

Why should I join?

- Psalm 100 will come to life for you as you make joyful noise unto the Lord.
- Intellectual stimulation—when you make music, you are using both sides of your brain simultaneously.
- Serving the Lord—considering all He does for us, it's just a little giving back to Him.
- Serving others—the congregation really loves it when the choir leads the singing.
- Every once in a while, you might catch a glimpse of heaven's choir singing along with you.
- You never know—your music director might decide to take the choir to Rome to sing for the Pope
- Your participation assures the continuation of a prestigious organization that puts your parish on the map
- You will help perpetuate the notion that music touches everyone's life and that it always has a place in an ever-evolving world.

- Over the past half century, St. Bridget's Choir has been a mainstay in the day to day worship of St. Bridget's Church in Maynard, MA. The choir has sung for funerals, celebrations, confirmations, communions, holidays and installation services. The choir has been lauded on many occasions as an exceptional singing group for such a small religious community. In 1982, His Eminence, Umberto Cardinal Medeiros, while celebrating the centennial mass at the church, exclaimed "This choir sounds like it has come from Lincoln Center!"
- The membership has dropped over the past several years for a variety of reasons. The choir needs to be revitalized with the addition of new members. No experience is necessary, just an abiding love and appreciation of good religious singing. Contributing your talents, large or small, assures the continuation of such an important group in the life of any religious community.
- The choir meets every Wednesday from 7:00-9:00pm and on Sundays from 8:30-10:30am. The choir sings for the 9:30am mass every Sunday. Repertoire ranges from contemporary to classical to gospel to folk.
- As we begin a new phase in the life of St Bridget's Church when we join forces with two other parishes, it is imperative we hold on to that which has been made us great and one of which is our choir.
