The Senior Executive Board, composed of nine Seniors and the four class officers, is responsible for the planning and organization of all senior activities, such as Class Night and Senior Week events. Nearly every Sunday night, the Board met with Mr. Lincoln at the house of one of its members. The weekly discussions were a major factor that contributed to the success of senior year. However, when we speak of success, we must not mention the Italian Night Dinner-Dance.

As many elegantly dressed couples emerged from their rented limousines and borrowed family cars, the Marriot in Newton became the romantic setting for the Junior prom on May 2, 1980. The class of '81 had chosen "We've Got Tonight" as their theme and "Your Song" as the Queen's Waltz. These tunes and others were performed by "Rhapsody" as the couples danced well into the night.

This year was an exceptional one for the M.H.S. varsity football team. Under the leadership of Bruce Koskinen and Jim Duggan, the mighty Tigers roared to a 7-3 record. Two games highlighted the

Tiger's winning season: the long awaited victory over Milford and of course the well deserved victory over Acton-Boxboro on Thanksgiving Day.

Through the heat of summer and the chilly winds of fall, the field hockey team stuck together for a very good season. Their losses were few and their victories widespread. These girls proved to be real M.H.S. tigresses.

Somehow or other, one of these years, the MHS volleyball team will be the best in the league. The team's win-loss record is not an accurate indication of the girls' strength, will, and determination. Each year the team shows remarkable improvement in skill and teamwork. If they continue to advance at the present pace, MHS will have an unbeatable team within a very short time.

Row 1: Karen Pratt, Kim Cotoni; Carolyn Cantino. Row 2: Kathy Crowley, Gwen O'Connell; Marianne Seely; Kelly Anderson.

Run! Jog! Push to win! For the 1980 season, these MHS'ers did their best to prove that practice makes perfect. By the time November had rolled around, the cross country teams had proven to be very successful. The top two runners for the boys, Jon Fields and Phil Craven, qualified for the state championship meet. Team captains, Kristyn Sluyski, Jon Fields, and Scott Savoy, should be honored for a fantastic year.

The cheerleading squads, under the direction of Patti Kalio and Margie Lesage, have had quite a successful year. With Lee Andrews and Sharon Lawskowsky as the vivacious captains, the cheerleaders have definitely proven that they are a group with spirit. These girls led cheers at football games, basketball games and rallies. The spring squad also went into tournament and with their determination and enthusiasm, did a fine job!!!

The Girls 1980-81 Basketball season was one of its finest. The girls clinched the Midland League title with an 18-1 record. The team will be losing seniors Kristyn Sluyski and Cathy Tyler, but with hard work and determination, they should be successful again next year. Congratulations girls and THANK YOU Mr. Curcio!

In November, Spirit Week was introduced at MHS. It was a week of competition between the four classes. The first day was Tag Day, when Marty Flagg made enemies for life! The next activity on the schedule was Grub Day. When students (and some teachers) donned their grubbiest jeans and sweatshirts. On Color Day, we watched the freshmen arrive in pink, the sophomores in purple, the juniors in light green, and the seniors in yellow. Hat and Sock Day was next and the seniors with the help of Kim Curren overwhelmed their competitors. The seniors won Hat, Grub, Tag and Color Day, however when the final tally was taken, the juniors took first place, the seniors second, the sophomores third and the freshmen fourth.

Under the superb direction of Mr. Garabedian, the Concert Band enjoyed successful Christmas and Pops concerts, along with their yearly Exchange program. This year's exchange was with Colberg, Ontario in Canada. Thank you Mr. G. and Mr. Jost for a memorable four years!!!

At the end of the summer, the members of the MHS marching band met to begin practice for the new season. Through the wind, rain, and snow, its members were dedicated to producing the best half time shows possible. They were always a welcome attraction at any football game.

This year's Winter Carnival, with its theme of Nursery Rhymes, produced a fun filled weekend of competitive sports and creative events. The addition of "Horse", arm wrestling and darts definitely added to the excitement of the weekend. Though each class participated with lots of spirit and enthusiasm, the Seniors emerged wildly victorious for the second year in a row, maintaining their title as Winter Carnival Champs!!!

As time progressed and in keeping with tradition, the yearbook staff quickly dwindled down to a precious few. We would like to congratulate ourselves for the successful completion of this book. Grades, social, and extra-curricular activities suffered, however, we survived. It was a rewarding experience that we will never forget.

The members of the yearbook staff would like to thank Mr. Desy and the members of the advanced photography class for their much appreciated help and for the important role they played in the production of this book.

We would also like to thank Mr. Magno and WAVM for allowing our yearbook to financially break even for the first time in years.

A special thank you goes to the custodians who endured our many nightly meetings.

Most of all, the entire staff would like to thank Miss Lesieur for her unselfish support. Although this was her first year as yearbook advisor, she willingly gave her time, ideas, and unrelenting enthusiasm. It goes without saying that we deeply appreciated Miss Lesieur's assistance in the production of this book. Thanks again and good luck in the future.

Arnold Lohmann, Attleboro Falls, MA

the 1990s, the number of people in the UK who are employed in the public sector has increased from 10.5 million to 12.5 million, and the number of people in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

There are a number of reasons for this increase. One of the main reasons is the increasing demand for health care services. The population of the UK is ageing, and there is a growing number of people with chronic conditions such as heart disease, diabetes, and asthma. This has led to an increase in the number of people who are hospitalized and the length of their stays. In addition, there has been a growing emphasis on preventive care, which has led to an increase in the number of people who are screened for cancer and other diseases.
