# *Those Who Can, Do Teach*

IF YOU HAVE ANYTHING  
REALLY VALUABLE TO  
CONTRIBUTE TO THE WORLD IT  
WILL COME THROUGH THE  
EXPRESSION OF YOUR OWN  
PERSONALITY. THAT SINGLE  
SPARK OF DIVINITY THAT SETS  
YOU OFF AND MAKES YOU  
DIFFERENT FROM EVERY  
OTHER LIVING CREATURE.

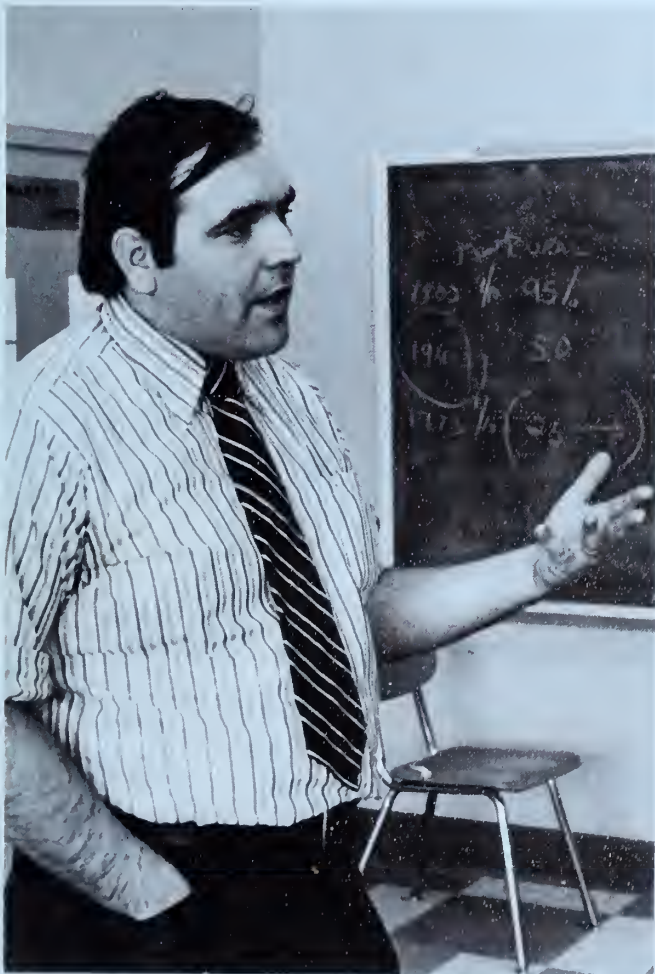

BRUCE BARTON

We would like to dedicate this yearbook to a person who has applied himself to an immense task, a man who has been the last meaningful touch at the end of our twelve year journey. This individual has tried to prepare us for the trials and trauma of the adult world. Our quest for adulthood has not been treated with a simple pat on the back, but with a sincere and soul searching effort on his behalf. There has been a mind staggering relevance to the content of his classes. We would like to thank him by dedicating this book to him. This is meant to be a tribute to the man and the high hopes he has held for us.

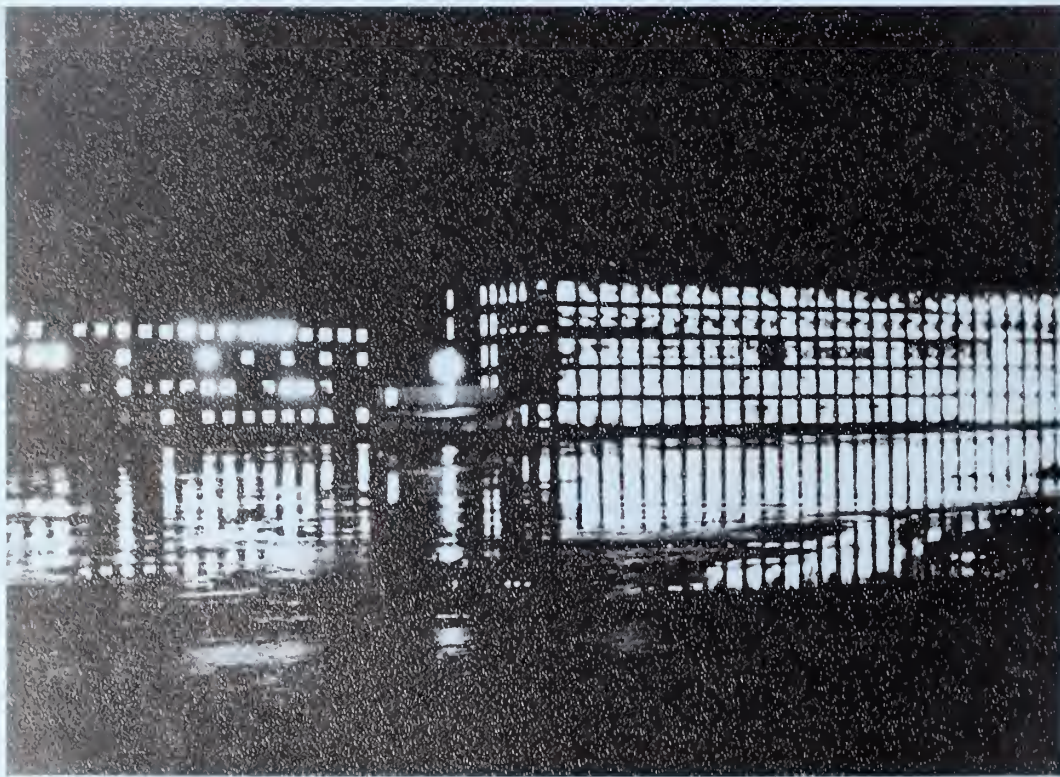

Thank you so much, Mr.  
Golec.

Our world is not wide enough it seems  
To hold all the wonder of youthful dreams  
Nor quick enough for impatient youth  
In its restless striving for beauty and truth . . .

Our seas uncharted . . . to places unknown  
Moving together of traveling alone  
Here at home or in far-flung lands  
A world's being fashioned by eager young hands.

Jean Kyler McManus

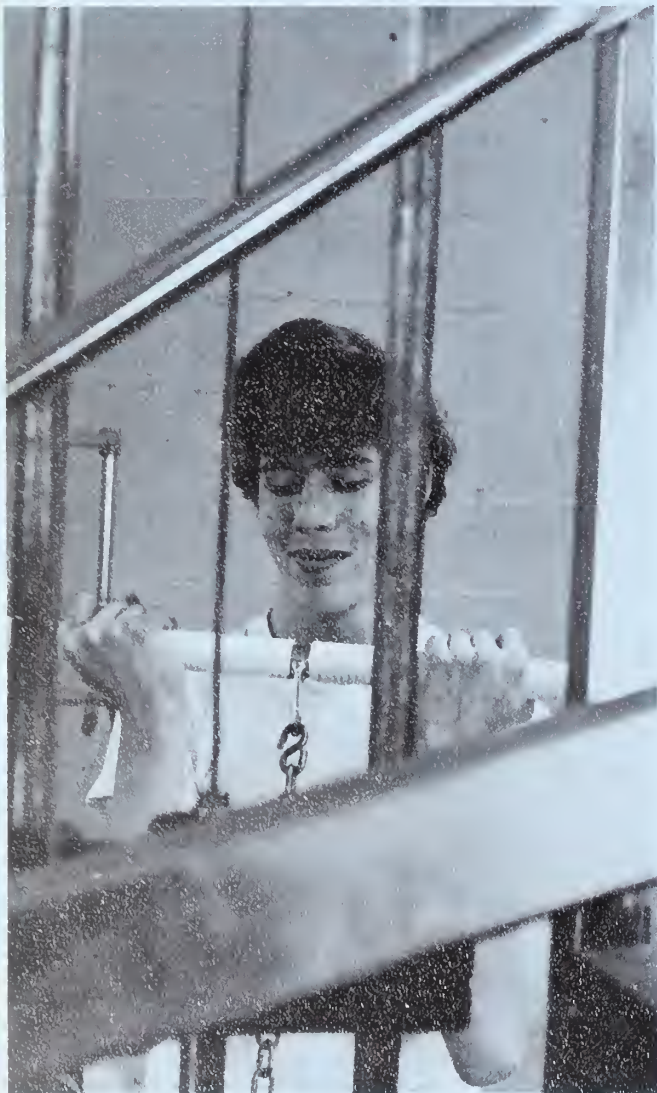

I shall pass through this way but  
once, If, therefore, there by any  
kindness I can show, or any good  
thing I can do, let me do it now  
. . . For I shall not pass this way  
again.

Tomorrow

And now as we draw closer to the end . . . we feel the elation of finality . . . but in reality it is just another beginning . . . the start of another end . . . as we walk hand in hand toward our destiny . . . our lives have been shaped by what we have felt . . . what we have been . . . what we have hoped to be . . . it will be the last time we walk through these doors . . . but it will be the basis we shall stand on for the rest of our lives . . . when we are faced with bigger and more frightening challenges

## Two of The Best

What is a class advisor? By definition, an advisor is one who offers advice, counseling and information. Realistically, we want more than what's required. As freshmen, we were new and confused high school students who needed then, more than ever, warm, understanding, friendly guidance. Mr. Magno did not disappoint us. What he offered to us was the supreme answer, himself. With Mr. Magno's heart and personality, we made it through our freshman year, successfully. Onto our sophomore year when, once again, we had sturdy leadership throughout the year. Mr. Magno had to leave us at the close of our second year for uncontrollable reasons. We would like to thank him for his hard work and devoted efforts. We will always feel close to him. To open our third year, Mr. Ruggiero had a very hard task on his hands. The junior year is, definitely, the most strenuous. Once again, we were far from disappointed with Mr. Ruggiero's devotion and sincere help. The year went by pretty smoothly, considering the prom, which is, in itself, a major job. We are indebt to Mr. Ruggiero for pulling us through. It is our senior year and graduation is quickly approaching. There aren't enough words to describe the fantastic job Mr. Ruggiero has done. We owe him everything we have accomplished and more. To just say thank you doesn't seem good enough. We'll always remember you, Mr. Ruggiero.

Thanks!

GOLDEN  
DREAMS  
*May 4, 1973*

The excitement of the Queen's March.

Happiness is . . .

Pixie and Frank could have danced all night!

In our junior year, we, the class of 1974, embarked upon the greatest social event of our school days. After long tedious months of preparation the night had finally arrived. The highlight of the evening was the crowning of the queen and her court.

A Time of Golden Dreams.

New this year to Maynard High is the educational radio station, started by Mr. Magno and a group of hard working students. Money for this station was raised through raffling off a ski-mobile. WMHS is located at 91.7 on the FM dial, so when you turn on your radio remember to turn on to us.

The newly formed Young Maynardians are a group of enthusiastic students representing Maynard High School who feel that music brings them together as friends. They have become a team striving toward the same goals, appreciating each others' differences, and rejoicing in each others' successes. They all realize that music is the most powerful feeling that they possess to display their desire for living.

You cute little devil you!!!

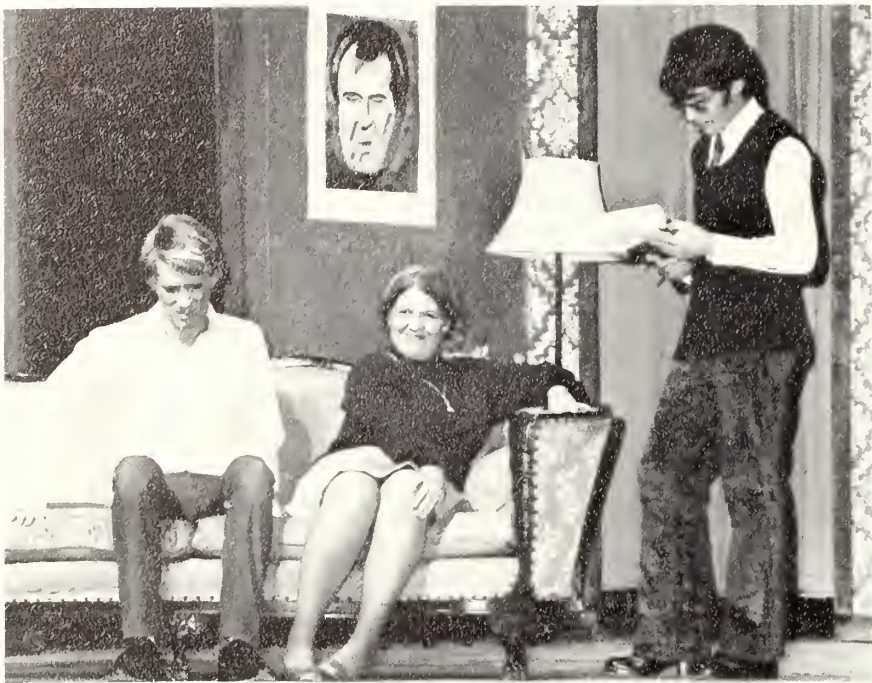

Susan, have I told you lately that I love you? Axel, how corny!

The energetic Drama Club began this year under the direction of Miss Elaine Whalen.

Their first production was presented on December 7 and 8, 1973. It was the hilarious comedy "Don't Drink The Water" by Woody Allen. The show proved to be a great success and so the work began on the spring musical.

The dynamic musical "Oklahoma" was chosen to be presented. Charles Garbedian took care of the musical part of the show while Miss Celia Bartolotti took over the dramatic direction.

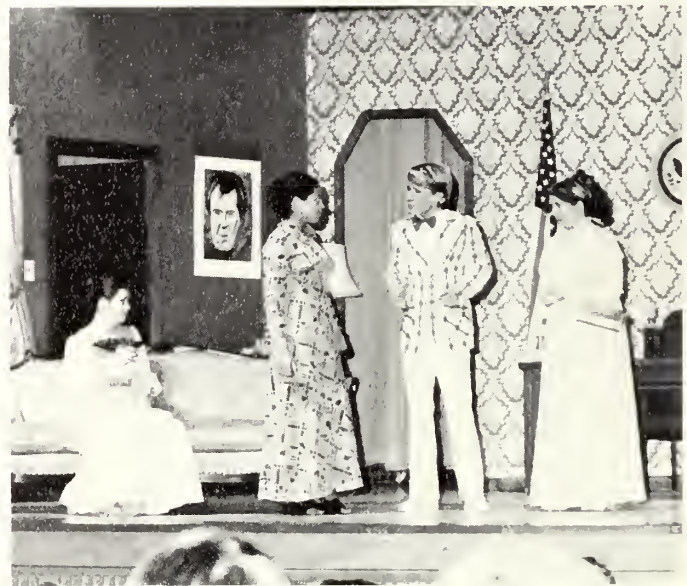

This is the second year that the drama club has been in progress and all productions have been very successful. Let's hope for many more memorable performances.

Maynard's defensive team was at its peak throughout the season. The final statistics showed that the opposition was allowed an average of only 7.2 points per game.

The offensive team had its trouble at the beginning of the year, but as the season progressed they improved greatly.

They started the season off with a loss to both Clinton and Wayland. The team's spirits didn't let down after these defeats, but grew more to win their net four games, three of which were shutouts. The team suffered one more defeat at the hands of Bedford, but managed to defeat Lincoln-Sudbury with a score of 16-0.

They also defeated the much favored Acton-Boxborough with a score of 26-13 on Thanksgiving Day. Maynard simply outplayed Acton in every aspect of the game and deserved the win.

The Maynard High School Cheerleaders are a group of twelve girls who are together for a whole year. It begins in early June (right after tryouts) and ends sometime in late April after the last tournament.

Being a cheerleader means practicing six days a week for tournaments; planning rallies and skits; going to summer camp; having to smile no matter what kind of mood you're in; decorating the school; selling carnations and getting yelled at by Miss Klepadlo.

The 1973 Field Hockey Season started out with a new outlook and new coaches, Kathy Bassett as varsity coach and Celia Bartolotti as junior varsity coach. They collaborated on drills and exercises to build up the teams endurance.

Although the record does not show it, the J.V. team improved greatly. As for the varsity, as the season progressed the team did also, concluding the season with back-to-back victories and a 5-5-3 record.

This year the girls' team found themselves inexperienced and building for the future. With a loss of four starters from last year's team, we still produced and worked hard and stand proudly on a 6-8 season.

The four seniors for this year captained the varsity team and contributed their hustle, desire to win and spirit. They were L. Iannarelli, E. Kraemer, K. Hicks, And B. Moynihan. Also on the team were three juniors and eight sophomores, which makes the horizon bright for the 74-75 season.

Coaching this year's teams were Kathy Bassett, varsity, and Beth Cook, junior varsity.

Although the varsity record this year was 7-13, this does not tell the whole story, Coach Cusson's men were "in" every game they played, and with a couple of breaks, could have turned the record around.

The team relied on a very tough defense and a running offense. Although Mike Brown, Peter Mariani, and Nick Lombardi will graduate, next year the team will have the benefit of the experience of its returning members.

"Peter, you're on the J.V. page!"

Up! For a basket Brian.

The J.V. team ended the season with an even 10-10 record. The season was marked by the fine backcourt play of George Howes and Russ Arena; the versatile play of Brian Duggan and James Forster and the tough backboard work of Roger Alatalo and Joe Kolinowski.

Coach Henning's team will help fill the bill next year in Coach Cusson's plans.

Adding a new dimension to softball this past season was Miss Kathy Basset. Her skills and knowledge of the game proved to be invaluable as the girls compiled an even 5-5 record. After seasons of no wins, 1 win, and 2 wins, this record indicates steady improvement. Coach Cindy Kulevich is looking forward to next year with anticipation of a winning season.

In this yearbook, we have tried to skim the surface of our four years at M.H.S. There are so many situations left unpictured or unsaid — times that can only be recalled by the individual. In passing, we would like to say that this book was not meant to fully picture these past years, but merely to conjure up some of the old memories that, years from now, most will have forgotten.

We've grown together during our school years, yet we've all formed different worlds. We must now step out of the security we have felt here at M.H.S. and search for future goals.

To Mr. Lincoln, who, while on "secret assignments", has captured needed and appreciated candid, we owe many thanks. Of course, there are various other individuals who must be noted for their efforts. First of all, we would like to give a special, and heart felt, thanks to Mr. Henning, who has been the best adviser we could have asked for. We are sorry, Mr. Henning, if you lost a few more hairs over the meeting of deadlines. Secondly, we would like to thank James Aromaa. Jimmy has spent many long, hard hours outside of school on the layout and design of this yearbook. Also Linda Ianarelli for the cover design and Jane Wattu for the art work. Lastly, we would like to thank Mrs. Dee and Anita Stevanazzi for keeping track of our books and trying to keep us out of debt.

Although our high school days close around us, it certainly does not mean the end of lessons and learning, for you must "continue to question yourself and the world which confronts you, for truth comes from why and from within."

*Robert W. Hill  
Joyce Yanchewski*

Kimberly,  
the love of my life,  
To my superstar, you're  
really a great actress and a  
better singer and you're even  
an average athlete. (Haha) Remember  
when I first asked you to play tennis,  
seems like that was along time ago and boy I was nervous when I asked you  
but last summer is all gone and we're where we should be right now.  
Remember the Halloween and Valentine's cards you sent me, Boy the school  
junior girl, I don't know! Oh, Oh, I don't even wish your mother  
was an alligator either! Remember our jay age class and how you used to  
always run around and look at me, I know ~~why~~ because I was looking at  
you. Remember Band and Gorkley eyes. I guess you'll miss hearing the  
sound of my sweet trumpet next year, because I'll miss hearing the  
sound of your not so sweet but sour flute! (Please don't hit me, only joking)  
Well hear we are June 74 and I'll be graduating and going out into the  
that wide open world and college, I guess I'm a little nervous and a little  
scared because I've had so much fun and made so many friends at MHS  
I know one thing Kim, I'll never forget you no matter what happens  
and I know ~~she'll~~ always be a special place in my heart for you.  
Your first a "Wonderful" person and if I've told you once I've told you  
a thousand times don't ever change because I like you just the way  
you are. Next year is your senior year and you should have a great  
time and I know you will. Well I guess that's all I have to say so  
wish me luck, say a few prayers now and then for me and I hope I'll  
be seeing you next year. I know I will.

Love always,

Pete

P.S. you'll always be a STAR ☆ with me.

Kim,

To a talented friend.  
You're always happy and  
make it a pleasure to  
know you. Remember all  
the good times we've had  
in all our classes especially  
yearbook and History. Stay  
like you are and go along  
way. God Bless ya

AFA

Jerry "75"

Kim,

To one of the nicest  
people I know. Remember  
all the good times we've had.  
Though you haven't had any  
accidents like mine so I've  
haven't had much chance to  
show you what friends are  
but you showed me what  
they are during my many  
accidents and you'll always  
be one of the best I have.  
Best of luck in all your  
future years. Stay as sweet  
as you are and you'll go far  
in life. God Bless & AFA

Love,  
Marijellen
