SCREECH OWL 1968

Maynard High School

Maynard, Massachusetts

Foreword

For twelve years we have traveled along a road which has led to knowledge, friendships, activities, and fun.

This book will in future years bring back to our minds all the good times and the old friends we had. It will help us to remember the teachers and counselors who guided us down this road. And now, as we approach the next intersection, we must make decisions for ourselves as to which road we shall follow as we continue life's uncertain journey. We have had a good preparation. Let us hope we make the right decisions.

Commemoration

We, the class of 1968, present this yearbook in commemoration of Rebecca
Anne McDowell.

BECKY . . . Class treasurer . . . classmate . . . athlete . . . friend

Quiet . . . helpful . . . happy . . . reserved

Energetic . . . enthusiastic . . . sincere

Becky had a shy and quiet smile, unpretentious, yet friendly. She was unnoticeable in a rushing crowd, yet now that she's gone, her presence is missed, and all who knew her feel the emptiness she has left behind. Her "Hey! Got your dues?" and soft, sincere "Hi" as she passed through the corridors with a slight tilt of her head, gentle bounce of blonde hair, and slow smile were familiar to all of us.

We, the class of 1968, shall always remember Becky as a part of our life at Maynard High School.

REBECCA ANNE McDOWELL

November 6, 1950—December 20, 1967

"Spend all you have for loveliness,

Buy it and never count the cost;

For one white singing hour of peace

Count many a year of strife well lost,

And for a breath of ecstasy

Give all you have been, or could be."

WILFRED DeROSA
Assistant Principal, Football Coach

Guidance

Colleges? Test Scores? Problems? Sob stories? Complexes? Careers? In the Guidance Office students find a willing audience and helpful advice from Mr. Laframboise, Mr. Courchene, and Mrs. Toohey.

JOSEPH T. LAFRAMBOISE
Director of Guidance

DAVID E. COURCHENE
Guidance Counselor, F.T.A. Adviser

Guidance Secretary HELEN W. TOOHEY with director Laframboise.

Library

An incredible assortment of questions characterizes the library day at M.H.S. where capable and personable Mrs. Clark readily gives the right answers. Within the bookcases, filing cabinets, and cubbyholes is a rewarding mass of approximately 8,000 books, current pamphlets, newspapers and magazines, all of which provide sources for reports and research papers as well as for pure pleasure and enlightenment.

Librarian SYLVIA CLARK conducts an orientation class.

Faculty

Art

With its wide assortment of materials the Art Department develops the esthetic tastes and talents of its students and produces many interesting creations.

Posters? Programs? Stage scenery? Name it. Students of the lively Art Department will take on any project and still find time for their own masterpieces.

BEVERLY-JEAN SMITH

Students have worked very successfully with ceramics this year.

Art students concentrate on a Christmas piñata.

Business

With the attendant clickety-clack of typewriters and other office machines, the Business Department sets a fast-moving pace in training its students in typing, shorthand, bookkeeping, office practice, consumer economics, and business law.

ELIZABETH O. PIANTONI
Stenography and Typing

MARY K. HAYES
S.T.O.P., Typing, Work Experience Program Committee.

DIRAN DERMARDEROSIAN, Business Law, Bookkeeping, General Business, Consumer Economics. Freshman Class Adviser.

Be sure you spell it right, Kathy!

English

CLAIRE F. McINTYRE
English III, IV, Composition
Cheering Adviser
Senior Class Adviser

An interest in literature and practical skill in using the English language will make life easy for students while in school and will give a lifetime's satisfaction. With this in mind, the English Department valiantly attempts to cover the gamut of literature from the ancient world to the twentieth century, dipping liberally into Shakespeare's works along the way. In its consideration of grammar, usage, and composition, it ranges from the squelching of "ain't" to the avoidance of "squinting modifiers."

DAVID A. McGUIRE
English II, III, IV
Senior Class Adviser

MARTHA J. CUTTING
English I
Senior Class Adviser

DOROTHY A. O'MALLEY
English I, II
Screech Owl Business Adviser
Junior Class Adviser

ALICE MULLIN also teaches in the English Department.

WILLIAM LINNEY joined the Department in January, 1968.

BETTY R. HILL
English I, II, III, IV
Screech Owl Editorial Adviser

Home Economics

EVELYN SAWUTZ
Home Economics
Adviser, National Honor Society

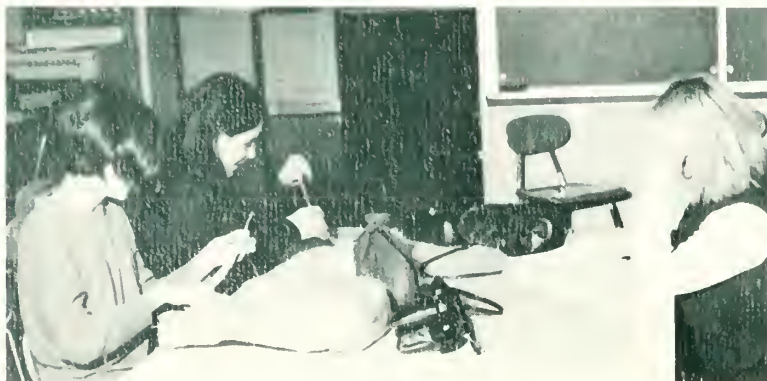

Miss Sawutz and students whip up some fancy cookies.

A stitch in time—and the Home Economics girls always have something to wear. And they can cook, too! What better way to a man's heart?

Whether winners of Betty Crocker Awards or not, all the girls in the home economics classes receive thorough instruction in principles of good home management.

Sewing can become an art.

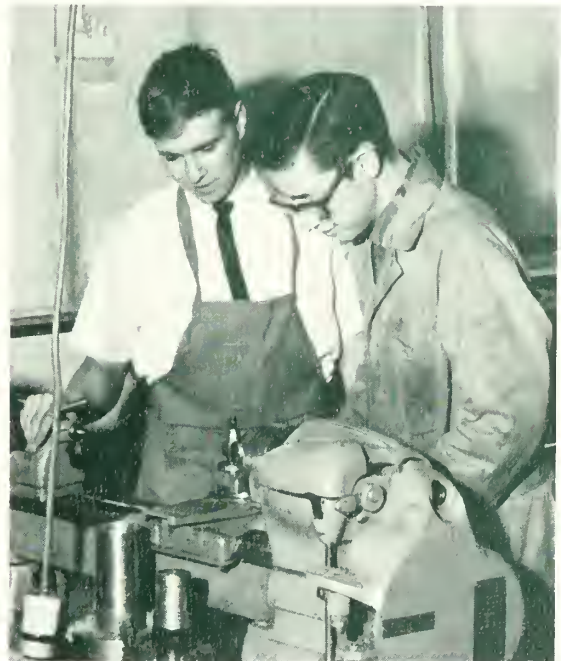

The Home Ec work tables are seldom empty.

Industrial Arts

WORSLEY FARDY, Head of Department

Working with Mechanical Drawing, Woods, Plastics, and Metals are all included in Industrial Arts courses, and the evident interest of the IA students in their work is the envy of all departments. The proficiency demonstrated by their end products consistently evokes "oohs and ahs".

JOHN J. KENDRA
Freshmen Football and Basketball Coach

Paul Green measures up.

Future draughtsmen under Mr. Fardy's tutelage

Languages

"Monsieur. Répondez, s'il vous plait. Comment allez-vous?
. . . "Veni, vidi, vici? No, no, no, that's Latin!"

Conversational French is stressed at M.H.S., and there is frequent use of the Language Lab. Latin develops translation power after establishing basic grammar principles.

ALICE L. MULLIN
Latin, English, History
Freshman Class Adviser

MARY C. ZANIEWSKI
French II, III, IV
Adviser, French Club

Listen, then speak. Tapes take over in Language study.

DAVID R. EMERSON
French I, II
Drama Club Director

Mathematics

GEORGE F. WING
General Math, Geometry

KENNETH NAJJAR
General Math, Algebra, Geometry, Trigonometry
Adviser: Math League, Chess Club, Junior Class

$$\begin{aligned} a &= b \\ a^2 &= ab \\ a^2 - b^2 &= ab - b^2 \\ (a - b)(a + b) &= b(a - b) \\ a + b &= b \\ b + b &= b \\ 2b &= b \\ 2 &= 1 \end{aligned}$$

Math is a **MUST**
and makes life so
simple!

W. WARREN SALTER, Algebra, works out with an Algebra I class.

Music

If a student is an instrumental musician, he will become a better one as a member of the MHS Band, under the skillful direction of Mr. Garabedian. Vocalists, as members of the Glee Clubs or A Cappella Choir, can't fail to improve their do re mi's.

CHARLES GARABEDIAN
Director of Music

RICHARD MILGRAM
Instrumental Music

The full band appears at the High School in a Christmas concert.

Physical Education

In Physical Education, students are helped to overcome any lacks in muscle coordination and to maintain a sense of fair play. Aside from the agony of showers and gym suits, "phys ed" is designed to show students that physical fitness is not a drag, but fun. If one follows the rules, there will be a passing grade, and maybe only fourteen push-ups instead of fifteen!

Could this be the Track Team?

Mr. Larsen says "Do this."

HARRY R. LARSEN

Physical Education—Boys; Assistant Football Coach

MARTHA WHITEMORE

Physical Education—Girls; Coach, Basketball, Field Hockey.

Science

LAWRENCE LERER
Chemistry
Adviser, Science Club

A tantalizing whiff of H_2S . . . a dissected earthworm . . . dropping a physics student out the window to prove Newton's theory . . .

Through experiments and dissections, films and lectures, aspiring chemists, physicists, and biologists are encouraged to probe the myriad scientific mysteries still remaining in our science-oriented world. Someday the science students may recall the goggles and fragrant formaldehyde with fondness.

JOHN A. COLE
Biology

Social Studies

Courses in Problems in American Democracy as well as Ancient, Medieval, and Modern History and Geography give students insight into the affairs of men. Hopefully, in learning to understand the governments and traditions of the "other guys," students will learn to appreciate the importance of peaceful co-existence with their fellowmen.

JOHN F. COTTER, JR.
Ancient, Medieval, and World History, Faculty
Manager of Athletics.

SHIRLEY M. NOYES
Geography, Bookkeeping, Commercial Social
Studies.

Class History 1967-1968

LIBERTY OF THOUGHT IS THE LIFE OF THE SOUL

September, 1964, marked the beginning of the class of '68's high school years. We never made it to the old high school on Summer Street but entered the sparkling new Maynard High School on Great Road, the first class scheduled to complete four years in the new location. It was a break for us because, as freshmen, we were no more confused than any other class.

Our Song: "You'll Never Walk Alone"

Flower: White Rose

Gift: Tree

In our sophomore year, after much confusion, we had a winner in the November float parade, "The Guillotine." This year we ordered our class rings, making the big decisions about stone colors. The "Mod" look appeared, and along with it progressively shorter skirts for girls and longer hair for boys. But the last two weren't really meant to be part of the "M.H.S. look." **Would you believe**—that Batman made his T.V. debut dancing the frug this year?

Junior year was memorable and exciting. After a long wait we received our class rings. Most of the class made the U.N. trip. Our Prom **Blue Hawaii** was a major production. Mr. DeRosa was Acting Principal, and we loved him. The Girls' Basketball team was champion of its league. And at the end of the year, when the seniors left early, we were top dogs. We had finally reached seniority!

In September, 1967, we returned to our familiar institution of learning for our last high school year. Mr. Kingsbury had been appointed principal. In December the rallying cry was "Can I have a picture?" as the big exchange of wallet-size photos got underway. Class colors . . . Caps and gowns . . . College applications . . . College Boards . . . Job interviews . . . all consumed our interests. And yes, this year we finally got THE SENIOR PRIVILEGES???

Property Manager

Set Designer

Make-up man

MR. DAVID EMERSON

Students with an interest in acting find the Drama Club an excellent outlet for their talents. Many also enjoy working backstage. Several members rehearsed for months to prepare for GEORGE WASHINGTON SLEPT HERE presented February 26 and 27. Most of the cast members have performed on the M.H.S. stage before. Could it be they're hoping to be "discovered"???

At the time the SCREECH OWL went to press there were also hopes of doing a faculty-student play entitled ARE TEACHERS HUMAN?

Rehearsal scenes from GEORGE WASHINGTON SLEPT HERE.

The French Club

Gives pleasant opportunities to those wishing to delve more into the French language and culture. Among activities the most popular is the yearly trip to a French restaurant.

All Maynard schools participate in the F.T.A. program designed to show student members at first hand what teaching is all about. It gives the opportunity to do what the average teacher does—correct papers, prepare lessons, and, of course, teach.

Future Teachers Of America

Junior Woman's Club

The main purpose of the Junior Woman's Club is to develop a social and cultural interest in society and to aid in community service and charity. During the year M.H.S. members of the J.W.C. served as volunteers for the Cancer Drive and for the Friendly Aid Service in Concord.

Social activities of this year included the gala initiation of new members, a trip to Tuft's university Theatre, a semi-formal dance in December, and a banquet in the Spring.

Mrs. Clair, Adviser.

OFFICERS
and
PROGRAM COMMITTEE

The Chess Club was an inspired innovation at M.H.S. in the fall of 1967, with Mrs. Clark and acting student director David Faldasz as organizers. This intellectual hobby caught on fast with many students, and three teachers, Mr. Lewis, Mr. McGuire, and Mr. Najjar were just as fast in volunteering as advisers.

Chess Club

Interested seniors watch a crucial match between David Faldasz and Daniel Norman.

Library Club

members assist Mrs. Clark by checking out books, cataloguing, preparing window displays, and doing other small tasks. Through practice they become acquainted with how a library runs and how to put its resources to the best use.

Math League

members have a special interest and understanding of math and compete with other high school students in the area in solving mathematical problems. The big hope is to

amass the most points. In 1967-'68 M.H.S. scored higher than in any previous year. Mr. Najjar is the faculty adviser.

Science Club

Marie and Joanne like to experiment in the Chem Lab.

Science Club members are students with a special interest in science. Through the Club a little extra knowledge can be obtained, especially in particular areas such as photography, electronics, biology, chemistry and astronomy.

Mr. Laurence Lerer is the Club Adviser, assisted by other science faculty members, Mr. Cole and Mr. Lewis.

Science Quiz Team

Members of the Science Quiz Team are excellent students of biology, chemistry, and physics who are selected by the Science faculty to compete against other high school teams in the area. Coached by Mr. Lewis, M.H.S. teams challenged Framingham North, Framingham South, Marian, Marlboro, and Nashoba Regional. Those selected to take part included Elena Murphy, Debbie Regan, Stephanie Lehto, Richard Trakimas, Billy Bollinger, and Helen Finneran.

Mr. Lerer points out a few obscurities to Karin and Paul.

The Student Council

The main purpose of the Student Council is to promote good citizenship and harmonious relations throughout Maynard High School and to promote better student-teacher relations. The Council is also called upon at its meeting on the second Tuesday of each month to aid in decisions on the management and promotion of the school's general welfare.

The Student Council is composed of five elected representatives from each class. Each class has a representative-at-large as well. Each class president is an ex-officio member. The principal, Mr. Kingsbury, has been the adviser during the 1967-1968 school year.

Awards

D.A.R. Good Citizen—Sarah Saisa.

Betty Crocker Homemaker—Diane Lankiewicz.

Student Government Exchange delegates—Shirley Grant, Terry O'Neil, Richard Trakimas, David Faldasz.

Harvard Book Award—Richard Trakimas.

John Philip Sousa Award—Margaret Gorts.

Girl's State—Shirley Grant; Boy's State—Richard Trakimas and William Ignachuck.

National Honor Society

Recognized for outstanding Scholarship, Leadership, Character, and Service, these six members of the Class of 1968 were elected to the National Honor Society in 1967:

Shirley Grant, William Ignachuck, Terry O'Neil, Carol Pazaricky, Richard Trakimas, and Barbara Wasiuk.

M.H.S. Athletics

The Tigers enter the field at a home game cheered on by the "Pom-Pom" girls.

Maynard High School offers its students a varied sports and physical education program under the direction of Richard Lawson and an experienced coaching and teaching staff. Boys may participate in football, basketball, baseball, track, cross-country, and golf. Girls have basketball, field hockey, and softball teams.

Enthusiastically backing the athletic endeavors of the football and boys' basketball teams are the Cheerleaders who lead cheers at all games and at sports rallies.

Graduation Begins The Excitement

Upon graduation from high school, you may want to enter the dynamic, exciting field of computers. Right here in Maynard, there are fine openings at Digital Equipment Corporation whose computers are doing significant work in leading laboratories throughout the free world.

Ask your counselors about Digital, or even better, drop into our Thompson St. Employment Department to discuss opportunities in many areas: secretarial, wiremen, trainees, stock, silk screening, personnel, purchasing, etc. Visit anytime Monday through Friday, 9 a.m. to 5 p.m.

Should you decide to attend college or vocational school (particularly in the technical fields), keep in touch with Digital. We have continuing needs for engineers, programmers, draftsmen, and technicians.

Digital takes pride in its community, and encourages local people to apply for good jobs and enjoy our liberal benefit programs.
