Dedication

As we pass through our years of education we meet many people who touch our lives in very special ways. Mrs. Linda Mullin is one of those dedicated teachers who places the education and welfare of her students above everything else. She has been instrumental in our lives as an enthusiastic and dedicated advisor for the Class of 1995 and we shall always be indebted to her.

As a business teacher at Maynard High School since 1986, Mrs. Mullin has worked diligently to keep her programs updated for the benefit of her classes. She has played an integral part in the development of the cumputer curriculum at Maynard High.

It is with a deep sense of pride and heartfelt thanks that the Class of 1995 dedicates this yearbook to Mrs. Linda Mullin. Thanks for Caring!

Yearbook Staff

During the past ten months, the yearbook staff, along with Mrs. Linda Koskinen, has spent many hours putting together this chronicle of life at Maynard High School. We have tried to adequately represent every aspect of M.H.S. and the things that are important to all of us. A yearbook should be a record of the people and events that have influenced our lives and to that end we hope we have succeeded. Enjoy!

As Faculty Advisor for the 1995 Screech Owl, I would like to pay special thanks to Heather Boothroyd, Angela Miele, Annmarie Porter, Kelly Wells, Meg Bailey, Kristen Pronko, Bekki Joki and Autumn Long for their unselfish dedication to getting this job done. They spent countless hours, including weekends, to see to it that each deadline was met. Without them, the 1995 Screech Owl would not have become a reality.

Sincerely, Joseph P. Magno
