SCREECH OWL 1969

MAYNARD HIGH SCHOOL
MAYNARD, MASSACHUSETTS

Maynard Public Library
77 Nason Street
Maynard, MA 01754

The halls we have walked,
And the rooms we have entered,
All seem lonely now . . .
As they softly echo
Our memories of them.
The echo leads us
From room to room, hall to hall . . .
Recalling each moment spent there.
It appears to want
To recapture the past . . .
Not to keep us there,
But instead, to give up
Her recurring memories . . .
As we the seniors
Move into the future . . .
Toward greater things.

In the 1969 Screech Owl we hope to preserve some of the memories of our four years at Maynard High School.

Dedication

Our four years at Maynard High School have been memorable for many reasons. One of our most cherished associations has been with you, our class advisor for three years.

Through your careful attention and guidance our tasks became easier. Your patience in all situations taught us a great deal. When we were troubled, your sense of humor and optimism guided us. Our dances, activities, class meetings, and prom were all enjoyable because of your help.

You have been more than just a teacher and class advisor — you have been a true friend. For this, Mr. Najjar, we thank you, and in appreciation we dedicate our yearbook to you.

To everything there is a season,
and a time to every purpose under heaven.

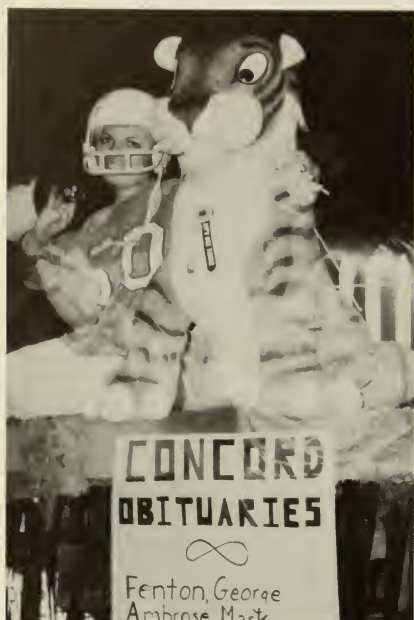

A time to be born,

and a time to die;

a time to kill,

A time to weep,

and a time to heal.

a time to laugh,

and a time to dance.

A time to embrace,

and a time to be far from embraces.

A time to win,

and a time to lose.

A time to speak,

and a time to keep silence.

A time of war,

a time of peace.

Let's really hear it for MHS! - Cindy and Jay.

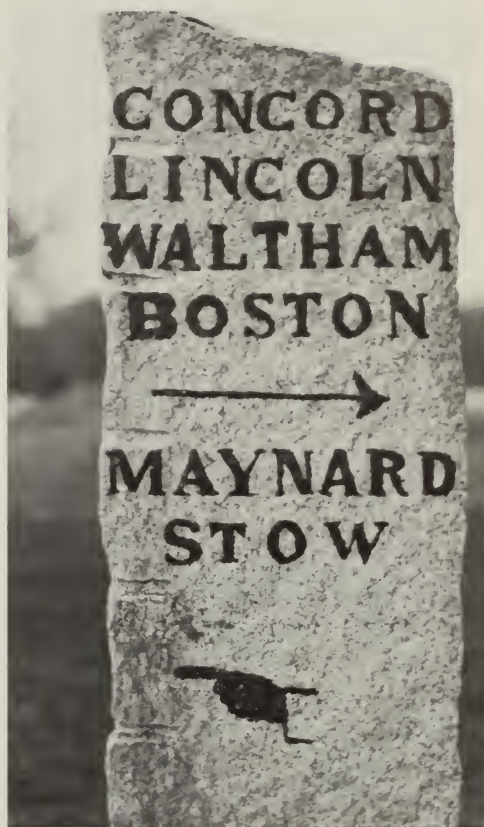

September 8, 1965 To June 8, 1969

In September, 1965, we became high school students. The first weeks were hectic as we heard campaign speeches and finally elected class officers. President Bruce McGarry, Vice-President Cindy Wilson, Secretary Mary Mullin, and Treasurer Barb Zancewicz promised to get us started on the road to graduation. Mr. Mattioli began his last year as our principal at Maynard High School. We were officially welcomed to the High School by the Senior Class at the "Welcome Freshman" Dance. The girls were initiated into the J.W.C. and many attended their first semi-formal. The year went by all too quickly and we soon realized we had only three years left.

As sophomores, we were no longer the lowest underclassmen. Mr. DeRosa was appointed acting principal and things ran smoothly. Alan Gunn took over as our Vice-President. We surprised the entire school by beating the Seniors at sectional cheering and many of them never talked to us again. The Tigresses, our girls' basketball team, were champs in the Midland League and Central Mass. Conference. The big excitement came in the spring when we ordered our class rings. The echos of "What color did you get?" could be heard throughout the building.

Our demonstrations for Mr. DeRosa as principal did no good, and as we became Juniors, Mr. Kingsbury took over the administration. Jay Manning was elected our new class president. The big event was the Prom and all discussions focused around a theme. "Grecian Gardens" appeared on May 16 and an unforgettable night was the result. The Girls' Basketball Team had another fantastic season with a record of sixteen wins and no losses. They were invited to participate in the Billerica Memorial Tournament, but after advancing to the semi-finals were defeated by Arlington. Arlington went on to win the tournament. Track was on the rise as a major sport and Doug Cush emerged as one of the best medium distance runners in Eastern Massachusetts. In all the confusion of administrative shake-ups, we still managed a rather successful and memorable year.

Finally, the big day arrived. We became Seniors. In a way it was sad because we realized this was our last year at Maynard High School. Mr. Abbott became our new principal and the atmosphere changed quickly. We assumed more responsibilities, but the rewards have been much greater. We were finally allowed to use the courtyard and during studies, most of the Seniors could be found outside. Class pictures were exchanged and work began on the 1969 Screech Owl. College applications were filled out and we were fitted for caps and gowns. The football coaches managed to put it all together for the 1968 season

and Maynard High School emerged with a fine 7-2 record. This was the year of the Tiger! Led by our fine quarterback, Frank Smart, the Tigers swamped most of their opponents and only a first game loss to Milford kept them from capturing the Midland League crown. Many of our seniors were honored for their great season by being named to the League's All-Star Team. Graduation finally became a reality as plans were made for the Senior Class Outing and many of our other Senior year activities. We regretfully left Maynard High School knowing that our four years had been very successful and would not easily be topped by any other class in the future.

Grecian Gardens

Prom Queen Barb Zanczewicz is surrounded by her court of Frannie Martin, Bunny Finneran, Marianne Buscemi, Pat Marcey, Mary Stigliani, and Carol Mariano.

Kay, Linda and Kathy add their charm to the Grand March.

Who says there's no swinging at the prom?

May 16, 1968 . . .

After weeks of preparation "Grecian Gardens" became a reality and made history as the largest Prom ever held at Maynard High School. It was indeed a night to remember.

Janet adds to the Grecian motif.

Memorable moments for Donna and Jay.

Barbara's "crowning moment."

The Junior Varsity completed a fine season with five victories and only one defeat. The victories came over Milford, Shrewsbury, Bedford, Marlboro, and Weston. The team's only defeat came at the hands of Hudson.

The Freshman Team also completed a fine season by whipping Milford, Bedford, Weston, and Clinton and put up a tough fight before bowing to Marlboro for their only defeat.

Cross Country is a fairly new sport in Maynard but it seems to have caught on fast. Captain Robb Audette led the way as Maynard met some of the strongest teams in the area. Backing up Robb in this rugged sport were underclassmen Mike Zancewicz, John Shostak, and Ben Taylor. Fine performances by Freshmen Keith and Erik Mosen seem to indicate that Cross Country will finally make it big at **MHS**. The coaching of Jim Owens has turned Cross Country into a successful sport and it looks like many more good seasons for the team under his direction.

Graduation Begins The Excitement

Upon graduation from high school, you may want to enter the dynamic, exciting field of computers. Right here in Maynard, there are fine openings at Digital Equipment Corporation whose computers are doing significant work at thousands of locations throughout the free world.

Ask your counselors about Digital, or even better, drop into our Thompson St. Employment Department to discuss openings in many areas: secretarial, wiremen, trainees, stock, silk screening, personnel, purchasing, etc.

Should you decide to attend college or vocational school (particularly in the technical fields), keep in touch with Digital. We have continuing needs for engineers, programmers, draftsmen, and technicians.

Take some home for the Family . . .

They'll love you for it . . .

It was five o'clock. We wanted to go home, but we needed another eighth of a page. So we bought this space to fill the page and meet the first deadline of this great book, the 1969 SCREECH OWL.

Good-night!
