REPORT OF THE BOARD OF SELECTMEN

To the Citizens of the Town of Maynard:

The Board of Selectmen respectfully submit for your consideration and approval, reports of the Town departments for the year ending, Dec. 31, 1932.

The Town Accountant's report gives a complete statement of receipts and expenditures of all departments, including a balance sheet showing the financial condition of the Town at the end of the year 1932.

A great many roads and sidewalks were in need of repairs of which you will find a report of this in the report of the Superintendent of Streets.

The past year of 1932 has been one where the Selectmen have endeavored to keep down all expenses to a minimum of all departments under their supervision.

As was expected by the citizens of the Town and in order that the cost of maintenance of the Street Department be curtailed as far as possible, it was decided by the Selectmen that in addition to the Superintendent only three regular men be employed during the year, who would receive pay. All other men required for the necessary work were taken from the Welfare Department. We feel by using this method that a great amount of work has been accomplished and at a very small expense to the Town.

The appropriation asked for the Street department was decreased about \$14,000. Under the decrease no constructive work was possible, but many improvements were made in sidewalks and other repairs and general work. This was what the tax payers expected when they reduced the Street Department appropriation.

The Selectmen have done their best with the amount of money appropriated for street work and feel this will meet with the satisfaction of the citizens of the Town.

Respectfully submitted,

FRANK S. BINKS,
CHARLES E. IRWIN,
JAMES R. PRIEST,
Selectmen.

SPECIAL SELECTMEN'S REPORT

The Selectmen's report on Articles voted on by the Citizens at an adjourned Town Meeting, held January 9, 1933, and what they have done in rerards to the Articles.

Article 9.

Voted that the consolidation of Town Offices be acted upon by the Selectmen immediately.

On January the 11th the Selectmen with Mr. Ledgard, one of the members of the School Committee, made a visit to all the schools and found two rooms in the Coolidge School, one in the Woodrow Wilson School and three in the Roosevelt School. On the same date the Selectmen called a meeting of the School Committee at three o'clock in the afternoon. The Selectmen informed the School Committee that the Citizens thought it would be a good idea to move the Town Offices into the Schools as it would save a considerable amount of money for the tax payers. The School Committee informed the Selectmen they would do all in their power to co-operate with them as long as it did not interfere with the School children. The Selectmen and the School Committee talked all matters over and then adjourned waiting for a report from the School Committee.

On January the 13th the following letter was received from the School Board.

Letter

January 13, 1933

Board of Selectmen,
Maynard, Mass.

Gentlemen:

As a result of the meeting yesterday afternoon of the School Committee with the members of your Board, the following motion was passed: Voted "To offer to the Board of Selectmen the use of four rooms at the Roosevelt School. These rooms are placed at the southerly end of the building, two in the rear and one in the front on the first floor and one in the front on the second floor. These rooms are to be made available by February 13th in case the Board of Selectmen decide to use them. The School Committee also plan to make additional rooms available at the end of June."

Yours very truly,
James P. King, Supt. of Schools.

After receiving this letter from the School Board the Selectmen voted to put the library in the two rear rooms on the first floor and the room in the front on the first floor is to be used for the tax collector, water department and the assessors and Town accountant. The room in the front on the second floor is to be used for the Sewer Department, Public Welfare, Board of Health, and Sealers of Weights and Measures. This occupies all these rooms that have been given to us by the School Committee, therefore there is no room for the Selectmen's Department, which requires two rooms including an office and a waiting room and there is also no room for the Police Department so the Selectmen and the Police Department are going to be together in the Selectmen's Department, where by doing this it makes only one rent for both Departments, until next June when there will be room enough in the Roosevelt School for these two Departments.

The Town also uses Co-operative Hall for their Town meetings and at the present time the rent is \$200 which the Selectmen think is a lot of money for what little the Town uses it. The Selectmen have notified the President and the Directors who have charge of this Hall, to have them see what they can do to make this rent considerably cheaper. If no action is taken in regards to this rent the Selectmen will see what can be done in regards to other quarters for Town meetings.

The Selectmen have taken the measurements of the School rooms and also the rooms that are occupied by the officials at the present time and also taking stock of all furniture so that the School rooms will be divided off in a way to take care of the different Departments and be their new quarters by March 1, 1933.

The Selectmen have notified all property owners where Town officials have been holding their offices that their rooms will be vacant March 1, 1933.

The rent that is being paid for Town Offices for the present time, including the Public Library and Co-operative Hall:

Gruber Brothers	\$110.00 per month
Creightons Block	55.00 per month
Maynard Masonic Corp.	50.00 per month
Public Library	85.00 per month
Co-operative Hall	200.00 per year
Town Clerk	15.00 per month
Town Treasurer	15.00 per month

Town offices and Hall, including library paid out by the Town Treasurer per year:

Town Offices and Hall	\$3,140.00
Public Library	1,020.00
	<hr/>
	\$4,160.00

Article 11.

Voted that the Town Officers be a committee to consider the wages to be paid to Town employees and the salaries to be paid to Town Officers, that said committee meet within ten days and report to the Town at the time the Annual Town Reports are distributed.

On January the 16th the Selectmen called all Town Officials together at the High School Building at 7:30 p. m. and a good majority of the Town Officials were present and had a very pleasant meeting, arguing out all the budgets of different departments, helping one another in every way they could to bring down their budget. A motion was made by the Town officials at this meeting to adopt the recommendation of the Selectmen in regards to moving the Town offices into the Schools.

At this meeting the officials also voted to cut no salaries of the Town officials and no employees under them but to cut all budgets as low as possible and also for the officials to cut reports as much as possible for the Town reports so that will help to make the Town report a little cheaper.

Article 10.

Voted that the Selectmen be a committee to fix the number of Fire Engineers and call members of the Fire Department and the salaries to be paid same.

On January the 17th the Selectmen met the members of the Fire Department at the Fire Station at 7:30 p. m. and all matters were taken up with these members. The members were willing to co-operate with the Selectmen and the tax payers with anything that was reasonable to help to make the tax rate cheaper.

The Selectmen visited other Towns to see how they were run and also how many permanent men and how many call men were employed and the salary they received.

After investigating in other Towns in regards to the Fire Department we find that the Maynard Fire Department has been very careful with their budget and after going back ten or twelve years we find that at that time they were spending \$2,500 more than they are spending at the present time. We could not see where we could take anything off their budget so the only way to lower it was to decrease the number of men they have on at the present time. The Selectmen have decided to appoint three engineers, eighteen call men and two drivers, making a total of twenty-three men while they have had twenty-seven men the last few years. We have investigated, as we said before, other departments out of Town and there is none of them that has less than twenty-three men. We have taken the matter up with some very good experienced chiefs and they claim that any Town our size should not have less than twenty-three men. If we do it will make a difference in the tax payers insurance, which we have investigated thoroughly to find out.

At the present time the Fire Department has a Hook and Ladder Department, Number 1 and also a Hose Department. The Hose Department takes care of their part of it and the Hook and Ladder Department takes care of their own but we have made all the Firemen one Department. Wherever they get orders to go, whether it is in the hook or on the hose they will have to go. When these Departments had their meetings there was a Clerk for each Department who took the minutes of the meeting but we have done away with that, and the Secretary of the Engineers will have to do the Clerking for all the Departments. By doing this it will save \$20 which these two clerks received.

The following is the expense of the Engineers for the past year:

Engineers	\$ 594.00
Call men	1,818.00
House men	3,270.60
Total	<hr/> \$5,682.60

After reducing the Fire Department down to twenty-three men the expenses will be as follows:

Chief Engineer	\$125.00
2 Engineers @ \$100	200.00
18 Call men @ \$75 each	1,350.00
House men	3,270.60
The Fire Chief's Pay In 1932 Was	\$135.00
The Fire Chief's Pay In 1933 Will Be	125.00
The Engineers Pay In 1932 Was	112.50
The Engineers Pay In 1933 Will Be	100.00
The Call Men's Pay For 1932 Was	90.00
The Call men's Pay For 1933 Will Be	75.00

The two House men's salary stand the same. \$3,270.60 per year. (Includes spare drivers pay when regular drivers are off.)

This is what the Selectmen have set the salaries for all the men of the Fire Department. We also think the Fire house should be painted as it has not been painted for five years. We think they should have more hose, and we feel the firemen should have their insurance.

The budget that was put in this year for the Fire Department was:

	\$6,578.10
Insurance	125.00
Hose	400.00
Paint Building	258.00
Total	\$ 7,361.10

The budget that the Selectmen handed to the Fire Department amounted to \$6,674.10 making a saving of \$687.00.

We still say after investigating that the Fire Department has been very saving in every way and they have done everything they could to keep the budget down.

This concludes the Selectmen's report but we wish to say that no doubt it is a great loss to the property owners where the Town Officials occupied rooms in their buildings, but are now to be moved to the Roosevelt School, but this is what the Citizens wanted, what they voted on, and what they expected the Selectmen to do. The Selectmen have tried to do their best to satisfy everyone.

Respectfully yours,

FRANK S. BINKS,
CHARLES E. IRWIN,
JAMES R. PRIEST,
Selectmen of Maynard.

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To either of the Constables of the Town of Maynard, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of said Maynard, to assemble in Co-operative Hall in said town, on Monday, February 13, 1933, next, at 6 o'clock A. M. then and there to act on the following articles:

Article 1. To choose by the Australian system of balloting the following Town Officers: Three Selectmen, One Town Clerk, One Town Treasurer, One Tax Collector, One Moderator, One Tree Warden, Three Constables each for one year; One member of School Committee, One Water Commissioner, One Sewer Commissioner, One member of the Board of Public Welfare, One member of the Board of Health, One Trustee of Public Library, One Assessor, One Cemetery Commissioner, Two Trustees of Soldiers' Memorial, each for three years; and all other Town Officers to be chosen at said meeting.

For the purpose specified in this article, the polls will be open after the reading of the Warrant and will remain open until four o'clock in the afternoon when they shall be closed unless the meeting there assembled otherwise determines.

Article 2. To hear and act on the reports of Town Officers and Committees.

Article 3. To see if the Town will authorize the Treasurer with the approval of the majority of the Selectmen, to borrow during the municipal year beginning January 1st, 1933 in anticipation of the taxes of the said municipal year, such sums of money as may be necessary for the current expenses of the Town therefor, payable within one year from the dates thereof.

And you are directed to serve this Warrant by posting an attested copy at the Post Office and one at each of ten other public places in said town, seven days at least, before the time of holding said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon, to the Town Clerk or the Selectmen, at or before the time appointed for holding said meeting.

Given under our hands this 18th day of January in the year of our Lord one thousand nine hundred and thirty-three.

FRANK S. BINKS,
CHARLES E. IRWIN,
JAMES R. PRIEST,
Selectmen of Maynard.

REPORT OF CHIEF OF POLICE

To the Board of Selectmen:

Gentlemen—I hereby submit for your consideration and approval my annual report as Chief of Police for the year from Oct. 1, 1931, to Sept. 30, 1932, showing the number of arrests made and the work done by the Police Department during that period.

The amount of fees received by the Town Treasurer from the Concord Court during the year 1932 totalled \$536.25.

As Chief of Police I wish to say that the department has been run the past year at as small an expense as it was possible to do so, and have tried to keep up the efficiency of the department, after taking into consideration the decrease in the appropriation from last year.

I would also say that I still feel that the present Police headquarters are better fitted for the Police business than the old quarters were. They are more convenient, not only for the officers, but for the citizens of the Town who may have business with the Police Department. I make this statement as my honest opinion and which I know is contrary to opinions of some of the citizens of the Town.

Total number of arrests in the Town of Maynard for the year ending Sept. 30, 1932:

Drunkenness	98
Assault and Battery	8
Breaking and Entering	6
Non Support	7
Delinquent Child	1
Vagrancy	2
Robbery	4
Injury to Property	2
Violation Term of Probation	2
Begetting with Child	1
Violation of Game Law	3
Violation of Automobile Law	2
Non Payment of Fine	1
Larceny	4
Total	141

Respectfully submitted,

JOHN CONNORS,
Chief of Police.

SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

Gentlemen—I beg leave to submit my report as Sealer of Weights and Measures for the year ending Nov. 30, 1932.

While this report in itself does not show the actual amount of labor or time put in to perform the duties of this department it can be seen that it must take time and labor such as examining peddlers licenses, weighing the different commodities, testing gasoline pumps and adjusting weights and scales and there is getting to be more every year. New laws are going into effect and the State keeps right after them all the time. I have to keep going around all year reweighing and also have to file a record with the State Department of all my reweighings so you can see I have to be on the job all the time.

I will say that all the stores in Maynard are all equipped with proper scales and all are in good condition and I want to thank the storekeepers for watching their scales the way they do and for notifying me when anything is wrong.

I would inform anyone using scales or pumps without being sealed that they are liable to arrest and fine. I would also inform peddlers that they will have to have their scales tested before a license is granted.

	Adjusted	Condemned	Sealed
Platform scales over 5,000 pounds. . .	1		3
Platform scales under 5,000 pounds. .	11	1	28
Counter scales under 100 pounds. . .	3		45
Spring scales under 100 pounds. . . .	2		41
Beam 100 pounds or over.			4
Computing scales under 100 pounds			30
Slot weighing machines.			6
Prescription scales.			5
Avoirdupois weights.			154
Apothecary weights.			56
Liquid measures.			163
Oil measuring pumps.			45
Gas Meters.			135
Yard measures.			12
Kerosene pumps.			11
Total number of articles adjusted and sealed.	17		738
Condemned.		1	
Peddlers licenses examined.			62
Commodities reweighed and found correct.			260
Received for sealing.			\$ 64.89
Received for adjusting.			\$ 5.35
Received from peddlers licenses.			\$ 52.00

Appropriation.....	\$	226.00
Total expenditures.....	\$	224.42

Balance

1.58

Respectfully submitted,

THOMAS WRIGHT,
Sealer of Weights and Measures.

TRUSTEES OF SOLDIERS' MEMORIAL

To the Board of Selectmen:

Gentlemen—We take pleasure in submitting for your approval our seventh annual report as Trustees of Soldiers' Memorial.

Our interest in the park increases each year, with the object in view of making improvements which will add to its beauty and attractiveness. During the past year granolithic walks have been laid leading to, and around the Soldiers' Monument and the Honor Roll tablet. The work was done at very little cost to the Town, as the labor was mostly furnished by the unemployed and practically the only expense was for the necessary material. A granite curbing was also laid facing the park on Summer Street. The work done is of a permanent nature and we feel sure has made a great improvement to the surroundings of the monuments.

New trees and shrubs have been planted around the park and fresh flowers were planted in the beds near the monuments for the Memorial Day services.

All necessary repairs, and painting work have been attended to. As in past years the central walk through the park was illuminated with electric colored bulbs throughout the Christmas Season making a beautiful effect. The work done during the past year by the Park Superintendent, Mr. John F. Cleary, resulting in the fine appearance of the park, has been greatly appreciated by us.

Respectfully submitted,

FRANK S. BINKS, Chairman,
ALICE NAGLE, Secretary,
ALICE BROWN HOWE,
WILLIAM BRINDLEY,
LEO WHITE,
WILLIAM H. GUTTERIDGE,
Trustees of Soldiers' Memorial.

INSPECTOR OF ANIMALS

To the Board of Selectmen:
Town of Maynard.

Gentlemen—I herewith submit my report for the year 1932.

I inspected 29 barns, 132 Cattle, 3 goats and 432 pigs.

Inspected 23 barns, after tuberculin test where cattle reacted, and in some cases went two and three times, and reported to the State.

Inspected and reported on cow brought in from New Hampshire. Reported on a dog that had bitten a boy. The dog had to be done away with. Quarantined 3 dogs, and in 90 days released them. Reported to the State.

Yours truly,

JOSIAH M. HERRICK,

Inspector.

TREE WARDEN'S REPORT

To the Board of Selectmen and Citizens of the Town of Maynard:

I herewith submit my report as Tree Warden.

Appropriation.....	\$ 350.00
Expended.....	265.11
	84.89
Balance.....	\$ 84.89

Most of the necessary work of this department was done by men from the Welfare Department as far as possible.

I wish to thank all for co-operating with me.

Respectfully submitted,

WILLIAM BISHOP,

Tree Warden.

JOHN A. CROWE PARK DEPT.

To the Board of Selectmen:

Gentlemen—The field and grand stand are in good condition for the coming year.

Appropriation.....	\$ 150.00
Expended.....	141.46
	8.54
Balance.....	8.54

JOHN C. BRAYDEN,

Superintendent.

REPORT OF SUPERINTENDENT OF STREETS

To the Board of Selectmen:

Gentlemen—I herewith submit my annual report of the Street Department for the year ending December 31, 1932.

Waltham Street the entire length was scarified, reshaped and widened. Egg size crushed stone was applied to strengthen the weak places. Heavy asphalt was applied and resurfaced with pea stone. The entire surface was thoroughly rolled. This street has proved very satisfactory the past season and with little attention can be kept in good condition.

The gutters were raised with crushed stone and heavy asphalt applied, coated with pea stone and the entire surface rolled. The following streets were treated by this method: Summer Street, from Linden to Anthony Dzerkacz Square, Summer Street, from Glendale to Ralph Panton Square, Main Street from mill gate to Main Street bridge.

This is the method adopted for the last two years with success. These streets present a fine appearance and greatly appreciated by the residents.

Haynes Street received an application of crushed stone and heavy asphalt, to overcome the condition caused by sewer settlement.

The streets in the business section were cleaned each week. All the streets and gutters received the regular spring cleaning. A great many streets were scarified, re-shaped and oil applied.

Cold patch on many streets caused considerable expense.

A new 10 inch drain was laid on Summit Street from corner Chandler and Walnut Streets to house of Michael Mullin a distance of about 150 feet.

Two catch basins were installed.

A new 12 inch drain was laid on Hillside Street, a distance of about 170 feet, from corner Oak Street to drain, leading to river.

A new 15 inch drain was laid on Concord Street and King Street a distance of about 450 feet. Four catch basins were installed. It was deemed advisable to install this drain, to eliminate any damage in the future.

A 36 inch reinforced concrete culvert was laid on a right of way on the Torppa Farm, thus caring for the surface water on that part of Summer Street.

Two new catch basins were installed corner Pleasant and Warren Streets.

Where required all old catch basins, drains and culverts received attention.

A new fence was installed at Russell's Bridge, of the wire cable type, with reinforced concrete posts. It was considered necessary to have a substantial fence at this point, owing to the dangerous location.

All the fences received a coat of paint. The stone wall on Summer Street from Florida Road to the driveway at Brooks

Reed, was pointed to give greater strength, also adds to the general appearance.

SNOW

All sidewalks and streets were kept open and sanded for travel. In the business section the snow was removed.

On account of the automobile travel all icy streets and especially the hills have to be sanded to help prevent accidents.

SIDEWALKS

The following asphalt walks were laid: Main Street from Tilton to Mill Street, Main Street from railroad crossing to Central House, Nason Street from Summer to Acton Street, Nason Street from Summer Street to Assabet Saving's Bank, Maple Street from house of Mrs. Randell to Maple Court, Brooks Street from Summer to Concord Street, Main Street from River Street to Paper Mill Bridge, Pleasant Street from Acton to Warren Street, and Parker Street from Hillside to Walnut Street.

A new curbing was laid near Byron Lumber Company. The gravel walks on Chandler, Park and Bancroft Streets received attention.

GEO. H. GUTTERIDGE,
Town Treasurer.

MAYNARD PUBLIC HEALTH ASSOCIATION

Mrs. Frank Farnell, President

Mrs. Howard A. Wilson, Vice-President

Mrs. Geo. H. Merrick, Secretary Mr. Geo. Lawton, Treasurer

Miss Mary A. Ward, R. N.

Annual report of nurse for year ending Jan. 1, 1933.

Number of patients visited	297
Association nursing visits	88
Free nursing visits	896
Metropolitan Insurance calls	718
John Hancock Insurance calls	230
Tuberculosis calls	46
Total calls	2,275

There were 48 Well Baby Conferences held during the year.
224 Babies were weighed at these conferences.

MARY A. WARD, R. N.

That the Public Health Association has been of great benefit to the town, is shown by the fact that the number of free nursing visits for this year exceeded by 631 that of the preceding year.

The town paid Miss Ward \$1,110.00; a part of her salary and the local branch of the Red Cross, although responding to many other calls, assumed one-half the cost of the medical supplies of the association. Substitute vacation work was satisfactorily carried on by the registered nurses, Miss Jarvie and Miss Sheridan.

(Mrs. Geo. H.) GRACE L. MERRICK, Secretary.

REPORT OF SEWER COMMISSIONERS

To the Board of Selectmen:

Gentlemen—We herewith submit the third annual report of the Sewer Commissioners for the year ending December 31, 1932.

During the past year we expended \$2,678.16 for the construction of common sewers on Summer street, Bent avenue, and Brown street.

It was decided to do this work following the receipt of petitions from abutters on these streets, and after the necessary appropriations were voted by the town.

It was also agreed to give the work as far as possible to citizens out of employment, who were property owners, and in this way assist them to some extent in paying their taxes.

Applications were received from some of our unemployed for permission to cut wood at the Disposal plant. The permits were granted on condition that all the brush was cleaned up and burned, the work to be done under the supervision of the superintendent. By this means some families were provided with fuel for the winter, and the work accomplished has also made a great improvement to the surroundings of the Plant.

The report of our superintendent will show in detail the schedule of work as carried out during the past year.

We do not recommend an appropriation for sewer extensions for the year 1933. Taking into consideration the prevailing economic conditions, we do not feel justified in constructing common sewers and placing a burden of sewer assessments upon abutters, unless petitions are presented where we believe sewers are required because of unsanitary conditions.

We recommend the following appropriations for 1933:

Sewer Maintenance.....	\$ 2,500.00
House Connections.....	1,200.00

CONSTRUCTION ACCOUNT

Summer street and Bent avenue sewer.	
Appropriated.....	\$ 1,500.00
Expended.....	1,156.13
	343.87

Expended.....	1,522.03
	77.97
Unexpended balance.....	
	\$ 77.97

MAINTENANCE ACCOUNT

Appropriated.....	\$ 4,025.00
Expended.....	3,912.18
Unexpended balance.....	\$ 112.82

HOUSE CONNECTION ACCOUNT

Appropriated.....	\$ 1,200.00
Expended.....	1,042.16
Unexpended balance.....	157.84
Total unexpended balances.....	\$ 692.50

Respectfully submitted,
 BARTHOLOMEW J. COUGHLIN,
 THOMAS H. TIERNEY,
 HAROLD A. LYONS,
 Sewer Commissioners.

REPORT OF SUPERINTENDENT OF SEWERS

To the Sewer Commissioners:

Gentlemen—I herewith submit my annual report as Superintendent of Sewers for the year ending December 31, 1932.

Maintenance. During the past year all main sewers and manholes have been given constant attention for the purpose of preventing any general accumulation of sewage. Inspections have been made at frequent intervals, and sewers have been flushed out from the end manholes in different sections of the town. Manholes have been cleaned out wherever this was found necessary. At the pumping station, off Powder mill road, the inlet chamber and the sewage well have been cleaned out daily and the grates kept clear of obstructions. A leak in the gate of the overflow pipe in the inlet chamber was repaired, and another leak in the jointing of the 18 inch pipe in the field near the pumping station was given attention. An 8 inch chimney was put on the under-drain pipe in the first manhole in the field. This was done to overcome the possibility of the river, when high, of backing up the outlet pipe and flowing into the manhole. All tank frames and covers at the pumping station have been treated with Inertol asphaltic compound to prevent rust and corrosion.

At the Disposal plant the Imhoff tank and gas chambers have been flushed out daily, also the dosing and siphon tanks. The screens in the dosing tank have been changed at frequent intervals and when cleaned and dried have been given a treatment of asphaltic compound. The trickling filter pipes and nozzles have

been regularly flushed out, kept clean and clear of obstructions, and in the winter time kept clear of ice. The sediment in the secondary tank has been pumped back to the Imhoff tank at different periods, and the tank flushed out and kept clean. The ice has been broken up and taken out of the tank to relieve the pressure against the concrete partitions. All iron frames and covers have been painted. The sludge from the Imhoff tank has been emptied twice during the year into the sand filter beds, and when dry has been removed. When the sludge is taken off the beds some of the sand comes with it, which has to be replaced. A deposit of good sand has been found at the plant and is used for this purpose. Each month samples of sewage taken from the inlet and outlet of the Imhoff tank, and the effluents of the trickling filter and the secondary tank have been sent to the State Department of Public Health.

House Connections. The number of house connections made during 1932 was 29. The rule of the department that the estimated cost of the work must be deposited with the Town Treasurer before the work is started, no doubt prevented many property owners from connecting to the sewer, under the prevailing economic conditions. The total number of connections made to December 31, 1932 is 271. Of this number 255 are in use,—that is directly connected to the sewer. The remaining 16 have not yet connected to the house plumbing, and are not in use.

House connections installed	29
Linear feet of pipe laid	1,400.5
Average length per connection, feet	48.29
Average depth per connection, feet	5.46
Average cost per connection	\$44.28
Average cost per foot	91.7 cents

LOCATION OF INSTALLATIONS

Location	No. Conn.	Location	No. Conn.
Bancroft street	1	Parker street	1
Bent avenue	1	Pine street	1
Brooks street	2	Sherman street	1
Brown street	2	Sudbury street	1
Concord street	4	Summer street	3
Fairfield street	2	Tremont street	1
Glendale street	1	Walcott street	1
Hillside street	1	Walnut street	1
Maple street	1	Waltham street	1
Park street	2	Warren street	1
		Total	29

Sewer Construction. During the past year 867.5 feet of common sewers have been laid as follows:

Summer Street,—from manhole at intersection of Concord and Summer streets, to number 89, property of John Webster, 353 feet.

Bent Avenue,—from Summer street manhole to end of property line of George H. Creighton, 118 feet.

Brown Street,—from manhole at intersection of Concord and Haynes streets to end of property line of Miss Gertrude Deane, 396.5 feet.

The average depth of the Summer street and Bent avenue sewers was 8.2 feet. The trench was shored up most of the way, as the soil was sandy and there was always danger of the sides caving in. After backfilling, the trench was rolled, and re-surfaced with cold patch the whole distance. The cost per foot was \$2.45.

The average depth of the Brown street sewer from the manhole at intersection of Concord and Haynes streets to first manhole at station 2+66.5 was 8.75 feet. From this point to the summit manhole at station 3+96.5 the average depth was 10.92 feet. Considerable blasting was done to make a clearance of ledge and large boulders. The trench was braced up practically the whole distance as a protection to the workmen. As Brown street is a bituminous macadam road, the trench was re-surfaced with new stone, rolled with the steam roller, and asphaltic road oil applied as a binder. The cost of the work was \$3.84 per foot, which also includes the re-surfacing of the trench.

Sewage flow. (As indicated by recording ammeter at the pumping station, Powder mill road).

Total flow from January 1, to December 31, 1932, pumped to the Disposal Plant.....	28,468,800 gallons
Monthly average.....	2,372,400 gallons
Daily average.....	77,784 gallons

Respectfully submitted,

EDWIN CARLTON,
Superintendent of Sewers.

BOARD OF HEALTH REPORT

To the Citizens of Maynard:

Without endangering the health of the public, the Board has run its department as economical as possible as may be seen in the Town Accountant's report.

Tuberculosis is still the largest problem. Even after returning home the patient must report to the sanatorium for examination once a month. In cases of necessity the Board is responsible for the auto transportation, which accounts for this large financial item.

The past year has been, comparatively speaking, a healthy one with the exception of a mild epidemic of measles and several cases of scarlet fever.

The Board, at this time, wishes to express its appreciation to the physicians, all school authorities, the Plumbing and Finance Committees for their co-operation at all times.

Following is the list of contagious diseases — Measles 40; Scarlet Fever 12; Tuberculosis 6; Dog Bite 1.

Respectfully submitted,
LESTER F. COWLES, Chairman,
JOHN W. SAARELA, Secretary,
FRANK D. MOYNIHAN,
Board of Health.

REPORT OF LOCAL MOTH SUPERINTENDENT

To the Honorable Board of Selectmen:

Gentlemen—I hereby submit the annual report of the Moth Department for the year ending December 31, 1932.

In going over the town the past year I did not find any brown tails but did find considerable amount of Gipsy Moth egg clusters.

All shade trees were sprayed with arsenate lead.

All of Puffer Road was cleaned of underbrush, Summer Hill and Acton Road, also a few other places which required cleaning with the aid of welfare men.

Appropriation.....	\$	925.00
Expended.....		925.00

Respectfully submitted,
JOHN F. CLEARY,
Moth Supt.

REPORT OF THE WATER COMMISSIONERS

To the Board of Selectmen:

The report of the Water Commissioners, together with the reports of the Superintendent and Registrar for the year ending Dec. 31, 1932 is herewith submitted.

The voters this year have accepted the act which make the water rates a lien on property.

There is a small strip of land at the pond which we have not been able to secure as yet.

We have planted four acres of land at White Pond to white pine and much of the dead wood has been cut.

As no appropriation was made for relaying part of the water line from the pond this work could not be done and we have been troubled with colored water during every wet spell.

The four inch pipe on Great Road across the square at Parker Street has been replaced with a six inch.

The most important work this year has been the selection of a new pumping plant for the pumping station. At the March meeting the town appropriated \$17,000 for this purpose.

In selecting the proper plant to do the work, it was necessary to consider steam, electric current and Diesel engine, also to determine whether a displacement pump or a centrifugal pump should be used. The first cost and the annual expense of each type was considered and after visiting a great number of plants and receiving prices on the different kinds of equipment it appeared that the Diesel engine and the centrifugal pump was the proper unit to install. After receiving bids from about fourteen companies, ranging from \$4,000. to \$8,200., it was decided to award the contract to The Warren Steam Pump Co. of Warren, Mass., their price for the Diesel plant was \$5,995.00 delivered on the car or on truck at Maynard. This unit consists of a three cylinder Winton engine, connected through a Fast Coupling to a Faulk increasing gear which is connected through a Faulk Coupling to a Warren Two-stage Centrifugal Pump. With the engine is a starting outfit consisting of a small gasoline engine connected to an air compressor and an air tank. Besides this Diesel Unit we have purchased a stand-by plant consisting of a Sterling gasoline engine direct connected to a Warren Centrifugal Pump. This unit cost \$2,249. delivered at the Pumping Station. Each of these pumps are rated for 800 gallons per minute and can deliver considerable more. The Diesel Unit has been installed and tried out and will be in operation for the New Year.

In connection with this equipment a Venturi Meter has been installed at a cost of \$1,000.

The installation of this unit has been done almost entirely by the regular men of this department. The entire cost of both these units taking out old pumps, piping and rebuilding foundations, will not exceed \$12,000.

While there is a great many improvements which are needed in the works, such as relaying the water line from the pond, cleaning the force main from the reservoir to the pumping station and replacing many of the small mains with larger ones, we have figured our expenses for the coming year only on the necessary operating cost, \$9,803.

We have expended this year for maintenance \$10,504.28 and for cast iron pipe and service pipe \$406.01. Bills approved for the new pumping equipment amount to \$6,288.91.

Respectfully submitted,

GAVIN TAYLOR,
JAMES C. MAHONEY,
CHRISTOPHER WILSON,

SUPERINTENDENT'S REPORT

To the Board of Water Commissioners:

Gentlemen—The report of the Superintendent and Registrar together with the report of the engineer for the year ending Dec. 31, 1932, is herewith submitted.

The water in the pond has been at a higher level this year than for several years past and at the close of the year the water was about two feet over the intake pipe.

The only work done on the line from the pond this year, was to make some concrete covers and to chain and lock the covers in place.

The receiving wells at the Pumping Station have been cleaned out several times.

It was planned to make no repairs on the old pumping machinery as new equipment was to be installed, but it became necessary to have the crankshaft repaired at an expense of about \$250.00.

The new pumping equipment which has been purchased consists of Venturi Meter, a Diesel engine unit and a Gasoline engine unit.

The Venturi meter has been in operation four months. To install the Diesel Unit it was necessary to take out the old Blake Pump, which has been in since the works were built. The Diesel Unit was put into operation in December, and while there are some adjustments to be made, this unit will be used to do the pumping from now on.

While the cost of coal for the old steam engine was about \$1,300. per year, this engine should do the same work for about \$500. In connection with this plant we have put in a tank for fuel oil of nearly 10,000 gallon capacity. The side tract has been raised about two feet, so that the oil will flow from car into the

tank without being pumped. The Gasoline Engine Unit will be installed before spring.

With this equipment fully installed the steam boilers and piping may be removed and the present boiler room may be used for a store room and workshop.

At the reservoir 100 feet of the wooden fence has been replaced with wire and the wooden section has been repaired.

The six inch main which supplies the hydrants of the American Powder Co. is in the town of Acton and was laid by the Powder Co.

On Great Road the four inch main has been replaced with a six inch for a distance of 270 feet, on Everett St. 100 feet of four inch pipe has been put in to take the place of a 1½ inch pipe. Two hydrants have been moved to the opposite side of the street, one on Railroad St., and one on Great Road. One hydrant was broken by an auto.

Two new services have been added this year, making the number now in use 1,476. Fifteen service leaks have been repaired, 36 have been partly renewed, 4 have been lowered and 35 have been cleaned.

Five meters have been added this year, the number now in use is 1,445. 220 meters have been repaired.

Inasmuch as it is the policy of the town to spend the least amount possible the coming year, no extra work has been planned by this department.

I wish to thank the Commissioners for their kind support during the year.

Respectfully submitted,

WILLIAM NAYLOR,

Superintendent.

REPORT OF ENGINEER

To the Superintendent:

Sir—As few repairs as was possible was made on the machinery this year, as the engines were to be taken out to make place for the new plant.

There is on hand 6,300 gallons fuel oil and 50 gallons of lubricating oil.

REPORT OF FINANCE COMMITTEE 1932

During the year of 1932 this committee held 22 meetings for the purpose of acting on the different town warrants and appropriations of the year. We held several meetings with special committees of the Town, the Civics Committee of the Chamber of Commerce and several Town officers.

By a vote of our committee the several town officers and committees were invited to be present at a joint meeting held in the High School Auditorium on January 29, 1932.

At this meeting the serious financial condition of the Town was explained by Mr. Naylor and Treasurer Gutteridge. As a result of this meeting all budgets were recalled and the amounts recommended by us, and voted by the Town showed a saving of \$55,718.12 from original estimates.

February 25th the Committee met with the Chamber of Commerce and listened to a report of the Civics Committee of that body. The Town should give them much credit for the more general knowledge of Town problems, and for their efforts in carrying out the recommendations of this committee.

The advantage of having a reserve fund to meet emergencies has been well proven otherwise it would have been necessary to have held several special Town meetings the past year. The fund was voted as follows.

May 3, 1932	Selectmen.....	\$	190.00
May 3,	Selectmen.....		100.00
July 12,	Board of Public Welfare.....		2,000.00
Sept. 27,	Town Treasurer.....		1,582.60
Nov. 18,	Town Treasurer.....		69.65
Nov. 29,	Town Treasurer.....		75.00
Dec. 31,	Election and Registration.....		4.05
Dec. 31,	Town Clerk.....		12.48
Dec. 31,	Assessors.....		110.00
Dec. 31,	Selectmen.....		125.32
Dec. 31,	Tree Warden.....		1.10
Total.....			\$ 4,270.20

In our 1931 report we said:- "In order to keep the tax rate down the past few years we have been using cash from surplus and treasury. This source now being depleted all money spent must be raised by direct taxation."

In the final analysis, unless the members of the different boards you elect or appoint co-operate in the economical running of the departments, it is impossible to stop the unnecessary cost of operation." The Finance Committee is not a super government, and does not wish to act as such. The heads of the several departments should best know where savings can be made, it is to them

that we look during these times when every effort must be made to keep our tax levy down to a point where it will not become oppressive.

You will note in our 1932 report, we based our estimates of the tax rate on a valuation of \$6,500,000., but the final valuation was \$6,337,505.00. It now seems that the 1933 valuation will be less than this figure.

The budget that has been submitted for 1933 is less than that of last year, but because of the probabilities of credits and valuation being lower, we look for the 1933 rate to be higher.

We expect to submit a final report to the Town on the 1933 budget requests, before the annual meeting.

JOSHUA NAYLOR, *Chairman,*
ARTHUR J. SULLIVAN, *Sec.,*

TOWN CLERK'S REPORT

For The Year Ending December 31, 1932

Including Adjourned Town Meeting of December 12, 1932,

Held January 9, 1933

NOTE

Town Warrants and records of minor importance have been omitted from the Town Clerk's report in the interest of economy. The amount thus saved is estimated as 13% of the budget of this department. Information desired, not printed herein, will be courteously supplied upon request to the Town Clerk.

Proceedings of Annual Election held February 8, 1932

The Annual Town Election was held on the above date in accordance with Town Warrant No. 320.

The requirements of the law relating to the preparation of the polling place being complied with, the Town Clerk read the warrant at six o'clock A. M.

The following ballot clerks, appointed by the Selectmen were sworn by the Town Clerk: Benjamin C. Brown, Edmund P. Lowney, R. Edward Keto, Marion L. Jones, Cecelia R. O'Toole.

The ballot clerks received from the Town Clerk the official ballots and duplicate check lists to be used during the balloting, and gave a receipt therefor.

Alfred E. McCleary, Moderator, examined the ballot box, the register was set at 0000, and the keys placed in the keeping of Constable Nicholas J. Driscoll, who was in charge of the box during the day.

Moderator McCleary declared the polls open at 6.05 o'clock A. M.

It was voted to postpone action on Article 2 and 3 until two o'clock P.M.

In accordance with the authority vested in the Moderator and Town Clerk by the General Laws, the counting of ballots began at 8 o'clock. The tellers first being sworn by the Town Clerk as follows:

Emma Greenhalgh	Irene C. O'Donnell
Arthur F. White	Frank Hayward
Harry A. Chase	Raymond J. Sheridan
Inez McDonald	Alice L. Joyce
Nathan Crowther	John Horan, Jr.
Mary A. Murphy	Frederick C. Elson
	Eva M. Frye

Article 1. At two o'clock the following officers were elected by acclamation.

FENCE VIEWERS

William Naylor	Sworn Feb.	8, 1932
William O. Strout	Sworn Feb.	8, 1932
Benjamin C. Brown		

FIELD DRIVERS

William Bishop	Sworn Feb.	11, 1932
Josiah M. Herrick	Sworn March	11, 1932

James J. Ledgard.....	Sworn Feb.	8, 1932
Joseph A. Foster.....	Sworn Feb.	25, 1932
Orville P. Tucker.....	Sworn Feb.	11, 1932

Article 2. Voted to accept the reports of the several boards of Town Officers as printed in the "Annual Reports of the Town Officers, including the financial report of the Town of Maynard, Massachusetts, for the year ending December 31, 1931."

Article 3. Voted unanimously that the Treasurer be and hereby is authorized, with the approval of a majority of the Selectmen, to borrow during the municipal year beginning January 1, 1932, in anticipation of the collection of the taxes, such sums of money as may be necessary for the current expenses of the Town, but not to exceed in the aggregate \$150,000.00 giving the notes of the Town therefor, payable within one year after the dates thereof. All debts incurred under authority of this vote shall be paid from the taxes of the present municipal year.

Article 1. The polls were closed at four o'clock P. M.

The number of ballots cast was eighteen hundred and sixty-seven (1867).

The register on the ballot box indicated eighteen hundred and sixty-seven (1867).

The check lists each showed eighteen hundred and sixty-seven (1867).

The result of the count was announced at 4.35 o'clock and was as follows.

SELECTMEN—One Year

Frank S. Binks.....	1,130
Charles E. Irwin.....	1,040

Article 8. To see if the Town will accept the following Cemetery funds, the same to be invested and the interest to perpetually care for their lots and surroundings in Glenwood Cemetery; Millie Brill, \$100; Hilda Hakkainen, \$100; Matti Runska, \$100; James A. Robertson, \$300; H. B. Haskell, \$50. *To do or act thereon.*

Article 9. To see if the Town will vote to appropriate the sum of \$324. (three hundred twenty-four dollars) for the purpose of providing suitable headquarters for Maynard Post, No. 1812, Veterans of Foreign Wars, in accordance with Chapter 40, Section 9, General Laws. *To do or act thereon.*

Article 10. To see if the Town will vote to appropriate the sum of \$1200. (twelve hundred dollars) for the salary of the Public Health Nurse, in accordance with Chapter 36 of the Acts of 1929. *To do or act thereon.*

Article 11. To see if the Town will vote to appropriate the sum of \$17,855.29 (seventeen thousand eight hundred fifty-five dollars and twenty-nine cents) for the purpose of paying the Towns proportion of the cost of the construction and equipment of the Middlesex County Tuberculosis Hospital, the assessment therefor, having already been made against the Town, determine whether all or any portion of said assessment be funded as authorized by Chapter 10 of the Acts of 1932 and for what period not exceeding 15 years, direct the Town Clerk to file with the County Commissioners promptly a copy of such vote as may be passed under this article, or to take any action in relation to the subject matter hereof. *To do or act thereon.*

Article 12. To see what salary or compensation the Town will vote to pay to the various elected Town Officials in accordance with Chapter 41, Section 108 of the General Laws. *To do or act thereon.*

Article 13. To see if the Town will vote to adopt a reserve fund of \$5000. (five thousand dollars) to provide for extraordinary or unforeseen expenditures, transfers to be made to departments only by vote of the Finance Committee, as provided for in Section 6, Chapter 40 of the General Laws, the same to be taken from the overlay reserve. *To do or act thereon.*

Article 14. To see if the Town will vote to authorize the Board of Assessors to apply the sum of \$10,000 (ten thousand dollars) to be taken from the Water Department surplus to reduce the amount to be raised by taxes in the year 1932. *To do or act thereon.*

Article 15. To see if the Town will vote to authorize the Board of Assessors to apply the sum of \$10,000. (ten thousand dollars) to be taken from the Sewer Department Surplus to meet the two Sewer notes of \$5,000. each, due in 1932 and thus reduce the net amount to be raised by taxes in the year 1932. *To do or act thereon.*

Article 16. To see if the Town will vote to authorize the Water Commissioners to purchase and install Pumping Equip-

ment for the Pumping Station, the cost of the same installed not to exceed \$17,000. *To do or act thereon.*

Article 17. To see if the Town will vote to raise an amount not to exceed \$17,000. for new Pumping Equipment for the Water Department in the following manner; take \$5,000. from the Water Department Surplus as the first payment, the remaining \$12,000 to be raised by the issue of notes or bonds of the Town. *To do or act thereon.*

Article 18. To see if the Town will approve the taking of \$6,000. (six thousand dollars) from the Overlay Reserve in 1931 for the use of the Public Welfare Department in an emergency. *To do or act thereon.*

Article 19. To see if the Town will vote to accept the provisions of Section 42A and the five following sections of Chapter 40 of the General Laws; which makes the bills of the Water Department a lien on real estate. *To do or act thereon.*

Article 20. To see if the Town will vote to authorize the Board of Health to have one of its members serve as Public Health Nurse. *To do or act thereon.*

Article 21. To see if the Town will vote to re-name the following school buildings according to the names suggested below by the School Committee, or some other appropriate names:

The George Washington Auditorium,

The Emerson Junior High School,

The Presidents Adams Senior High School,

The Coolidge School (Bancroft Street School),

The Woodrow Wilson School (Main Street School).

To do or act thereon.

PROCEEDINGS OF TOWN MEETING

Held March 14, 1932

On the above date, pursuant to Town Warrant, No. 321, a Town Meeting was held.

Moderator Alfred E. McCleary presided.

The Town Clerk read the warrant at 7.30 o'clock P. M.

Article 1. Cham Ayotte, member of the Finance Committee, reported for said committee, explaining certain items in the budget. Copies of the printed recommendations of the committee were distributed and one was filed with the Town Clerk.

Article 2. No vacancies to be filled.

Moderator McCleary announced that he would file his appointments to the Finance Committee with the Town Clerk at a later date.

On motion of Cham. Ayotte—Voted to take up Articles 11 and 12.

Article 11. On Motion of George H. Gutteridge voted that the sum of \$17,855.29 being the amount of assessment already made for the Town's proportion of the cost of the construction and

equipment of the Middlesex County Tuberculosis Hospital, be, and the same is hereby appropriated, and that of the said amount \$2855.29 be paid this year and the sum of \$15,000.00 be funded plus interest, as authorized by Chapter 10 of the Acts of 1932, said sum to be paid in equal instalments over a period of five years, in accordance with the provisions of said Chapter 10, and the Town Clerk be and he is hereby directed to file with the County Commissioners, promptly, a copy of this vote.

Article 4. On motion of Howard Herbert—Voted that all taxes shall be payable on or before October 15 in the year they are assessed.

On all taxes remaining unpaid after November 1 interest shall be charged at the rate of 6% per annum from October 15 to settlement.

All taxes in excess of \$200.00 remaining unpaid after January 1, 1933, bear interest at 8% on the excess of \$200.

Article 5. On motion of P. Joseph Schnair—Voted to appropriate \$300.00 for Memorial Day.

Article 6. On motion of Cham Ayotte—Voted to appropriate \$45.00 for the salary of a Fish and Game Warden.

Article 7. On motion of Cham Ayotte—Voted to appropriate the sum of \$324. (three hundred twenty-four dollars) for the purpose of providing suitable headquarters for Frank J. DeMars Post, No. 235, American Legion, in accordance with Chapter 40, Section 9, General Laws.

Article 8. On motion of George H. Gutteridge—Voted to accept the following Cemetery funds, the same to be invested and the interest to perpetually care for their lots and surroundings in Glenwood Cemetery; Millie Brill, \$100; Hilda Hakkainen, \$100; Matti Runska, \$100; James A. Robertson, \$300; H. B. Haskell, \$50.

Article 9. On motion of Cham Ayotte—Voted to appropriate the sum of \$324. (three hundred twenty-four dollars) for the purpose of providing suitable headquarters for Maynard Post, No. 1812, Veterans of Foreign Wars, in accordance with Chapter 40, Section 9, General Laws.

Article 10. On motion of Cham Ayotte—Voted to appropriate \$1,110.00 (eleven hundred and ten dollars) for the salary of the Public Health Nurse in accordance with Chapter 36 of the Acts of 1929.

Article 11. Previously voted.

Article 12. Previously voted.

Article 13. On motion of Cham Ayotte—Voted to adopt a reserve fund of \$5,000. (five thousand dollars) to provide for extraordinary or unforeseen expenditures, transfers to be made to departments only by vote of the Finance Committee, as provided for in Section 6, Chapter 40 of the General Laws, the same to be taken from the overlay reserve.

Article 14. On motion of Herbert W. Martin—Voted that the Town authorize the Board of Assessors to apply the sum of \$10,000 to be taken from the Water Department Surplus to reduce the amount to be raised by taxes in the year 1932.

Article 15. On motion of Herbert W. Martin—Voted that the Town authorize the Board of Assessors to apply the sum of \$10,000 to be taken from the Sewer Department Surplus to meet the two sewer notes of \$5,000 each due in 1932 and thus reduce the amount to be raised by taxes in the year 1932.

Article 16. On motion of William Naylor—Voted that the town authorize the Water Commissioners to install new Pumping Equipment at the pumping station, the total cost not to exceed \$17,000.00.

Article 17. On motion of William Naylor—Voted unanimously that \$17,000.00 for new Pumping Equipment for the Water Dept. be raised as follows; \$5,000.00 to be taken from the Water Dept. surplus, the remaining \$12,000. to be raised by the issue of notes or bonds of the town to be paid \$3000.00 each year for four years, and the Treasurer with the approval of a majority of the Selectmen is hereby authorized to issue said notes or bonds.

Article 18. On motion of Herbert W. Martin—Voted that the

Town approve the taking of \$6000 from the overlay reserve in 1931 for the use of the Public Welfare department in an emergency.

Article 19. On motion of William Naylor—Voted that the town accept the provisions of Section 42A and the five following sections of Chapter Forty of the General Laws, and that the Town Clerk be instructed to file with the registry of Deeds of Middlesex County, this vote.

Article 20. On motion of Lester F. Cowle—Voted that the Town authorize the Board of Health to have one of its members serve as Public Health Nurse.

Article 21. On motion of Edmund S. MacPherson—Voted that the Town rename the following school buildings.

The George Washington Auditorium.

The Emerson Junior High School.

The Maynard High School .

The Calvin Coolidge School (Bancroft Street School).

The Woodrow Wilson School (Main Street School).

Voted to adjourn. Time 9.25 P. M.

Attest:

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF PRESIDENTIAL PRIMARY Held April 26, 1932

A Primary election was held on the above date in accordance with the call issued by Town Warrant No. 322.

The preparation of the polling place was attended to by the Town Clerk as the law required.

Frank S. Binks, chairman of the Selectmen, acted as presiding officer, and declared the polls open following the reading of the warrant by the Town Clerk at 6 o'clock P. M.

The following named Ballot Clerks who also acted as tellers after the polls were closed at 8 o'clock P. M., were sworn by the Town Clerk.

John F. White
Walter Priest

Roy P. Sewall
Albert J. Whalen

The enrollment party check lists were delivered together with the ballots to the Ballot Clerks, who gave a receipt to the Town Clerk therefor.

The number of Democrat ballots cast was one hundred and thirty-two (132).

The number of Republican ballots cast was fifty-three (53).

The indicator on the ballot box read one hundred and eighty-five (185).

The number of Democrat and Republican names checked on the voting list was as follows:

Republican	53
Democrat	132

The result of the count was as follows:

TOWN WARRANT, No. 323
Town Meeting, May 9, 1932

Article 1. To hear and act on reports of Town Officers and Committees.

Article 2. To see if the Town will vote to appropriate the sum of \$3,500 (three thousand five hundred dollars) for the construction of sewers on Summer Street, Bent Avenue and Brown Street, the money to be taken from the Sewer Department Surplus. To do or act thereon.

Article 3. To see if the Town will vote to appropriate the sum of \$500 (five hundred dollars) for Sewer Maintenance, the money to be taken from the Sewer Department Surplus. To do or act thereon.

PROCEEDINGS OF TOWN MEETING

Held May 9, 1932

TOWN WARRANT No. 323

In accordance to a warrant issued for a meeting on the above date, said meeting was called to order at 7.35 o'clock by Moderator Alfred E. McCleary.

The warrant was read by the Town Clerk.

Article 1. Joshua Naylor, Chairman of the Finance Committee, made a verbal report on the recommendations of said Committee.

Article 2. Joshua Naylor moved and it was voted to consider the question of sewer extension on Summer Street first.

Voted on motion of George H. Creighton that \$1,500.00 be taken from the Sewer Department surplus to extend the common sewer from the junction of Concord and Summer Streets to the Webster property, including Bent Ave. as far as the rear line of the property of George H. Creighton.

Voted on motion of Joshua Naylor to next consider sewer on Brown Street.

A motion by Isaac Binks to extend the sewer for 370 feet on Brown Street was not carried.

On motion of Joshua Naylor it was Voted that consideration of sewer on Bent Ave. other than as previously voted be passed over.

Article 3. On motion of Joshua Naylor to pass over this Article, the motion was lost by a vote of 34 opposed to 16 in favor, the count being made by William Naylor and George H. Creighton who were appointed and sworn by the Moderator.

At 8.05 it was voted to adjourn.

Attest:

FRANK E. SANDERSON,
Town Clerk.

TOWN WARRANT No. 324
Town Meeting, July 27, 1932

Article 1. To hear and act on reports of Town Officers and Committees.

Article 2. To see if the Town will vote to appropriate a sum not to exceed \$400 (four hundred dollars) for the purchase of fire hose for the Fire Department. To do or act thereon.

Article 3. To see if the Town will vote to appropriate a sum not to exceed \$30,000 (thirty thousand dollars) for the Board of Public Welfare. To do or act thereon.

Article 4. To see if the Town will vote to appropriate a sum not to exceed \$1,000 (one thousand dollars) for Old Age Assistance. To do or act thereon.

Article 5. To see if the Town will vote to appropriate the sum of \$6,000 (six thousand dollars) for the Soldiers' Relief Department. To do or act thereon.

Article 6. To see if the Town will vote to transfer from the Sewer Department Surplus, the sum of \$350 (three hundred and fifty dollars) or to appropriate said sum, to be used by the Sewer Department for the maintenance and operation of the Sewerage System, to the end of the current year. To do or act thereon.

Article 7. To see if the Town will vote to construct a sewer in Brown Street, 434 feet northerly from Concord Street, and to

transfer from the Sewer Department Surplus the sum of \$1,600 (one thousand, six hundred dollars) or to appropriate said sum, for that purpose. To do or act thereon.

Article 8. To see if the Town will vote to accept a contribution of ten per cent deduction from the salaries of the personnel of the School Department from April 1, 1932 until December 31, 1932, the same to be appropriated for the use of the School Department this year, in order that the appropriation of \$98,000 for schools will not exceed. To do or act thereon.

PROCEEDINGS OF TOWN MEETING

Held July 27, 1932

A special town meeting was held on the above date in accordance with Town Warrant, No. 324.

Moderator Alfred E. McCleary called the meeting to order at 7.30 o'clock and the Town Clerk read the warrant.

Article 1. No reports were made.

Article 2. On motion of John Wollerscheid—Voted to appropriate (\$400.) four hundred dollars to purchase hose for the Fire Department.

Article 3. Voted—on motion of Joshua Naylor—to consider articles 3-4 and 5 at the same time.

Articles 3-4-5. On motion of Joshua Naylor—Voted to appropriate (\$15,000.) for the Welfare Department. (\$500.) for Old Age Assistance, and \$3,000. for Soldiers' Relief. The same to be expended under the joint direction of the Board of Public Welfare and a committee of five citizens to be appointed by the Moderator, except that in the case of the Soldiers' Relief appropriation of \$3,000. The Board of Selectmen shall act with the citizens committee of five instead of the Board of Public Welfare.

The committee appointed are as follows: Bartholomew J. Coughlin, George H. Merrick, Sidney E. McCleary, Henry Ledgard, Jr. (Resigned), Gavin Taylor, Frank J. McCarron.

Article 6. On motion of Edwin Carlton—Voted to appropriate \$350. The same to be transferred from Sewer Department surplus for the maintenance of the sewerage system to the end of the current year.

Article 7. On motion of Isaac Binks—Voted that the Town construct a sewer on Brown Street beginning at Concord Street and extending in a Northerly direction on Brown Street four hundred and thirty-four (434) feet, and that for this purpose the Town transfer from the Sewer Department Surplus to the Sewer Department the sum of Sixteen Hundred (1600) Dollars.

Article 8. On motion of Oswald C. Drechsler as amended—Voted that the town accept a contribution of ten per cent from the salaries of the personnel of the School Department from April 1st, 1932 to the closing date of the schools, viz. \$2,413.42 and that said amount be appropriated for the use of the School Department.

The meeting adjourned at 8.25 o'clock.

Attest:

FRANK E. SANDERSON,
Town Clerk.

PROCEEDINGS OF STATE PRIMARY

Sept. 20, 1932

Pursuant to the warrant calling the voters to vote in State Primary for the nomination of State, County and District Officers, said Primary was held on the above date in Co-operative Hall.

The polling place was prepared by the Town Clerk in accordance with the General Laws relating to State Primary.

The Chairman of the Board of Selectmen, Mr. Frank S. Binks acted as presiding officer and declared the polls open at two o'clock P. M. following the reading of the warrant by the Town Clerk.

Frank G. Archer, R. Frank Punch and Harold A. Lyons were sworn as Ballot Clerks and were in charge of the ballots and check list at the gate. They gave a receipt for the ballots delivered by the Town Clerk.

Walter Priest and Joseph A. White were sworn by the Town Clerk as ballot clerks and were in charge of the list at the ballot box. The ballot box was in charge of Selectman Binks, who held the keys to the same after the examination of the box and the setting of the register at 0000.

The polls were closed at 8 o'clock. The doors closed with Special Officer John H. Maley in charge. All persons within the polling place were allowed to vote.

The register on the ballot box indicated 1,142. The ballots were removed and counted. It was found that 576 Democrat ballots and 566 Republican ballots had been cast.

The check lists each showed 1,142 names checked. 576 Democrat and 566 Republican.

The following were appointed by the Selectmen to act as tellers and were sworn by the Town Clerk.

Ralph D. Jones	John B. Shaw
Thomas F. Maley	Chester Irwin
Charles L. Gray	Charles H. Lemoine

Counting continued from 8.30 P. M. until 6.15 A. M. Wednesday, Sept. 21st, and the result was as follows.

PROCEEDINGS OF STATE ELECTION

Held November 8, 1932

Pursuant to Town Warrant No. 326 the voters of Maynard cast their ballots on the above date for electors for President and Vice-President and for State, District and County Officers; also on questions submitted to the voters.

The polling place was prepared by the Town Clerk according to the requirements of law prior to the time named in the warrant for the opening of the polls.

Ballots and check lists were delivered to the Ballot Clerks by the Town Clerk.

The following were appointed by the Selectmen and were sworn by the Town Clerk.

Ballot Clerks

Cornelius J. Callahan	Joseph A. White
Frank G. Archer	Vincent Maley
Benjamin C. Brown	Frank G. Moran
Harold A. Lyons	George V. Binns
Harland V. Larkin	Arthur F. White

On motion of Cornelius J. Callahan, duly seconded, it was voted to waive the reading of the warrant, and Frank S. Binks, Chairman of the Board of Selectmen, as Presiding Officer declared the polls open at 6.03 o'clock A. M.

Constable Nicholas J. Driscoll, was in charge of the ballot box, and held the keys to the same, after examination by the Presiding Officer and Town Clerk.

The following Tellers appointed by the Selectmen were sworn by the Town Clerk.

R. Frank Punch	Frank Hayward
Alice L. Joyce	Lillian T. Holmes
Inez E. McDonald	Mary McNamara
Thomas J. Lawler	John B. Shaw
Walter Priest	Chester Irwin
Herbert C. Lemoine	Charles L. Gray
Emma Greenhalgh	Eva M. Frye

In accordance with the provision of the election laws allowing the counting of ballots, in towns, while voting is in progress,

counting began at 12.30 P. M.

The polls closed at 8 o'clock P. M. following which 29 absentee voters ballots were cast by the election officials.

Two absentee ballots were rejected as defective.

The total number of ballots was 2,500.

The number of names on the voting list was 2,660.

The register on the ballot box indicated 2,501, one more than the actual number cast.

The check lists each had 2,500 names checked.

The result of the count was announced at 12.30 A. M. Wednesday, Nov. 9, 1932, as follows:

Attest:

FRANK E. SANDERSON,
Town Clerk.

TOWN WARRANT No. 327
Town Meeting, Dec. 12, 1932

Article 1. To hear and act on reports of Town Officers and Committees.

Article 2. To see if the Town will accept from the estate of Emma Bent Andrews \$100 (one hundred dollars) the same to be invested and the income therefrom to be used for the perpetual care of the Jonathan P. Bent lot and its surroundings in Glenwood Cemetery. *To do or act thereon.*

Article 3. To see if the Town will vote to take the sum of \$200 (two hundred dollars) from Cemetery Lot Fund for the purpose of surveying and determining grades in the new section of Glenwood Cemetery. *To do or act thereon.*

Article 4. To see if the town will vote to transfer the sum of \$800 (eight hundred dollars) from the "Lot Fund" to be used for the purpose of filling and grading new lots in Glenwood Cemetery. *To do or act thereon.*

Article 5. To see if the Town will appropriate the sum of \$10,000 (ten thousand dollars) for the use of the Public Welfare Department. *To do or act thereon.*

Article 6. To see if the Town will appropriate \$600 (six hundred dollars) for Old Age Assistance. *To do or act thereon.*

Article 7. To see if the Town will vote to accept a contribution of ten per cent deduction from the salaries of the personnel of the School Department from August 1, 1932 until December 31,

Article 9. On motion of James J. Ledgard—Voted that the consolidation of Town Offices be acted upon by the Selectmen immediately.

Article 10. On motion of James J. Ledgard—Voted that the Selectmen be a committee to fix the number of Fire Engineers and call members of the Fire Department and the salaries to be paid the same.

Article 11. On motion of Howard A. Wilson—Voted that the Town Officers be a committee to consider the wages to be paid town employees and the salaries to be paid to Town Officers, that said committee meet within ten days and report to the Town at the time the Annual Town Reports are distributed.

Article 12. On motion of James J. Ledgard—Voted that the Board of Public Welfare and the committee of five appointed to act with said Public Welfare Board be appointed a committee to investigate welfare distribution and particularly the question of a welfare agent who shall devote his whole attention to welfare distribution.

At 9.45 o'clock the meeting adjourned.

Attest:

FRANK E. SANDERSON,
Town Clerk.

Important Request

Please notify the Town Clerk immediately of any error or omission in the following List of Births.

Errors not reported at once can be corrected only by sworn affidavit, as prescribed by the General Laws, and may cause you inconvenience which can be avoided by prompt attention.

TOWN ACCOUNTANT'S REPORT

Maynard, Mass., Dec. 31, 1932.

To the Board of Selectmen:

Gentlemen—I submit herewith the annual report of the Town Accountant for the year ending Dec. 31, 1932.

During the year I have audited the books of the Tax Collector and Water Registrar and sent notices to all delinquents, checked the Treasurer's Cash on hand, and verified the bonds in the Treasurer's care.

I wish to call the attention of the heads of the various departments to their expenditures from Jan. 1st, to the date of the appropriation meeting in March. The law allows any department to expend a sum not exceeding one-twelfth of the amount appropriated the previous year, for the necessary expenses of maintaining the department, but no bills are to be contracted or expenditures made which are not absolutely necessary to the proper maintenance of the department until the Town has made an appropriation for that department.

When the town has voted the appropriations for the maintenance of the various departments for the year, it is the duty of the heads of each department to budget the expenditures of the department so as to give the best service possible during the full year without exceeding the amount appropriated. Contracting bills or obligations in excess of the amount appropriated is illegal.

The Excess and Deficiency account, which should equal the total amount of uncollected taxes is \$42,547.65 short of the amount necessary to offset outstanding taxes.

The Treasurer has on hand \$19,248.00, while the total amount of the various cash accounts equals \$42,317.77. This means that

namely the inability to pay the town employees their salaries and wages.

The remedy for the present situation is entirely in the hands of the voters. If the voters see fit to reduce the appropriation of any of the departments, the heads of those departments must conform to the amount appropriated, by reducing their expenditures.

Respectfully yours,

C. A. STOCKBRIDGE,
Town Accountant.

Real and Personal Property	\$	237.60
Poll and Old Age Assistance		48.00
		285.60
Total commitments for 1932	\$	254,200.76

TABLE OF AGGREGATES

Number of Polls	2,332
Number of Persons assessed on property	1,262
Number of persons assessed a motor excise	1,582
Number of December assessments	21
Number of horses assessed	23
Number of cattle assessed	126
Number of swine assessed	520
Number of fowl assessed	1,170
Number of dwelling houses assessed	1,415
Number of acres of land assessed	2,941
Valuation of personal estate	\$ 1,311,300.
Valuation of Real Estate	5,026,200.
Valuation of automobiles	382,080.

The Assessors appreciate the severe strain under which the property owner is working in order not to lose his holdings and urge all of them to attend the meetings called for appropriation purposes.

Where an increase in the tax rate as sizeable as the one which occurred this year takes place, the taxpayer must realize that the Assessors, as servants of the public, are only raising sufficient funds to meet the expenditures which are sanctioned by the voters at the town meetings.

State and County have not been reduced while special county enterprises, such as the Middlesex Sanatorium and the County Jail at Billerica, are adding a heavy burden upon us which, for the erection, we must pay for a few years, and for the maintenance, we will always have to pay.

The net returns on the Income and Corporation Taxes have

decreased one-third since 1930 and will be again lower in 1933. The Income from Motor Vehicles has dropped from \$13,300. in 1930 to \$9,044. in 1932 and this will also be less in 1933. Other sources of revenue have decreased in a like proportion and the action of the taxpayer must be governed by these factors when considering appropriations.

What the taxpayers appropriate at the town meetings is official notice to the Assessors of the amount the taxpayers must pay by taxation on their property, and these appropriations are the determining factors in the figuring of a tax rate.

Respectfully submitted,

FRANK C. SHERIDAN,
GEORGE STOCKWELL,
HERBERT W. MARTIN.

CEMETERY DEPARTMENT

To the Board of Selectmen:

Gentlemen—The report of the Cemetery Commissioners is herewith submitted.

During the later part of the year much has been done in the way of development in the new South West section of the Cemetery.

An extensive job of grading and filling has been accomplished which will eventually, greatly beautify the corner bordering Great Road and Parker St., which in the past has been an eyesore and source of annoyance.

Three new avenues have been constructed and this section of land will be available for approximately seventy-five new burial lots.

Earlier in the season ten new lots and seven half lots were filled and graded, the latter being already sold.

Our financial statement will be found in the Town Accountant's report.

Respectfully submitted,

A. O. DUNHAM,
C. CLIFFORD CHENEY,
ROBERT E. HARTIN.

LIBRARY DEPARTMENT

To the Trustees of the Maynard Public Library and Citizens:

I herewith submit my report of the Maynard Public Library for the year 1932.

I am glad to report a splendid increase in the circulation. It is now larger than any year in the history of the Library.

More people are using the reading room and taking advantage of our excellent reference shelves, to which we have added the World Book during the past year. This purchase and the Americana, bought two years ago, should take care of our reference department for some time.

The constant use of some books necessitates a great deal of mending, which we do at the Library, and this part of the work has become a real saving. Eventually these books will have to be bound, but by timely repair they are kept in circulation for a longer period.

Co-operation by patrons in returning books when due would be an added saving, by eliminating time and expense in mailing overdue cards.

The Division of Public Libraries has been most helpful by lending desired books, including those in the Finnish and Polish Languages.

The Somerville Public Library, The Boston Public Library, The Concord Free Public Library and The Hudson Public Library have kindly honored our requests for books.

We are indebted, for gifts of books, to Mr. William Gutteridge, The Knights of Kaleva, Mr. Edwin Emerson and the Commonwealth of Massachusetts.

I wish to express my appreciation to the Library staff and the Trustees for their kindly co-operation and interest.

Respectfully submitted,

MARY E. MOYNIHAN.

Tax Collector.

REPORT OF FISH AND GAME WARDEN

Board of Selectmen:

I hereby submit my report as Fish and Game Warden for the Town of Maynard for the year 1932.

I responded to all complaints entered against violators of the Fish and Game Laws.

I assisted the district warden in liberating pheasants, quail and fish. There were by far, more birds liberated this year than ever before. It was reported that fewer birds were shot this season due to high water. This would indicate that the coming season, the gunning, should be exceptionally good.

Respectfully submitted,

PAUL A. SIMS,

Fish and Game Warden.

REPORT OF PUBLIC WELFARE BOARD and BUREAU OF OLD AGE ASSISTANCE

To the Citizens of Maynard:

General distress from un-employment has been with us throughout the entire year; societies and organizations that functioned so well in previous years have been badly handicapped through lack of funds. This has caused a heavy drain on our funds and there is no denying the fact that it is serious and will be for years to come. Regardless of how conditions are locally we will have our problem for at least another five years. We make this statement assuming that were conditions to improve generally, many of our residents would have to seek work in other places and they would belong to us for five years if their settlement was here when they left.

Considerable work has been done by those that received help. The Street Department had several men every working day of the year and have done a lot of work on our streets and side-walks that will last for years to come. The Brown-tail, Tree and Park Departments used men from early Spring until Fall. Most of this work had to be done and has been willingly with a few exceptions, without the usual cost of labor.

During the year we handled 239 cases, this includes 21 State and 12 cases with settlement elsewhere for which we receive full re-imbusement. We have 8 Mothers' Aid cases that we receive one third re-imbusement. We have 3 cases in Tewksbury, 4 in Marlboro and 2 in Newton that we are paying board for. We are paying for 21 cases with settlement here that are being aided in other cities and towns. These out of town cases will give you some idea of what to expect for the next few years.

We have 26 individuals receiving Old Age Assistance for which we received full re-imbusement up to July 1st, since then we will only receive one-third.

We have had to bear some criticism that we consider unjust due to the fact that most people insist on calling this a pension. The law distinctly says it is Old Age Assistance. We quote the following extract from the report of Mr. Francis Bardwell, Supt's. annual report.

"The fact that this law had early been branded as 'Old Age Pension' had to be met, and the difference between a pension and 'assistance' explained. While a pension is based on an individual's legal right, this law is based upon a person's need. In consequence it has been the Bureau's endeavor to analyze every case and to budget according to the client's needs. The fairness of such an endeavor must be obvious. The same laws with regard to settlement, liability of kin, etc. govern the administration of this law as are found in all welfare laws."

We wish to thank all who in any way helped to relieve distress which has been so prevalent during the year. Particular mention is due the Red Cross; they put out considerable flour and a lot of

cloth and clothing all new, that was badly needed. The citizen's Committee, though handicapped for money has done very creditable work and deserves the thanks of the entire community. The White Cross Guild carried on well as in previous years and the Elks did considerable work at Christmas time which was greatly appreciated.

Our financial statement may be found in the Accountant's report.

Respectfully submitted,

WILLIAM J. SMITH,
WILLIAM P. SCULLY,
THOMAS WRIGHT.

REPORT OF FIRE ENGINEERS

To the Board of Selectmen:

Gentlemen—The report of the Fire Department for the year ending December 31, 1932 is herewith submitted.

In the past year eighty-one alarms were answered by the department. Twenty-seven were bell alarms and fifty-four were for chimney fires, brush fires, etc.

Respectfully submitted,

FRANK E. PARKS,
WALTER PRIEST,
WILLIAM NAYLOR,
Fire Engineers.

- Three blasts at 6.30 P. M. for Evening School.

Instructions for Giving Fire Alarms

Alarms should be given from the box nearest the fire. On each box there is a small box with a glass door that holds a key. Break the glass, take the key, unlock the box, pull the hook clear down once and let go. After giving an alarm remain at the box and direct the firemen to the fire.

Never open a box except in case of fire.

Do not sound an alarm for a chimney fire or brush fire, or fire seen in the distance. Telephone the Fire Station or the Fire Engineers.

REPORT OF THE MAYNARD SCHOOL COMMITTEE

To the Citizens of Maynard:

The report of the School Committee and the annual report of the Superintendent of Schools are hereby submitted to you as one report.

The curtailment of expenditures is the first important problem that requires the attention of the Superintendent and members of the School Committee. Employees of the School Department are called upon to accept gracefully, smaller compensation for their services. Other costs will be reduced wherever possible. This is done in the hope that the people of Maynard may emerge after several years of depleted incomes with self respect and courage to face the future. Yet, the School Committee would not deprive any Maynard boy or girl of necessary fundamental education.

The most important parts of the reports of supervisory officers are included in this report together with the tabulation of school statistics.

ORGANIZATION

The principal of the high school is acting as superintendent of schools. He is ably assisted by the principal of the junior high school who acts as supervisor of grade work. Each grade school building has for a principal a successful teacher who has had several years of experience.

BUILDINGS

As a result of the town meeting held in March 1932, the names of the school buildings are as follows:

The George Washington Auditorium
 The Emerson Junior High School
 The Maynard High School
 The Calvin Coolidge School (Bancroft St.)
 The Woodrow Wilson School (Main St.)
 The Roosevelt School (Nason St.)

School	Principal	No. of Class Rooms	Rooms Occupied
High	James P. King	*13	13

		1—Gr. 2 & 1)	

*Plus one drawing room, one physics laboratory, one chemical laboratory and one library.

†Plus one domestic science room, and one manual arts room.

REPAIRS 1932

Calvin Coolidge School

Brick work of one furnace repaired.
Drips about the sides of building patched.
Some re-pointing at front of building.
One room re-curtained.
Two squares of front walk repaired.
Furniture in one room re-finished.

Roosevelt School

Two rooms re-curtained.
Bubblers in basement repaired.

Junior High School

All closets and dadoes in girls' basement painted.
All desks in building varnished and all seats shellacked.
Gymnasium floor treated with Swan Treatment.
Boiler room ceiling patched.
Boiler room ceiling calsomined.
Boiler room walls white-washed.
Window sashes and wood trimmings painted.
New gong on outside of building.
Roof leak repaired.

Senior High School

Walls in physical laboratory patched and re-tinted.
Return steam pipe near floor in same room boxed in.
New stair treads.
Walls and ceilings of upstairs rooms painted.
Three rooms re-curtained.
Window sashes and wood trimmings also all metal flashings painted.
Feed line for High School boilers repaired.
Roof leak repaired.
Ventilating flue of the chemical laboratory repaired.

Woodrow Wilson School

Window-sills on inside re-finished.

Upper walls in basements white-washed and dadoes painted.

Steam radiators in corridors re-painted.

Outside trimmings painted.

New gong on outside of building.

Roof leak repaired.

All of these repairs were made at a time when costs were low so that the town received a large return for a comparatively small expenditure.

HEALTH SUPERVISION

The full reports of Dr. R. E. Hooper, School Physician, and that of Edith B. Foster, School Nurse, are on file in the office of the Superintendent of Schools.

This is the third yearly report of the Dental Clinics which have been held two mornings a week by Dr. S. R. Garland, Dr. F. A. May, Dr. R. C. Palmer and Dr. John Bellows. The co-operation of the children and the parents is more encouraging than ever. The children are considering their teeth more seriously. In examining the mouths, we have found less carious teeth this year than last year. During the year 1933 we expect as good results, if not better, than 1932.

REPORT OF DENTAL CLINICS

Number pupils treated at clinics.....	551
Number of fillings.....	235
Number of extractions.....	335

Lungs.....	0
Thyroid.....	2
Skin.....	16
Spine.....	2
Appendicitis.....	1

Respectfully submitted,

EDITH B. FOSTER, School Nurse.

TEACHERS

We lost through resignation two teachers in the Junior High School. Mr. Edward Leahy is filling the vacancy made by the resignation of Mr. Martin F. White and Miss Helen Paul is filling that of Miss Doris Flint, teacher of domestic science. The training and experience of these two new teachers will be found in the tabulation of teachers.

SCHOOL COSTS

A table is submitted to show that the school committee is trying to keep pace with the declining income of the taxpayer.

Year	Expenditure
1929.....	\$112,917.41
1930.....	114,772.10
1931.....	109,899.81
1932.....	102,640.40 (5,884.26 returned)
1933.....	91,160.10 (Budget Submitted)

Educators agree that the teacher load should be increased and that school costs other than salaries be reduced in effecting economies. The immediate cause of the depression is the lack of buying power of the people. We hope that Maynard will be able to maintain a scale of wages that will allow the personnel of the School Department to live at a respectable level.

SUPERVISION OF GRADE SCHOOLS

The supervision of the grade work has been assigned to Miss Doyle. Time did not permit the holding of meetings to organize courses of study which are very necessary if our schools are going to do standard work. Copies were made of a course of study used in schools of a city which has a very high educational rating.

All grades above the third have been tested twice in English, Arithmetic and Spelling. These tests are based on the work reports of the teachers. The results are analyzed in order that a teacher may know her class weakness as well as have the satisfaction in knowing how her class compares with other classes in the same grade. These records and papers are kept on file for the reference of teachers and principals. This gives the Superintendent an opportunity to have an active record of each pupil's ability in regard to class and grade.

Conferences have been held with all teachers at various intervals during the year.

EVENING SCHOOL

Classes for Adult Aliens

Summary for School Year—November 1931—March 1932

Total Enrollment, 52; Membership at Close of Year, 27; Number of Certificates Issued, 32; Number of Sessions, 56.

At a meeting of the School Committee on March 1st, it was voted to close all evening schools March 18th, provided the minimum number of sessions required by law had been held at that time.

The School Committee did not make any plans for continuing these classes this present school year in order to keep the expenditures as low as possible.

MAYNARD HIGH SCHOOL

The high school building, inside and out, presents a much improved appearance due to recent repairs and improvements. This building is being used to the limit of its capacity as the larger part of the school population is in the upper six grades.

The enrollment increased in September and this additional load is being carried by the same number of teachers as in the previous year.

This year a student council was organized to assist in the control of school activities. The idea of the home room becoming a unit in the organization of the school is being developed. Each room has representation on the student council. It will take time to give the pupils the ideas incorporated in this plan and to obtain effective operation. Considerable responsibility for success rests with the home room teacher.

The school publication was limited to two issues in 1932. Careful management has kept a small balance in the treasury.

The athletic association went further in arrears and certainly must make cuts in its schedules with the exception of football.

In spite of the lack of opportunity for employment many of the recent graduates have found a chance to go into secretarial or clerical work. Some have gone into training at hospitals to become nurses. A number were able to continue their education in higher institutions of learning. The list of schools and the number entering is given below.

Bowdoin (1)	Bryant & Stratton 1()
Boston University (4)	Harvard University (2)
Mass. State College(4)	Teachers College (1)
Springfield Y. M. C. A. (1)	

In addition to these, one graduate is attending Art School, and another the Faelton School of Music.

ENROLLMENT

Number of pupils in the Class of 1933 to show the loss in enrollment from year to year.

	1929	1930	1931	1932
Enrollment Oct. 1	130	115	105	87

The figures in bold faced type show the number of pupils of normal age for the grade; those at right of bold face type show the number above normal age or "over age," those at left show the number below normal age or "under age." With a well adapted course of study and not too arbitrary system of marking, a school system in general should show about the same percentage of "over age" and "under age" pupils.

REPORT OF MIDDLESEX COUNTY EXTENSION SERVICE FOR 1932

Following is a report of the work of the Middlesex County Extension Service as it was developed during the year in Maynard.

In agriculture the chief interest this year has been with the dairymen. Cooperating with the local board of health, many farm visits were made and assistance given in the production and marketing of quality milk. Farm visits were also made to market gardeners requesting them.

There are two groups of women in Maynard carrying the homemaker's day project. Forty-six women attended these meetings; 519 new practices were adopted as a result, and these women passed information along to 539 others.

A food preservation meeting was held in Maynard by Prof. Rice. The homemakers all expressed their gratitude for the valuable help they received on canning. Many women who have canned for years were surprised and delighted with the time-saving steps which they learned at the meeting.

A discussion of food in relation to health was carried on under the auspices of the church society. Forty-five people attended this meeting.

In 4-H Club work clothing and handicraft were the most popular projects. Ninety-five boys and girls were enrolled in the clothing, handicraft, food, and rabbit clubs. Leaders were Miss Dorothy Mattson, Miss Helen Westwood, Zennia Chutoranski, Mrs. Tucker, Walter Tierney, and Miss Doris Flint.

Exhibits of all these clubs were held in connection with school exhibits.

Mary Chutoranski was a prize winner in the poster contest at the County Rally in Concord.

Zennia Chutoranski was third in two sections of the County dress contest—informal party dress and semi-tailored silk dress. She was one of a team of four chosen to represent Middlesex in the Singer contest at Brockton Fair. She represented the County in one division of the State health contest at Worcester, and was chosen State clothing delegate to Camp Gilbert.

Helen Sinewski took part in the County dress contest.

The town committee organized this year for the first time, with Miss Nellie May as chairman, and Mrs. R. E. Hartin, Mrs. Robert Marsden, Mrs. Sheridan, Mrs. George Creighton, Irving Wooldrige, and Mrs. Edward Fearnas as members.

WELFARE WORK

May I acknowledge in behalf of the young people of Maynard the many gifts of food, clothing and money that have been contributed for their welfare.

At this time I wish to mention the local Citizens' Committee, The Red Cross, White Cross Guild, United Co-operative Society, the American Legion Auxiliary, American Legion, Chocolate Sales Corporation of Cambridge, Knights of Columbus, Elks, School Teachers, Hans Erickson, and also to individuals who contributed to the hot lunch fund at the Junior High School.

CONCLUSION

In closing may I express my appreciation of the work of the members of the personnel of the School Department who strive to keep the standards of our schools at a high level.

Respectfully submitted,

JAMES P. KING,

Jan. 27, 1933.

Superintendent of Schools.

MEETING OF THE SCHOOL COMMITTEE

January 27, 1933

The Annual Report of the Superintendent for the year 1932 was read, approved and ordered to be published as the report of the School Committee.

EDMUND S. MacPHERSON, *Chairman.*

O. C. DRECHSLER,

JAMES J. LEDGARD.
