# Senior Class Poem

Senior year is finally here,  
filling us all with tons of cheer.  
We wrote this poem to remember good times,  
so follow along and listen to us rhyme.

James Carven likes sharks, he's our future prez,  
No one can run like Rose Mendez.  
Jakes into film, he's the director,  
Peyton's the treasurer, she's our money collector.

Emma writes songs, she's gonna be famous,  
We love Hannah Mac, who could blame us?  
Judson plays lacrosse, he already committed,  
Hannah Waring likes to read, she's sharp-witted.

Gabe's got them pipes, he can really sing,  
Izaiahs was our one and only prom king.  
Alice looks like gaga, Riccardo plays guitar.  
No one's as close as Beth and Ella are.

James Carter is an artist, she's friends with Emma Haley,  
Rachel gets Dunks almost daily.  
Evan's so tall, it's almost impossible.  
Annie's our president, she's so responsible.

Julia's on the clarinet, and Owen plays the sax,  
Isaac knows countless math facts.  
He loves hockey, his name is Joe Berm,  
Joseph McDonald looks like he got a perm.

Abraao was voted most out-of-pocket,  
Will Fallon plays bass and he rocks it.  
Natalie's a gymnast, she can really flip,  
Marissa's the goalie, Andjee's got the drip.

Wilbert's a genius, and Nolan can ball.  
Best bromance goes to William and Michael,  
Nick's a scholar, he's got a twin,  
Dylan Peavoy, bringing in them soccer wins.

Dorothy and Bellina, the best of friends,  
Nathan and Bruce, the perfect blend.  
Cy's got a cackle, he's always smiling,  
Isabelle works at Ras-beret, she's always styling.

Soli says what she thinks, and Julia's our jolly girl.  
Lev lost his license, his driving will make you hurl.  
Quintin went by Q-tip, Rayana's from Brazil,  
Jamie can't drive, she speeds for the thrill.

Ronald plays baseball, everyone loves Praise,  
Stephen likes to nap, he sits in unique ways.  
Kate keeps WAVM running smoothly,  
Kayla's so sweet, Manuel, our favorite newbie.

Chris Carmo is the nicest, Chris Schad reads like a reporter,  
Bella's got A's in every quarter.  
Vittoriana is here on exchange, and Charlie plays Squash,  
This poem is almost over, oh my gosh!

Ryan is an athlete, Felipe works at McD's,  
Adam is so funny, and Gavin agrees.  
Colin is from Texas, and Archer came back from AMSA,  
Michael Magloire has the coolest sneakas

Conor and Agna, make a great team,  
Luciana runs amnesty, human rights is her dream.  
Nancy's so edgy, she loves rock and roll,  
Julia Martell has a good soul.

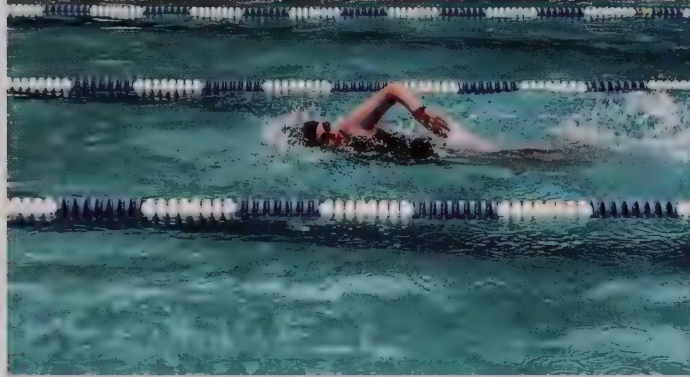

Remy's from the Philippines and Diogo works out,  
Sebastian loves Olivia Rodrigo without a doubt.  
Julianna and Eliza write the most awesome rhymes,  
We would keep going but were out of time.

Sadly this poem has come to an end,  
We're so happy that you all could attend.  
So here's to our future and the reunions ahead,  
Say goodbye to your friends and leave no words unsaid.

We love you class of 2023,  
Now it's time to get a degree.

-Written by Julianna Tenaglia and Eliza Smethers

# STORY OF THE YEAR

## WAR IN UKRAINE

More than seven months after Russia invaded Ukraine, just days after Russia annexed parts of eastern and southern Ukraine, a blast attributed to Ukraine destroyed sections of a bridge connecting Russia to Crimea. In retaliation, Moscow missiles assaulted civilians in the heart of Kyiv and almost a dozen other cities, as the war in Ukraine raged on.

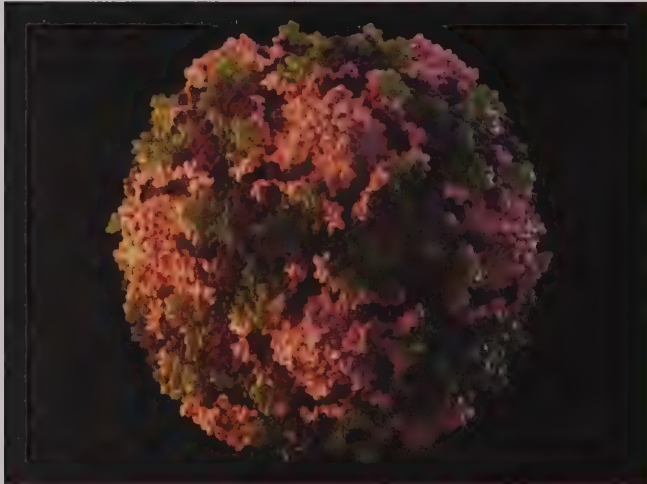

The war created shock waves that impacted the U.S. economy with fuel and grain shortages, increasing inflation and decreasing economic growth. U.S. tensions with Russia mounted as the U.S. imposed sanctions on Russia and the Chinese-Russian alliance solidified.

# HEADLINES

## POLICING POLIO

After polio paralyzed an unvaccinated New York man and the polio virus was discovered in wastewater in three counties, Kathy Hochul, New York governor, declared a state of emergency on September 9, 2022, to urge vaccinations. Once thought to be eliminated from the United States, the virus can cause paralysis and even death. The threat of polio followed a recent outbreak of the mpox virus.

## FRIEND OF THE ENVIRONMENT

Patagonia, the outdoor gear company, captured attention in September 2022 when the company's founder and owner Yvon Chouinard transferred ownership of his family business to a trust and nonprofit dedicated to saving the planet. Chouinard's move will likely bring \$100 million a year to combating climate change and preserving the planet.

## QUEEN ELIZABETH II

After reigning 70 years as England's longest-serving monarch, Queen Elizabeth II died, leaving her son Prince Charles, age 73, to be king. Elizabeth became queen at age 25 and was crowned at age 27 in 1952. Her reign encompassed the leadership of 15 British prime ministers and decades of change, including England's transition from empire to commonwealth, the Cold War, and Britain joining – then exiting – the European Union.

## SERVING THE COURT

On June 29, 2022, Judge Ketanji Brown Jackson, age 51, was sworn in as the first African American woman appointed to the Supreme Court in the 232 years since it was established. Serving as the 116th justice on the court, the Harvard College and Harvard Law School graduate was recognized for her knowledge of criminal law.

## RELAXED REGULATIONS

In August 2022, after more than one million COVID-19 related deaths and two years of COVID-19 guidelines set by the Centers for Disease Control and Prevention, many schools and businesses ended contact tracing and stopped requiring unvaccinated people exposed to the virus to quarantine.

## TAKEN BY STORM

Hurricane Ian buffeted Fort Myers, Florida on September 28, 2022, with torrential 150-mph winds and rain that destroyed homes and businesses across the state. The rare Category 4 hurricane and its storm surge took more than 100 lives, resulting in an estimated \$57 billion in losses.

## GEN Z VOTES

Gen Z showed up in the second-highest youth turnout rate for a midterm election in the last 30 years. Exit polls revealed that 27% of Americans ages 18-29 cast a ballot.
