SCHOOL

1975 SCREECH OWL
MAYNARD, MASSACHUSETTS

A black and white photograph of a dense forest. A path or clearing leads from the bottom center towards the middle of the frame, disappearing into the thick woods. The trees are tall and their leaves are dense, creating a canopy that filters the light. The overall tone is somber and contemplative.

"If man does not keep pace with his companions,
perhaps it is because he hears the beat of a different drummer.
Let him step to the music which he hears,
however measured or far away."

— Henry David Thoreau

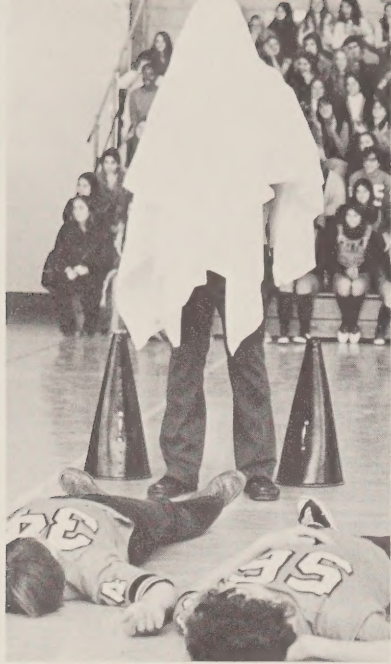

Do you remember days
Not so very long ago
When the world was
run by
People twice our
size?

And even if the
sniffles
Kept you home from
school in bed
You couldn't hardly
stay there
After nine.

John Denver

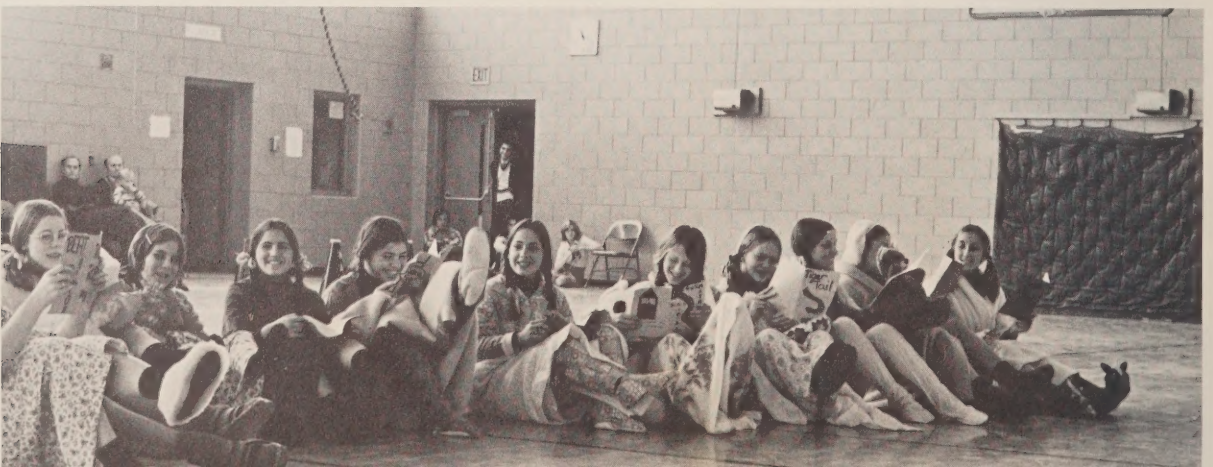

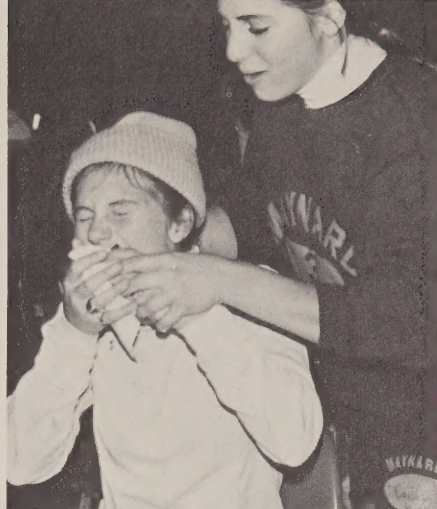

I remember a time, rompin' through the woods
 Sun against our skin instead of clothes.
 When we felt hungry we would eat,
 When we felt glad we'd dance.
 And whenever we felt drowsy we would doze.
 It was so easy then never takin' any stands.
 It was so easy then, holding hands.
 I remember a time when our fears could be named.
 And courage meant not refusing dares.
 I remember when we took such care
 To step never on the cracks, no, only in the squares
 Or else we'd be abducted by the bears.
 It was so easy then, never makin' any plans.
 It was so easy then, holding hands.

And now we are grown,
 With debts and regrets
 And broken hearts and sentimental schemes.
 Love can drive a normal woman to extremes.
 It was so easy once,
 holdin' hands without a plan,
 It was so easy then,
 holdin' hands,
 just holdin' hands.

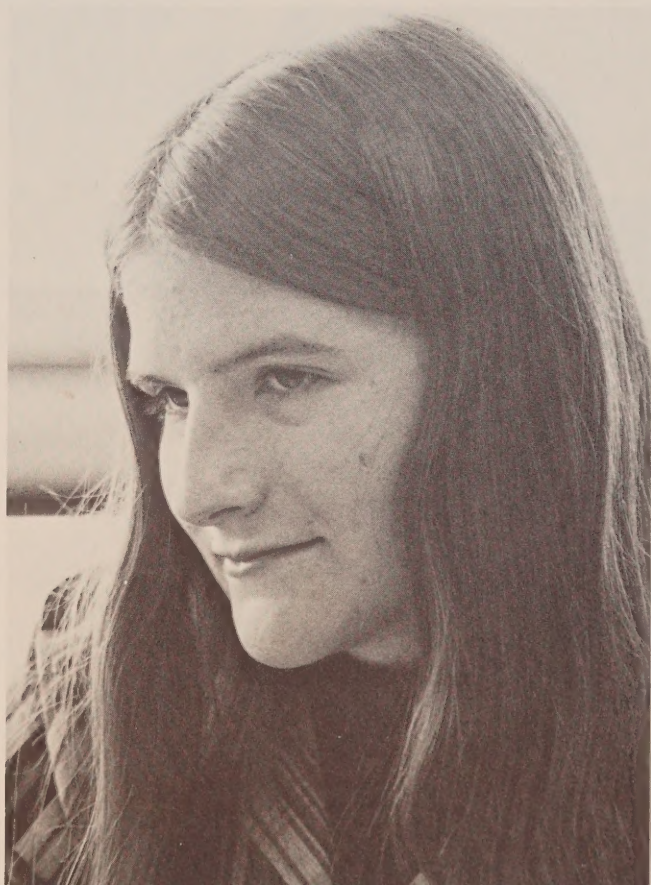

Carly Simon

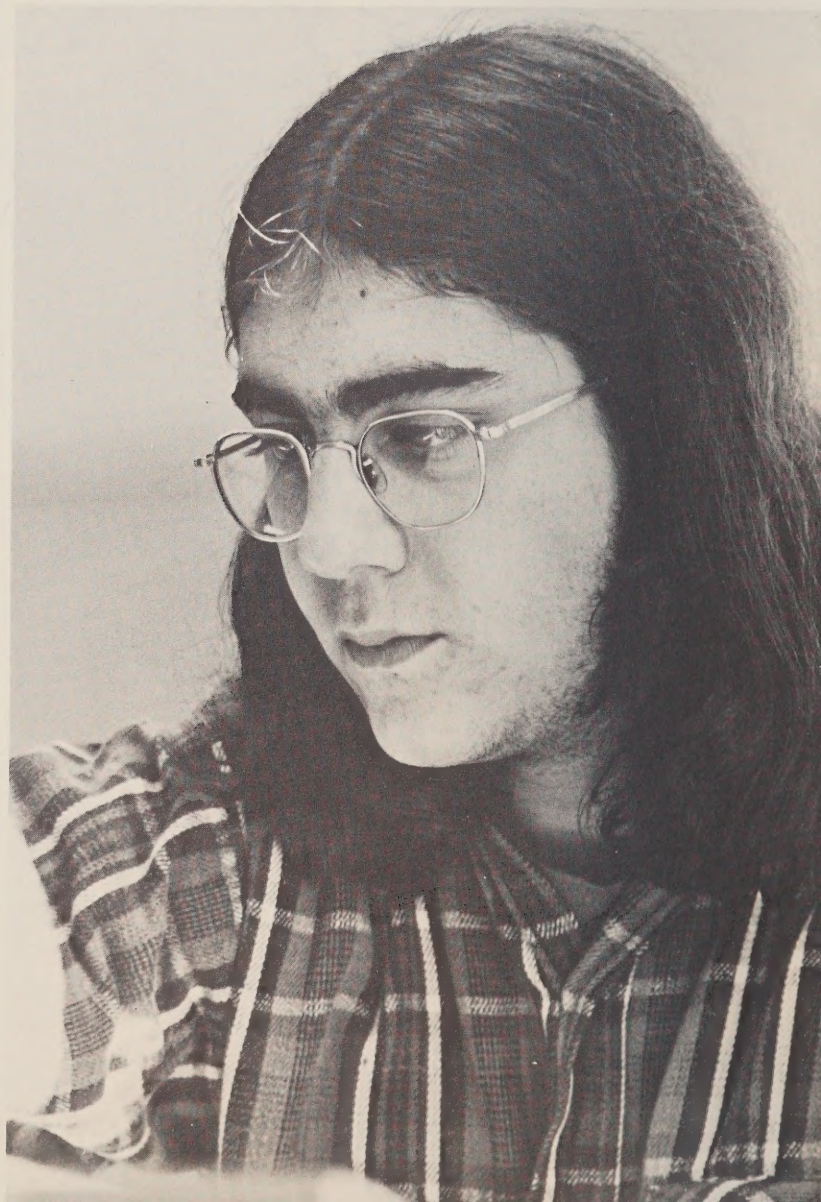

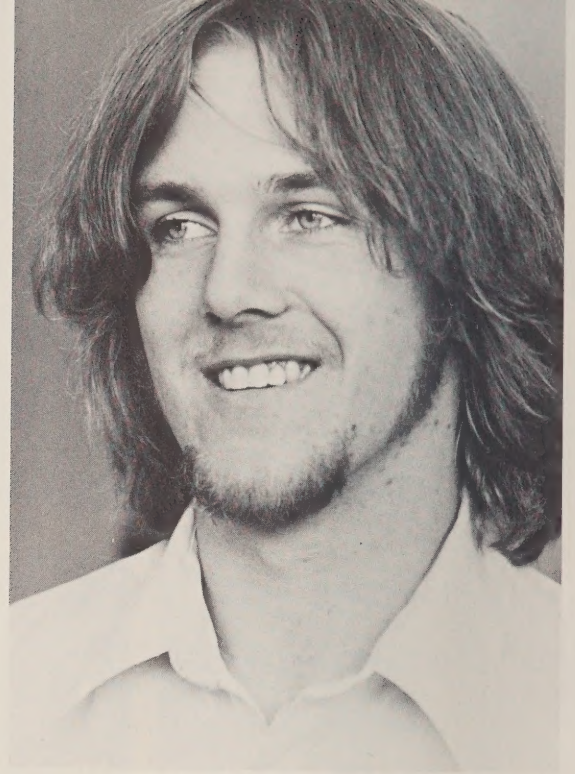

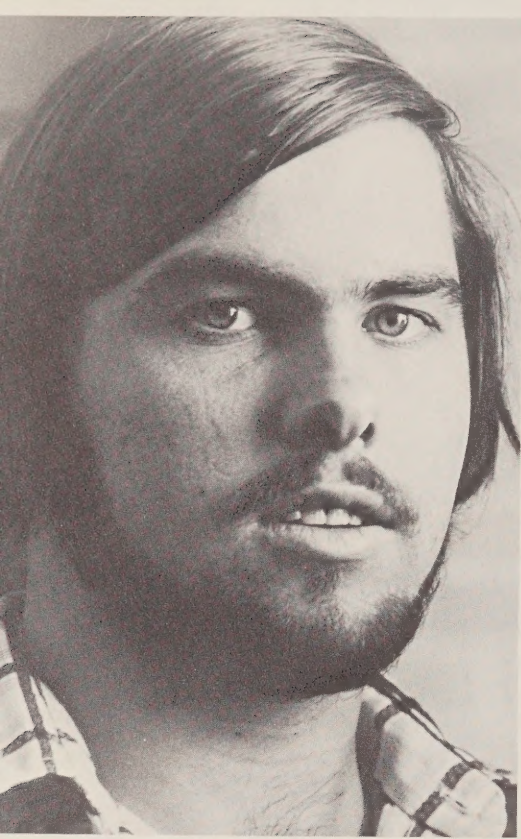

I've been lately thinkin' about my
 life's time,
 All the things I've done and how
 it's been.
 And I can't help believin' in my
 own mind,
 I know I'm gonna hate to see it
 end,
 I have to say it now,
 It's been a good time all in all,
 It's really fine to have the chance
 to hang around.

John Denver

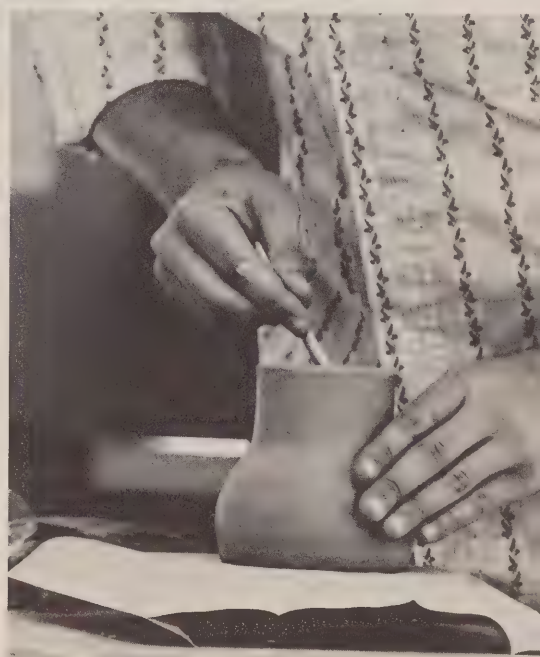

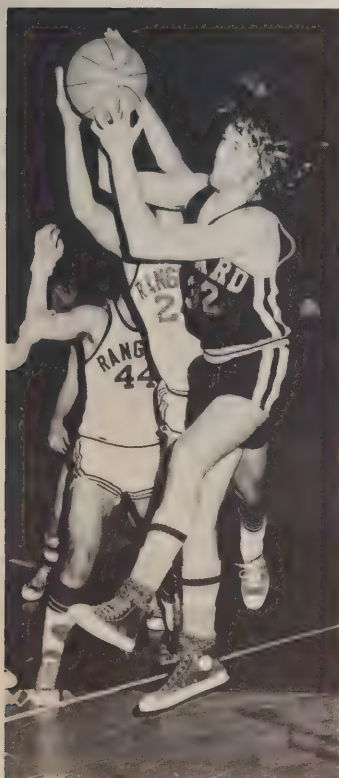

The days they pass so quickly
 now . . .
 The nights are seldom long.
 Time around me whispers when its
 cold.
 The changes somehow frighten me.
 Still I have a smile,
 For our lives have been good to us.
 There's still so much to do,
 So many things our minds have never
 known.

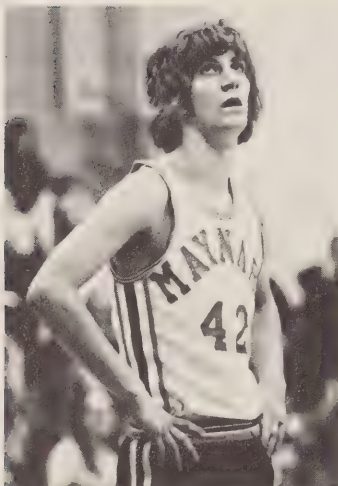

John Denver

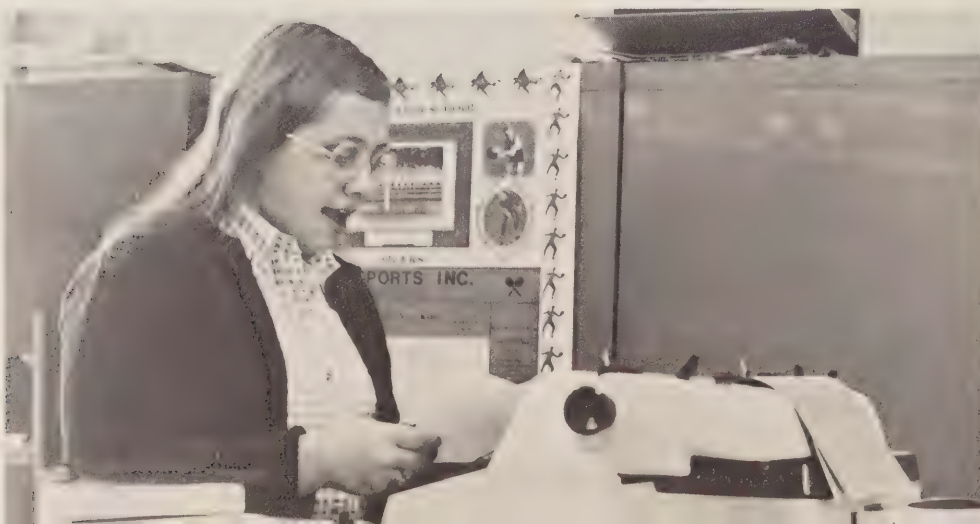

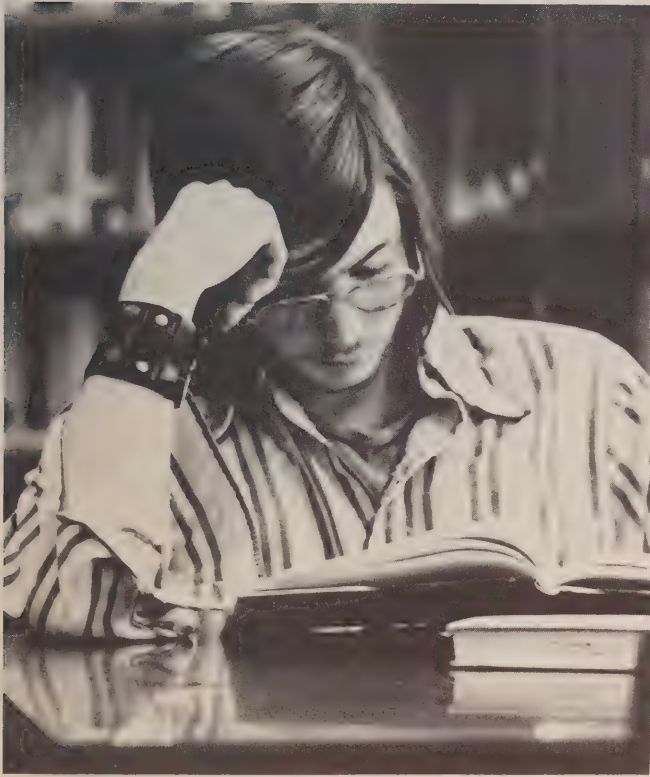

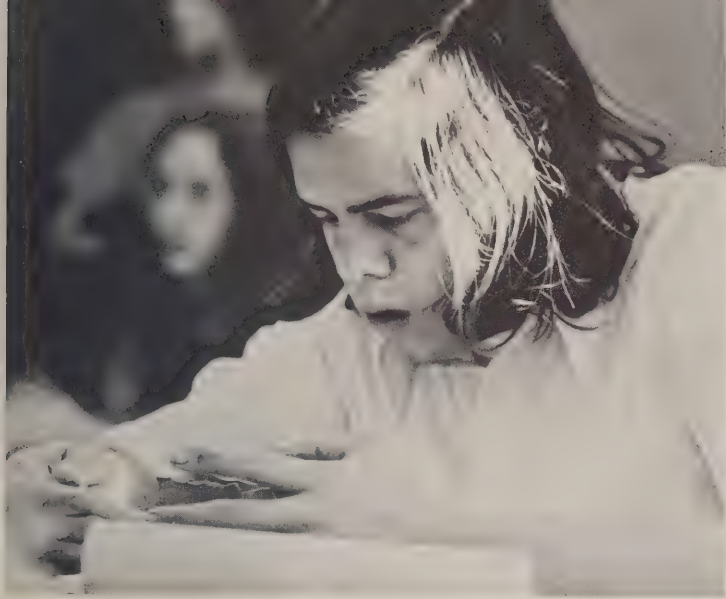

No man is really happy or safe without a hobby and it makes precious little difference what the outside interest may be — botany, beetles, or butterflies, roses, tulips, or irises; fishing, mountaineering or antiquities — anything will do so long as he straddles a hobby and rides it hard.

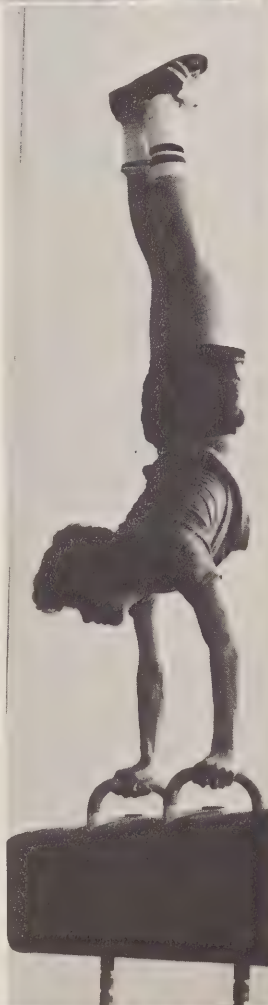

Our likes and dislikes,
Our ideas and
agreements,
Make us what we are;
There is no one person
The same as you or me.
We are proclaimed
Individuals.

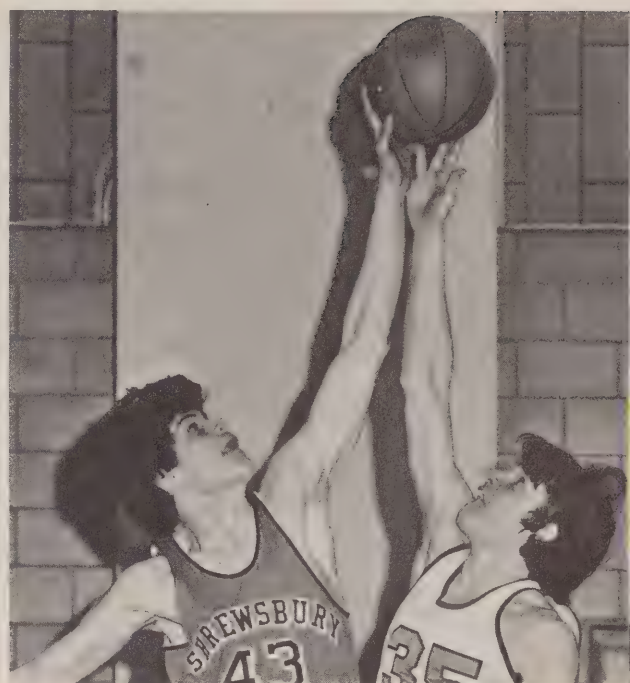

Stand
 In the end you'll still be you
 One that's done all the things
 you set out to do.
 Stand
 There's a cross for you to bear
 Things to go through if you're going
 anywhere.
 Stand
 For the things you know are right
 It's the truth that the truth
 makes them so uptight.
 Stand
 All the things you want are real
 You have to complete and
 there is no deal.
 Stand
 You've been sitting much too long
 There's a permanent crease in
 your right and wrong.
 Stand
 There's a midget standing tall
 And a giant beside him
 about to fall.
 Stand
 Don't You know
 that you are free
 Well, at least
 in your mind
 if you want to be
 Everybody STAND.
 Sly Stone

"If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with a success unexpected in common hours."

Henry David Thoreau

WITH THANKS TO OUR CLASS ADVISOR

MR. PEKKALA

Mr. Pekkala has been with us for four years as our class advisor. He influenced us to be independent but was always ready and willing to offer advice and assistance. He is a unique advisor for a unique class. He gave us initiative to lead ourselves, not to follow in other class' footsteps.

With Thanks,

The Class of 1975

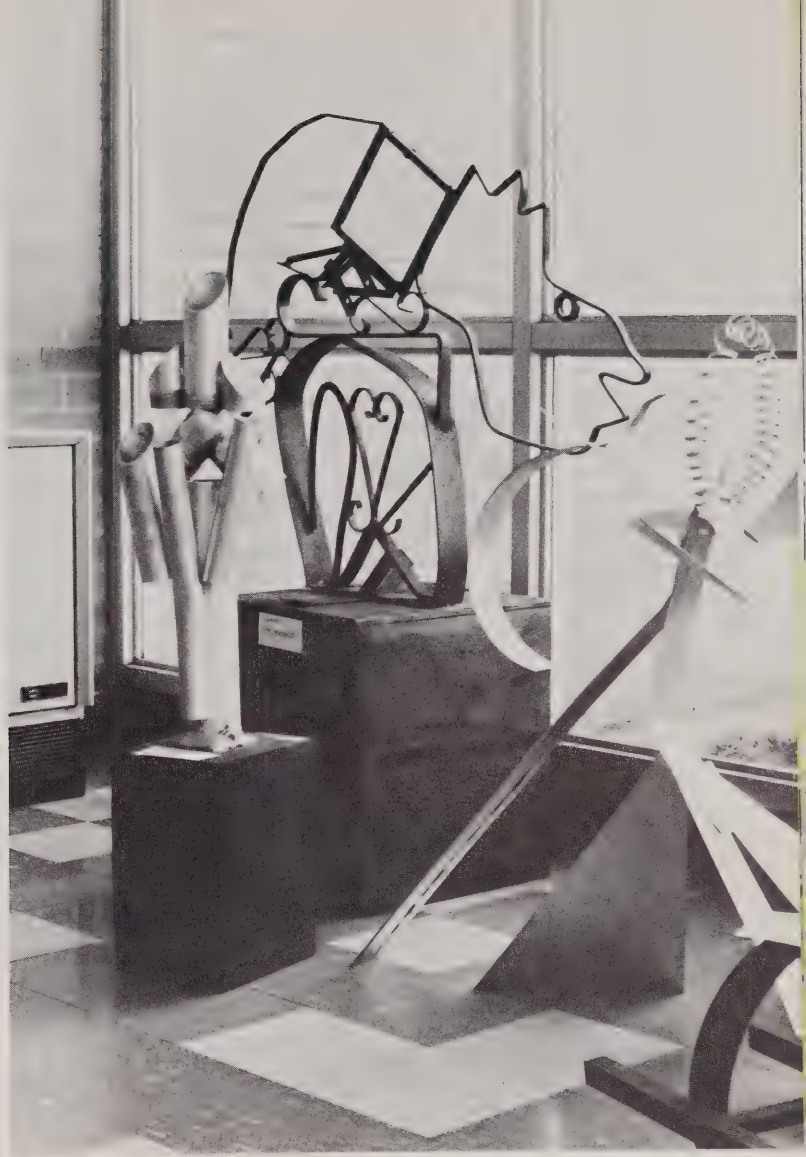

"A life has touched a dozen lives
Before a day was done;
Left us countless marks for good or ill
Ere the setting of the evening sun."

We leave behind a
Wherever we have

of ourselves,

CAMPUS LIFE

THE BIG SOUND FROM TIGERTOWN

The Maynard High School Band, under the dedicated direction of Mr. Charles Garabedian, has had one of its most successful years. Among the events the band participated in were; a trip to Washington, D.C. where they played in the Senate Rotunda and on the Capitol steps, the Patriot's Day Parade in Concord, football games, and the annual Christmas and Spring concerts. With the fund-raising help of the Band Parents and a combined group effort by the band members themselves, the trip to Washington, D.C. was made possible.

MAJORETTES AND COLOR GUARD PROMOTE SCHOOL SPIRIT

The majorettes this year are one of the largest groups in the area—twenty-two strong. This is one of the largest groups the high school has ever seen. The group is led by senior Carol Arcieri; she is assisted by seniors Pat Fagan and Melinda Young. They participate in all band functions.

The colorguard is made up of juniors and seniors selected by Mr. "G.". This group is activated for parades and band exchanges.

MUSIC IS THE UNIVERSAL LANGUAGE

The A-Capella Choir is a select group of boys and girls who have a special interest in music. They perform in the fall for the Senior citizens at the Elks Hall. This year a special program was put on for the Boxboro Historical Society. The A-Capella Choir is also a welcome part of every Christmas and Spring Concert.

Northeastern Districts Concert Auditions are held every year in October. This year auditioning students took a bus to Lexington High School, where they were required to sing or play an instrument. Those selected to perform in this honoring concert were; Jim Hill, for his fine bass voice; Sheila Gallagher, for her clarinet; and Ken Costanzo, an accomplished trumpeteer. The concert took place at Acton-Boxborough High School.

ON STAGE

The M.H.S. Dance Band is the jazz section of the band. The Dance Band members are called upon twice each year to perform for the Christmas and Spring concerts. Plans for this year include a performance in a state competition at the Berkley Jazz Festival in April.

Mr. Garabedian carefully selects the talented musicians to be included in this elite group of musicians. Under the direction of Mr. G., the Dance Band plays music specially written for brass instruments.

CHECKMATE!

The Chess Club belongs to the Middlesex League, Northern Division, and is pitted against teams from Acton-Boxboro, Concord-Carlisle and Wayland. Members Chris Duggan, Ken Costanzo, Chris Salmi, Arthur Rasmussen and Jim Raikey play ten matches, five at home and five away. Mr. Lincoln, a member of the Mathematics department, is the advisor.

The Foreign Languages Club combines the French Club of last year and members of the newly formed Spanish classes. Meetings are held weekly. To culturally broaden the horizons of its members, this organization plans an international smorgasbord, a trip to Montreal, and dinners at a Spanish and a French restaurant. Bake sales on half day Wednesdays and the sale of Christmas candles have both aided the financial situation of the club.

offers.

Amid all the cries for films, overhead projectors, tape recorders and the like, Mr. Magno's men fill every request with efficiency and dispatch.

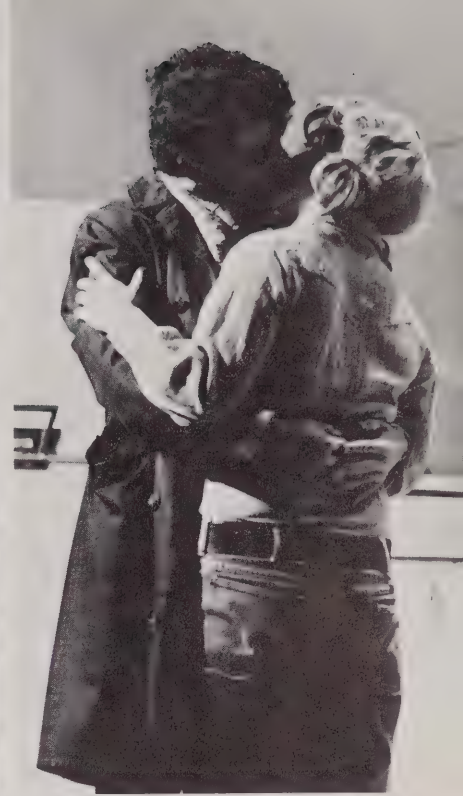

LIBRARY AIDES AND OFFICE GIRLS

The Office Girls assist Mrs. Murphy and Mrs. Dee in the running of the office. They are trained to answer the phones, run errands, and do some of the clerical work. The Library Aides assist Mrs. Morrissey in the library. They make sure all of the books are in their proper area and they're there to help students locate needed materials. Mrs. Morrissey oversees what comes in and goes out of the library. She heads the Library Aides and is also in charge of the actual running of the library.

OKLAHOMA!

The Drama Club has evolved from a nonentity in the freshman year of the Class of 75 to an integral part of campus life. Proud proof of this successful growth is the school's acceptance as a charter member of the International Thespian Society, an honorary organization whose purpose is the direction of all dramatic activities in musicals, plays and the Young Maynardians' presentations. Officers of this new society are Susan Alatalo, president, Kim Hill, secretary, and Nancy Nafranowicz, treasurer. They plan excursions to plays and an induction ceremony.

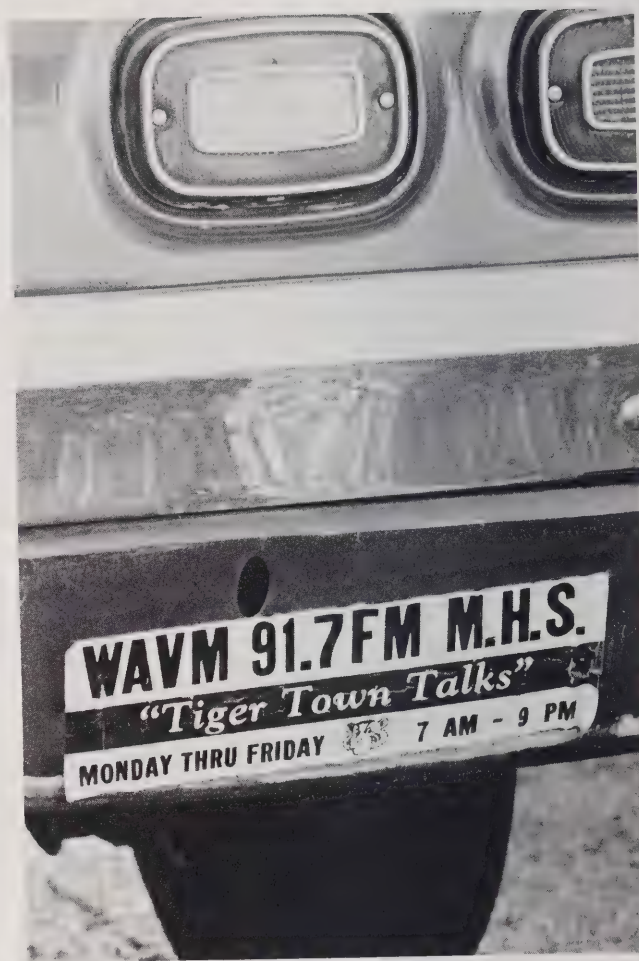

All facets of school life were touched upon in the production of the Rodgers and Hammerstein's musical Oklahoma in the spring of 1974. Perseverence and talent

brought the curtain down on four enormously successful shows on April 4th, 5th, 6th, and 7th. Mr. G. coordinated the musical end of the musical while Miss Bartolotti coached the drama and choreography. Mrs. Hawkins of the English Department directed the first play for 1974-1975 year, Barefoot in the Park, Neil Simon's hilarious comedy. The cast of six exhibited their dramatic talent on November 8th and 9th. As usual, the play participants dined at a Chinese restaurant after the last night. The musical planned for this year was My Fair Lady by Alan Jay Lerner and Frederick Loewe for April 17th, 18th, 19th and 20th. The yearbook staff is confident that this difficult production will have been just as delightful and successful as the rest of the Drama Club's undertakings.

WAVM Radio Station was established on the air April 22, 1974. Since then it has brought an awareness to the townspeople of events which are taking place, as well as activities which the high school students are involved in. WAVM also broadcasts a great variety of music shows for everyone's enjoyment, which feature news, weather, and sports. Live broadcasts of football, basketball, and baseball games are some highlights of the sports broadcasts. Under the direction of General Managers; Chris Salmi, Rich Hurd, Bob Gately and of course, to the man whom WAVM owes their existence, Mr. Magno, WAVM — 91.7 FM has been a huge success.

NATIONAL HONOR SOCIETY

The organization honoring scholars is the National Honor Society. A change this year is the deletion of provisional members; now both juniors and seniors are full-fledged members. Under the enthusiastic direction of advisor, Mr. Lent, the newly-instituted Parents of National Honor Society conducted a raffle for a Three-Minute Shopping Spree. The highlight of the year's activities will be the annual banquet where seniors receive a plaque symbolizing their membership.

Maynard High School has recently been elected a charter member of the International Thespian Society. Membership in this society is a great honor for students who have earned credits for different dramatic performances either on or behind the stage. The induction ceremony was held on February 26, 1975. Advisor of the group is Mrs. Hawkins.

INTERNATIONAL THESPIAN SOCIETY

STUDENT COUNCIL COORDINATES SCHOOL ACTIVITIES.

The coordinator of school activities, the Student Council, meets once a week to attempt to improve the conditions of our school. Officers are David Frost, President, Susan Alatalo, Vice-President, and Cathy Martin, Secretary. Each class is represented by three members and one president who must attend all meetings. Through the council, a student representative on the School Committee, Cathy Martin, and alternate, Susan Alatalo, were elected to provide the necessary student opinion. Cathy Dzerkacz represents Maynard at the Advisory Council meetings. A few of the Council's activities were: resolving conflicts, re-organizing the Student Council, improving the Guidance Department, and providing an outside smoking area for students.

EXECUTIVE BOARD DECIDES; INFORMER INFORMS

The Senior Executive Board is a select group of seniors whose major concern is to organize senior activities and assure the best graduation possible for the class of 1975.

THE INFORMER, with its enthusiastic staff and capable advisor Miss Bartolotti, is a vital part of the spirit of M.H.S. This newspaper keeps students informed of the happenings at the school, and also provides the townspeople with an example of the responsibilities and journalistic experience the staff has achieved.

G.A.A. SUPPORTS; Y.M.'S SING!

The Girl's Athletic Association has worked hard this year to promote girl's athletics. Running car washes, bake sales and a small fair has provided them with the funds to paint the girl's weight room and buy a rowing machine. Headed by officers Diane Caisey, Darlene Dimery, Terri Kraemer, and Kathy Duncan, the girls have come a long way.

The Young Maynardians had their third appearance this year in January. The Y.M.'s were created two years ago during the summer by Mr. Chibaro. The group has grown quite popular in the community since. With directors like Mr. Chibaro, Miss Bartolotti, Mr. Lincoln, Mr. LeSage, and Miss Susan Oksa and 42 enthusiastic and talented students, the performance was very enjoyable and successful.

CHEERLEADERS!

TOP LEFT: Our team is cool, Our boys are Tough. So come on Tigers, Show your Stuff! TOP RIGHT: Thanksgiving, November 28, 1974. BOTTOM: F-I-G-H-T, FIGHT!

The cheering squad, under the direction of advisor Miss Shirley Klepadlo, has had quite a successful year. With Pat Stigliani as the vivacious captain, the cheerleaders have definitely proved to be a very spirited group. The cheering squad promotes school spirit, accomplished by decorating the corridors, selling carnations, leading cheers at football and basketball games and planning rallies. This year the cheerleaders decorated the senior football players houses the night before a rival football game. The cheering squad will participate in three tournaments this spring, and with enthusiasm and determination, they'll be sure to walk off with a trophy!

STATS DON'T WIN THE GAME

The 1974 football season got off to an excellent start with three wins and one tie. It was a season of controversial referee calls and an offensive team that was, at times, lacking. Throughout the season, the Tigers had a stand-out defensive team. In each of the games lost, the Tigers outplayed their opponent but weren't able to score the points needed to win.

There are great hopes and expectations for the coming 1975 season.

The Boys Cross Country team led a disappointing, but hopefully rebuilding season. Chris Salmi, Brian Duggan, and Paul Powell captained the squad. The "74" harrier team was one of the largest and most enthusiastic in years, presenting high hopes for the future.

The Girls Cross Country team, led by tri-captains Cyrilla Francis, BettyAnn

Doucette, and Barbara Regan, had a stupendous season. The hard working harriers won every dual league meet. Their only loss was a tri-meet to Bedford and Hudson. The successful girls came in sixth out of thirty teams in the state meets in Boston. As the girls will lose one senior, they look forward to future winning seasons.

FIELD HOCKEY USES TEAMWORK

With teamwork and long practices, the 1974 Girls Field Hockey team ended the season with a 8-4-2 record. With Miss Bassett coaching varsity, the girls skillfully displayed the abilities that led them to a winning season. Participating in the Round Robin Tournament at Littleton High School, the girls overpowered two opponents and tied with the third team. With a strong defense and fast offense, the Maynard team took first place in this contest. Rival Milford was twice upset by the girls and they ended their season proudly.

Tri-Captains: Sue Lehto, Terry Sambuchi, and Sue Allard. TOP RIGHT: Ruth Kitowicz, Joyce Droz. BOTTOM RIGHT: Diane Caisey.

The J.V. Field Hockey team had an outstanding year, placing first in the Midland League. Tri-Captains Darlene Dimery, Jody Terrasi and Darlene George led their team onto a record making season with the coaching of Miss Bartolotti. An enduring defense and

quick offense proved the J.V.'s are tougher than they seem. Center forward Darlene George was the highest scorer for the team. With the talent displayed here, the J.V. team should develop into one of the best teams seen at M.H.S. in years.

BOTTOM LEFT: Ellen Shaw, Jane Alatalo, Diane Marcell, Patti Kane, Laurie Martell, Cindi Martin, Karen Watt, Michelle Bourgeois, Christine Trakimas, Lori Greenaway, Kathy Duncan, Terri Kraemer, Anna Degerstrom, Helen Campbell, Rosemary Fields, Tri-captains Darlene Dimery, Jody Terrasi, Darlene George. The Tiger basketball team came into its own this year and Maynard High School will be the scene of some exciting basketball action in the years to come.

Starting the year with another heart thumping win over Bedford, ending with a resounding win over the same club, the team battled to an even 11-11 record. Every game in the tough Midland League was a battle this year; the Tigers were a team to be dealt with. Led in the backcourt by Dave Tucker and Mark Popieniuck and up front by Bob McLaughlin, Joe Kalinowski and Steve Aulenbach, the team was considered to have one of the best starting fives in the league and Coach Cusson's men went on to a fine season.

The Maynard J.V. team completed the season with a 13-7 record, the best in modern history at Maynard. Coach Henning's team should be the nucleus of a fine varsity five next winter.

ROUND BALL IS BACK!

The Girls' Varsity Basketball Team ended a fine season with a record of 7 wins and 7 losses in Midland League games. Excellent teamwork and super hustling are the products of experienced Coach Bassett and tri-captains Suzie Allard, Sandy Buscemi, and Roxanne Zbink. Their strong defense and aggressive offense are the work of a dedicated team led by leading scorer Sandy Buscemi, and leading rebounder Ali Rock. The loss of only one senior and the return of the veteran Tigers should result in a very promising season next year.

The J.V. Girls' Team had a competitive team and every one of their games seemed to keep everyone on the edge of their seats. Led by Jane Alatalo, Sharon Duggan, Martha Forster, and Debbie Tyler, they should be a welcome addition to next year's varsity.

TRACK TEAM TAKES MIDLAND LEAGUE HONORS

The Tiger Track Team did exceptionally well in the Midland League competition. They were first in both the Midland League Relay and the Midland League Meet. They also scored a first in the District III Meet held in Shrewsbury and placed fourth overall in their very competitive division.

This year there are no problems anticipated with inexperience, as there are many returning juniors and seniors.

The team is expected to do well again this year as they did this past year.

FIRST GIRLS TRACK TEAM UNDEFEATED IN MIDLAND LEAGUE

M.H.S.'s newly established Girl's Track team, led by tri-captains Cyrilla Francis, Betty Ann Doucette, and Martha Forster, had an outstanding record for their maiden season. They were undefeated in the Midland League, sweeping all seven meets. The Tigresses only two losses were close contests with Bedford and Concord-Carlisle.

Next year should prove to be another winning season, as the girls improve with every meet. Sue Bigusiak holds great promise for the team; as a freshman she cleared 5'2" on the high jump, and was a record-breaker in the 220. She will be joined in sweeping the field events by such strong teammates as Kelley Butler, Carol Arcieri, Chris Sweeney, and Bettyann Doucette. Fantastic miler Martha Forster, along with Suzie Lehto on the hurdles, will surely amaze Coach Symes in the seasons to come. The Girls Track team's determination and success should set an example for the boys teams as well as the girls.

The Hockey Team came upon tough times this year, but it was understandable. They compete in one of the toughest areas for High School Hockey in the state. Since the sport was introduced to the high school a few years ago, it has grown steadily.

This year Coach St. Germain's team fought hard in every game despite desperate odds. The young crop of Freshmen returning next year will help fill the void left by the graduation of Casey, Maki, Fryatt, & Laasanen.

PERSERVERANCE

GOLF TEAM LOOKS TOWARD HOPEFUL SEASON

This year's Golf team is sparked by the return of seniors Eric Maki and Kevin Higgins along with the rest of the team.

Last year proved to be a tough season, but with the hopes of the team running high, this season should be impressive.

It should be mentioned that Kevin Higgins missed qualifying for the state match by one and two strokes respectively.

TOP LEFT: "No, Bill, you don't throw it!!" TOP RIGHT: Team picture: BOTTOM: Jay Higgins, Kevin Higgins, Eric Maki. BACK ROW: Coach Cote, Leon Tyler, Bill Bachrach and Chris Duggan. BOTTOM LEFT: Chris finishes another round.

NEW UNIFORMS DON'T ALWAYS HELP

ABOVE: "Hey Russ, don't bite the dust." TOP RIGHT: "Bob, don't let it get you down, it's not all that bad." BOTTOM: Steve catching the flies. MIDDLE: Jamie slices the air again but who know's what happened to the ball.

After the purchase of new uniforms, the opening season looked great for the varsity baseball team. No one could stop the powerful baseball players for the first four games, but then disaster struck. Due to the lack of hitting and pitching, Maynard Tigers fell into an eleven game slump. Determination and pride brought a victory against the Clinton Gaels by a score of 4-2. The great fielding of Russ Arena and Jamie Forster, along with spectacular hitting performances from Bob Novick, George Howes, and Mike Bigusiak, led the Tigers on to victory.

A very good effort was made during the last four appearances; however, it was not good enough, as the Tigers were defeated in their last four games.

Coach Lent looks forward to a very impressive season in the future with help from Rich Staszewski, Don Messier, and Tony Miola, who saw limited action last year.

Showing skill and enthusiasm, the 1974 Girls Softball team ended their season with a 10-4 record. With their new coach, George Wing, the team put in long hours of practice and hard work that ultimately paid off. Tri-captains Eileen Kraemer, Barb Moynihan, and Sue Allard let the Tigresses in their efforts.

The highlight of the season was the District III playoffs in Southbridge where Maynard was slotted to play rival Milford. In this close contest, Maynard was defeated 4-3, but still remained confident.

With this confidence, the girls closed their season with a very impressive tie for 2nd place in the league and it is expected that the 1975 team will match or exceed the "74" team record.

Once upon a time in the town of Maynard, there was an untraditional class that decided to hold their Junior Prom at the Holiday Inn in Marlboro against the usual Green Meadow School. Actually, the building operations of the new kindergarten forced the class to commit the rebellious act.

The magic began at 8:00 p.m. on Friday, May 10th when Mr. Abbott announced the names of the junior girls and their escorts as they made their entrance to the music of Spur. Nineteen ushers and usherettes from the sophomore class assisted us with the formal routines of the enchanting evening whose theme was Somewhere Over The Rainbow. Activities of the program consisted of having our photographs taken, dancing, the once again untraditional act of having dinner served at the prom, meeting special guests, conversing with everyone and the solitary dance of the newly crowned queen. Last year's queen Mary Picard placed the coronet on the lovely head of Robin Gott who stood with her pretty court members: Terry Sambuchi, Linda Peterson, Karen Edwards, Patty Venuto, Diane Caisey, and Norma Roche.

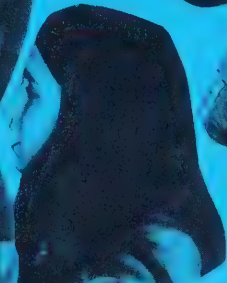

Boasting one of the best proms ever held at M.H.S., the juniors exited at 11:30 to hit the wee hour parties and a Saturday morning breakfast.

All our lives, though some have changed.

ADVERTISEMENTS

Our Thanks to All . . .

To our advertisers and patrons, we owe a sincere debt of gratitude in making the 1975 Screech Owl a reality. Words are not enough, however, to express our gratefulness to our supporters who helped in spite of our present economic state. We promise to be your biggest boosters in the future years. We desire to return your kindness and concern through our patronage. Thank you very much!

SAVINGS ACCOUNTS.

Think of them as your own money machines.

Remember the saying about the best way to double your money is to fold it in half and put it in your pocket? What it meant was that there wasn't really any sure way to invest it. Well, there is today. In a savings account at ASSABET.

Besides being a safe place to have your money, a savings account earns interest, makes your cash readily available, lets you plan future purchases with peace of mind, makes down payments easy, and, best of all, gets you out of that buy-now-pay-later habit that somehow never seems to work out right.

All Accounts Insured in Full by the Deposit Insurance Fund

So take your money out of your pocket, unfold it, and put it to work in any or all of these quick-cash generators:

- Regular Accounts
- N.O.W. Accounts
- Special Notice Accounts
- Christmas, Club Accounts
- Savings Certificates

You'll like the sounds it makes. Remember? Money talks.

GOOD LUCK CLASS OF 75

We have dedicated this yearbook to the theme of individuality. We feel that the graduating class of 1975 exemplifies the individual in the precious uniqueness of each of its members. Every one of us pursues happiness in a very personal manner which makes us what we are. Our epitaph is our individuality.

"We begin to learn when we begin to live, our education begins with ourselves." Rousseau wrote this summation of our education at Maynard High School. Beginning with the individual lives we were born with, we have advanced to explore the world and to shape this personal uniqueness even further. School has aided us "to begin to live." Maynard High now hands over to us the papers that are blurred with tears and dotted with laughter and which say we must start living the rest of our lives. The 1975 Screech Owl remembers the individuals that influenced our learning process. The editors hope that the special people which are the essence of this yearbook are noted, respected, and admired for being what they are.

Much of the yearbook's distinctive look is the result of a junior year semester course taught by Mr. Paul Henning, a first-time venture to prepare the staff for its task. We would like to thank the people who helped make this task easier and more pleasurable. First, the typists who cared enough to offer their invaluable services are to be commended — Lori Greenaway, Melinda Young, Jane Alatalo, Sarbina Katona, Pat Fagan, and Cindy Curtis. A man who contributed much fine photography is Mr. Chan Lincoln, a member of the math department, who we appreciate deeply. We thank him for his terrific work and for being an all-around nice guy. Two good people who sacrificed their Thanksgiving Day to capture the aerial view of the football game are remembered with much gratitude — Bob Gately, who piloted the plane, and Mr. Bill Keto, who snapped the shots. Unfortunately, the U.S. Postal Service lost the films so we were unable to include any. We would also like to extend our many thanks to our Purdy Photographer, Al, whose outstanding creative efforts are evident on every page. This pleasant man is congratulated on the excellent job he performed and always with admirable wit. In addition, we would like to thank Diana Souza for her artwork and Tony Miola for his photography. The man behind the staff, whose good humor alleviated many a tense situation, whose varied talents assisted us all the way around, and whose helpful advice made the book a reality is Mr. Paul Henning. We greatly appreciate all the work he did and extend our sincere thanks to him. Incidentally, Mr. Henning finally contracted Hamlet's disease from us in the end. (see Note below.) Finally, we offer our thanks to the few staff members who stuck it out until the bitter end. To those students we are forever indebted and extremely grateful. One of our greatest and most precious learning experiences will always remain the production of the 1975 Screech Owl.

Note: Hamlet's disease is a strange malady known to attack people afflicted with the dread of foreboding, on-coming deadlines such as those associated with the yearbook. Symptoms include uncontrollable, hysterical laughter whenever the word "deadline" is mentioned.
