FOREWORD

Tomorrow is the hope of man. He fixes his star in the future and follows it through life. We, the class of 1971, have our special dreams and ambitions. Soon, we will be scattered around the world, each with his own "tomorrow."

The coming events that face us will be richer because of the past. In these pages the experiences and aspirations of our four years at Maynard High School are pictured. We hope you will enjoy these reflections of our memories, our times, and our town.

Our Town . . .

"A little one-eyed, blinking sort of place" is what Mark Twain would have called it in 1871. That was when a few houses, some shops and a handful of resourceful New Englanders became a town — Maynard. Since then, we have grown quite a bit and this year we are celebrating our Centennial. We have captured scenes of our town in the hope that we will never forget "old homes, old friends and old splendors."

IN APPRECIATION

To Mr. Lerer for years of service and dedicated teaching.

In Room 203 we have delved into the mysteries of Avogadro's number, broken test tubes, and discovered "challenging." We swallowed helium, made our own "still," and in between learned a little chemistry.

Just as this has been our last year, so it has been his. The faculty of Maynard High School is losing a revered colleague and the student body a valued teacher. We hope this single page displays in some small measure the respect and gratitude we hold for our beloved "La."

So nigh is grandeur to our dust, So near is God to man, When Duty whispers low, "Thou must." The youth replies, "I can."

Ralph Waldo Emerson

If you have built castles in the air, that is good, for that is where they belong. Now put foundations under them.

Greatness requires

why so few

"All of your knowledge is in order. All plans are made. Your forces are arranged for battle. Now reach out for other allies. Invoke every power. Summon up the emotions and set the blood astir. Bring everything to a focus of controlled fury. Then depend, significantly, on the flip of a coin to begin. Send the football soaring and feel your expectations hang in the violated air by sounds breaking overhead and fresh forces sweeping over the green toward the first collision of hopes."

The Student Council

Taking on a "new look" this year by declaring class officers non-voting members the MHS Student Council put many new and exciting ideas into action. President Sue Howes began a drive for school spirit by organizing a parade before the Hudson game, complete with the band, cheerleaders, floats, and Captains. The following week an ambitious and determined committee artfully decorated the entire school in resplendent black and orange. Both of these efforts were successful, and the Tigers trampled the Hawks and the Gaels.

On the legislative side, the dance dress code was changed to a more modern and comfortable mode. The Honor Pass system is now under discussion at MHS, and the Student Faculty Judicial Committee is beginning to function as an "appeals board" for students.

For the Centennial, a committee has been formed to organize and direct a "Youth Day" this summer.

This year has been one of self-evaluation for the Council and the future appears to be hopeful and bright.

Their counterpart, the AV Club, is composed of twenty-five boys who are trained in the operation and maintence of all school AV equipment. They assist teachers and administration with classroom and assembly programs. The officers of the club are: Dave Caruso, Pres., Mike Gormley, Vice Pres., John Forster, Sec., Rich Novick, Treas., Doug Duarte, Tech., and Rich Haywood, Tech.

The J.W.C is an organization of girls whose main objective is to snatch a boy for the annual J.W.C. dance. Held in February this year (a romantic month for hearts and flowers!) at Russo's Restaurant, the dinner dance was a resounding success.

The girls have a serious side, too, which was demonstrated by their charitable work on the Cancer Drive and capable hostessing at the Parent Teacher Conferences. Other activities this year included a hayride and profitable food sale.

Winding up these enjoyable and varied activities with a banquet at the Old Mill, members of the club reflected contentedly on the 1970-1971 season.

National Honor Society

Early in the year, the National Honor Society was deeply saddened by the loss of its advisor, Miss Evelyn Sawutz. A wise and friendly mentor, her helpful presence will be sorely missed.

Succeeding Miss Sawutz as advisor is Mr. John Golec, a popular choice, chosen by a substantial margin by the members. His infectious good spirits resulted in a sleigh ride, held just before Christmas and enjoyed by all those who attended.

On the more serious side, the induction of new members was held in May.

Track

1970 M.H.S. TRACK TEAM

In our four years at Maynard High, the track team has come a long way. As Freshmen, the Class of '71 participated in the Tigers first winning season in a long time. As Sophomores and Juniors the team was undefeated and it is our hope that this will also be true in our Senior year.

The 1970 track season got off to a great start in Maynard, as the Tigers captured a majority of first places to take the Midland League relay meet. They then proceeded to beat every team in the League. In Marlboro, the Tigers broke loose taking the League title and leaving in the dust a pack of dazed contenders.

Maynard owes a lot to the efforts of Jim Owens and his assistant Bruce Koskinen. Tri-captains Chris Morrissey, Nick Sebastyn, and Ben Taylor have lead these seniors in their last track season at M.H.S.

Baseball

1971 saw a much improved Tiger Team take the diamond. Under the spirited and adept coaching of Mr. Ken Najjar, our Maynard Nine "knocked the cover off the ball" all season. Captain Tony Rioux, along with Seniors Billy Bakun, Det Klein, Mike Ollila, Dave Tucker, Ken Regan and Steve Staszewski led the team to greater and greater successes at the plate and on the field. Once again, the Roar of the TIGER was a mighty one!

A Veteran MHS Golf team took to the links with high hopes of a successful season. Though their accomplishments were overshadowed by the glorious track team, it ranked as one of the best years ever in the short history of the unheralded sport. What was lacking in talent was more than made up for in the players' love for the game. Golf could be on the upswing on the TIGER scene.
