2018-2019

THIS YEAR'S TOP HEADLINES IN SPORTS, TECHNOLOGY, MUSIC, MOVIES AND POP TRENDS

An aerial photograph of a residential landscape. The scene is dominated by a dark, paved driveway or road that winds through the property. Several trees of varying sizes and shapes are scattered throughout, some appearing as bright green or yellowish-green against the dark background. In the upper left corner, a portion of a house is visible, featuring a red brick wall and a white roof. The overall lighting is dim, suggesting a dusk or dawn setting, which creates a somber and reflective atmosphere.

# WEATHER TO REMEMBER

|||||

This year's weather was nothing short of extreme as major earthquakes and Kilauea volcano eruptions shake Hawaii, colossal hurricanes Florence and Michael hit the Southeastern coast and massive wildfires span over 1.9 million acres in the West.

## ROYAL MILESTONES

Following their marriage in May 2018, the Duke and Duchess of Sussex (Prince Harry and Ms. Meghan Markle) announce that the Duchess of Sussex is expecting their first child in Spring 2019.

## SOCIAL CLIMBER

A small female raccoon, nicknamed the “MPR Raccoon” by the first news outlet to report on the story (Minnesota Public Radio), scales all 25 stories of the UBS Plaza building in downtown St. Paul, MN. The #mpraccoon becomes an instant internet celebrity with photos from viewers tracking the raccoon’s journey posted all over social media. The daredevil raccoon is safely captured and released.

## END OF ESSAYS

All 8 U.S. Ivy League colleges and universities drop their ACT/SAT essay requirements in an effort to break down barriers in the application process for low-income students. There are now just 21 schools that still require the essay portion of the ACT or SAT.

## SAY GOODBYE TO PLASTIC STRAWS

Starbucks, the largest coffee chain in the world, will eliminate plastic straws globally by 2020. Straws will be replaced by recyclable strawless lids and alternative-material straw options, eliminating over 1 billion plastic straws per year from Starbucks stores alone.
