D.J. Amorello

David J. "D.J." Amorello, Jr. was a beloved member of the class of 2006. He loved baseball and had a great sense of humor. He was a Cub Scout, loved to travel and made his way to Florida numerous times.

"Brightest Star in the Sky"
 Wish you were here to surprise me with your smile
 - But I'm sure you're watching us with your eyes
 Wish you were here to announce our junior year
 - Because we all know you would be awarded Prince of Peace
 Wish you were here to accept your diploma,
 - Who knows where you would go, maybe Oklahoma
 Wish you were here to see your favorite baseball team win
 - But we all know that you're watching Ortiz in the wind
 It is very difficult not having you here,
 - But you are always with me and near.
 It broke my heart to see you go,
 - Knowing what you could be we'll never know.
 Since you left it hasn't been the same,
 - But in my heart you will always remain.
 When we are called to heaven, we shall see your smiling face,
 - As you tell us a joke about some funny place

THIS YEAR'S SCREECH OWL DEDICATED TO: MR. STEBBINS

The Class of 2006 is honored to dedicate this year's Screech Owl to Mr. Alan Stebbins. We are grateful for having the opportunity to share in his vast wisdom and having him impart his great knowledge upon us. Although the time spent in the classroom has been invaluable, Mr. Stebbins has also served as a coach, student government advisor, outdoor club advisor and lead teacher. He has not only served the students but for many years served our faculty as a Massachusetts Education Association Representative.

We hope that he will have many years of climbing and traveling during his retirement. Please know how much we have appreciated the thirty-one years you have given to the children of Maynard. We will always remember the lessons you taught, the red shovel and that you are "an all around good-looking dude."

Thanks Page

The Class of 2006 and Maynard High School would like to give a heartfelt Thank You to...

Samuels Studio

Al, Tom, Terry and Family, you have given so much to the students of Maynard High School for many years. You have given to Maynard children in so many ways, whether it has been taking thousands of pictures for our yearbooks, donating to the football programs or taking out and paying for advertisements. You have been a constant support to many programs here at Maynard High School. As you plan your retirement, please know that you have been appreciated throughout the years.

Burton Gruber

This year Maynard lost one of its most generous citizens. Although we know that his legacy will live on through his store, Gruber Brothers, and through his family, we want it to be known that his kindness and generosity will always live in the hearts of the many people he has touched throughout the years. Burt was always in his storefront with a smile for everyone and a check for each and every organization that walked in his door looking for a donation. Although he has left that chair in the front of his store, his spirit and love of life will live in us all. Burt, you will surely be missed and we all hope you knew how much you were appreciated.

Congratulations! You have made it off of the island! Now the question is: where will you be in ten years?

In 10 years I, Ian Bass, will be 27, living in California, still playing my guitar, and working on a golf course.

In 10 years I, Joe Carter, will be a multi-millionaire executive, playing poker in Las Vegas on weekends, and returning to Maynard every now and then to have a few with the crew and talk about the Glory Days.

In 10 years I, Kevin Chambers, will be as far away from Maynard as I can get.

In 10 years I, Danielle Chow, will still be 5 foot 2, married to my soul mate, have two children; a boy and a girl, living in a huge house, and working as a high paid executive.

In 10 years I, Gage Cummings, will be 28 years old, chilling with Byrne in the firehouse, and watching the Bruins at Wade's house.

Remember When?...

- Ms. Rock told us that we weren't going to get into college then gave us the silent treatment for a week?
The naked guy came?
Zack Oskirko dressed up as a cheerleader and ran around the gym?
Andrew Lanigan dyed his hair black?
We had good tailgates?
Leo had diesel bangs?
Erin went out with Davoll?
Will fell off his bike?
Lanigan broke both his arms in the sixth grade?
The OK's thought they scared people?
Everyone had a yo-yo?
We were in the old Fowler?
We spent 8th grade building a rat cage?
John: "What did you have for dinner last night?"
Julian thought the water on the floor was because Mrs. Connelly's water broke?
Football was good?
The heater broke?
We were sloths for spirit week?
Freshmen were actually scared of the seniors?
The field hockey team made it to districts?
The bus driver on the way to Narragansett made the best 3-point turn ever?
We were the freshmen?
Maynard beat Clinton on Thanksgiving?
Kozik had short hair?
Katie had huge bangs that no one could touch?
Colleen fell in the swamp?
Dolan crashed the Mustang?
Gas was less than \$2.00?
The locker room got raided?
Brittany loved Hanson?
John wanted to drive 100 cars?
Amanda and Kate got in a fight?
We shoveled snow off the softball field?
We had 6 different English teachers junior year?
We used to walk downtown on half days?

Community Service Class

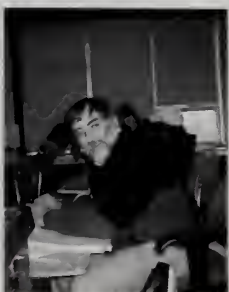

In October, we put together the Haunted Woods of Doom. This took place in the Woods of MHS. We raised \$150.00 for the Maynard Food Pantry. Also in October, Alisa Sawadiwang and Katie Sluyski helped collect goods for Nicaragua school children.

In November, we held our second annual Powder Puff Football game. Senior and Sophomores in pink took the victorious win over the Juniors and Freshmen in Green. This helped raise money for the activity fees.

In March, we held our first Poker Tournament to help raise money for the Red Cross for the Hurricane Katrina victims.

In May, we held a Car Wash which helped support the Community Service Scholarship.

Lastly, through out the school year we all sold Hebert candy bars.

National Honor Society

The Maynard High School Chapter of the National Honor Society recognizes members of the junior and senior classes who have demonstrated the qualities of scholarship, leadership, character, and service to both the school and the community.

Each year new members are inducted into this group. The faculty committee has determined that the qualifying average for all juniors will be a numerical average of 87, and for the seniors an average of 86. All potential inductees must have attended Maynard High for at least one year. Qualified students are invited by letter to fill out a data information sheet which will include the names of three adult references from the school, and community who will verify the service, leadership, and character qualities he or she possesses. All teachers are given the opportunity to comment on character, leadership, and service of each applicant. A faculty committee appointed by the principal makes the final selection for membership.

Coach's Message:

On behalf of the Maynard High School Football team and coaches, I would like to thank everyone for their support this season. In terms of wins and losses this year has been a little disappointing. This year's team has been a pleasure to work with; the players have worked very hard and even though wins have been hard to come by. The players have practiced and played with the spirit the community can be proud of. I would like to thank the seniors Shaun Allen, Phil Bathalon, Danny Bryne, Gage Cummings, Mike Konetzny, Zack Moulthrop, Carl Nilsson, and Leo Ross for their hard work even when spirits were down. I would like to especially single out Joe Carter and Kevin Carr, the captains this year, who worked very hard in-season and preseason in helping their teammates deal with all the tasks needed to play this great game of football.

Coach's Message:

This year the varsity golf team followed a 14-1-1 2004 season with an equally impressive 14-2 record. The team captured the league title for the second year in a row with a 9-1 record. Additionally, for the second consecutive year, the team was victorious at the league match. Chris DiSilva garnered medalist honors with a score of 78 at Townsend Ridge Country Club.

The highlight of the season occurred when the golf team qualified for the state tournament for the second time in three years by finishing second in the districts. For the first time, Maynard placed four members on the all star team. Tim Brannnelly was unanimously voted the league's MVP. Mac Sheehan, Jason Tessari and Chris DiSilva were honored with all star selection.

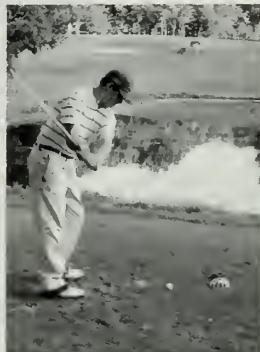

Although both Brannnelly and Sheehan will be sorely missed, the 2006 team will feature a solid core of returning veterans. Besides junior Nick DiStefano, sophomores Pat Brennan and Kevin Eglitis will be expected to play significant roles. In addition, junior Bill Nazarro and promising freshman James Tyler and Andrew Huminik should also see considerable action.

Captains' Message:

This past soccer season was an interesting one. Our record doesn't portray the hard work and effort that was put in. Though, we did manage to have some good times...we had great captains' practices, plus Kara and Maggie made sure there were a lot of "get togethers," such as cookouts, breakfasts and spaghetti dinners. We had five great seniors: Emily Cahoon, Danielle Chow, Kelly Urquhart, Alison Willett, and Maggie Rolla. These seniors exemplified leadership and worked hard these past four years. They have improved their soccer skills and bettered themselves by battling adversity. Despite all obstacles- they made it!

We can't forget the freshmen, sophomores and juniors, they all stepped up and made the season great.

Captains Kara Morgan and Maggie Rolla couldn't have asked for a better team!

Coach's Message:

The Maynard Boys Soccer Team had a very successful season qualifying for the District Tournament for the first time in 5 years. A young team featuring 8th graders, Mike Folwer, Mike Terranova & Peter Frank, joined by freshmen Jonathan Chow and Dennis Kapsimalis, the young Tigers had excellent leadership from Senior Captains Ian Bass & Bryan Kozik.

The boys finished with a 7-7-2 record, good enough to establish themselves as one of just 8 teams to qualify in the Central Mass. Division 3 bracket.

Although the boys were defeated by the second seed, Barlett High School, by a score of 6-0, it could not put a damper on the overall successful season.

The Tigers placed Jonathan Chow, Dennis Kapsimalis, Dan Lewis and Nick Hill on the Mid-Wach D All Star Team.

We had an outstanding season in the 05-06 year. We came out with 15 wins, 4 losses and one tie. You just can't win 15 games with any team. Our team played together all year long. The Aztecs were led by seniors Tim Brannelly, Nick Moretti, Bobby Searle and Craig Tyler. We wouldn't have done as well without them.

Our coach, Dave Quinn, led us to a winning season and into the playoffs. Unfortunately, we lost to the state champions of the 04-05 year, Marlborough. Even though we lost in the first round, we had a fun and great season. We would like to thank all of our fans for their support!

Captain's Message:

Coming off a losing season last year, we had high expectations with a lot of talent coming up from Junior varsity. All in all, it was an awesome season. We won a few nail biters, took down a few giants and made it to the second round of the State Tournament. Not having a lot of size, we definitely made the most of what we had. We'd like to thank Coach Justason, Coach Howes, and Coach LaCure for bringing us together and teaching us how to play like winners. We'd also like to thank all of our parents, teachers, alumni, and student fans for being an awesome crowd to play for. Thanks to Mrs. Justason for a team dinner that turned out to be a really good one. Finally we'd like to thank Dan Viscariello for donating every single one of his afternoons to help the team practice at practices and games. This team had a lot of heart and it was a privilege to be a part of it.

GRADUATION

(June 9, 2006)

On Friday, June 9, 2006 the Class of 2006 graduated. Due to inclement weather the ceremony was held indoors in the JFK Memorial Gymnasium. The ceremony was also broadcasted on WAVM, channel 8 for those friends and family members not able to find space in the gymnasium. The school was filled with well-wishers proud of the graduates. A common theme of the comments made during the graduation exercises was that this was not only the end of the graduates' time at Maynard High, but a beginning of life to come, as diverse and unexpected as it may be. Congratulations for leaving the island!

HIT HOME

KATRINA

August 29, 2005

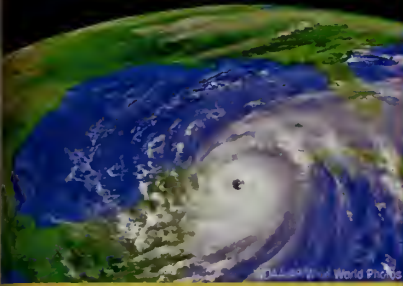

RITA

September 22, 2005

WILMA

October 24, 2005

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

RISE FROM THE STORMS

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.
