGE STUART,
 JACOB SEDER,

Finance Committee.

REPORT OF TRUSTEES OF SOLDIERS' MEMORIAL

To the Board of Selectmen:-

We take pleasure in submitting for your approval our annual report as 'Trustees of Soldiers' Memorial.

The change in flower beds was so satisfactory last year that the same plan was adopted this year, that is pansies were planted late in May to beautify the Park for Memorial Day. These were replaced later by hardier plants at no additional expense.

A cross walk and the walk from the park entrance to Main Street were laid.

Nothing has been done about installing fixtures in the comfort station. As the wooden tool house on Summer Street is unfit for use, the tools have been stored in the Comfort Station for the present.

Several trees which were up rooted during the hurricane were immediately replanted and carefully tended in hopes they might be saved.

Extra loam and grass seed will be needed for the coming year.

As in past years, the park was illuminated during the Christmas season giving a cheerful and pleasing effect.

The work done by our superintendent Mr. John F. Cleary has been greatly appreciated by us. We also wish to show our appreciation for the faithfulness shown by Mr. Rynkiewicz in his care of the flag.

Respectfully submitted,

PATRICK A. McGRATH
 ALICE W. NAGLE
 ALICE BROWN HOWE
 LEO WHITE
 OSWALD DRECHSLER
 WILLIAM BRINDLEY.

Trustees Soldiers' Memorial

REPORT OF CEMETERY COMMISSIONERS

Maynard, Mass., January 25, 1938.

To the Honorable Board of Selectmen:

The annual report of the Cemetery Commissioners is herewith submitted.

The purchase of an Electric Trimmer has been an asset to the department. This machine can be used for various purposes, such as trimming around monuments, cleaning and trimming grass markers, cutting long grass on the edges of sections and several other odd jobs which would ordinarily require hours of hand labor.

The New Cemetery has been divided into lots which are bounded by cement posts. There are now several choice sections of half lots and full lots from which one can choose. Sections are also set aside for those desiring perpetual care.

Considerable damage was done during the hurricane. A total of seventy-eight spruce and maple trees were destroyed. The trees and stumps have been removed and the grounds graded with loam. Several large maples that were badly uprooted have been straightened and cabled, while all trees and large limbs that were split have been bolted. Broken and badly twisted branches were removed and the remaining trees are now in very good condition. It is hoped that many of these trees can be replaced in the near future.

Owing to the loss of the spruce trees surrounding the Summer House, it was thought advisable to remove this structure and make a planting of shrubs and flowers. It is also planned to have the circle a little smaller which will enlarge the avenues and better traffic conditions.

In conclusion, we wish at this time to thank the citizens and the various departments for their splendid cooperation during the past year.

Respectfully submitted,

ERNEST E. JOHNSON.
JACOB LAURILA,
GUYER W. FOWLER,

Cemetery Commissioners.

REPORT OF
SUPERINTENDENT OF GLENWOOD CEMETERY

Maynard, Mass., January 25, 1939.

To the Cemetery Commissioners:

The iron posts at the small entrance bordering Parker Street were badly rusted and decayed. They have been repaired and painted and should last for several more years.

All woodwork in the tool house has been painted and an Overhead door installed. The new door is a great improvement as the old one was in very poor condition and in constant need of repair.

Heretofore, it has been difficult to conduct services at the Receiving Tomb owing to muddy conditions. This problem has been overcome by the building of a cement walk six feet wide from the sidewalk to the entrance of the tomb.

A total of fourteen hundred cement markers were made and placed at the corners of lots in the New Cemetery. These markers are an added improvement over the wooden stakes previously used and another step toward helping to keep the records more intact.

Many of the older monuments which were tipped have been reset, and all badly sunken graves on perpetual care lots filled and graded. The few remaining narrow avenues have been widened and repaired, which makes driving more convenient for the ever growing amount of traffic in the cemetery.

Several more lots were placed in perpetual care during the past year and this is a most encouraging sign. The citizens are taking more interest in their lots and the general appearance of the cemetery and in so doing are aiding the department in making more improvements.

I take this opportunity of thanking the Commissioners for their kind help during the past year.

Respectfully Submitted,

ROY E. MARSDEN,
Superintendent of Glenwood Cemetery.

REPORT OF THE MAYNARD SCHOOL COMMITTEE

January 24, 1939

Ordered, that the Annual Report of the Superintendent of Schools be adopted as the Annual Report of the School Committee, it being understood that such adoption does not commit the Board to the opinions or recommendations made therein.

JOHN T. HIGGINS, Chairman
ROBERT E. MADSEN
J. FRANCIS CLEARY

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Maynard:

I am pleased to submit my seventh annual report as Superintendent of Schools, the thirty-fifth in the series of such reports, in which I have included my report as Principal of the Senior High School.

With this I transmit to you the reports of the other supervisory officers, together with the tabulation of the usual School Statistics, all of which deserve your thoughtful consideration.

In addition to minor repairs, we have completed the following work:

HIGH SCHOOL

1. New shades, Room 25.
2. Gas Heater for showers repaired.
3. New Lock for front door.
4. Roof repaired.

JUNIOR HIGH SCHOOL

1. Household Arts Room equipped on first floor.
2. Stock Room for Manual Arts.

ROOSEVELT SCHOOL

1. Storm Windows put on boys' basement.

WILSON SCHOOL

1. New Concrete Walks and Driveways.
2. New Service Entrance for electric lights.
3. Auxiliary Boiler replaced.
4. Entrance Repaired (Cement Work)
5. Furnaces and Smoke Pipe repaired.

COOLIDGE SCHOOL

1. Grounds Graded and Drainage Improved.
2. New Shades in two rooms.
3. Coal Bins repaired.
4. Two new lights and switch installed.
5. New Copper Ventilator.
6. New Chimney.

IMPROVEMENTS RECOMMENDED FOR 1939

HIGH SCHOOL

1. Painting and calcimining rooms on second floor.
2. New grates for boilers.
3. New front steps (concrete).

JUNIOR HIGH SCHOOL

1. Paint walls of manual training rooms.
2. Installation of sink in girls' basement.
3. Installation of sink in corridor on first floor.

ROOSEVELT SCHOOL

1. New Clock System.
2. Lighting fixtures replaced.
3. Cloak closet doors repaired.
4. Cement walk on East side of building.

WILSON SCHOOL

2. Exterior woodwork painted.
2. Repair of ventilating system.
3. New electric wiring.
4. Boiler ash pit made deeper.

COOLIDGE SCHOOL

1. New Urinal in Boys' Basement.
2. Exterior woodwork painted.

COST OF MAYNARD SCHOOLS

The School Committee have submitted a budget for 1939 which calls for an appropriation of \$97,881.50, which is approximately the same as the amount spent last year. The cost per pupil is nearly seventy-seven dollars per year. This figure is not high when one compares it with the cost in other towns and cities.

The valuation of the town per pupil is under five thousand (5,000) dollars. As one would expect, our valuation per pupil is low in comparison with other towns.

A great deal of pressure is placed upon school administrators by educational leaders to expand the school program in an attempt to do more for the pupils.

The Maynard School Department has been conservative when new ideas and additional expenditures have been involved. We can claim, however, that the text books and materials used for the fundamental subjects are in general use and up to date.

ENROLLMENT

Our reports show a decrease in enrollment from twelve hundred seventy-five (1275) to twelve hundred thirty-three (1233) during the last year. We expect a similar decrease during the year 1939. At the present time other towns and cities have a similar situation.

CHANGE IN PERSONNEL

The committee accepted with regret the resignation of Miss Ruth Moynihan who was married in November. Miss Moynihan

was a very successful teacher. Miss Marion Ledgard who graduated from the State Teachers' College at Fitchburg in 1936 was designated as a substitute to fill this vacancy.

SCHOLASTIC ACHIEVEMENT

The report of the Elementary Supervisor indicates that the teachers are doing good work. When particular emphasis is given to the important subjects such as reading and arithmetic, the success in other subjects is liable to be diminished.

The extent and variety of subject matter to be covered in one year presents to the teacher a real and difficult assignment.

W. P. A.

The superintendent supervises a Nursery School and a National Youth Project.

The Sewing Project for Women is housed at the Roosevelt School. Another National Youth Project, for young women between the ages of eighteen and twenty-five, is located in the Coolidge School.

Some progress was made in the development of Alumni Field. Any additional work done will bring to completion major improvements in the general appearance of this fine athletic field. This project is sponsored by the Board of Selectmen.

NO SCHOOL SIGNAL

The superintendent wishes to call attention to the change in the "No School Signals". Three blasts is for the first eight grades, five blasts for the entire system.

ADULT ALIEN EDUCATION

Classes for teaching English and Citizenship were held at the High School during the months of October and November.

The enrollment of one hundred and forty adults required the services of four teachers.

The superintendent recommends the continuation of this work for ten week periods in the spring and fall of 1939.

Enrollment

Finnish.....	55
Polish.....	54
Russian.....	18
Italian.....	9
U. S. A.....	4
Lithuanian.....	3

Men.....	63
Women.....	80
	143

The town is reimbursed to the extent of one-half the amount expended for teachers' salaries, providing teachers who hold State Certificates are employed.

SENIOR HIGH SCHOOL REPORT

EDUCATIONAL AND VOCATIONAL GUIDANCE

At the Senior High School the pupil selects one of several courses which leads to a vocation or provides the foundation for further study. The pupil is influenced in making this selection by his teachers and those with whom he associates. As a rule, the pupils use good judgement and secure the consent of the parent to follow a certain course.

It must be remembered that the school years nine to twelve are spent largely on preparatory work. At present we offer the following:

1. a general education.
2. preparation for higher institutions of learning.
3. preparation for a business career.
4. foundation for entrance in the skilled trades.
5. instruction in many of the activities connected with the home.

If you study the report on recent pupils continuing their education, you will understand the importance of proper guidance. To this list may be added schools for specialized training such as the schools for business training, automobile and radio. A number of recent graduates have enlisted in the navy and are receiving training in some definite vocation.

Today there is a demand for the most able young men and women in the business world, in the professional field and by the skilled trades.

The high school teaching staff is working patiently and faithfully to help the young people to bridge the gap between secondary school and steady employment.

ACKNOWLEDGEMENT

The following organizations have contributed in an inspirational and material way to the success of our schools.

American Legion	Veterans Foreign Wars Auxiliary
Maynard Woman's Club	Maynard-Acton Kiwanis Club
Maynard Teachers' Club	American Red Cross
Maynard Lodge of Elks	

The School Department has had the co-operation of other town departments in the successful operation of the schools.

I have enjoyed the co-operation of teachers and principals and appreciate the support of the School Committee at all times.

Respectfully submitted,

JAMES P. KING
Superintendent of Schools

January 23, 1939

REPORT OF ELEMENTARY SUPERVISOR

Mr. James P. King
 Superintendent of Schools
 Maynard, Massachusetts

Dear Sir:

I herewith submit my sixth report as your assistant.

The only major change the past year in the elementary grades was the adoption of a new arithmetic text in grades three through six. Each teacher had opportunity to examine the newer texts and express a first and second opinion as to the adaptability of each text to her class. The text chosen by the majority was the Social Service Utility Arithmetics published by the American Book Company. The text is proving to be of great benefit to the children because of its modified lessons and presentation of subject matter.

The first semester of the school year was spent in discarding old books which had long before been replaced by newer books but which had been stored away in empty closets. Some of the books bore copyright dates of 1895-1900.

The following summary of books in the major subjects used in the elementary grades will show that our schools are equipped with up to date texts.

	Reading	Copyright date
Grades 1 to 6	Elson Basic Readers *Revision of 1931 Edition	1934*
	Arithmetic	
Grade 2	Strayer Upton Workbook	1936
Grades 3 to 6	Social Utility Arithmetic	1938
	Geography	
Grade 3	Home Geography	1936
Grade 4	Peoples of Other Lands	1937
Grade 5	Living Geography, Part I	1932
Grade 6	Living Geography, Part II	1932
	History	
Grade 4	A Brave Young Land	1937
Grade 5	Beginners' American History	1931

Grade 5	Wise Health Choices	1935
Grade 6	Health Problems	1935

Because of this uniformity of texts throughout the system a child may transfer from one building to another and find that his new class is having practically the same lesson as the class from which he transferred. I commend the efforts of the teachers to keep their classes up to the standard of accomplishment set for their grade.

The keeping of the original inventories in the School Department Office has saved the purchase of many single copies of books. By referring to the inventories of each grade, extra copies of a requested book were found available, thus eliminating the purchase of a new book.

I recommend the re-adoption of the Functional System of Handwriting. The teachers are following very carefully the technique they learned from The Functional System as a whole, but the children need the motivation and impetus given to any subject by outside supervision and measuring of results.

The tests given recently in grades four, five and six in Arithmetic, Language and the Social Studies showed that more emphasis should be given the Social Studies. I refer you to a previous report of the results of the tests by grades.

There is need of wall maps in all the elementary grades. This need has risen since the adoption of the new cycles in Geography and History. Every attempt is made to put before the children activities for creative expression of ideas, and emotions aroused by study. Our new Geography and History books have been carefully checked with the Thorndike list. At the close of each chapter there are exercises addressed directly to the child in language which he can comprehend. These exercises provide tests for self-checking, study directions, vocabulary games, references to other books and suggestions for many activities. By using the text book in this way, the child will gradually realize how to study and get the full value of the school text.

I feel confident that the instruction in our schools will improve with the continued co-operation and good will of all the members of the personnel.

Respectfully submitted

MARY A. DOYLE

January 6, 1939

REPORT OF MUSIC SUPERVISOR

Mr. James P. King
 Superintendent of Schools
 Maynard, Massachusetts

Dear Sir:

I herewith submit my report as Supervisor of Music in the Maynard Schools.

We have had a successful year in Music. Much interest has been shown in the instrumental work which is very encouraging.

The High School Orchestra has a membership of twenty-eight, which is an increase over last year.

The band which was organized in October 1937, is progressing very well. There are twenty members. We are grateful to the following organizations for contributions to the support of the band:

Veterans of Foreign Wars Auxiliary
 American Legion
 Maynard-Acton Kiwanis Club
 School Music Fund

We appreciate the gifts of a mandolin from Mrs. Wilder Macurda and a guitar from Mrs. George Gutteridge.

I express my appreciation to those who have given me their interest and co-operation during the past year.

Respectfully submitted

ELEANOR S. COLBURN

January 6, 1939

REPORT OF ART SUPERVISOR

Mr. James P. King
 Superintendent of Schools
 Maynard, Massachusetts

Dear Sir:

The purpose of art is to interest the individual in the finer things of life. "Look for the beautiful in everything and you shall find it"—is an old quotation sadly overlooked by the majority. How easy it is to say that a certain object is homely and how hard it is for one to search for a particle of beauty.

What makes an art supervisor very cross is the fact that individuals go about saying "oh—I can't draw a straight line if I tried". That statement is so ridiculous and so false that it humors anyone who is connected in any way in any field of art. Everyone can learn to draw a bit—just as one can learn to skate, dance, read etc.,—but it is true that everyone couldn't become a skater like Sonja Henie—a dancer like Astaire or an artist like Rembrandt.

I, as Supervisor of Art in the Maynard Schools cannot say enough for the grade teachers who spend every minute of the day planning something of interest for their classes. There is a great deal of spirit and cooperation there and when you do enter the classrooms, you know that you are really welcome.

From the first grade through the eighth, the pupils study about the qualities of color, design, construction and illustration.

Color is studied from all angles—primaries, secondaries, color combinations, color mixtures, meaning of color and color as applied to design, illustration etc.

Design is a very important item. Formal and informal balances are studied. Designs are originated by the children and then adapted to either a holiday project or discussed as to its usefulness.

Paper cutting, paper folding and paper tearing are involved in some of the problems.

Water color is studied from the fourth grade through the high school.

In the Junior High School all the important phases of art are learned such as: design, construction, illustration, also any new modern method that is of interest to the pupils, is studied. This year the seventh and eighth grades were interested in drawing on cloth. This, by the way, gave them a chance to produce doilies, scarfs, dresser scarfs and other small objects with the use of the Crayola Method.

In the High School all the students are individualists. They are studying pencil drawing, charcoal, oil paint, poster paint, modeling, clay modeling and costume design. With the aid of our talented manual art students, and under the very capable instruction of Mr. Walter Tierney, the art department has been most fortunate in obtaining wooden figurines that the girls in the costume design group are to cover with dress material.

Along with free hand drawing, is mechanical drawing given as a beginner's course to all groups in Senior High School. This course includes geometric work, layout drawing, cross section work, perspective and lettering.

All in all, I believe that the children of the Maynard Schools get as complete a course in art as they do elsewhere. However,

my one regret is that too little time is spent with this course. Art work is not only for factual knowledge, but it is relaxing.

Parents and friends can judge for themselves as to the quality of the work that is displayed at the annual exhibit.

Lastly, I want to thank all the teachers and janitors who have worked with me, as I feel that I could not have accomplished the work without their aid.

Sincerely yours,

ANNE P. PASAKARNIS
Supervisor of Art

January 1, 1939

REPORT OF PHYSICAL EDUCATION SUPERVISOR

Mr. James P. King
Superintendent of Schools
Maynard, Massachusetts

Dear Sir:

Vigorous muscular work is the foundation of Health. Physical Education is an essential part of education. Like all forms of education, it must continually adjust itself to the changing conditions of life. It should never be an end in itself, but should always strive to further aims of general education.

From this view, Physical Education as a school subject has certain definite functions. First, provide conditions that will give the pupil the opportunity to indulge in vigorous physical activities that are satisfying in themselves. It should next create conditions that will help the pupil develop mentally by means of self-expressive activities, and finally, it should endeavor to place the pupil in situations that will favor its growth as a social being.

The program in the grade schools as in the past few years has been carried on entirely out-of-doors. Each week captains are chosen from each class to act as leaders for the entire period. In the fall, football games are played by the boys, while the girls play various games with a football or a soccer ball. In the spring, various baseball games are played by both boys and girls.

The Junior High pupils have two periods a week in the gymnasium. All students are required to attend classes unless excused by a doctor. The work consists of apparatus, tumbling, marching, running, jumping, calisthenics, stunts, and all forms of gymnasium

games. In the winter, there is a basketball club that meets once a week; last winter Mr. Provasoli had nearly a hundred boys playing. At the end of the season the best of the players were chosen and they played a series of games against the high school freshmen. The girls also play an interclass series to determine the school champions. In the spring the school is represented by a baseball team that meets Junior High school teams from surrounding towns.

In September the eyes of each pupil were examined and weights and heights were recorded. The weight of each pupil is recorded four times a year.

The High School program is made up so that all students are given a chance to participate in some form of sport. In the fall there is football for the boys and field hockey for the girls. In the winter an extensive basketball program is carried out. Last winter we had eight boys' basketball teams playing in an intra-mural league, while the girls had six teams. Then two teams were picked from the girls' teams, and they played three outside games. At the conclusion of the season, inter-class basketball starts for the championship of the school. Class numerals are awarded to the winners, both boys and girls.

During the winter, boys who do not participate in team athletics, have two gym periods a week.

Baseball and track are sponsored in the spring for the boys. The baseball squad uses Crowe Park, and the track squad Alumni Field.

Number of boys and girls who took part in athletics in the High School this past year:

Boys	Girls
Football.....48	Field Hockey.....49
Intra-mural Basketball...73	Intra-mural Basketball.....50
Inter-class Basketball...36	Inter-class Basketball.....32
Track.....40	Varsity Basketball.....18
Baseball.....22	

Games played by Maynard teams during the year 1938:

Boys:

Intra-mural Basketball.....28	
Inter-class Basketball.....6	
Football—First Team.....10	—Outside Teams
Football—Third Team.....1	Outside Teams
Track.....11	Outside Teams
Baseball.....20	Outside Teams

Girls:

Field Hockey—First Team	9—	Outside Teams
Field Hockey—Second Team	6	Outside Teams
Intra-mural Basketball	15	
Inter-class Basketball	6	
Varsity Basketball—		
First Team	3	Outside Teams
Second Team	3	Outside Teams

Respectfully submitted,

REGINALD P. SAWYER
Supervisor of Physical Education

December 16, 1938

REPORT OF SCHOOL PHYSICIAN

Superintendent of Schools
Maynard, Massachusetts

Dear Sir:

All children were examined during the year, including those of pre-school age. At the pre-school clinics conducted May 9, 16 and 23 by E. J. Flaherty, School Physician, assisted by Miss Edith Foster, School Nurse, 57 children were examined.

The health of all children compares favorably with that of schools throughout the state. Another year has passed without a single case of diphtheria being reported. A most favorable record. There was no epidemic of any infectious disease.

Some of the school children have not as yet availed themselves of the use of the dental clinic, which takes care of the teeth at a special price. This clinic is for the use of pupils who cannot afford to attend a dental office.

The eyes of all children have been examined and most of the defects found, have already been corrected.

Quite a few children, however, need their tonsils and adenoids removed and this should be attended to during the summer vacation, as tonsils and adenoids are a cause of some of the infectious diseases.

Inspection of school basements reveals that they should be put in proper condition. They are all badly in need of paint or other suitable coating. The toilet in the Bancroft School should be entirely changed on account of poor drainage.

A detailed summary follows in the School Nurse's report.

I wish to thank the Superintendent, the School Nurse, and all teachers who were cooperative during the year.

E. J. FLAHERTY, M. D.
School Physician

REPORT OF SCHOOL NURSE

Mr. James P. King
 Superintendent of Schools
 Maynard, Massachusetts

Dear Sir:

I wish to submit my report as School Nurse for the year ending December 31, 1938.

Number of Visits to Schools	866
Number of Visits to Homes	525
Number of Cases Treated (First Aid)	1176
Number of Eye Examinations	797
Number of Ear Examinations	797

All the pupils in the elementary schools were weighed and measured in September, January and June.

The following is a report of the clinics held during the year.

Clinics

Chadwick (*Follow up*)—March 18, April 4. Conducted by Dr. W. R. Martin, Clinic Physician of the Middlesex County Sanatorium at Waltham, Mass.

Number examined	10
Number x-rayed	9
Observation cases	8
Negative cases	1

Pre-School Clinics—May 9, 16 and 23. Conducted by Dr. E. J. Flaherty, School Physician.

Number examined	57
---------------------------	----

Diphtheria Clinics—May 20 and 27. Sponsored by Board of Health. Conducted by Dr. S. M. Cremer.

Number immunized	56
Total number now immunized	995

Vaccination Clinic—June 16. Sponsored by Board of Health. Conducted by Dr. E. F. Ryan.

Number vaccinated	49
-----------------------------	----

Hearing Clinic (Audiometer Test)—November 28, 29. Conducted by Miss Whelan, from the State Department of Public Health.

Number tested	611
-------------------------	-----

At all these clinics, the physicians, technicians, etc., were assisted by the School Nurse and in some cases the local Public Health Nurse, Miss Mary A. Ward.

Report of School Dental Clinics

The School Dental Clinics, financed by the Maynard Board of Health, have been held two mornings a week by Dr. May, Dr. Palmer, Dr. Bellows and Dr. Garland. The annual dental examination clinic was conducted by Dr. May assisted by the School Nurse.

Number treated at Clinics.....	704
Number fillings.....	182
Number extractions.....	281
Number cleanings.....	176

I wish to thank our Superintendent, School Physician, teachers, parents and pupils, also the Board of Health for the cooperation they ave extended to me in my work the past year.

Respectfully submitted,

EDITH B. FOSTER, R. N.
School Nurse

The figures in bold faced type show the number of pupils of normal age for the grade; those at right of bold face type show the number above normal age or "over age," those at left show the number below normal age or "under age." With a well adapted course of study and not too arbitrary system of marking, a school system in general should show about the same percentage of "over age" and "under age" pupils.
