MHS TODAY

SPORTSLINE

Athletic Director Lent exchanges pleasantries with the referees.

Maynard High's athletic program provides a year-long opportunity for students. Sports ranging from football to golf allow anyone with the perseverance and ability to excel.

The year begins with grueling triple sessions of football practice in preparation for the ten-game season with Coach Ed Mullin, climaxing with the Thanksgiving Day game against Acton-Boxborough.

Soon after, the field hockey team begins its preparation. The Tigresses have been Maynard High's most proficient team, under excellent coaches.

Rounding out the fall sports are cross country and soccer. Girls' soccer, begun in 1985, has become a tremendous success.

Winter is highlighted by basketball and hockey. Boys' Basketball is coached by Steve Soldi, while Chris Howes leads the girls. Our illustrious rink raiders are guided by Coaches MacDonald and Ranucci.

Spring sports start soon after the snow melts. Boys' and girls' track teams are seen running up and down hills, the baseball team begins to break out the dusty uniforms, golf players start teeing up at the country club, and another year of Maynard High athletics comes to a close.

ACTIVITYLINE

In addition to WAVM, the various bands, and the Student Government, there are many other activities for students that you may not know of. One of these is Students Against Driving Drunk (SADD). This was begun this year so that MHS students can come together to keep their friends from drinking and driving.

The Library Aids try to help students find important information and help Mrs. Wasiuk keep the library clean.

The Foreign Language Club is comprised of students who are studying a foreign language. The club tries to enhance the knowledge and understanding of other countries for its members.

The National Art Honor Society was established by the National Art Education Association in 1978 and came to MHS in 1982. Students in grades 10-12 who excel in art scholarship, service, and character and maintain an 85 average are eligible for membership.

Many students participate in the Math League and/or the Math Olympiad. The Math league members take a 6-question test each month. Olympiad members take a much more extensive test annually.

The Senior Executive Board works to organize Senior activities such as dances, fund raisers, Class Night, Senior Tea, and the Coup de Grace . . . Graduation!

Students participating in the Academic Decathlon compete against students from all over New England by taking tests dealing with subjects ranging from math to art. The competition ends with the super Quiz and the winning team goes to the state finals.

Each year, one boy and one girl from the Junior class with exemplary records of academics and extracurricular activities are selected to receive the Harvard Book Award.

Several students sit in on school committee meetings and report on whatever is decided upon to the Student Government. Upon these few is bestowed the title of School Committee Representatives.

WAVM 91.7 FM CABLE TV — CH 17

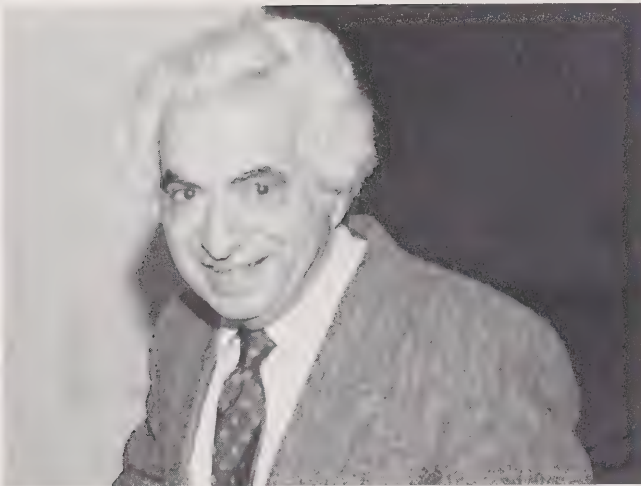

WAVM had an interesting 1987-88 school year. Despite setbacks resulting from the failure of the Proposition 2½ override, the student run radio and cable station continued full operation. The Beacon Santa Telethon, hosted by Chris Johnson and Tricia McDonough, brought in a record \$13,335 for needy children. Special events included ski trips, student and teacher broadcasts,

and the annual awards banquet. 23 seniors were involved with WAVM out of 137 staff members. Mark Heimberg served a brief stint as general manager with Chris Wozny but ceded his position to Melissa DeMambro. WAVM gives students a considerable advantage in the field of communications.

DEDICATION

Brian Armour

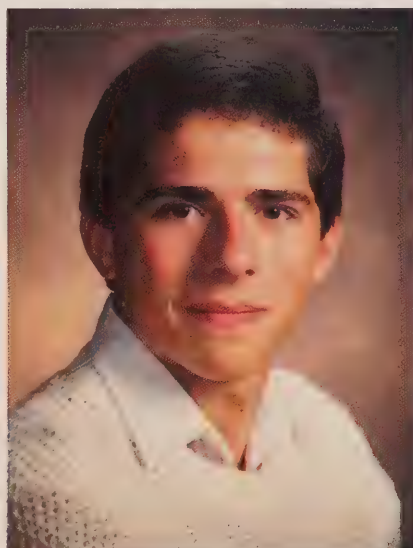

For thirty-four years, Charles Garabedian has been a familiar face both in and out of the band room here at Maynard High School. Before starting work here in 1953, he graduated from Boston University and worked for two years in Oldtown, Maine. "Mr. G," as he is affectionately called, has put his exceptional musical and teaching talents to good use here to develop the band into the strong, tight unit that it is today. In addition, he has been responsible for the band trips which have allowed the band members to travel from Canada to Florida. Mr. Garabedian, we at Maynard wish you luck and happiness in whatever you decide to do in the future. You have been a guiding light, a

motivating force, and a model of hard work for us. You will be sorely missed.
