We love you so much!
Mom, Dad, Dave & Mike.

Graduating high school? The Baby? Wow, how did that happen? Just yesterday you were happily wearing your Green Meadow sweatshirt with a big smile, and now look at you! We are all so very proud of you, Ry-Guy. Always the faithful brother, son, teammate, cousin, and friend. You have sat by quietly while those "unique" siblings that you have been blessed with have ventured forward (sometimes smoothly, sometimes with hiccups along the way!); always watching, always listening, always supporting. Now, it's your turn...finally. Trust yourself. Follow your dreams...and never, ever stop being that kind, gentle soul that we know and love!
Congratulations Big Guy!

We Love You,
Mom, Dad, Michael and Coley

Rachel,

Congratulations! It is hard to believe that our baby is graduating from high school! It has been a joy watching you grow into an intelligent and beautiful young woman. We are so proud of all of your many accomplishments but mostly for the wonderful person you have become and especially your kind heart. We can't wait to watch as you enter the next phase of your life. Dream big and keep believing in yourself! Enjoy every minute of the journey ahead.
We love you!

Love Always,
Mom, Dad, Elizabeth and Michael -xo

Dear Ryan,

Congratulations!
The years have flown by and we couldn't be any prouder of you and your accomplishments. Always follow your heart and dreams. We know you will succeed and that the future will hold many great things for you. We look forward to seeing what lies ahead and love you more than we could ever say!

Much Love,
Mom, Dad, Chris and Brandon

PARENTS CORNER

Michael,
 Congratulations! We are extremely proud of the young man that you have become. As you begin the next chapter of your life we wish you much happiness and success in college. Always remember that we love you very much and will always be there for you!

Love,
 Dad, Mom, Maura and Kevin

Matthew,
 Congratulations! We couldn't be more proud of you and all you have accomplished. It seems like yesterday you got on the Kindergarten bus, happy it was finally your turn to go. Now, you are graduating! Your future is bright and we look forward to watching the next chapter of your life unfold. Always know that we love you and will always be here for you.

Love,
 Mom, Dad, & Kevin

Dear Julia,
 Congratulations! It seems like only yesterday that we were sending you off to kindergarten and now your high school days are coming to a close. We are so proud of you and all that you have accomplished in these past 13 years. It has been a pleasure watching you grow into a beautiful and caring young woman and we are excited to see what the future holds for you. Our prayer is that you will follow your dreams and become all that God intends you to be.

We love you with all our hearts!
 Mom and Dad

Leo- You constantly amaze us with your dedication and effort. You are the most outstanding kid a parent could ever hope for. As you keep up your hard work, don't ever forget how much fun you had at MHS and bring that with you in the future. Your sense of humor will save you and continue to endear you to others, as it has to us.

Lots of love- Mom and Dad.

To my many friends of the Class of 2014 - Thank you for sharing your lives with me. You have brought me more joy, and taught me so much, you will never know. I will miss you all so much. I wish all of you all the best!

- Mrs. K.

Jennifer:
 You continue to amaze us and make us laugh. Your school years have passed by so quickly and we are very proud of all you have accomplished, and look forward to witnessing all of the successes to come. Congratulations on completing high school. Know that your family will always be here to support you.
