Total number of births recorded for the year 1923—152.

PARENTS BE SURE TO RECORD THE BIRTH OF YOUR CHILD
WITH GIVEN NAME IN FULL.

READ THE LAW!

"Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born.***" Gen. Laws, Chap. 46, Sec. 6.

82

Some of the many reasons why Births should be recorded:

- To establish identity
- To prove nationality
- To prove legitimacy
- To show when the child has a right to enter school
- To show when the child has the right to seek employment under the child labor law
- To establish the right of inheritance to property
- To establish liability to military duty, as well as exemption therefrom
- To establish the right to vote
- To qualify to hold title to, and to buy or sell real estate
- To establish the right to hold public office
- To prove the age at which the marriage contract may be entered into
- To make possible statistical studies of health conditions

Your co-operation to the end that all births may be properly recorded will be greatly appreciated.
