REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Maynard:

The Board of Selectmen respectfully submits for your consideration and approval reports of all Town departments for the year ending December 31st, 1926.

In the Town Accountants report will be found a complete statement of Receipts and Expenditures of all departments, together with a Balance sheet showing the financial condition of the Town to the end of the year 1926.

In our last annual report we mentioned the necessity of the widening and re-inforcing of Paper Mill bridge, but in order that the taxes be kept as low as possible it was decided to lay the matter over until this year.

The State Bridge department was petitioned by the Board to make a survey of the bridge, as to the alterations necessary and the approximate cost. The report of the Bridge Engineer is herewith printed for your consideration.

As is well known there is an increasing amount of traffic over this bridge, and we feel that this year the improvement should be made in the interests of public safety. The cost to the Town would be approximately \$10,000.

August 11, 1926.

Chairman of Selectmen,
Maynard, Mass.

Dear Sir:

With reference to your letter of January 28 regarding report on Paper Mill Bridge on Summer Street over Assabet River in Maynard, I would advise that our Bridge Engineer has made an examination of the Bridge and submits report as per the enclosed copy.

This report shows two estimates, one amounting to \$30,000 for extending the present stone arches on the northerly and southerly sides with reinforced concrete, increasing the width of roadway to forty feet and two sidewalks five feet wide. This estimate includes approaches.

The second estimate amounting to \$31,000 is for extending the present stone arches on the northerly side, facing and extending the present stone piers on the southerly side, facing one stone abutment, rebuilding the westerly abutment, and using reinforced concrete beam and slab construction for superstructure on the former street railway portion making roadway forty feet wide and two sidewalks five feet wide. This also includes approaches.

You will note the Bridge Engineer states that we have not sufficient information to make a reliable approximate estimate

on the approaches and that the cost of work on them may be considerably more than estimated.

Your very truly,

A. W. DEAN,

Chief Engineer.

August 10, 1926

Maynard Bridge

An examination was made on July 25, 1926, of the Paper Mill Bridge on Summer Street, Maynard, over Assabet River. This is the bridge referred to in letter of Mr. Edwin Carlton, Selectman, dated January 28, 1926.

The bridge is a stone masonry arch of three spans and formerly had a street railway steel beam bridge located on the southerly side which was converted to highway purposes about 1910 by adding steel beams, placing 4-inch plank on top and covering with bitumen and gravel. The spans of the arches are about 15 feet, 25 feet and 24 feet. The spans of the street railway beams are about 25 feet each. The width of the present roadway is about 36 feet and a sidewalk about 6 feet wide on the southerly side. The layout of Summer Street is 50 feet wide.

The stone arches are in good condition except the dry rubble stone masonry spandrel walls, the arch rings being grouted in 1912. The steel beams of the street railway portion are in fair condition but the wood floor is in poor condition and the construction and appearance is unsatisfactory. The westerly abutment of the street railway shows a vertical crack.

The Town wishes to reconstruct the street railway portion of the bridge, widen the roadway as it is in the village and is needed for traffic requirements, place lights on the bridge and place fixtures for flag decorations.

The bridge can be improved and widened by extension of the stone arches with reinforced concrete to the full width of the layout; or the arches can be extended on the northerly side and the southerly side improved and widened by means of reinforced concrete beams and slab construction. The roadway on the bridge should be at least 40 feet wide and there should be two sidewalks each 5 feet wide. This would require the placing of fences on the bridge and wing walls just outside the present layout.

To make reliable close estimates, a complete survey of the bridge and approaches should be made. However, from data at hand the following approximate estimates have been made.

No. 1—For extending the present arches on the northerly and southerly sides with reinforced concrete, increasing the width of roadway to 40 feet and two sidewalks 5 feet wide, it is estimated would cost for bridge about \$25,000
Approaches about 5,000

\$30,000

No. 2—For extending the present stone arches on the northerly side, facing and extending the present stone piers on the

southerly side, facing one stone abutment, rebuilding the westerly abutment, and using reinforced concrete beam and slab construction for superstructure on the former street railway portion making roadway 40 feet wide and two sidewalks 5 feet wide, it is estimated would cost for bridge about \$26,000
 Approaches about 5,000

\$31,000

It is seen that by these rough estimates, the cost will probably be not more than \$30,000 for either method of improvement and it is believed that the extension of the present arches as given in Estimate No. 1 will be the more satisfactory.

We have not sufficient information to make a reliable approximate estimate on the approaches and the cost of the work on them may be considerably more than estimated.

Respectfully submitted,

G. E. HARKNESS,

Bridge Engineer.

The State Highway department was also petitioned for the relocation and repair of Acton Street from Paper Mill bridge to Nason street corner. This street is in poor condition and the drainage of surface water inadequate.

It is proposed to build a bituminous macadam road and the cost to the Town would be approximately \$5,500.

We would recommend that \$10,000 be appropriated for the Paper Mill bridge improvement, and \$5,500 for the repair of Acton Street on condition that the State and County appropriate a like amount.

Many additional street lights have been installed during the year in different parts of the Town, where new houses have been built, and we believe the Town is now well lighted with the exception of the business section. The Business Men's Association has brought this matter before us at different times during the past year, and we are fully in agreement with them that larger lights should be installed in the business section.

We have taken this up with the Electrical department of the American Woolen Co. asking them to make an investigation and report to us what the additional cost would be per light. We have not, however yet received their report.

Additional traffic beacons have been installed during the year, others delayed in shipment, will be placed when received. It is our intention to install over-head signals at heavy travelled intersections; red-flex signals at dangerous curves, and warning signs near all schools.

Selectmen,

FRANK S. BINKS,
 EDWIN CARLTON,
 JOHN C. KING.

REPORT OF CHIEF OF POLICE

To the Board of Selectmen:

Gentlemen:

I herewith submit for your consideration and approval my annual report as Chief of Police for the year October 1st, 1925 to September 30th, 1926, showing the number of arrests made and the work done by the Police department during that period.

The amount in fees received by the Town Treasurer from the Concord Court during the year 1926 totalled \$3,452.38. This is a record amount of fees received by the town in any one year, and shows that over one third of the appropriation of the department has been returned to the Town. I feel sure this reflects some credit to the department for the efficient service rendered during the year.

The enforcement of the Prohibition laws takes a large part of the appropriation each year.

The expenses of appealed cases in the Concord court are sometimes very heavy, when these cases come up for disposition in the Superior Court at Cambridge.

Many complaints, by letters unsigned, are received by me during the year. I would appreciate it more if complaints were made in person, so that a more thorough investigation could be made.

Traffic officers have been stationed at street intersections where traffic is heavy, also extra officers at the west end of the Town.

Everyday throughout the year, morning and afternoon, while the schools are in session, an officer is stationed at the intersection of Nason and Summer streets to safely guard the children when leaving school. I believe this is greatly appreciated not only by the children but more so by their parents.

A motorcycle would be of great service to the department and I recommend that one be purchased by the Town. Many cases of over-speeding, reckless driving, and driving with only one light and in some cases no lights have been reported. I feel sure by the addition of a motorcycle to the department it would greatly assist the officers in the performance of their duties.

I wish to thank the citizens of Maynard for the assistance they have given me during the year and would appreciate their continued support.

Very truly yours,

JOHN CONNORS,

Chief of Police.

REPORT OF SUPERINTENDENT OF STREETS

Work done during the past year

Bituminous Macadam

During the past year, we have constructed a great amount of bituminous macadam.

Great Road from the Ben Smith Bridge to Stow line, for many years has been in poor condition. This road has been rebuilt with bituminous macadam twenty-four feet wide. This road has been judged by experts, as one of the best roads in the State. This gives the Town a stretch of bituminous macadam from the Acton line at the Powder Mill to the Stow line.

The State and County each contributed with the Town their share of the cost of this road.

Parker Street from house of Arthur Walker to the Great Road, including the square has been rebuilt with bituminous macadam. All the brush has been removed, also watering-trough, which gives an unobstructed view at the square.

The watering-trough will be re-set at one side of the road, thus giving a good-looking square as you approach the Town.

This gives a bituminous macadam road from the Acton line at Powder Mills to the Great Road.

The State and County each contributed with the Town their share of the cost of this road.

Glendale Street owing to the poor drainage was in a very soft condition. It was deemed advisable to rebuilt with bituminous macadam. The street is in good condition and should last many years.

Rafferty Square at junction of Main Street and Sudbury Street near the railroad crossing was not improved at time of Main Street construction. The traffic at this square called for a wider road. It was decided to macadam this section thus giving the full width of street a much needed improvement.

Concord Street from Acton to Tremont Street was in poor condition. It has been rebuilt with bituminous macadam and like our other macadam roads is in fine condition.

Gravel Roads

The following streets have been treated with gravel and oil applied.

Pleasant Street the entire length, also Warren Street, Glendale Street from Acton Street to Colbert Lane, Maple Court the entire length, Summer Street near house of John O. Thompson to the Mason farm has been treated with cinders and gravel.

Puffer Road received considerable attention but is not yet in good condition.

All the streets and gutters received the regular spring cleaning. The streets in the business section were cleaned each week. All the streets were oiled and a number of streets were scarified and reshaped.

Considerable cold patching was done in order to hold the old gravel roads.

Russell's Bridge has been repaired.

Drains

A new drain has been laid on Main Street from corner Main Street and Spring Lane to house of James Hilferty, and from Main Street school drain to Martin Street. These drains were very much needed to drain this part of Main Street. The drain through the Main Street school land has been relaid. The drain from Riverbank Road to river has been replaced by a new 12 inch clay pipe.

Catch Basins

New catch basins were built on Glendale Street near Martin Peterson's garage, two on Concord Street near Parmenter Ave., one on Walnut Street near corner of Parker Street, one on Main Street near house of James Hilferty, also one on Main Street near Martin Street.

Culverts

Many culverts have been repaired and a new clay pipe culvert laid on Walnut Street near land of Alfred Lord, as the old one was not of sufficient depth to properly take care of the drainage at this point.

Snow

All sidewalks have been kept open by the sidewalk plows, and well sanded for travel.

The automobile travel has made it necessary to keep the roads open at all times, thus creating considerable expense, as new equipment had to be added to do efficient work.

Trucks with scraper attachment have plowed out all streets after each storm. In the business section the snow was hauled away with trucks, teams, and horse drawn scrapers.

Sidewalks

Owing to change of line of street at the corner of Main and Nason Streets, we were obliged to replace the curbing the entire length, also laid a new asphalt walk at same point.

A new asphalt walk has been laid on Acton Street near Dean Street.

A new concrete curbing has been laid on Walnut Street near corner of Parker Street, also on Main Street from bridge to Mill Gate. The Maple Street sidewalk near house of William Coulter has been relaid.

Several walks have been repaired and raised.

REPORT OF MAYNARD PUBLIC HEALTH ASSOCIATION

To the Board of Selectmen:

Gentlemen:

The Maynard Public Health Association submit the third annual report of Miss Mary A. Ward, Public Health Nurse, for the year ending December 30, 1926.

Number of patients visited	215
Number of nursing visits	1152
Baby Welfare	65
Tuberculosis	58
Total Calls	1490

Total amount of fees collected from Dec. 30 1925 to Dec. 30, 1926—\$725.75.

Last March the Town of Maynard voted to appropriate one thousand dollars (\$1,000) toward the salary of the Public Health Nurse. The cost of maintaining the association this year is \$1,866.64.

During the past year the association has taken over the nursing service of the John Hancock and Metropolitan Life Insurance Companies. These increased duties along with Miss Ward's district and tubercular work necessitated the question of more compensation for our nurse, as Miss Ward has accepted these additional duties with an attitude of cheerfulness that is most gratifying.

Nearly all communities today who employ a Public Health Nurse provide an automobile to help her reach all parts of the town, or pay a certain amount toward its upkeep. With this in view the Association voted at October meeting to give Miss Ward \$300 for the upkeep of her car in addition to her salary of \$1,600 per year, the telephone and also one months salary of a substitute nurse during Miss Ward's vacation in August is paid by the association.

We have held regular monthly meetings in the Selectmen's rooms with notices of these meetings published in the two local papers, also monthly reports of Miss Ward's work have appeared to keep the public informed as to what our nurse is doing, and in hopes of stimulating interest in public health work.

Suggestions have come to the Secretary of increasing our executive board to nine or more members, also to include a physician on the board, and a member of the board of health which no doubt would be quite an asset.

We are especially grateful this year for the generous donation from the Fowler family, in memory of Nellie Fowler, our dis-

tinguished leader and friend, through whose untiring efforts the organization of this association was made possible.

The association was also kindly remembered with a donation from the Teachers' Club and also the American Red Cross Society who have paid for medical supplies.

We are heartily grateful to the taxpayers, various boards, the physicians who have co-operated with the association, and to the splendid work of our Public Health Nurse.

Respectfully submitted,

VERONICA B. CREIGHTON,

Secretary of the Maynard Public Health Association.

*SUPERINTENDENT'S REPORT
BROWN TAIL AND GYPSY MOTH*

To the Board of Selectmen:

Gentlemen:

During the year 1926 there has been a decrease in the number of gypsy moths and brown tails. The number of gypsies last year being 2512 and the brown tails 75, which is much less than the previous year.

Last year I set out one thousand trees, as follows: commencing at Summer street and ending at Stow line, 710 trees; then from Parker street to Sudbury line, 290 trees.

JOHN CLEARY,

Moth Superintendent.

PARK SUPERINTENDENT'S REPORT

To the Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1926.

On a petition of citizens there was an article in the warrant of the December meeting asking for \$400 for the ploughing, seeding and other necessary work to put the field in better condition and repairs on the grand stand.

As it was late when the meeting was called, no work could be done this year so I ask for \$400 for this work and \$125 for general expenses, total \$525 for the year 1927.

Appropriation, March meeting	\$125.00	
Appropriation, December meeting	400.00	
	\$525.00	
Expended	125.00	
	\$400.00	
Balance		\$400.00

Yours respectfully,

JOHN C. BRAYDEN,
Park Superintendent.

REPORT OF INSPECTOR OF ANIMALS

Board of Health, Maynard, Mass.,

Gentlemen:

I herewith submit my report for barn and cattle inspection for 1926.

I inspected 35 barns, 141 head of cattle, 346 swine, 8466 hens.
I disposed of 9 dogs, sick with distemper.

Yours truly,

JOSIAH M. HERRICK,
Inspector of Animals.

Jan. 17, 1927.

*REPORT OF THE MAYNARD PUBLIC LIBRARY*Year 1926

To the Selectmen and Citizens:

The Librarian and the trustees submit the following summary and report to the citizens of the town, realizing that they are but custodians of the books and literature owned and controlled by the town.

We are doing our best to make the library a place where people may come quietly to exchange books, to study, to use the reference books and to make the proper use of the library. It is still a task to keep the children under restraint. We wish the parents of all children would admonish them to behave like ladies and gentlemen when they are in the library. If not, the trustees shall be forced to make an example of some. Probably some may wonder at the expression, "ladies", thinking that the girls always behave and the boys are the offenders. Not so, the girls are as bad as the boys. One remedy is to have the library large enough to extend the books cases around the room so the librarians can see the children all the time. But now there are crannies and nooks in which to hide and the mice will play. When we get our new library we will be better able to keep it quiet and orderly. In the meantime remember, "if my neighbor can be quiet, I can be."

During the year we have had a sign placed on the lower hall door. This is a great improvement and tells all where we are. But we had trouble with that. The first letters were scraped off by mischevious boys but the second lot are in place yet.

We have obtained some 20 odd books printed in the Finnish language for these people who like to hold to their native tongue. They are mostly American stories written in that language.

Our rent has been raised so we are forced to request an increase in our appropriation over last year.

Our circulation is large and means that the librarians are constantly working during their time on duty, sorting the books as well as exchanging them.

We have made the opening hours from 2 P. M. to 8 P. M. each day except Saturday when the library is open from 2 P. M. to 9 P. M.

This year we are appending the list of books that we purchased during the year 1926. We hope that the public will save this report and use the book list frequently. We have been contemplating this idea for some time and now have realized our hopes. We feel that the public should know just what books are in the library and this list will fill a long felt want.

We also have used the Maynard News, publishing a list of the books bought in 1926, periodically and have some of these lists at the library for those who care to take them home and use them for reference.

We want the people to know that we are ready to buy books recommended, provided they come up to the standard that we try to maintain. There are bound to be objectionable books creep in but we endeavor to weed them out and give the public clean, wholesome reading as well as helping in their education.

We wish to acknowledge the receipt of 14 books from donors who do not wish their names mentioned, and to thank them.

We are facing the year 1927 full of courage, and hope that the library will mean more and more to the public until every possible person is using it to the fullest extent.

ANNUAL REPORT OF THE LIBRARIAN

Sarah F. Nyman for 1926

No. of books in Library ending 1925	10818
No. of books added during 1926	258
No. of books by Gift	14
No. of books worn out during 1926	26
No. of books taken from shelves (not returned)	23
No. of books bound during year	204
Total number in Library ending 1926	11041
1 year Popular Mechanics bound; 1 year Geographic bound	
Circulation for year (1926)	33,062
Fines taken during (1926)	\$60.37
Pamphlets, all kinds, given during 1926	31
Included in the total number of books are 10 no good and 29 duplicates.	
Cards out with people in good standing	642
Cards out with people in not very good standing	105
Cards out with people in very poor indeed standing	149

Our Finnish Library, loaned us has been very well patronized; the people have returned the books always on time, also kept the books in good condition.

The set of 15 volumes of Outline of Science added this year is a fine set and well used.

List of Books Purchased by the Maynard Public Library during the year 1926

Books purchased in January, February and March, 1926:		
Anderson, Sherwood	Poor White	3697
Beers, Lorna Doone	Prairie Fires	3696
Brown, Alice	The Mysteries of Ann	1263-6
Barbour, Ralph H.	Tom Dick and Harriet	1626-30
Bower, B. M.	Black Thunder	3101-19

Beach, Rex	The Goose Woman	1572-21

REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

Sirs:—I herewith submit the report of the late Joshua J. Edwards, as Sealer of Weights and Measures for the year ending November 30th, 1926.

While this report gives an idea of some of the work done, it does not begin to show the actual amount of time that must be spent to perform the duties pertaining to this office.

Not only the town pedlers have to be licensed but all pedlers entering town must be approached and their licenses examined.

On looking over the reweighings it seems as though the scales in town rank with the highest in the state.

	<i>Adjusted</i>	<i>Sealed</i>
Platform Scales (over 5000 lbs.)		3
Platform Scales (under 5000 lbs)		19

REPORT OF TRUSTEES OF SOLDIERS' MEMORIAL

To the Board of Selectmen:

Memorial Park with its Memorial Monument is a "Soldiers' Memorial" of which the citizens of Maynard may justly feel proud.

Dedicated on November 15, 1925, with but one season's growth the Park has developed to a degree which everybody can appreciate when they remember the original condition of the property.

The coming season will show greater improvement, particularly in the shrubbery and the lawns. With seats conveniently situated it will be more generally used as a place for rest and recreation.

The Trustees welcome suggestions from the citizens as to what will make the Memorial most desirable for what it is intended.

Appropriated by Town	\$1,200.00	
Expended	1,199.36	
		<hr/>
Unexpended balance		\$.64

Respectfully submitted,

FRANK S. BINKS, Chr.
 ALICE NAGLE, Sec.
 CHARLES PERSONS,
 CARL PETERSON,
 ALICE HOWE,
 WILLIAM BRINDLEY,
 Trustees of Soldiers' Memorial.

REPORT OF WATER COMMISSIONERS

To the Board of Selectmen:

The report of the Water Commissioners for the year ending December 31, 1926 is herewith submitted.

The ten inch main on Summer street has been completed this year. With this line in service we have two good size mains from the reservoir to the center of the town either of which is large enough to supply the town.

A concrete floor has been laid in the stone receiving well.

The repairs on the reservoir have not been made, but will be made the coming year.

A considerable amount of work was done on the conduit line and much more work on this line is planned for the coming year.

The reports of the superintendent and of the engineer are included in this report.

The bills approved for maintenance this year amount to \$12,301.05, and for construction \$5,012.77 leaving a balance from the appropriation of \$12,406.18.

Respectfully submitted,

GAVIN TAYLOR,
O. S. FOWLER,
JAMES C. MAHONEY,
Water Commissioners.

SUPERINTENDENT'S REPORT

To the Board of Water Commissioners:

Gentlemen:—The report of the superintendent and registrar also the report of the engineer, for the year ending December 31, 1926 is herewith submitted.

The water in White Pond did not reach so low a level this year as last year.

The conduit line has been cleaned of sand and roots for a distance of 2000 feet and the catch basins have been pumped out several times. This work has resulted in a much larger flow of water from the pond.

The stone receiving well at the pumping station was cleaned out and the floor was graded and a concrete floor laid. The round well was also cleaned.

The pumping station roof has been resingled.

The work which was planned at the reservoir was not undertaken because of other work and the scarcity of the water supply

during the summer.

The ten inch main on Summer street has been completed.

The threads on all hydrant nozzles have been changed to conform to the State law.

The boilers and machinery at the pumping station are in good condition.

The following mains have been laid this year:

Summer St., No. 89 to Brooks St.	1700 feet	10 inch
Boeske Ave.	262 feet	6 inch
Parker St. south of Great Rd.	150 feet	6 inch
Pompsitucit Ave. from Summer St.	168 feet	6 inch
White Ave.	101 feet	4 inch
King St.	60 feet	2 inch
Lewis St.	63 feet	2 inch
Sherman St.	245 feet	2 inch
Sheridan Ave. from O'Moore St.	150 feet	1¼ inch
Parker Place from Parker St.	180 feet	1¼ inch

Of the eight leaks in the mains, seven were in the lead joints and one was a broken pipe.

Five hydrants have been repaired and a new hydrant has been placed on Parker St. near Great Rd.

Services

Thirty three new services have been added this year making the number now in use 1405. Leaks in seven services have been repaired, ten services have been relaid, twenty-five have been repaired and twenty-four have been cleaned.

Meters

Thirty-one new meters have been set this year, making the number now in use 1376. Two hundred eight meters have been changed and repaired.

Owing to other work and the short supply of water last summer we were not able to make the repairs on the reservoir. These repairs should be made the coming summer.

The line from White Pond to the pumping station should be cleaned the entire length and eight or ten concrete manholes should be built.

I wish to thank the Water Commissioners for their kind and hearty support during the year.

Respectfully submitted,

WILLIAM NAYLOR,

Superintendent.

REPORT OF THE ENGINEER

To the Superintendent:

Sir:—The boiler and pumps are in good condition, the

ordinary repairs have been made as were necessary.

The station has been wired for electric lights, which is a great convenience.

Stock on hand, December 31, 1926:—52 tons of coal, 20 pounds of grease, 10 gallons engine oil, 35 gallons cylinder oil, 10 pounds packing, springs, valves, etc.

Pumping Record

	<i>Coal</i>	<i>Gallons</i>
January	45,697	12,244,583
February	38,571	9,713,025
March	43,357	12,649,345
April	39,425	9,907,646
May	42,794	10,771,950
June	40,625	11,604,098
July	49,719	11,877,948
August	44,281	10,454,460
September	45,970	10,090,710
October	52,362	10,866,470
November	52,807	10,896,926
December	54,625	10,386,150
	<hr/> 550,233	<hr/> 131,463,311

Average daily consumption 365,653 gallons.

Average daily consumption for each person, figured on 7500 consumers, 48.7 gallons.

ORRIN R. BOSWORTH,
Engineer.

WILLIAM NAYLOR,
Registrar.

REPORT OF THE FIRE ENGINEERS

Maynard, Mass., January 4, 1927

To the Board of Selectmen:

Gentlemen:

The report of the Fire Department for the year ending December 31, 1926 is herewith submitted.

The department has answered eighty-seven calls. Of these seventeen were bell alarms, three of which were false. Twenty-three for chimney fires, twenty-four grass and brush fires, four garage fires, two out of town calls, sixteen for roofs, awnings and so forth and one for drowning.

All hose couplings have been changed to American Standard coupling screw thread to comply with a state law which went into effect January 1, 1927.

The following new equipment has been purchased. Five hundred feet of hose. Six American-LaFrance hand searchlights. These replace the old kerosene lanterns. Twelve new helmets which will equip the Hook and Ladder truck and two dozen pair of overalls for brush fire work. A new motor and generator have been purchased and set up so we now feel that our alarm system is in good order. Signs have been placed on the building and two lights are to be put up. It is hoped these will prevent cars being parked in front of the station.

We are recommending that next year the heating system be changed and the ground floor remodeled. At present the heater is on the ground floor, so in cold weather this floor is without heat. This is not good for the motor apparatus or comfortable for the men.

Appropriation for 1926		\$8,364.00
Expended	\$8,330.55	
Unexpended	33.45	

		\$8,364.00

Respectfully submitted,

FRANK E. PARKS,
JOHN WALLERSCHIED,
WALTER PRIEST,
JOSEPH J. FARRELL,
WM. NAYLOR.

CEMETERY COMMISSIONERS' REPORT

To the Board of Selectmen:

Gentlemen:

We herewith submit report of our department for the year 1926.

Appropriation	\$1,900.00	
Interest on Cemetery Funds	600.78	
Expenses		\$2,500.78
		2,487.47
Balance		\$13.31

AINSLEY O. DUNHAM, Chr.
LEWIS N. SHAW, Sec'y
WILLIAM J. COULTER,
Cemetery Commissioners.

REPORT OF THE OVERSEERS OF POOR

To the Citizens of Maynard:

This department has had a busy year but has managed to pull through without calling for an additional appropriation.

Our Mothers Aid cases have increased to seven, two being added this year. Some are receiving full support while others are in a position to help themselves materially.

Our Out Door Poor number six, two in Tewksbury, two in Hudson, one in Maynard, and one in Boston, five males and one female.

Our Temporary Aid cases number five.

We have two children boarded by the State, and have one minor (female) boarding in Templeton, Massachusetts.

All the buildings at the Town Farm were badly in need of paint, this we have had done giving all buildings two coats.

The usual financial report will be found in the Town Accountants report.

Respectfully submitted,

THOMAS J. KING, Chr.
WILLIAM P. SCULLY, Sec.
ALBERT HENDRICKSON.

ASSESSORS REPORT

To the Citizens of the Town of Maynard:

The annual report of the Board of Assessors for the year ending December 31, 1926 is hereby submitted.

Expended	<u>1,630.05</u>
Balance	\$144.95

During the year 1926 the Board of Assessors have been given quarters which are located in the Masonic Block, Room 15. At the prescribed times during the year when the Assessors are supposed to sit for hearings they may be found in these rooms.

In the last report the Assessors asked the tax payers to file statements regarding their valuation on their own property. Few did so and many wished they had when they appeared before the board for hearings. It is required by statute that these statements be filed and not by the local board. If you desire to have your property come up a second time in one year for valuation consideration you must file the required statement. These statements may be secured from any of the assessors on application after April 1st, at which time notices are always posted by the

Assessors that the statements are available and must be returned by May 15th of the current year to be considered.

In the report the falling off of the valuation of Personal estate does not mean that fewer automobiles are assessed but has to do with their valuation. As will be seen in the table of aggregates there were about 100 more property tax payers in 1926 than in the year preceeding.

The Assessors suggest that for this year with the prevailing conditions that the taxpayers consider the appropriations with more care than in other years in order that they may not too heavily feel the burden if there is an increase in the tax rate.

In 1926 every single piece of property was separately considered with the idea of placing a 50% valuation on it. Maynard has always been low in the valuation and is attracting the attention of the State supervisors who have sought to have its valuation raised. We believe that the increase of last year in the next few years will place Maynard where it will not come too much to the attention of outside officials, and leaves everybody, to the best of our knowledge and belief, valued in a just proportion to his neighbor, or friend in another section of the town.

The State Association of Assessors is at present holding hearings before the State Senate on the Automobile Tax Question. An endeavor to relieve the local boards of the responsibility of taxing autos is being made. If the law is accepted as put all automobile owners will be taxed whether or not they are in possession of a machine on April 1st, which has caused great dissension between Boards of Assessors and tax payers. The new law will require an owner of an automobile to pay his proportionate tax if he buys an automobile as late as the fifteenth day of December of any year. The new tax will be in the form of an excise tax.

Respectfully submitted,

FRANK C. SHERIDAN,
GUYER W. FOWLER,
HERBERT W. MARTIN.

BOARD OF HEALTH REPORT

To the Citizens of Maynard:

The annual report of the Board of Health for the year ending December 31, 1926 is herewith submitted:

Appropriation	\$3,350.00	
Expended	2,475.28	
Balance		\$874.72

An epidemic of measles broke out in the month of May which, however, at no time became very serious. With this exception the health for a town of this size was good.

The following list of diseases classed as dangerous to the public health were reported during the year:

Measles	62
German Measles	3
Chicken Pox	4
Whooping Cough	6
Lobar Pneumonia	1
Pulmonary Tuberculosis	5
All other forms of Tuberculosis	2
Pertussis	3

The usual financial report of this department will be found in Town Accountant's statement.

Respectfully submitted,

ORRIN S. FOWLER,
 LESTER F. COWLES,
 JOEL BUTTERWORTH,
 Board of Health.

FISH AND GAME WARDEN'S REPORT

Maynard, Mass., January 26, 1927

Honorable Board of Selectmen,

Maynard, Mass.

Gentlemen:

As Deputy Game Warden of Maynard, I take pleasure in submitting my sixth annual report.

A number of our brooks have been stocked with trout during 1926 and more pheasants have been liberated than in any year previous to this, accounting no doubt, for the fine shooting last fall.

Many traps have been seized and destroyed during the year.

The sportsmen are cautioned, at this time, of the campaign of strict law enforcement which is being encouraged throughout the state for the coming year. This has been a record year on prosecutions, 1002 cases as compared to 691 in 1925. No Maynard cases are represented in these figures. On investigation of all complaints the offenses, here, have seemed too trivial to warrant arrest or court appearance.

Local ice-fishing has been very poor. I suggest, at this time, that in interest of our fishermen, the town close White Pond for one or two years, stock it and open for ice fishing only.

Yours,

P. J. SCHNAIR,

Game Warden.

TREE WARDEN'S REPORT

The annual report of the Tree Warden for the year ending December 31st, 1926 is herewith submitted:

Appropriated	\$300.00
Expended	299.38
	\$.62

Last spring twenty-five rock maple trees were planted in various parts of the town.

A number of dead trees about town were cut down and removed.

Much time was given to the trimming of trees on all the principal streets.

I would like to see "a town forest" an established institution in Maynard during the coming year.

Respectfully submitted,

WILLIAM BISHOP,

Tree Warden.

TOWN CLERK'S REPORT

For year ending December 31, 1926

Town Warrant No. 289

Town Meeting Feb. 8, 1926

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, ss.

To either of the Constables of the Town of Maynard, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of said Maynard to assemble in Co-operative Hall in said town, on Monday, February 8, 1926 next, at 6 A. M., then and there to act on the following Articles:

Article 1. To choose by the Australian System of balloting the following Town Officers:—Three Selectmen each for one year, one Town Clerk for one year, one Town Treasurer for one year, one Tax Collector for one year, one Moderator for one year, one Tree Warden for one year, three Constables each for one year, one Overseer of the Poor for one year, one Overseer of the Poor for three years, one member of the School Committee for three years, one Water Commissioner for three years, one member of the Board of Health for three years, one Trustee of the Public Library for three years, one Assessor for three years, one Cemetery Commissioner for three years, five Trustees of Soldiers' Memorials, two for one year, two for two years, and one for three years, two of whom shall not be veterans of any war, and all other Town Officers to be chosen at said meeting.

For the purpose specified in this article, the polls will be open after the reading of the warrant, and will REMAIN OPEN UNTIL FOUR O'CLOCK IN THE AFTERNOON when they shall be closed unless the meeting there assembled otherwise determines.

Article 2. To hear and act on the reports of Town Officers and Committees.

Article 3. To see if the Town will authorize the Treasurer, with the approval of the majority of the Selectmen, to borrow during the municipal year beginning January 1, 1926, in anticipation of the taxes of the said municipal year, such sums of money as may be necessary for the current expenses of the Town, giving the notes of the Town therefor, payable within one year from the dates thereof.

And you are directed to serve this Warrant by posting an attested copy at the Post Office and one at each of ten other public places in said town, seven days at least, before the time of

holding said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk or Selectmen at or before the time appointed for holding said meeting.

Given under our hands this twenty-seventh day of January in the year of our Lord, one thousand nine hundred and twenty-six.

EDWIN CARLTON,
FRANK S. BINKS,
JOHN C. KING,
Selectmen of Maynard.

Middlesex, ss.

Maynard, Jan. 30th, 1926.

I have served the within named warrant by posting an attested copy of the same at the Post Office and one at ten other public places in said town, seven days before the time of holding said meeting as within directed.

JOHN CONNORS,
Constable of Maynard.

A true copy.

Attest: FRANK E. SANDERSON,
Town Clerk.

Proceedings of Town Meeting held February 8, 1926

Pursuant to Town Warrant No. 289, the voters of Maynard cast their ballots for Town Officers and acted upon the several articles of the warrant.

Specimen ballots and cards of instruction were posted as required by law, and the warrant read by the Town Clerk at 6.00 o'clock A. M.

Ballot Clerks appointed by the Selectmen were sworn by the Town Clerk as follows:—John J. Keegan, Oscar W. Larson, Thomas F. Maley, Marion L. Jones and Mary E. O'Donnell.

The ballot box was examined by the Town Clerk and Moderator Alfred E. McCleary, and the register set at 0000. Constable Nicholas J. Driscoll was in charge of the ballot box and held the keys to the same throughout the day.

Ballots prepared by the Town Clerk together with duplicate check lists of voters were delivered to the Ballot Clerks and a receipt taken therefor.

The Moderator declared the polls open at 6.05 o'clock A. M.

It was voted to postpone action upon Articles 2 and 3 and the election of minor officers until two o'clock P. M.

Tellers appointed by the Selectmen and sworn by the Town Clerk were as follows:—Albert E. Axford, Michael J. Nee, Inez E. McDonald, Alice L. Joyce, Emmanuel Taylor, Nicholas J. Whalen, Lessie G. McGarry, Agnes V. Driscoll, Harry A. Chase, John E. King, Eva M. Frye, Alice C. Smith, Henrietta Bamford,

Frank C. Sheridan.

It being deemed advisable by the Moderator and Town Clerk, ballots were taken from the box at various times during the day and counted, beginning at 8.25 o'clock A. M.

At two o'clock the following officers were elected by acclamation:

Fence Viewers

William O. Strout, sworn Feb. 9
 William Naylor Benjamin C. Brown

Field Drivers

William Bishop, sworn Feb. 11
 Josiah M. Herrick, sworn March 1
 John J. Driscoll, sworn Feb. 19

Measurers of Wood and Bark

Albert W. Haynes
 Axel T. Larson, sworn Feb. 19 Foster F. Whitney

Surveyors of Lumber

Levi R. Cheney
 Albert W. Hayes Joseph Foster, sworn Feb. 19

Article 2. Voted to accept reports of the several Boards of Town Officers as printed and distributed in the "Annual Reports of the Several Boards of Town Officers of the Town of Maynard, Massachusetts for the year ending December 31, 1925" and that the report of the Sewerage Investigation Committee, printed in said volume, be accepted as one of progress and the Committee be continued.

Article 3. Voted unanimously that the Treasurer be and hereby is authorized, with the approval of a majority of the Selectmen, to borrow during the municipal year beginning Jan. 1, 1926, in anticipation of the collection of the taxes, such sums of money as may be necessary for the current expenses of the Town, but not to exceed in the aggregate \$75,000.00 giving the notes of the Town therefor, payable within one year after the dates thereof. All debts incurred under authority of this vote shall be paid from the taxes of the present municipal year.

Article 1. The polls were closed at four o'clock P. M.

The number of ballots cast was fifteen hundred and eighty-five (1585).

The register on the ballot box indicated fifteen hundred and eighty-six (1586). One ballot being caught in the register had caused the same to register twice.

The check lists at the Gate and Ballot Box each showed fifteen hundred and eighty-five (1585) names checked as having voted.

The ballots were counted by the Board system and the result announced at 5.30 o'clock P. M. by the Town Clerk as follows:—

Town Warrant No. 290

Town Meeting, March 8, 1926

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, ss.

To either of the Constables of the Town of Maynard, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of said Maynard to assemble in Co-operative Hall in said town, on Monday, March 8, 1926 next, at 7.30 P. M. then and there to act on the following Articles:

Article 1. To hear and act on reports of Town officers and committees.

Article 2. To fill all vacancies in Town offices.

Article 3. To see if the Town will vote to appropriate and grant money for all necessary Town purposes.

Article 4. To see what rate of interest the Town will

charge upon its unpaid taxes after September 10th in the year of assessment. To do or act thereon.

Article 5. To see if the Town will vote to receive the sum of one hundred (100) dollars from Howard A. Wilson, executor of the will of Martha J. Wilson, the same to be held by the Town Treasurer, the income thereof to be applied for the preservation, care, improvement and embellishment of the Lucius D. Wilson lot in Glenwood Cemetery, in accordance with the provisions of law in such cases made and provided. To do or act thereon.

Article 6. To see if the Town will vote to accept the sum of (\$200.) two hundred dollars from Max Hendrickson to be known as the Max Hendrickson fund, the interest to perpetually care for his lot and surroundings in Glenwood Cemetery. To do or act thereon.

Article 7. To see if the Town will vote to accept the sum of (\$100.) one hundred dollars from the Estate of Mary McCleary to be known as the John McCleary fund, the interest to perpetually care for their lot and surroundings in Glenwood Cemetery. To do or act thereon.

Article 8. To see if the Town will vote to accept from Stuart McKenzie, the sum of (\$50.) fifty dollars, to be known as the Kenneth McKenzie fund, the interest to perpetually care for his half lot and surroundings in Glenwood Cemetery. To do or act thereon.

Article 9. To see if the Town will vote to accept from Thomas Deane, the sum of (\$100.) one hundred dollars to be known as the Thomas Deane fund, the interest to perpetually care for his lot and surroundings in Glenwood Cemetery. To do or act thereon.

Article 10. To see if the Town will vote to accept from Thomas Deane, the sum of (\$100.) one hundred dollars to be known as the John Deane fund, the interest to perpetually care for his lot and surroundings in Glenwood Cemetery. To do or act thereon.

Article 11. To see if the Town will vote to appropriate the sum of two hundred fifty dollars (\$250.) for Memorial Day, to do or act thereon.

Article 12. To see if the Town will vote to appropriate the sum of (\$50.) fifty dollars for the salary of a Fish and Game Warden, to do or act thereon.

Article 13. To see if the Town will vote to appropriate the sum of (\$1000.) one thousand dollars towards the salary of the Public Health Nurse, to do or act thereon.

Article 14. To see if the Town will vote to appropriate the sum of (\$200.) two hundred dollars, or some other amount and elect a director, the money to be expended by and the director to serve in co-operation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service, under the provisions of section 40 to 45, chapter 128, General Laws of Massachusetts. To do or act thereon.

Article 15. To see if the Town will vote to appropriate the sum of (\$400.) four hundred dollars for Band Concerts to be given by the United Concert Band during the Summer, under the direction of the Board of Selectmen. To do or act thereon.

Article 16. To see if the Town will vote to authorize the School Building Committee to transfer the unexpended balance of the School Building Fund and appropriate the same and the additional sum of (\$4000.) four thousand dollars, for the purpose of equipping the Junior High School and Auditorium, to do or act thereon.

Article 17. To see if the Town will vote to appropriate the sum of (\$6000.) six thousand dollars, on the condition that the State and County appropriate a like sum for the specific repair of Great Road from Ben Smith Bridge to the Stow line, to do or act thereon.

Article 18. To see if the Town will vote to appropriate the sum of (\$2500.) two thousand five hundred dollars on the condition that the State and County appropriate a like sum for the specific repair of Parker Street from Glenwood Cemetery to Great Road, to do or act thereon.

Article 19. To see if the Town will vote to appropriate the sum of five hundred dollars (\$500.) to pay all damages incurred by Forrest Howe, Charles Williams, Mark Newton and Sarah O'Connell, by reason of the relocation and widening of Brown Street adjoining their premises, to do or act thereon.

Article 20. To see if the Town will vote to raise and appropriate the sum of (\$4800.) forty-eight hundred dollars to be used by the Selectmen in payment of damages awarded by a decree of the County Commissioners, dated Feb. 2, 1926 in connection with the relocation of Main Street at its junction with Nason Street, Maynard, to do or act thereon.

Article 21. To see if the Town will vote to raise and appropriate a sum of money not to exceed (\$1500.) fifteen hundred dollars, the same to be used for the purchase of an automobile to be used by the Police Department. To do or act thereon.

Article 22. To see if the Town will vote to accept the provisions of Chapter No. 340 of the Acts of 1916, entitled "An act to authorize the Town of Maynard to construct a system of Sewerage." To do or act thereon.

Article 23. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing a system of sewerage as authorized by Chapter No. 340 of the Acts of 1916, or take any action thereto.

Article 24. To see if the Town will vote to establish a Planning Board in accordance with General Laws, Chapter 41, Sections 70-72, or act in any other manner thereon.

Article 25. To see if the Town will vote to accept an additional part of Fairfield Street in accordance with plan filed with Selectmen, to do or act thereon.

Article 26. To see if the Town will vote to appropriate the sum of (\$325.00) three hundred and twenty-five dollars for the

purpose of providing suitable headquarters for Frank J. Demars Post No. 235, American Legion, in accordance with Chapter 40, Section 9, General Laws, to do or act thereon.

Article 27. To see if the Town will vote to appropriate the sum of (\$240.50) two hundred forty dollars and fifty cents for rent of quarters up to December 31, 1925, of Frank J. Demars Post No. 235, American Legion, to do or act thereon.

Article 28. To see if the Town will vote to adopt a reserve fund and appropriate from the treasury five thousand (\$5000.) dollars, to provide for extraordinary expenditures, transfers to be made to departments only by vote of the finance committee, or to do or act anything thereon, as provided for in section six (6), chapter forty (40) of the General Laws.

Article 29. To see if the Town will vote to adopt the provisions of General Laws, Chapter 143, and acts in amendment thereof, regarding the Inspection and Regulation of, and Licenses for, Buildings, Elevators and Cinematograph, in so far as said provisions are expressly applicable to the Town, to do or act thereon.

And you are directed to serve this Warrant by posting an attested copy at the Post Office and one at each of ten other public places in said town, seven days at least, before the time of holding said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk or Selectmen at or before the time appointed for holding said meeting.

Given under our hands this twenty-fourth day of February in the year of our Lord, one thousand nine hundred and twenty-six.

FRANK S. BINKS,
EDWIN CARLTON,
JOHN C. KING,

Selectmen of Maynard.

Middlesex, ss.

Maynard, Feb. 27, 1926

I have served the within named warrant by posting an attested copy at the Post Office and one at ten other public places in said town seven days before the time of holding said meeting, as within directed.

JOHN CONNORS,

Constable of Maynard.

A true copy.

Attest: FRANK E. SANDERSON,
Town Clerk.

Article 5. On motion of George H. Gutteridge, voted to accept the sum of one hundred (\$100.) dollars from Howard A. Wilson, executor of the will of Martha J. Wilson, the same to be

held by the Town Treasurer, the income thereof to be applied for the preservation, care, improvement and embellishment of the Lucius D. Wilson lot in Glenwood Cemetery, in accordance with the provisions of law in such cases made and provided.

Article 6. On motion of George H. Gutteridge, voted to accept the sum of (\$200.) two hundred dollars from Max Hendrickson to be known as the Max Hendrickson fund, the interest to perpetually care for his lot and surroundings in Glenwood Cemetery.

Article 7. On motion of George H. Gutteridge, voted to accept the sum of (\$100.) one hundred dollars from the Estate of Mary McCleary to be known as the John McCleary fund, the interest to perpetually care for their lot and surroundings in Glenwood Cemetery.

Article 8. On motion of George H. Gutteridge, voted to accept from Stuart McKenzie, the sum of (\$50.) fifty dollars, to be known as the Kenneth McKenzie fund, the interest to perpetually care for his half lot and surroundings in Glenwood Cemetery.

Article 9. On motion of George H. Gutteridge, voted to accept from Thomas Deane, the sum of (\$100.) one hundred dollars to be known as the Thomas Deane fund, the interest to perpetually care for his lot and surroundings in Glenwood Cemetery.

Article 10. On motion of George H. Gutteridge, voted to accept from Thomas Deane, the sum of (\$100.) one hundred dollars to be known as the John Deane fund, the interest to perpetually care for his lot and surroundings in Glenwood Cemetery.

Article 11. On motion of Theodore Wollerscheid, voted to appropriate the sum of two hundred and fifty (\$250.) dollars for Memorial Day.

Article 12. On motion of William H. Millington, voted to appropriate the sum of fifty dollars (\$50.) for the salary of a Fish and Game Warden.

Article 13. On motion of Lester F. Cowles, voted to appropriate the sum of one thousand dollars (\$1000.) towards the salary of a Public Health Nurse.

Article 14. On motion of William H. Millington, voted to appropriate the sum of (\$200.) two hundred dollars, and elect a director, the money to be expended by and the director to serve in co-operation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service, under the provisions of sections 40 to 45, chapter 128, General Laws of Massachusetts. In accordance with the above vote William H. Millington was elected Director.

Article 15. On motion of Theodore Wollerschied, voted to appropriate the sum of (\$400.) four hundred dollars for Band Concerts to be given by the United Concert Band during the summer, under the direction of the Board of Selectmen.

Article 16. On motion of James J. Hilferty, voted to authorize the School Building Committee to transfer the unexpended

balance of the School Building Fund and appropriate the same and the additional sum of (\$4000.) four thousand dollars, for the purpose of equipping the Junior High School and Auditorium.

Article 17. On motion of William Naylor, voted to appropriate the sum of (\$6000.) six thousand dollars, on the condition that the State and County appropriate a like sum for the specific repair of Great Road from Ben Smith Bridge to the Stow line.

Article 18. On motion of John Edwards, voted to appropriate the sum of (\$2500.) two thousand five hundred dollars on the condition that the State and County appropriate a like sum for the specific repair of Parker Street from Glenwood Cemetery to Great Road.

Article 19. On motion of Edwin Carlton, voted to appropriate the sum of five hundred dollars (\$500.) to pay all damages incurred by Forrest Howe, Charles Williams, Mark Newton and Sarah O'Connell, by reason of the relocation and widening of Brown Street adjoining their premises.

Article 20. On motion of Howard A. Wilson, voted to raise and appropriate the sum of (\$4800.) forty-eight hundred dollars to be used by the Selectmen in payment of damages awarded by a decree of the County Commissioners, dated Feb. 2, 1926 in connection with the relocation of Main Street at its junction with Nason Street.

Article 21. On motion of John H. Murray, voted to pass over this article.

Article 22 and 23. On motion of Howard A. Wilson, voted that consideration of Articles 22 and 23 be taken at an adjournment of this meeting at 7.30 o'clock P. M., Monday, March 22 next.

Article 24. On motion of O. S. Fowler, voted that a committee of three be appointed by the moderator to consider the subject of this article, said committee to report at a future Town Meeting. Committee appointed:—Wm. Naylor, John J. Donohue, Guyer W. Fowler.

Article 25. On motion of H. H. Young, voted that this article be laid on the table indefinitely.

Article 26. On motion of H. H. Young, voted to appropriate the sum of (\$325.00) three hundred and twenty-five dollars for the purpose of providing suitable headquarters for Frank J. Demars Post No. 235, American Legion, in accordance with Chapter 40, Section 9, General Laws.

Article 27. On motion of Joshua Naylor, voted to appropriate the sum of (\$240.50) two hundred forty dollars and fifty cents for rent of quarters up to December 31, 1925, of Frank J. Demars Post No. 235, American Legion.

Article 28. A motion by H. H. Young to raise and appropriate five thousand (\$5000.) dollars under this article was not carried.

Article 29. On motion of Howard A. Wilson, voted the committee appointed under Article 24 consider the subject of this article and report at some future Town Meeting.

At 9.10 P. M., voted to adjourn to 7.30 o'clock P. M. Monday, March 22, 1926.

Attest: FRANK E. SANDERSON,
Town Clerk.

Proceedings of Adjourned Town Meeting, March 22, 1926

Pursuant to vote taken March 8, 1926, an adjourned Town Meeting was held on the above date.

The Town Clerk called the meeting to order at 7.30 o'clock P. M.

In the absence of Moderator Alfred E. McCleary, it voted that Mr. Cham Ayotte act as Moderator.

Article 22. On motion of Orrin S. Fowler, voted that the Town accept the provisions of Chapter 340 of the Acts of 1916, entitled, "An act to authorize the Town of Maynard to construct a system of sewerage."

Article 23. The Moderator appointed George H. Merrick, George H. Creighton, George H. Gutteridge and Emmanuel Taylor to act as Tellers and they were sworn by the Town Clerk.

On motion of William Naylor, voted to go into committee of the whole for an informal discussion of this article.

After one hour and forty minutes the committee of the whole arose and again assembled in Town Meeting.

On motion of Orrin S. Fowler, voted 97 in favor, 28 opposed, that the sum of (\$150,000.) one hundred fifty thousand dollars be appropriated for the construction of sewers, and to meet said appropriation that the treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of one hundred fifty thousand (\$150,000.) dollars and to issue bonds or notes of the town therefor, said bonds or notes to bear on their face the words, "Maynard Sewer Loan, Act of 1916," and to be payable in accordance with the provisions of Section 19, Chapter 44, General Laws, so that the whole loan shall be paid in not more than thirty years from the date of issue of the first bond or note or at such earlier dates as the treasurer and selectmen may determine. No note or bond shall be dated or issued prior to January first 1927.

On motion of H. A. Wilson, voted to instruct the sewerage committee to procure options on the land required for carrying out the plans of engineer F. A. Barbour.

The meeting adjourned at 9.45 o'clock P. M.

Attest: FRANK E. SANDERSON,
Town Clerk.

Town Warrant No. 291
Town Meeting, July 15, 1926

COMMONWEALTH OF MASSACHUSETTS
MIDDLESEX, ss.

To either of the Constables of the Town of Maynard, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of said Maynard to assemble in Co-operative Hall in said town, on Thursday, July 15, 1926 next, at 7.30 P. M. then and there to act on the following Articles:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To see if the Town will authorize the Treasurer with the approval of the majority of the Selectmen to borrow during the municipal year beginning January 1st, 1926, in anticipation of the taxes of the said municipal year, an additional sum not exceeding thirty-five thousand (\$35,000.) dollars necessary for the current expenses of the Town, giving the notes of the Town therefor payable within one year from the date thereof. To do or act thereon.

And you are directed to serve this Warrant by posting an attested copy at the Post Office and one at each of ten other public places in said town, seven days at least, before the time of holding said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk or Selectmen at or before the time appointed for holding said meeting.

Given under our hands this seventh day of July in the year of our Lord, one thousand nine hundred and twenty-six.

FRANK S. BINKS,
EDWIN CARLTON,
JOHN C. KING,
Selectmen of Maynard.

Middlesex, ss.

Maynard, July 8, 1926.

I have served the within named warrant by posting an attested copy at the Post Office and one at ten other public places in said town seven days before the time of holding said meeting, as within directed.

NICHOLAS J. DRISCOLL,
Constable of Maynard.

A true copy,

Attest: FRANK E. SANDERSON,
Town Clerk.

Proceedings of Town Meeting held July 15, 1926

A special Town Meeting was held on the above date pursuant to Town Warrant No. 291.

The warrant was read by the Town Clerk at 7.30 o'clock.

Article 1. James B. Farrell was elected Moderator.

Article 2. On motion of Town Treasurer George H. Gutteridge it was unanimously voted that the Treasurer be and hereby is authorized, with the approval of a majority of the selectmen, to borrow during the municipal year beginning Jan. 1, 1926, in anticipation of the collection of the taxes, the sum of thirty-five thousand (\$35,000.) dollars, said sum being in addition to seventy-five thousand (\$75,000.) dollars authorized by vote of Feb. 8, 1926, giving the notes of the town therefor, payable within one year after the dates thereof. All debts incurred under authority of this vote shall be paid from the taxes of the present municipal year.

The meeting adjourned at 7.40 o'clock.

Attest: FRANK E. SANDERSON,
Town Clerk.

Commonwealth of Massachusetts

Middlesex, ss.

Maynard, Aug. 9, 1926

In accordance with the provisions of Section 19, of Chapter 41 of the General Laws of Massachusetts, I hereby appoint Eleanor Jones of said Maynard to be Assistant Town Clerk during the current municipal year or until this appointment is revoked.

FRANK E. SANDERSON,
Town Clerk of Maynard, Mass.

I, Eleanor Jones, above named do solemnly swear that I will faithfully perform the duties devolving upon me as Assistant Town Clerk of the Town of Maynard, Mass.

ELEANOR JONES

Subscribed and sworn to this ninth day of August 1926, before me.

FRANK E. SANDERSON,
Town Clerk of Maynard, Mass.

Town Warrant No. 292

State Primary September 14, 1926

COMMONWEALTH OF MASSACHUSETTS
MIDDLESEX, ss.

To either of the Constables of the Town of Maynard, in said County, Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in primaries to meet in Co-operative Hall, Maynard, Tuesday, the Fourteenth Day of September, 1926 at 5 o'clock P. M., for the following purposes:

To bring in their votes to the Primary Officers for the NOMINATION of Candidates of Political Parties for the following offices: Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver-General, Auditor of the Commonwealth, Attorney-General, Senator in Congress to fill vacancy, all for this Commonwealth; Representative in Congress for 5th Congressional District; Councillor for 3rd Councillor District; Senator for 5th Senatorial District; One Representative in General Court for 10th Representative District; one County Commissioner for Middlesex County; two Associate Commissioners for Middlesex County; District Attorney for Northern District; Sheriff for Middlesex County.

Vacancies

In Middlesex County, Register of Probate and Insolvency, to fill vacancy; in Middlesex County, County Commissioner, to fill vacancy.

And for the ELECTION of the Following Officers: District Member of State Committee for each political party for the 5th Senatorial District; 9 Members of the Republican Town Committee; 9 Members of the Democratic Town Committee; 4 Delegates to State Conventions of the Republican Party; 4 Delegates to State Conventions of the Democratic Party.

All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from 5 to 8 P. M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this first day of September, A. D. 1926.

FRANK S. BINKS,
EDWIN CARLTON,
JOHN C. KING,
Selectmen of Maynard.

Middlesex, ss.

Maynard, Sept. 4, 1926.

I have served the within named warrant by posting an attested copy at the Post Office and one at ten other public places in said town seven days before the time of holding said meeting, as within directed.

JOHN CONNORS,
Constable of Maynard.

A true copy,

Attest: FRANK E. SANDERSON,
Town Clerk.

Proceedings of State Primary, held September 14, 1926

Pursuant to Town Warrant No. 292 the voters of Maynard to the number of 408 cast their ballots for the nomination of State and County Officers of the Democratic and Republican Parties and the election of Convention Delegates and Committees.

Previous to the time of opening the polls the Town Clerk posted the cards of instruction and specimen ballots required by law and read the warrant at five o'clock P. M.

Emmet J. Thane, William P. Scully, Henry A. Carlton, John C. King and John F. White were sworn by the Town Clerk and acted as Ballot Clerks while voting was in progress and later as Tellers.

Nicholas J. Driscoll, Constable, held the keys of the ballot box and was in charge of said box throughout the voting period, he having been sworn by the Town Clerk.

At eight o'clock P. M. the following were sworn by the Town Clerk and acted as Tellers: William D. Gallagher, Michael J. Nee, John C. Brayden, Thomas Smith, and Joseph O. Dahl.

Selectman Frank S. Binks acted as Presiding Officer.

The polls closed at eight o'clock P. M.

The whole number of ballots cast was four hundred and eight (408). of which twenty (20) were Democrat and three hundred and eighty-eight (388) Republican.

The count was obtained by the checking system and the result as follows:

Town Warrant No. 293

State Election November 2, 1926

COMMONWEALTH OF MASSACHUSETTS
MIDDLESEX, ss.

To either of the Constables of the Town of Maynard, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of said Maynard, to assemble in Co-operative Hall, in said town, on Tuesday, the Second Day of November next, 1926 at 6.30 A. M. to 4 P. M. then and there to bring in their votes to the Selectmen for the following offices:

Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver-General, Auditor of the Com-

monwealth, Attorney-General, Senator in Congress to fill vacancy, all for this Commonwealth; Representative in Congress, for 5th Congressional District; Councillor, for 3rd Councillor District; Senator, for 5th Senatorial District; One Representative in General Court, for 10th Representative District; one County Commissioner, for Middlesex County; two Associate Commissioners, for Middlesex County; District Attorney, for Northern District; Sheriff, for Middlesex County.

Vacancies

In Middlesex County, Register of Probate and Insolvency, to fill vacancy; In Middlesex County, County Commissioner, to fill vacancy.

Also to vote on the following questions:

Acceptance of the following, "Proposed Amendment to the Constitution."

Article of Amendment

Article 2, of the article of amendment to the constitution of the Commonwealth is hereby amended by adding at the end thereof the following new paragraph:—

Nothing in this article shall prevent the general court from establishing in any corporate town or towns in this Commonwealth containing more than six thousand inhabitants a form of town government providing for a town meeting limited to such inhabitants of the Town as may be elected to meet, deliberate, act and vote in the exercise of the corporate powers of the town subject to such restrictions and regulations as the General Court may prescribe; provided, that such establishment be with the consent, and on the application of a majority of the inhabitants of such Town, present and voting thereon, pursuant to a vote at a meeting duly warned and holden for that purpose.

Acceptance of the following "Law Proposed by Initiative Petition."

Proposed Law

"An Act relative to the Veterans' preference in employment in the civil service."

And you are directed to serve this Warrant by posting an attested copy at the Post Office and one at each of ten other public places in said town, seven days at least, before the time of holding said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk or Selectmen at or before the time appointed for holding said meeting.

Given under our hands this twenty-second day of October in the year of our Lord, one thousand nine hundred and twenty-six.

FRANK S. BINKS,
EDWIN CARLTON,
JOHN C. KING,
Selectmen of Maynard.

Middlesex, ss.

Maynard, Oct. 25, 1926

I have served the within named warrant by posting an attested copy at the Post Office and one at ten other public places in said town seven days before the time of holding said meeting, as within directed.

JOHN CONNORS,
Constable of Maynard.

A true copy,

Attest: FRANK E. SANDERSON,
Town Clerk.

Proceedings of State Election held November 2, 1926

Pursuant to Town Warrant No. 293, the voters of Maynard cast their ballots for State, County and District Officers on the above date.

All the requirements of law relating to posting specimen ballots and other matters in preparation of the polling place having been complied with, Selectman Frank S. Binks declared the polls open at 6.35 A. M., previous to which the Town Clerk read the warrant.

The Ballot Clerks appointed by the Selectmen were sworn by the Town Clerk and were as follows: John C. King, John T. Higgins, Agnes V. Driscoll, Marion L. Jones and Luke J. Hannon.

Constable Nicholas J. Driscoll had charge of the Ballot Box and held the keys to the same after said box had been examined by Presiding Officer Frank S. Binks and the Town Clerk, who set the register at 0000.

The Ballot Clerks gave receipt to the Town Clerk for 2650 ballots and duplicate check lists.

The Presiding Officer and Town Clerk deeming it advisable so to do, removed ballots from the box at various times during the day and counting by Tellers appointed by the Selectmen began at 7.00 o'clock A. M. and continued throughout the day.

The Tellers were as follows, and were sworn by the Town Clerk: Cham Ayotte, Nathaniel Crowther, Alice L. Joyce, Florence V. Mann, Walter W. White, Henry A. Carlton, Alice C. Smith, Loretta F. Tobin and Herbert W. Martin.

The polls were closed at 4.30 o'clock P. M.

Eight (8) absent voters ballots were then cast by the Town Clerk, the affidavits on envelopes containing the said ballots having been examined and approved.

The total number of ballots cast was eighteen hundred and twenty.

The check lists at the Gate and Ballot Box each showed 1820 names checked as having voted, 8 of which were absentees.

The register on the ballot box indicated 1924 which was 4 more than the actual number cast. During the casting of the

first ten ballots, two had caught between the rolls and registered twice before being released. This difficulty was encountered several times and was reported each time by Constable Driscoll.

The counting was done by the Board system, and resulted as follows:

Governor

Alvan T. Fuler of Malden	1018
William A. Gaston of Boston	654
Walter S. Hutchins of Greenfield	66
Samuel Leger of Boston	2
Lewis Marks of Boston	19

Shall an amendment to the constitution which authorizes the General Court to establish in any corporate town containing more than six thousand inhabitants a form of town government providing for town meetings limited to such inhabitants of the town as may be elected for the purpose, which received in a joint session of the two Houses held May 29, 1924, 189 votes in the affirmative and 40 in the negative, and at a joint session of the two Houses held March 18, 1925, received 262 votes in the affirmative and 4 in the negative, be approved?

Yes	523
No	333
Blanks	964

Shall a law which amends existing law by striking out the provisions that veterans who pass Civil Service examinations shall be placed upon the eligible lists above all other applicants, that disabled veterans shall be placed ahead of all other veterans, and that disabled veterans shall be appointed and employed in preference to all other persons; and by providing in place thereof that five points shall be added to the mark of veterans who pass such examinations, and ten points to the mark of disabled veterans, which law was disapproved in the Senate by a vote of 0 in the affirmative, and 34 in the negative, and in the House of Representatives by a vote of 11 in the affirmative and 181 in the negative, be approved?

Yes	489
No	726
Blanks	605

Attest: FRANK E. SANDERSON, Town Clerk.

Hudson, Mass., November 12, 1926.

We, the Town Clerks of the towns of Stow, Boxborough, Hudson and Maynard, comprising the Tenth Middlesex Representative District, met this day according to law and canvassed the votes cast in said District for Representative in General Court and find that the votes thus cast were as follows:—

	Henry T. G. Dyson	Mabelle Kelley	Blanks
Stow	231	67	23
Boxborough	67	13	8
Hudson	1352	936	133
Maynard	855	752	213
Total	2505	1768	357

HENRY P. SMITH,
Town Clerk of Stow.
J. ROGENE PRIEST,
Town Clerk of Boxborough.
FRED O. WELSH,
Town Clerk of Hudson.
FRANK E. SANDERSON,
Town Clerk of Maynard.

*Town Warrant No. 294**Town Meeting, December 13, 1926*

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, ss.

To either of the Constables of the Town of Maynard, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of said Maynard, to assemble in Co-operative Hall, in said town on Monday, December 13, 1926 next, at 7.30 P. M., then and there to act on the following Articles:

Article 1. To hear and act on reports of Town Officers and Committees.

Article 2. To see if the Town will vote to appropriate the sum of (\$4,058.99) four thousand and fifty-eight dollars and ninety-nine cents to be paid from funds in the hands of the Town Treasurer for the following necessary Town purposes:— for use of the Town Treasurer's Department (\$1,108.99) one thousand one hundred and eight dollars and ninty-nine cents; for use of the Cemetery Department (\$300.) three hundred dollars; for use of General Government Department (\$200.) two hundred dollars; for use of School Department (\$2000.) two thousand dollars; for use of John A. Crowe Park Department (\$400.) four hundred dollars; for use of Tax Collector's Department (\$50.) fifty dollars. To do or act thereon.

And you are directed to serve this Warrant by posting an attested copy at the Post Office and one at each of ten other public places in said town, seven days at least, before the time of holding said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk or Selectmen at or before the time appointed for holding said meeting.

Given under our hands this fourth day of December in the year of our Lord, one thousand nine hundred and twenty-six.

FRANK S. BINKS,
EDWIN CARLTON,
JOHN C. KING,

Selectmen of Maynard.
Maynard, Dec. 6, 1926

Middlesex, ss.

I have served the within named warrant by posting an attested copy at the Post Office and one at ten other public places in said town seven days before the time of holding said meeting, as within directed.

JOHN CONNORS,
Constable of Maynard.

A true copy,

Attest: FRANK E. SANDERSON,
Town Clerk.

Proceedings of Town Meeting held December 13, 1926

On the above date a special Town Meeting was held pursuant to Warrant No. 294.

Moderator Alfred E. McCleary called the meeting to order at 7.30 o'clock and the warrant was read by the Town Clerk.

Article 1. Herbert H. Young, Clerk of the Finance Committee read a report and the recommendations of said committee.

Article 2. On motion of James J. Ledgard, voted to appropriate the sum of four thousand and fifty-eight dollars and ninety-nine cents (\$4,058.99) from funds in the Town Treasury for necessary Town purposes as specified in the article.

Meeting adjourned at 7.38 P. M.

Attest: FRANK E. SANDERSON,
Town Clerk.

Important Request

Please notify the Town Clerk immediately of any error or omission in the following List of Births.

Number of Births recorded at this office—118

PARENTS BE SURE TO RECORD THE BIRTH OF YOUR CHILD WITH GIVEN NAME IN FULL.

READ THE LAW!

"Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born.***" Gen. Laws, Chap. 46, Sec. 6.

Some of the many reasons why Births should be recorded:

- To establish identity
- To prove nationality
- To prove legitimacy
- To show when the child has a right to enter school
- To show when the child has the right to seek employment under the child labor law
- To establish the right of inheritance to property
- To establish liability to military duty, as well as exemption therefrom
- To establish the right to vote
- To qualify to hold title to, and to buy or sell real estate
- To establish the right to hold public office
- To prove the age at which the marriage contract may be entered into
- To make possible statistical studies of health conditions

Your co-operation to the end that all births may be properly recorded will be greatly appreciated

NOTICE

All dog licenses here listed expire March 31, 1927.

Dogs must be licensed on or before April 1st or the owners or keepers thereof are liable to a fine.

The law applies to all dogs three months old or over, regardless of time of year ownership is acquired.

No tax bills are sent to owners of dogs.

FRANK E. SANDERSON,
Town Clerk.

TOWN ACCOUNTANT'S REPORT

Maynard, Mass.

To the Board of Selectmen.

Gentlemen:

I herewith submit the annual report of the Town Accountant for the year ending December 31, 1926:

The financial report is arranged as follows:

- Balance Sheet of December 31, 1925.
- Total Appropriations and Expenditures for 1926.
- Classified list of Receipts and Expenditures for 1926.
- Statement of Water Department Surplus.
- Statement of Cemetery Perpetual Care Funds.
- Statement of Rafferty Watering Trough Fund.
- Balance Sheet of December 31, 1926.

During the year I have examined the books of the Tax Collector and sent notices to delinquents, checked the amount of cash in the hands of the Treasurer and verified the Bonds and cash of the Cemetery Perpetual Care Funds and the Rafferty Watering Trough Funds.

The excess and deficiency account on December 31 showed Cash on Hand in excess of liabilities to be \$23,246.25.

The total of the balance of unexpended appropriations at the end of the year amounted to \$16,137.40.

If any citizens have any criticism or suggestion, or desire further information regarding any part of this report, I should be pleased to have them make appointments to call at my office.

I try to make my report so that it may show plainly every item which may be of importance or interest to the citizens and in the absence of hearing any criticism, I must assume that the citizens are satisfied.

I wish to again thank the members of the various boards and other town officials for their aid and cooperation during the past year.

Respectfully submitted,

C. A. STOCKBRIDGE,

Town Accountant.

Office—Room 16, Masonic Block.

Residence—104 Summer Street

Telephone—83-4

Balance Sheet December 31, 1925.

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To either of the Constables of the Town of Maynard, in said County, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of said Maynard, to assemble in Co-operative Hall, in said town, on Monday, February 14th, 1927 next, at 6.00 A. M., then and there to act on the following Articles:

Article 1. To choose by the Australian System of balloting the following Town Officers:—Three Selectmen, One Town Clerk, One Town Treasurer, One Tax Collector, One Moderator, One Tree Warden, Three Constables, each for one year, One Overseer of the Poor, One member of the School Committee, One Water Commissioner, One member of the Board of Health, One Trustee of the Public Library, One Assessor, One Cemetery Commissioner, Two Trustees of Soldier's Memorial, each for three years, and all other Town Officers to be chosen at said meeting.

For the purpose specified in this article, the polls will be open after the reading of the Warrant and will remain open until four o'clock in the afternoon when they shall be closed unless the meeting there assembled otherwise determines.

Article 2. To hear and act on the reports of Town Officers and Committees.

Article 3. To see if the Town will authorize the Treasurer, with the approval of the majority of the Selectmen to borrow during the municipal year beginning January 1st, 1927, in anticipation of the taxes of the said municipal year, such sums of money as may be necessary for the current expenses of the Town therefor, payable within one year from the dates thereof.

And you are directed to serve this Warrant by posting an attested copy at the Post Office and one at each of ten other public places in said town, seven days at least, before the time of holding said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk or Selectmen at or before the time appointed for holding said meeting.

Given under our hands this second day of February in the year of our Lord, one thousand nine hundred and twenty-seven.

FRANK S. BINKS,
EDWIN CARLTON,
JOHN C. KING,
Selectmen of Maynard.

A true copy. Attest:

Constable of Maynard.

REPORT OF FINANCE COMMITTEE

November 26, 1926.

Meeting called by Town Moderator for the purpose of organization and to receive and act upon requests from town departments for additional appropriations. Several of these were received and it was voted to return them all with requests for more definite and detailed information thereon.

Mr. G. H. Merrick was elected temporary chairman and Mr. H. H. Young was elected secretary.

Members present:—Mr. Merrick, Mr. Larkin, Mr. Naylor, Mr. Sims, Mr. J. Murray, Mr. H. H. Young.

Meeting adjourned until 7.30 P. M. November 30th, 1926.

November 30, 7.30 P. M.

Mr. Gutteridge, Town Treasurer, presented the committee with complete and satisfactory reasons for the additional amount asked for, viz, \$1,108.99, on account of large borrowings made necessary by the fact that there was only a very small amount left in the treasury at the beginning of the year. On motion of Mr. Larkin and seconded by Mr. Sullivan the Finance Committee voted to recommend the amount to be appropriated.

Mr. Shaw of the cemetery committee presented unpaid bills and pay-roll to the amount of approximately \$300.00, in excess of the amount appropriated by the voters at the annual town meeting for cemetery purposes.

Mr. Naylor moved and Mr. Sullivan seconded a motion to recommend the \$300.00 be appropriated to pay the overdraft. The committee so voted.

Mr. Hilferty, chairman of the School Board, and Mr. Fogwell, superintendent of Schools, presented a statement showing that an additional \$2,000 was required by the department to finish the school year.

Mr. Ayott moved and Mr. Larkin seconded that the amount be recommended. The committee so voted.

Mr. Binks, chairman of Selectmen, presented requests for \$200. for purposes of general government made necessary by raises and additional rent for Town offices.

Mr. Sullivan moved and Mr. Ayott seconded a motion to recommend the amount be appropriated. The committee so voted.

A petition signed by Joseph A. White and twenty-two others asking an appropriation of \$400.00 for necessary repairs to the John A. Crowe Park was presented and acted upon.

It was moved by Mr. Young and seconded by Mr. Ayott that the amount be recommended to be appropriated. The committee so voted. To be expended under the direction of the Park Commissioners.

In the matter of an appropriation for the Tax Collector's office—items: adding machine, insurance; Mr. Sullivan moved that the committee take no action on this matter for reason of

insufficient information on the subject. The committee so voted.

A motion to adjourn was made by Mr. Sullivan and carried.

Members present: Mr. G. H. Merrick, chairman pro tem; Mr. Cham Ayott; Mr. A. Larkin; Mr. P. J. Sullivan; Mr. Joshua Naylor; Mr. H. H. Young, secretary

December 10, 1926.

The Finance Committee met with Street Supt. Driscoll and Park Commissioner J. C. Brayden. Departmental matters were discussed but no formal action was taken relative thereto.

G. H. Merrick, chairman pro tem; P. J. Sullivan; A. E. Larkin; Joshua Naylor; H. H. Young, Clerk.

January 22, 1927.

A meeting of the Finance Committee was called for the purpose of making recommendations of the amounts to be appropriated for use of Town departments in 1927.

Mr. T. F. Parker was elected chairman for the ensuing year.

Sub-committees were appointed as follows:

C. Ayotte, J. H. Murray—Treasurer, Cemetery Dept., Police Dept., Fire Dept.

H. H. Young, G. H. Merrick—School Dept., Library.

A. E. Larkin, L. Sims—Election and Registration, Town Clerk, Board of Health, Tax Collector, Poor Dept., Water Dept., Assessors.

P. J. Sullivan, Joshua Naylor—Selectmen, Town Accountant, Tree Warden, Street Dept., Park Dept., Moth Dept.

Mr. Merrick was appointed a committee of one to investigate insurance policies on Town property, for the purpose of adjusting the policies so that a uniform amount of premiums would be payable each year.

Mr. Naylor was appointed a committee of one to investigate the matter of purchasing coal for all Town departments, to the end that a lower price might be obtained in bulk quantities and seasonable deliveries. Both committees to report at a later meeting.

1. *Resolved*: That anyone asking for an appropriation shall first present the requisition to the Clerk of the Finance Committee and by him shall be passed to the sub-committee on the department to which the subject is related.

2. *Resolved*: That all sub-committees make the report of their investigation on the reverse side of the requisition sheet.

In the event of the report of the sub-committee being adverse to the petitioners, the Clerk of the Finance Committee shall notify the petitioners who shall have an opportunity for a hearing before the whole committee.

Meeting adjourned to 7.30 P. M., January 27.

Members present: T. F. Parker, chairman; A. E. Larkin, G. H. Merrick; J. H. Murray; Joshua Naylor; P. J. Sullivan; H. H. Young, Clerk.

January 27, 1927.

The Finance Committee recommended that the amounts appropriated for streets be expended as specified in table submitted by Superintendent of Streets.

Oil and Tar	\$5,000
General Supplies	4,500
Scarifying	800
Cold Patch	800
General Work	725
Culverts	250
Drains	225
Catch Basins	275
Bridges	150
Cleaning Streets and Gutters	750
Painting Fences	150
Snow Removal	6,500
Concord Street, Fletcher Road continuation	1,400
Dartmouth Street con.	1,000
Summer Street from Summer Hill Road to L. Maynard Lane	1,200
Chandler Street	1,000
Fairfield Street	400
Percival Street con.	700
Maple Street	600
Taylor Road	500
Summer Street from Concord Street to Summer Hill Road (macadam)	1,800
Drainage, corner Great Road and Dewey Street	600
Sidewalks and Curbing	2,500

The item of relocation and reconstruction of Acton street, the committee voted to pass over, for this year.

The item of reconstruction of Paper Mill Bridge the committee voted to lay on the table, pending further investigation.

Messrs Sullivan and Naylor reported their findings and recommendations on the departments of general government, Streets and Sidewalks, Town Accountant's office, Tree Warden, Public Parks and Moth Department. The Finance Committee voted to recommend the amounts for use of said departments as per table of recommendations.

Mr. Larkin reported the findings and recommendations of sub-committee on the departments of election and registration, Town Clerk's office, Poor Department; Tax Collector; Assessors; Water Department and Board of Health.

The Finance Committee voted to recommend the amounts for use of said departments as per table of recommendations.

All members of committee present at this meeting which was adjourned to February 1st at 7.30 P. M.

February 1, 1927.

Messrs. Ayotte and Murray reported their findings and recommendations on the Treasurer, Cemetery, Police and Fire Departments. The Finance Committee voted to recommend the

amounts for use of said departments as per table of recommendations.

Messrs Merrick and Young reported their findings and recommendations on the Library and School Departments.

The Finance Committee voted to recommend the amounts for use of said departments as per table of recommendations.

In the matter of a motorcycle for the Police Department, the sub-committee did not have satisfactory information to warrant a favorable report. Therefore the Committee voted to pass over that item.

7.30 P. M. February 3, 1927.

Chief of Police Connors met with the Finance Committee and explained the need of a motorcycle for the Police Department.

Motion made by Mr. Sullivan and seconded by Mr. Ayotte to rescind that part of our previous action on the Police Department which applied to the motorcycle. So voted.

Motion made by Mr. Murray to recommend an appropriation of \$410.60 to purchase a motorcycle for use of the Police Department. So voted.

Members present. T. F. Parker, chairman; A. E. Larkin; G. H. Merrick; J. H. Murray; Joshua Naylor; P. J. Sullivan; C. Ayotte; H. H. Young, Clerk.

Table of Departmental Expenditures in 1926 and their requirements for 1927, and amounts recommended by Finance committee to the voters for appropriation in 1927.

	Expended in 1926	Asked for in 1927	Recom- mended in 1927

School Dept.	106,999.46	110,730.63	108,500.00
Junior High School Bldg.			
balance 1-1-26 added	43,745.99	3,000.00	1,500.00
Public Library, Dog Tax	3,279.59	2,600.00	2,600.00
J. A. Crowe Park	125.00	525.00	500.00
Water Dept.	17,313.82	17,517.00	17,500.00
Cemetery Dept.	2,487.47	2,000.00	2,000.00
Total	304,801.85	264,795.63	243,994.60

Owing to the efficient system of the Town Accountant and the co-operation of all departmental officials in making out their budgets, the work of the Finance Committee has been greatly facilitated. The amounts which we have recommended were mutually agreed upon.

Any further economies which can be effected by the officials in charge of the Town's business, will, on account of the present industrial depression, no doubt be appreciated by the tax-payers.

Summary table of appropriations and expenditures for 1926:

Appropriated—1926	\$320,939.25
Expended—1926	<u>304,801.85</u>
Balance	\$16,131.40
Departmental requests for 1927	\$264,795.63
Recommended by Finance Committee	<u>243,994.60</u>
Balance	\$20,801.03

SCHOOL CALENDAR FOR 1926-1927

Senior High School—40 weeks

Fall term began Sept. 7.	Closed Dec. 22, 1926	16 weeks
Winter term began Jan. 3.	Closes Feb. 25, 1927	8 weeks
Spring term begins Mar. 7.	Closes Apr. 29, 1927	8 weeks
Summer term begins May 9.	Closes July 1, 1927	8 weeks
Fall term begins Sept. 7.	Closes Dec. 23, 1927	16 weeks
Winter term begins Jan. 3, 1928.	Closes Feb. 24, 1928	8 weeks

Junior High and Elementary Schools—38 weeks

The same as for the High School, except that the Summer term ends June 17, 1927.

DAILY SESSIONS

Senior High School—8.00 to 1.00

Junior High and Elementary Schools 8.45 to 11.45 A. M. 1.15 to 3.30 P. M.

First grades are dismissed fifteen minutes earlier.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee,
Maynard, Massachusetts.

Gentlemen:

The report of the Superintendent of Schools for the year ending December 31, 1926 is respectfully submitted to the School Committee and citizens of Maynard. Having been in service but a few months, my report will not be as complete as usual. There are problems, however, in the school system allowing for immediate comment and possible readjustment. Some of these "every day" needs have been observed and will be noted in this report.

Sound educational progress is a slow process. Annual reports upon general school conditions cannot present radical, startling or outstanding changes each year. These outstanding changes, so-called, generally mean the expenditure of large appropriations. The financial ability of a community should be one of the first considerations, though education must not be handicapped by imaginative selfishness.

The Superintendent should report the things affected during the year. Features not spectacular in any way, but showing concisely the growth of the schools educationally, or in any other gradual and sure advance. Each child and each teacher use practically the same material each year. The same methods of instruction are followed in general, modified or enriched according to the proven value of the method, but a school year may have outstanding features worthy of notice aside from the regular routine of school activity. A few of these are mentioned later.

School Membership

Unlike the schools of Europe and other distinct racial groups, the membership of the schools of America, particularly New England with its industrial activity, present very serious problems. The children of many races fill the school rooms. Educational development of these little folk is a serious undertaking and the work of the teacher is nerve racking.

The greatest work of the public school is to teach pure American citizenship, a process beginning when a child first enters school. Any phase of education is citizenship instruction, but what we need is a formal and concrete course informally presented in the elementary school. The Junior and Senior high schools should study citizenship formally, using a text-book, with credits given for successful accomplishment or understanding of this most important requisite.

The tables following give statistical data regarding the number of children and teachers, attendance, salaries paid, and general

school information. School population is constantly increasing under normal conditions as shown in these tables.

School Accomodations

The school population of the town is in general very comfortably "housed". Only those pupils enrolled in physics and chemistry classes at the Senior High have experienced any difficulty. The laboratory in the basement of this school has, for a number of years, been too cold to use during severe cold weather. Low temperature and high humidity in these basement rooms during the winter months disrupts and disorganizes the courses in physics and chemistry. A loss of a month and sometimes two months each year to these day classes seriously handicap both the instructor and pupil. The heating and ventilating system should have an immediate and thorough inspection and this condition entirely corrected. The steam plant in this school may—or may not—need a thorough overhauling. At this writing I hope to have avoided this latter work through the adjustment of pump and repair of the diaphragms of the air system.

The halls and stairways of the Senior High School should be panelled and the whole building freshened by the generous use of paint and varnish. The furniture in the Senior High school should be refinished where necessary. New treads are needed on the stairways of this building and several new doors equipped with foot plates at base.

The grading of the Junior High school yard has improved the appearance of this fine new building. A curbing on the street front would be appreciated and I trust the street department will soon remember us.

In order to be a real gymnasium, the present so-called room needs an addition of forty to sixty feet on the rear of the structure. It is too small for the major indoor sports (basket ball, etc.) a fact greatly deplored by pupils and townspeople. A gymnasium of the proper regulation size could be used as a community "gym" for adults in calisthenic work for men and women. Night classes could be held as in other places. "Teams" representing the town would have a good place for "return" games. The "gym" is now in constant use by pupils of the two high schools and a schedule is being arranged for the upper grades in the Bancroft, Main Street and Roosevelt schools.

All elementary school yards should be equipped with playground apparatus of solid construction. Fences should be erected around school yards for better protection of school property. The elementary school yards should be graded in order that they could be used for organized play, *i. e.* soccer, volley ball, baseball, etc.

The new High school auditorium is being used very frequently by various organizations of townspeople.

The boys and girls of the school enjoy their assembly hours in the auditorium. Several instructive lectures have been given to the members of the two high schools during the fall term.

Class socials, whist parties, dances, teachers association meetings, and the regular meetings of the Maynard Woman's Club keep the hall in frequent use. The hall makes a fine community center and should be used by public associations of the town.

The High Schools

The enrollment of the high schools naturally becomes larger each year. Investigation reveals that the growth in high school attendance is independent of growth in population of the town. A strange fact! But true of the country as a whole.

The high school should offer more in the way of training suited to individual needs, capacities and interests. The high school formerly was solely a preparatory school for college but in recent years has broadened so as to offer cultural training to those whose formal education ends with the high school. "Latin, Greek and Mathematics killed or cured all" under the old high school purpose. Business courses, mechanical or industrial courses and domestic science or home making studies have gradually become a part of the high school curriculum. The modern high school is equipped with vocational courses. Maynard High needs these practical "helps".

Common sense differentiation needs to be exercised however in the selection of the above vocational courses. Today is an age of "fads" and "fancies", and in my opinion the schools are greatly overloaded with responsibilities forced upon public institutions by "big business" relieving itself of work and expense formerly required of it to keep the "wheels moving". The selection of vocational courses for high school boys and girls calls for very serious consideration and only sound and result-getting activities should be placed in the school curriculum.

A community cannot progress in any way without a proper regard for what is being affected in other towns and cities. Not to follow blindly but to profit by mistakes made elsewhere. The Maynard high school curriculum is that of a school of many years past, since no new courses indicative of the educational progress of the day have been added to its course of study.

The high school course of study should be entirely revised in the interest of the probable vocations of the pupils. Practical courses should be introduced into the school, but none that would cause a waste of large amounts and much time in teaching children things they cannot learn and will never use. Much of the educational effort of today results in teaching pupils too little of certain subjects and trades for them to use or appreciate, and just enough of other subjects and trades to make them despise the work in which they could have earned a living. Hence the necessity of a wise selection of courses particularly those of a vocational nature, for high school pupils. Children must be first taught those fundamentals which all men and women need to know, but those pupils particularly adapted by nature and specifically situated in life should be given a chance to learn sound productive arts, for their future welfare and that of the community.

The junior high school so-called, needs an entire revision of its course of study. Under the present organization the school is being conducted in a creditable manner but is really a grade school with departmental instruction. In other words it is a modified Junior High school. The school can never be anything else until practical arts or vocational work becomes part of the courses given. Thus enabling the application of real Junior High school organization and methods.

Extra Curricula Activities

Both high schools have extra curricula activities under the direction of various teachers. Orchestra, Glee Club, Dramatics, Debating, Boys and Girls Basket Ball, Hiking, Clothes, Handicraft Clubs are participated in by the pupils. Other club activities that may and should be instituted later are School Paper, Travel, Domestic Arts, Science, Fancy Work, Millinery, Current Events, Radio, Athletics, Language Clubs, First Aid and Book Lovers Clubs. Assembly is enjoyed by the classes each week.

The formation of a Students' Council is one of the most encouraging developments this last fall. When guided properly, a Students' Council may affect fine results promoting a respect for law and order in and out of school. Nearly all of these clubs mentioned are in the experimental stage in Maynard, but will doubtless become a well-defined movement of value to students and the community.

Elementary Schools

The elementary schools constitute the third division of the present school arrangement. The first three grades being primary in character and the upper three grades—grades four, five and six, are elementary in function. The instruction in these first six grades must be of a formal nature to insure knowledge in the fundamentals of educational principles. Our present Junior High school is really grammar in character and quite different from the course of study in a real Junior High school plan or project, that varies its instruction to suit the different abilities and aptitudes of its pupils. The grades, including the Junior High school, are divided into three ability groups, *i. e.* A, B, C. with the pupils placed according to educational accomplishment. The necessary individual help is given in greater measure by means of this group division.

There is a group of mentally deficient children, approximately twenty-five in number, in the first six grades who should be given special instruction. One or two of this type of children in a grade room hinders seriously the progress of more fortunate youngsters. A special room for this group is a well paying investment. Children whose "I. Q.'s" are so low are simply "passed on" at the end each two years. They are the "educational dreads" of the grade teacher.

A printed outline or course of study is necessary for these grades. "Non-essentials" should be eliminated in the different

subjects. More "project method" teaching by teachers will be a valuable means of motivating regular school work in all subjects.

Silent reading for thought content should be given special attention in the grades. Arithmetic must be taught through sense realism of objects when possible, in short, the project method. Control of mind and body, the ability to think clearly, to speak affectively before an audience, is the result of consistent effort on the part of teachers giving special attention to oral composition. The socialized recitation in English, Geography, History, etc., is a great factor in successful teaching and when used in conjunction with the project method in all grades gives pupils the power of the initiative so sadly "missing". May we have more of this project instruction in the schools of Maynard.

The organization of the school system in Maynard is on the eight and four basis *i. e.* eight grades elementary and grammar and four in high school. The institution of the 6-3-3 plan (six years grades, three years Junior High, three years Senior High) cannot be affected efficiently under the present appropriation for school purposes. More money is necessary. I hesitate at this time to ask for the extra funds needed to make the change. It is a fact, however, that although Maynard is fourth in its class of towns in the state reimbursement received each year from the Massachusetts School Fund, it is seventy-ninth in disbursement for public school purposes.

Physical Education

While the educational part of the school program in the classrooms is faithfully carried out by an excellent corps of hard working teachers, a most important activity is almost entirely neglected. There is not the proper regard for the physical needs of our pupils in the grades and high schools. Though the teachers affect all in their power, a physical director for the pupils is a necessity and it is our duty to provide this instructor. Organized sports in the school yard and inter-school games in soccer, baseball, basket ball, hockey, etc., track instruction and annual or semi-annual inter-school contests should be regular events. There are few towns of our size in Massachusetts without a physical director. Learning is fundamental, but health is everything. Clean sports build character as well as strong bodies and tend to create the proper type of citizen.

Evening Schools

The usual evening school classes were held during the winter months. Classes for beginners, intermediates, and advanced groups in citizenship for foreigners were successfully conducted. The enrollment averaged about 150 men and women of many racial groups. A class for illiterate minors was in session on the same evenings *i. e.* Monday, Wednesday and Thursday P. M. from seven until nine o'clock. Speakers from the State Board of Education, Adult Alien Division, and other interested leaders

of the state addressed the evening school pupils. The men and women were given advice on the problems affecting their everyday experiences and were told why they should value the evening school and citizenship. The teachers deserve commendation for their faithful efforts. The Assabet Mill officials cooperated in every way in the work.

Health Supervision

The report of the school physician and school nurse show that the health of the school children of Maynard is well guarded. Regular daily visits are made by the nurse to the schools. The usual examinations were given to pupils.

We hope to hold a dental clinic during the coming school year. The service of State examiners from the State School at Waverly may be secured for a clinic for mentally retarded children in order to properly classify this group. Tuberculin tests should be given. The Schick test will be given again this year.

The school physician is now holding a clinic each week from ten to eleven o'clock A. M. on Thursdays in the Nason Street school. His regular visits to the schools enable him to keep in touch with school health problems and allows for observation of sanitary conditions in general.

School Music

"A singing school is a happy school." This is an old saying and true. Music therefore is as important as any school subject and more so than some subjects and should be given its proper place in the schools. The school population of Maynard requires a full-time music supervisor in order to teach its youth proper appreciation of music in all its forms. Owing to lack of

time, the music supervisor cannot procure results obtained in other properly supervised towns. It is strange, but people appear to expect the impossible in this subject under present conditions.

Musical activities in our schools operate, therefore, under disadvantageous conditions as to time and equipment. Lack of text-books (which I hope to remedy) and the problem of securing instruments for orchestral and band work.

Some musical activities of the average high school of today include the following: Girls' bugle, fife and drum corps; Boys' bugle, fife and drum corps; Mandolin Clubs; Girls' Glee Clubs; Boys' Glee Clubs; Boys' Orchestra; Boys' and Girls' Orchestra.

All of these activities are possible under full-time supervision. A school band encourages school spirit and raises the moral of a school. For a school as large as the Maynard high school, the spirit and general student participation in extra curricula activities is poor. This is meant in all kindness to teachers and pupils and is not a criticism affecting them in any way. Teachers are limited by the requirements of their class rooms and are not expected to be experts only in their particular line of instruction. The town is missing many enjoyable occasions each year because sufficient time is not given to musical activity in the schools.

General School Problems

There seems to be a regrettable tendency on the part of some parents to keep children from school for inexcusable reasons. The law requires the presence of children of school age when school is in session. Unless ill, pupils may be absent from school only with the consent of school authorities.

It appears to me also that there is a laxity in regard to school authority among many of the pupils of the upper grades. While this has been corrected somewhat, it is not yet eliminated. This seems to be a country-wide spirit. It is the duty of all concerned with the public schools to discourage this attitude of children for school laws and customs and for older people.

The mass of pupils in the schools need the "social contact" with their fellows. The best place to teach culture or manners today is in the schools, particularly if the home environment is not "healthy". The influence of the "street corner gang" is seen in the attitude of some of the pupils towards teachers and school mates. An attitude that must not be tolerated in the schools. The extra curricula activities mentioned in this report eliminate these school problems to a great degree.

Financing School Athletics

An entrance charge for all school games open to the public should be collected to defray the expenses of school sports. School athletics should be self-supporting. But this is impossible in Maynard under conditions. Crowe Park being a public park, no charge may be made and this is a great handicap to school sports. Little money is collected at school games because voluntary collections have failed. The Poor House meadow would

make a fine field and is near the center of the town.

The building situation needs but little attention for the present. The uncertainty of industrial affairs in the town and throughout the East necessitates clear thinking as to future development.

The basement of the Bancroft School is light, high and dry. Part of this basement could be used as a school room, thus relieving the crowded condition in the fourth grade and at a saving to the town.

All connected with the school department have cooperated with me in the work as Superintendent of Schools. Maynard has a fine, industrious teaching force.

I wish to express my appreciation to the members of the School Committee for their consistent advice and cooperation.

JEROME P. FOGWELL,

Superintendent of Schools.

Jan. 24, 1926.

HIGH SCHOOL REPORT

Maynard, Mass., January 4, 1927.

To the Superintendent of Schools,

Maynard, Mass.

Dear Sir:

I hereby submit for your consideration my Fifth Annual Report as Principal of the Maynard High School.

The total enrollment of pupils for the scholastic year beginning September 7, 1926 numbers 313. This registration brings the average increase of pupils per year during the past five years to over 25. Even though one additional teacher has been added to the teaching force this year it has been found necessary to have each teacher actively engaged in class room or study room work for the full seven periods of the school day.

The following table shows the enrollment for 1926 and 1927:

	<i>Boys</i>	<i>Girls</i>	<i>Total</i>
Freshmen	50	57	107
Sophomores	48	56	104
Juniors	24	30	54
Seniors	10	35	45
Post Graduates	3		
	135	178	313

The school opened last September with eight new teachers, or two-thirds of the total number of the teaching staff. This condition presented somewhat of a problem from an administrative standpoint. Fortunately some of them had been teaching previous years, and all of them have manifested an earnest desire to work for the best interests of the pupils and to cooperate with the other members of the administration.

Of our graduates of last June, numbering forty-two, some have entered gainful occupations in business offices, some have enrolled in higher institutions of learning, some in schools of nursing, and others in regular employment. From these various departments of activity have come reports of successful achievement on the part of our graduates. Appended to this report are the Graduation and Class Night Exercises of the Class of 1926.

The progress of athletics and physical training for all our pupils is steadily increasing, although handicapped in financing this work since no regular appropriation is made for its maintenance by the town as in other schools, yet we are formulating plans whereby additional revenue may be obtained. Our gymnasium being twenty feet short of minimum requirements prevents the holding of interscholastic games. We are, however,

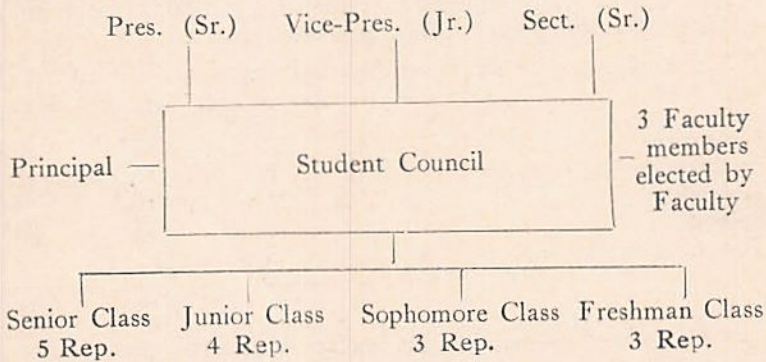

arranging a schedule for both boys and girls for interclass games even though the playing surface is not fully adequate in size.

The Girls' Hockey Team which has been in the process of development this year will have a schedule of interscholastic games arranged for the coming season. The work accomplished this year by Miss Reid and Mr. Lent in physical education is worthy of mention. This work being extra-curricula they have employed many hours outside the regular school hours in the interests of our pupils.

The Girls' Glee Club has again this year been arranged under the direction of Miss Walsh, and we feel that it will be as beneficial and successful as it was during the year 1925 and 1926.

The Girls' Dramatic Club under the supervision of Miss Sheldrick is preparing to stage some plays in our Auditorium. This work is quite beneficial in the development of pupils.

Soon after the opening of the school in September, a Student Council was organized under the following plan:

Regular meetings have been held, Constitution and By-Laws drawn up, Committees and Sub-Committees appointed. These committees cover nearly every activity of school life. The space prevents further detail concerning this organization, but I am confident that the results obtained will warrant its existence.

A very apparent need of our school is a course of instruction in vocational guidance. This course would be of inestimable value to every pupil in school if given by a competent and well-qualified instructor. Other needs briefly stated are:

1. Additional teachers
2. General repair of the High School Building
3. Many additional volumes for the school library.

In closing I wish to express my appreciation for the counsel and the assistance you have given me, for the loyalty and earnest cooperation of my teachers, and for the active support of the student body.

Respectfully submitted,

A. RUSSELL C. COLE.

MUSIC REPORT

Mr. Jerome Fogwell, Supt.,
Maynard Mass.

Dear Sir:

Allow me to submit the following report on Music in the public schools of Maynard for the year 1926.

We are making a steady gain in the grades. Tone quality and reading in the first, second and third grades has improved. Two-part singing in the fourth and fifth grades and three-part singing in the sixth grade is well balanced and of good tone quality.

Work in the Junior High School is worthy of special mention. They are doing excellent work.

The work of the High School Chorus is good and all that could be expected of the number we have in the school to work with.

The development of Orchestral Music in the High School is due entirely to the encouragement given to the players by the School Department in the Town of credits for attendance.

I wish to thank the teachers for their hearty cooperation during the past year.

Respectfully submitted,

GEORGE H. WOODS

DRAWING REPORT

The fourth annual exhibition of the Arts and Crafts department of the Public Schools was held in our new Auditorium in May. The hall with its attractive curtain and woodwork was a setting which added to the artistic effect of the pupils' work in all grades. A rainbow color scheme was carried out in streamers of crepe paper hanging across the hardwood tables that line all sides of the room, and in colored badges worn by the girls in white who acted as monitors from all grades.

In the center of the hall were small exhibition tables taken from the drawing room which was furnished with moveable tables and chairs a year ago and which have proved of great value also in social whist party events. Pupils from the various High School courses were efficient demonstrators in Aurora Cone (raised painting), tinting cards with Japanese water color, decorating on glass with dissolved sealing wax, constructing cretonne desk sets by book binding process, and making crepe paper flowers. Several boys from the popular sign printing course held their spectators spell-bound by fancy printing of names which were given to their owners on cards, and by quick cartoon sketches.

The walls were covered by neatly mounted charts which showed the variety of work accomplished by the little folks through the sixth grade in color work, illustrative drawing and design. The Junior High classes, which have had only one lesson every two weeks, because of the supervisor's crowded schedule, had splendid geometric, mechanical and perspective drawings in preparation for High School advanced problems.

The High School mechanical charts followed, showing a four-year graded course that was completed by three boys who showed considerable technical skill in large blue prints of bungalow construction principles. The interest manifested in mechanical drawing has been increasing each year, until now there are thirty-six boys electing the subject, twenty-two being in the first year class. Several of these are taking two or three periods a week, instead of one as in past years, which has enabled one pupil to complete a year's work in three months. This will raise our standard to that of other high schools who require several *double* periods a week in mechanical drawing in order to fit for technical schools after graduation.

Sign printing is starting on its second year of popularity among the boys, with seventeen enrolled. Various kinds of pens, colored inks and opaque watercolors lead to poster work which finds a use in good store advertising everywhere. Some of our boys have earned money in this way, especially in the bank poster contest offered by Mr. Persons last spring, in which one of our boys also won honorable mention in the state-wide Savings Bank

competition. At our annual exhibition a real estate sign, painted with enamelacon oil cloth for outdoor display and a glass transparency were made as orders by Carbone

Basketry continues its appeal to an increasing number each year. The classes must be limited to fifteen because of the small quarters in the basement studio room. The well filled exhibition tables testified to the industry of both girls and boys. Mrs. Coughlan's 8C division showed equal skill accomplished under her willing leadership out of school hours. Pine needle baskets were efficiently shaped by 7A.

Other crafts exhibited were carefully constructed portfolio covers by 8A. In the High School were passepartout picture binding, sealing wax painting, paper flowers dipped in parafine wax, pillow tops and table runners stencilled or painted with Aurora Cone, tooled leather purses and book marks, and bird sticks cut from wood with fret saws. Half of the year is devoted to crafts and the rest to basketry. The pupils elect the craft and pay for arts and crafts materials chosen which are financed by the Supervisor.

Illustrative drawing and cartooning has also shown a gain in High School enrollment. Proportions of the human figure lead to technique in pen and ink, then to light and shade in charcoal from geometric solids and human casts.

The increase in High School Arts and Crafts enrollment from 120 last year to nearly 150 this year, demanded several extra periods of the supervisor's time. This necessitated cutting the teaching period in the grades from a half hour to a supervisory twenty minute period in each grade. It was also necessary to drop the sixth grade sewing which has been well exhibited for several years. It is hoped that the girls will continue their interest and join the State Extension 4 H Club until a local Home Economics teacher can be provided for girls and sloyd for boys.

Hand work is of value to all ages, specially as shown in the excellent sandtable illustration of the first grades and also of a third at the exhibition. The interest in sloyd was seen in the wooden furniture and furnished doll house made by a sixth grade. Paper construction, clay modelling, weaving mats and cutting designs develop skill in the little first grade craftsmen.

The spirit of cooperation among the teachers and their originality in all grades has added to the success of the year's work. The children have been eager for the drawing periods in which they can find self-expression in creative work by "learning through doing."

ETTA M. GRAVES,
Supervisor of Drawing

HEALTH REPORT

Mr. J. P. Fogwell,

Supt. of Schools, Maynard, Mass.

Dear Sir:

We respectfully submit our report for the year 1926.

The health of the school child is becoming a more important factor each year. This seems to have been proven by the decreasing number of cases of communicable diseases reported in the last year. The following has been reported from January 1, 1926 to the present date: Measles 3, Mumps 2, Pulmonary Tuberculosis 1. It is noted with interest that there has been no case of diphtheria this year.

A Schick clinic was held in April at which time there were 213 children who took the Schick test. Of the number, there were 116 who had a positive reading and were given the three immunizing doses. The clinic was conducted by Dr. Jones of the State Board of Health assisted by the school physician and school nurse.

There is still great need for attention to the condition of children's teeth and tonsils.

Graham crackers and milk are sold to children for lunch at recess time in all the schools this year. Each year the orders increase, which means that more children are getting a more balanced diet. It is hoped in time, that children will see this kind of lunch is better for them than candy.

At present the Christmas Health Seals are on sale by the school children. It is hoped that as large a return can be made as in previous years.

Through the efforts of Miss Merserve, Public Health Nurse for Southwestern Middlesex County, two children were able to go to the Health Camp at Ashburnham for the months of July and August. Part of the expenses for these children were met by using money returned to Maynard from the sale of the Health Seals. The remainder was raised by donations from private individuals and the local Red Cross. These children were returned home in a much improved condition, besides having learned the benefits of the health projects carried out at camp.

The general condition of most of the children seems to have shown improvement over last year.

Summary of Report of School Nurse

For 1926

Office Calls	950
Exclusions for contagious diseases	10
Visits to School Buildings	155

Home Visits	75
Cases, Treated; first aid, etc.	900
Special examinations for State Schick Clinic	213
Number weighed	1475
Number measured	1475
Number eye examinations	1475
Number throat examinations	1475
Number of heads examined	1500
Number of vaccinations	220
Diseased tonsils	540
Diseased adenoids	205
Diseased tonsils and adenoids	745
Recommendations for corrective work	600
Undernourished children	240
Pediculosis	273
Impetigo	15
Excluded for contagious symptoms	10
Minor illnesses	20
Number notices sent home	600
Number consultations (doctors, teacher, parents)	760
Tonsil and adenoid operations	10
Eye clinic attendants	10
Glasses recommended for	58

Respectfully submitted,

AMREAU B. BLOOD,

School Nurse.

Dec. 31, 1926.

*REPORT OF THE WORK DONE BY THE MIDDLESEX
COUNTY EXTENSION SERVICE*

In the Town of Maynard, for the Year 1926

An appropriation of \$200.00 was made at the annual meeting in support of the Middlesex County Extension Service, through the County Board of Trustees for County Aid to Agriculture. The following is an account of the work done by this organization in Maynard for the year 1926.

The work this past year has been mainly that developed with the boys and girls in 4-H club work. Individual farm visits have been made wherever requested, and the farmers and homemakers have been given an opportunity to receive the benefits of meetings held in nearby communities.

In the boys and girls 4-H club activities work was carried on in clothing, food, and handicraft. Eighty-two boys and girls were enrolled under the local supervision of Miss Marcia Wallingford, Marion Kendall, Helen Sweeney, Nellie C. May, Mary Wood, Veronica Kondrat, and Mr. W. H. Millington. Alice Fearn, Julia White, Irving Woolridge, and Paul Millington, were awarded a two day trip to the Massachusetts Agricultural College for doing outstanding Club work. An achievement Club meeting was held in the spring at which time an exhibit was held, and a demonstration of the work accomplished during the winter was given.

Several county-wide meetings were conducted, such as the county picnic at the Market Garden Field Station, the annual meeting of the Extension Service at Waltham, and sectional meetings of fruit growers and poultrymen. These were attended by many Maynard people.

ROLL OF HONOR FOR PERFECT ATTENDANCE
1925—1926

High School

Arne Aho, Lawrence Chandler, Albert Connors, Edmund Duggan, Andrew Fardy, Edward Fearn, Tauno Frigard, John Hearon, Teppo Hurme, Niilo Keto, Eino Koski, Shubert Koski, Harland Larkin, Francis Ledgard, Paul Millington, Leo Mullin, William Niskanen, Petterli Ruotsala, Albert Saari, Stanley Sienkiewicz, Ilmari Sjoblom, Waino Sjoblom, Arni Stabell, Edward Vodoklys, Herbert Ruotsala, Sylvia Ahola, Irja Alto, Helen Brown, Ilmi Falk, Winnifred Fardy, Mary Grigas, Laura Grondahl, Catherine Hearon, Irma Howard, Ellen Jaakkola, Vellamo Jaakkola, Jeanette Johnston, Tyyne Kivela, Rauki Jokinen, Tyyne Lahti, Elizabeth Leithead, Ranghild Mark, Geneve Martin, Laura Merrill, Hazel Priest, Aune Rasanen, Impi Sneck, Josephine Szczuka, Irma Wirta.

Junior High
