

# Maynard Health Board Issues Annual Report

Maynard — Lester Cowles, chairman of the Board of Health, holds the distinction of being one of the first to have an annual report ready in ample time for publication, for the town reports which are now in the hands of the printers Murphy & Snyder. The report discloses that the board of health department had one of their busiest years.

**Report of the Board of Health**  
The Board of Health continued its earnest effort to continue its drive to keep this town free of disease. The many successful cases, influenza, dog, school dental, vaccination, tuberculosis, and also the milk inspectors, the splendid cooperation of the townspeople with the Maynard Tuberculosis Christmas Seal Committee conducted a successful x-ray unit on the light of tuberculosis against man.

These times are especially trying and hard on the budget. There have been several changes in regards to the hospitalization of communicable diseases and also the pre-mature baby law, which compels the local Board of Health to be responsible for the hospitalization and care of an infant under 4½ pounds, unless the parents are financially able to do so. It should be remembered that a life is worth saving, at any cost.

In its worthy clinics conducted by the board for the welfare of the townspeople are the following:

**Diphtheria Clinics**  
For the 20th consecutive year this town has, because of these important clinics, been free of this dreaded disease. Dr. R. E. Hooper, assisted by Miss Mary

Ward, R.N., Miss Edith Foster, R.N., and Miss Martha Champagne, R.N. Every parent should realize and see that their infant child on reaching the age of six months should receive this protective measure if not at these clinics, by their family physician.

**Vaccination Clinics**  
A total of forty-four children were inoculated against small pox at this clinic in charge of Dr. S. M. Cremer, assisted by Misses Mary Ward, Edith Foster and Mrs. Champagne. At the age of six months the child should be inoculated.

**School Dental Clinics**  
One of the most important factors in the near and distant development of a child is good teeth, and these school dental clinics, are and have been proved to be a vital factor in the future citizens. Drs. F. A. May and S. M. Garland were in charge of the clinics.

**Tuberculosis**  
In this important fight against a dreaded disease, the x-ray mobile through the cooperation of all townspeople was a great success. The Tuberculosis Seal committee, Woman's club and several individuals who worked tirelessly are to be commended. A total of 2,391 persons were x-rayed and the board wishes to thank all who gave their time. The board also hospitalizes people who have been reported requiring hospitalization. We still take persons to be x-rayed at the Middlesex County Sanatorium as requested by a physician.

**Milk Inspections**  
The duty of the Department of

Shown above Tuesday night at the housewarming of the Maynard office, Middlesex County National Bank, are from left: Howard Crawford, assistant cashier, Everett office; Medville Clark of Maynard, president of the local office; Theodore Peaslee, manager of the Stevens Square office, Medford; Kenneth Ames, assistant manager of the Medford office. Maynard En reprise Staff Photo

Milk Inspection is to visit the various dairies that distribute milk and dairy products in Maynard with samples taken each month. A careful analysis is made of the samples and a report is kept on file at the Town hall where a copy is sent to all dairies. This department is pleased to report that the conditions in the various dairies in Maynard and those who send their trucks here, are excellent. Several of the dairies have made improvements in both machinery and buildings during the past year at which no violations of milk laws were reported during 1951.

**Dog Clinic**  
A total of 346 dogs received their inoculation and were protected against rabies at the 20th annual clinic conducted by the board of health in charge of Dr. Stedman of Clinton, assisted by Josiah Herrick, local inspector of animals and also dog officer. It should be remembered that dogs should be inoculated annually, and that in this country nine persons died and there were a total of 7901 cases of rabies in 1951.

The town as a whole was fortunate that with the exception of tuberculosis communicable diseases were at a very low rate.

**Communicable Diseases**  
Dog Bite ..... 9  
Chicken Pox ..... 37  
Mumps ..... 11

**Scarlet Fever** ..... 3  
**Tuberculosis** ..... 5  
**Whooping Cough** ..... 16

The board wishes to thank all the townspeople, its faithful employees, and the various town departments for their splendid cooperation during the past year.

Yours truly,  
Lester F. Cowle  
Howard J. Clark  
John Johnston  
Board of Health

**Annual Report of Nurses for the Year Ending December 31, 1951**  
Number of patients visited . . . 640  
Association paid visits . . . 2,446  
Free Nursing Visits . . . 1,452

There were three home deliveries attended by the nurses. All other activities of the Board of Health Nursing service are recorded in the annual report.

Signed,  
Mary A. Ward, R.N.  
**HENS AIDS SCHOOLING**

Barkhamsted, Conn. (U.P.)—A second grade teacher here permits the pupils to keep a pet hen in a classroom cage. She finds the pet a valuable device in teaching art, story-writing, arithmetic and other subjects.

Milwaukee (UP)—One income tax consultant here is advertising "Television entertainment while you wait."

## W. ACTON GIRL W CONCORD MAN EXCHANGE VOWS

Miss Marguerite Goldthwaite Is Bride Of Pvt. Richard W. Shaw

Acton—A beautiful home wedding was solemnized last Friday evening at 7:30 when Miss Marguerite Ann Goldthwaite, daughter of Mr. and Mrs. Philip Goldthwaite of West Acton became the bride of Private Richard W. Shaw, U.S.A., son of Mr. and Mrs. John H. Shaw of Grove street, West Concord. The double ring candlelight service was performed by Rev. Robert K. Jones, Jr., pastor of the Maynard Methodist church.

The bride, given in marriage by her father, was gowned in nousseline de soie with a train and she wore a finger-tip veil and carried a colonial bouquet of white carnations.

Miss Diana Rossetti of Revere, a college classmate of the bride was the maid of honor and wore a dusty rose satin gown with matching coronet on her hair and carried a bouquet of pink carnations.

Lawrence Shaw of West Concord was best man for his brother. The wedding march was played on the piano by Mrs. Robert Anderson of West Acton, sister of the bride and a solo, "Oh Perfect Love" was sung by Mrs. Elton Hagan of Maynard. Miss Ruth Gunnar, another classmate of the bride, registered the guests.

Assisting the bridal couple in receiving their guests the bride's mother wore a red frock and a corsage of gardenias. Mrs. Shaw, the mother of the bridegroom, wore an aqua crepe and her corsage was also of gardenias. Going away the bride wore a beige suit with purple accessories and an orchid corsage.

Mrs. Shaw was graduated from Acton high school and is a sophomore at the Boston University School of Music. Her husband attended the schools of Arlington and Lexington and saw duty in the U. S. Army in World War II. He will leave soon for overseas duty.

## TRIPLET SONS ARE BORN TO LOCAL COUPLE

West Concord—Triplet boys, the first born to local parents in nearly 27 years, arrived at the Emerson hospital on Sunday to Mr. and Mrs. Joseph P. Mazzeo, now residents of 347 Main street. Mrs. Mazzeo is the former Geraldine Larsen of Maynard.

The babies, listed as A, weighed 4.4½ lbs. weighed 5.3½ and C, weighed 5.1½ for a total of 14.9. All three were very healthy but were first placed in the isolette as a matter of precaution. The Mazzeos have two older boys, Paul and John and now have five in all.

The couple have been besieged with congratulations and gifts from many folks since their happy arrival. Mr. Mazzeo, a Navy veteran of World War II, is now employed by a contractor in Lexington.

The triplets are the first born to local parents since the Glass girls, born on April 5, 1950. The boys have been named: Richard, Raymond and Ronald. Grandparents are Mr. and Mrs. William Larsen of 26 Roosevelt street, Maynard and Mrs. Joseph Mazzeo of 66 Commonwealth avenue, West Concord.
