SENIOR TRIP

WHITE WATER RAFTING

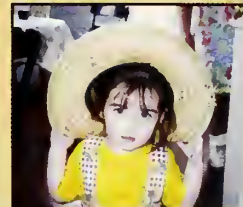

Wow, Bridgette!
 Mom and Dad are so proud to finally see this day come! High School was one big challenge for you but we knew all along that our girl could take this challenge. All we've been through, the best of all was to have you graduate and it's here. "Graduation Day with Honor Roll."
 Love you,
 Mom and Dad.

Madeline,
 Congratulations! It seems like just yesterday you were starting kindergarten at Green Meadow and now you are graduating high school with your whole life ahead of you. We could not be more proud of you. Never stop following your dreams and enjoy life knowing that your family will always be there for you.
 Love,
 Dad, Mom,
 Peter, & Erik

Ricky,
 We are so of you and proud of the man you have already turned out to be. We know you can and will do whatever you want to do in life. Just be happy, follow your dreams, and know that you are the best son and little brother any family could have.

Allison,
 We couldn't be more proud of you and all of your accomplishments. Watching you into a mature young lady fills us with great pride. We look forward to all the great moments ahead.

Love,
 Mom, Dad, and Jenn

Dear Allie,
 Thank you for taking us on a fantastic journey! You are a spirited young lady who exemplifies the qualities of leadership, responsibility, integrity, and thoughtfulness. The commitment, seriousness and boundless energy with which you tackle an activity – whether it's academic, athletic, or extracurricular – is beyond compare. You've shown unwavering good judgment in all aspects of your life, and of course that makes us incredibly proud. Although it's sad to see our baby leave high school, we know you are ready to move on. We can't wait to see what the future holds for you.
 Much love,
 Mommy and Daddy

Bryn,
 You are a true beauty. You have a kind spirit and a gentle soul. Rarely without a smile, you approach each day with enviable optimism. Fiercely independent and often opinionated, you march to your own beat. With compassion beyond compare, you seem to find those in need and always lend a hand. We are so proud of the amazing young woman you have become. Now go forth to the years ahead, joyfully and confidently, and remember how much you are loved by us, today and always.
 Love,
 Dad, Mom, and Luke

Zoe, you've worked so hard for this moment. We're proud of you in so many ways! We're sure the curiosity and drive you've always had will continue to serve you as you move forward into college and beyond. Who knows what the world will bring to you, or what you will bring to the world? We only know that wherever you go, you'll be bringing your best with you.

Congratulations!
Love,
Mom, Dad, and Kazia

Brandon,
Congratulations! We are all so proud of you! We know your future will be bright and hold many good things. We will always be here for you. Enjoy all that is to come!
Love,
Mom, Dad, Chris, & Ryan

Ryan,

"Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome."

(BT Washington)

Congratulations Ry! You have achieved success in school, on the field and in your life through hard work and perseverance. We are so proud of the young man you have become.

Love, Mom, Dad and Cory

Anna,

In your short time in school you have accomplished so much. We know you will achieve anything you set to your mind to and cannot wait to see where your life will take you. We are so proud of you.

**Kochamy Cie,
Mamusia and Tatust**

Dear Laurie,

It seems like yesterday that you got on the bus for your first day of kindergarten and now you are graduating from high school. It has been a joy watching you grow and become the amazing person you are today. Continue to believe in yourself, follow your dream and success will be yours. We have no doubt that with your strength and determination you'll make things happen in the years to come. Be happy, dream big, and remember we always love you.

Love,
Mom, Dad, Shawna,
and Nicole

"Nicky,

I'm sure to you getting to this point has seemed like an eternity. To us, just a few seconds. Time passes so quickly. Good thing we didn't blink or we would have missed it! Your years of hard work and dedication have brought you lots of success. Keep up the good work. We're so proud of you!
Oops!...wrong kid. Well, good luck anyway.

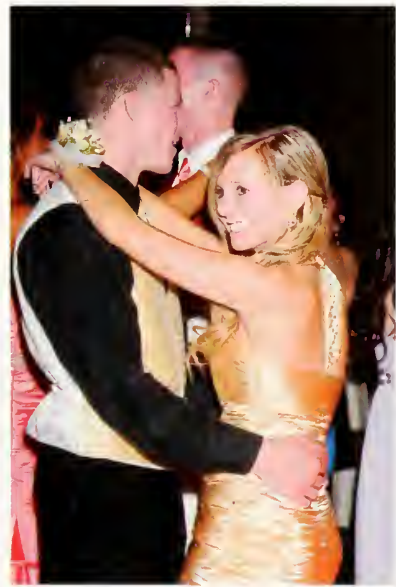

Love, Dad,
Mom, Sammy,
Trouble and
Gumby!"
